Auto EXPRESS NEW CAR AWARDS WINNER 2019 COMPACT FAMILY CAR OF THE YEAR ŠKODA SCALA

WHAT CAR? CAR OF THE YEAR 2020 Family car Less than £20,000 Skoda Scala 1.0 TSI 115 SE

Effective: 7th May 2020

TIMELESSLY NEW

The SCALA strikes just the right balance between boldly new and timeless. Its taut, sophisticated five-door profile encompasses a host of unique new features and intuitive technology. Sporty, generously spacious and versatile, it adapts to go wherever life takes you. Unmistakably ŠKODA yet fresh from bumper to bumper, the SCALA moves you seamlessly into the next era.

Auto EXPRESS NEW CAR AWARDS WINNER 2019 COMPACT FAMILY CAR OF THE YEAR ŠKODA SCALA

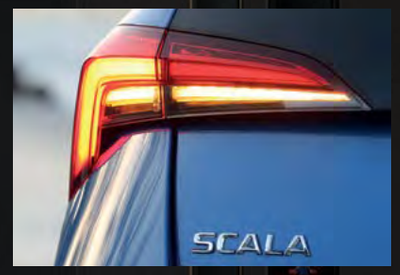
Models shown are not UK specification. Some of the equipment shown is optional.

STRIKINGLY VERSATILE

You know it's a ŠKODA because of the iconic styling cues. But with the SCALA, a stronger, sharper shoulder line, sleeker LED headlights and a deep lower grille mark new territory. For the first time ever, the ŠKODA name is positioned proudly across the boot, while the dimensions combine stability, safety and space efficiency. In the SCALA, substance and style live happily together.

FULL LED REAR LIGHTS

These LED rear lights incorporate dynamic indicators. A first for ŠKODA, the indicators sweep sideways whenever you signal your intention to turn.



PANORAMIC ROOF

Enhance your travel experience by lighting up the interior and, on sunny days, prevent dazzling passengers with the electric sun blind. From the outside, every inch of the roof is covered with the black design detailing.

EXTENDED TAILGATE GLASS

Personalise your SCALA by extending the tailgate glass down beyond the lettering. The look is further enhanced with full LED rear lights and dynamic indicators in the tailgate design pack.

Models shown are not UK specification. Some of the equipment shown is optional.

INNER STRENGTHS

The inside story is inspiring. Bright, airy, spacious and a quality feel are ŠKODA trademarks, but there is much more to explore. New tactile trim and materials are complemented by next-generation driver assistance, comfort and safety systems – while ambient lighting creates a subtle welcome. Once inside, the Virtual Cockpit incorporates a host of online services, extra functionality and plenty of scope for personalisation. More than ever, this is your space.

Models shown are not UK specification. Some of the equipment shown is optional.

VIRTUAL COCKPIT

10.25" digital display replaces the traditional instrument dials and can be customised with five views (Classic, Basic, Extended, Modern and Sport).

AMBIENT LIGHTING

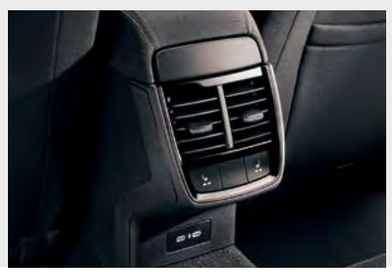
Tailor your space to be more comfortable with subtle ambient lighting running along the dashboard.

DUAL-ZONE CLIMATE CONTROL

Whether keeping you cool in the summer or cosy in the winter, this electronic system provides year-round comfort. It's also fitted with a humidity sensor to reduce windscreen misting.

REAR PASSENGER COMFORT

The knee and head room in the rear is exceptional, and includes heated rear seats that are regulated by a separate control on the rear side of the front armrest. Two USB-C slots enable convenient universal media charging.



EAGER AND EFFICIENT

Every option in the SCALA engine range brings you a balance of strengths. So whether you go for our petrol or diesel version, you'll enjoy refined accessible power and real efficiency.

Models shown are not UK specification. Some of the equipment shown is optional.

DRIVE MODE SELECT

Allows you to select the car's parameters and behaviour featuring Normal, Sport and Eco mode, plus Individual mode to truly meet all your needs.

DIRECT SHIFT GEARBOX (DSG)

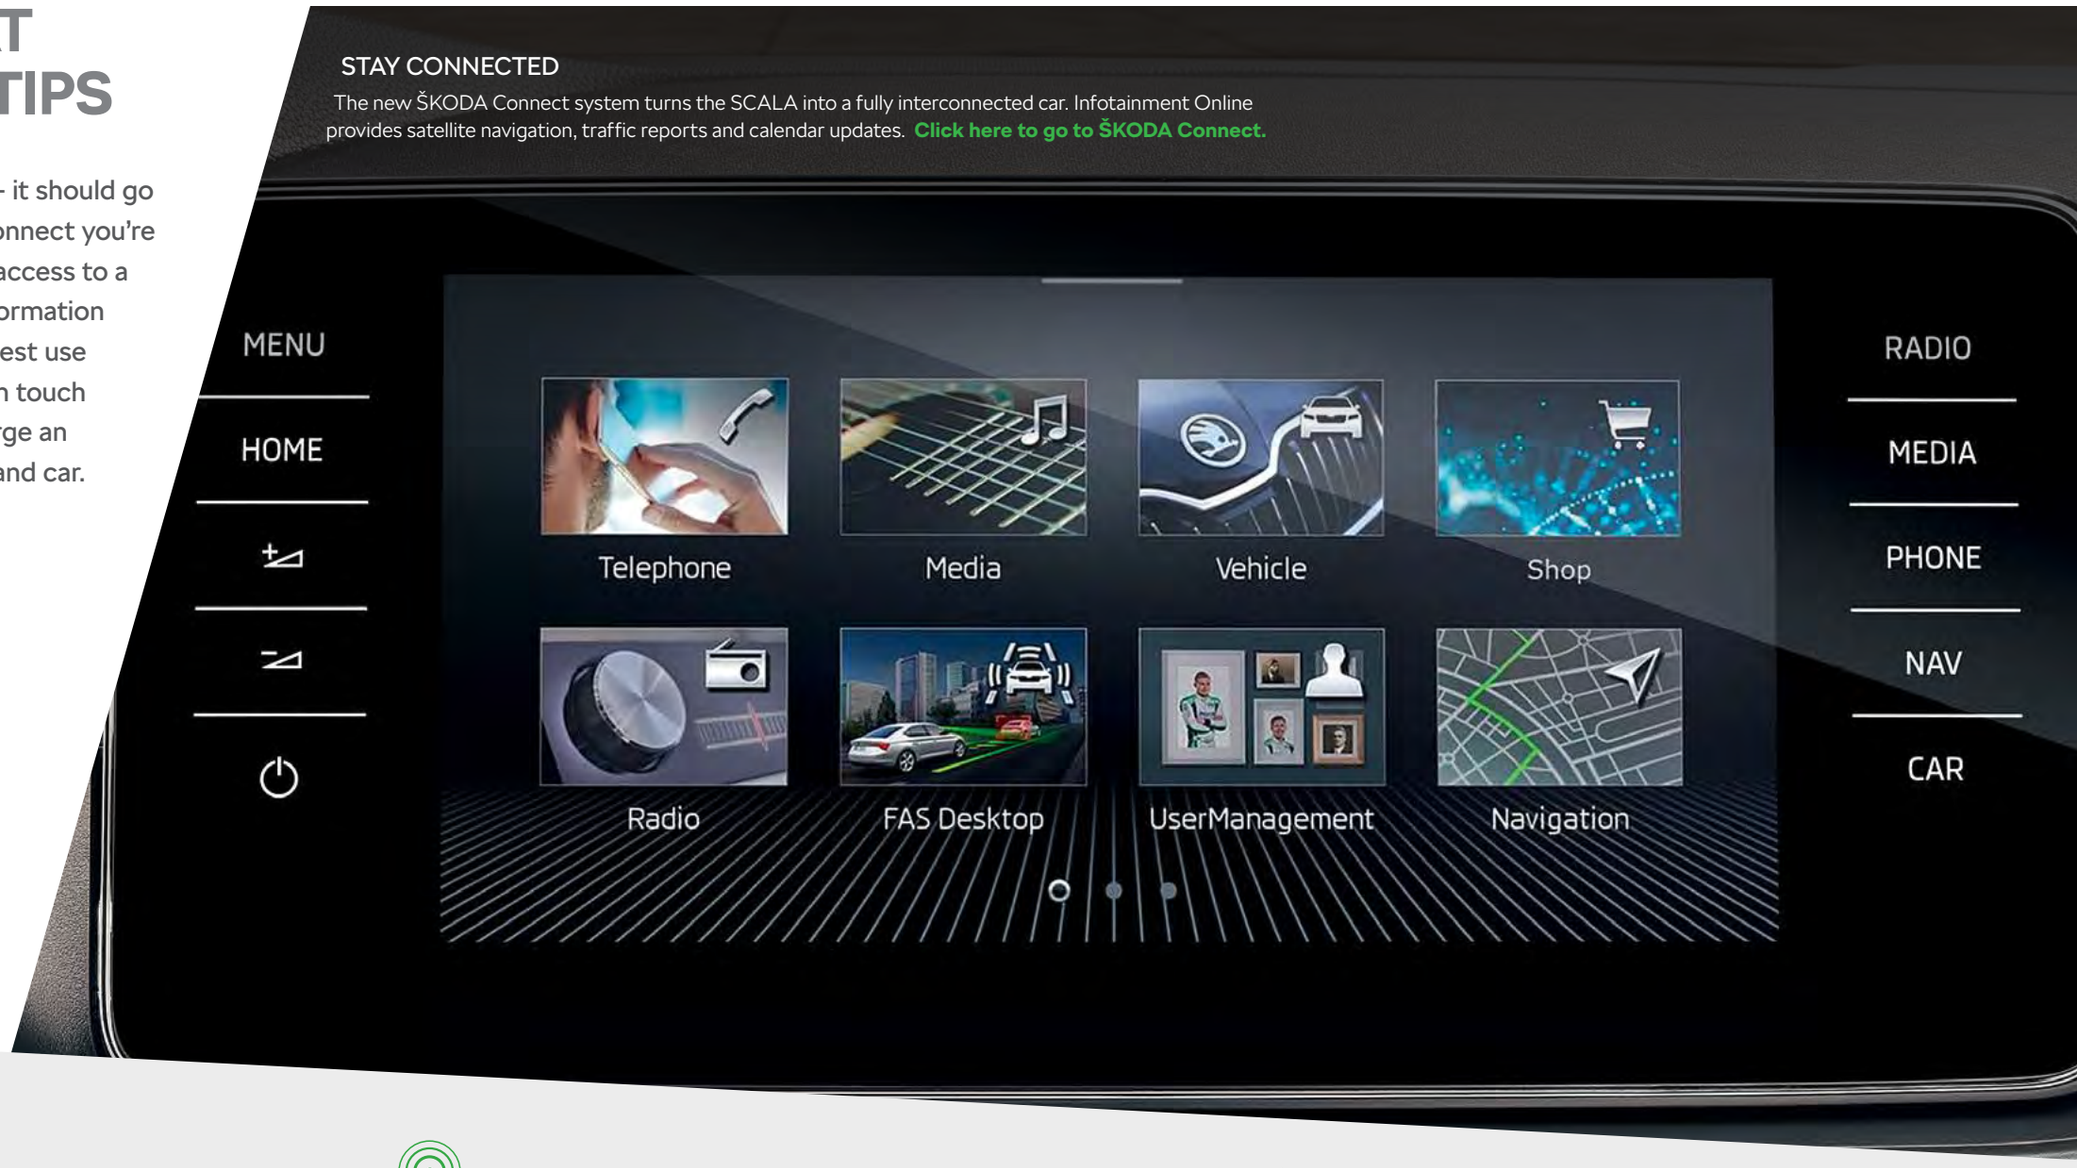
The seven-speed DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

SPORT CHASSIS CONTROL

A system of adjustable shock absorbers to improve ride and handling. With Normal mode for everyday travelling and long journeys, and Sport mode which improves the road grip in more dynamic driving conditions.

THE WORLD AT YOUR FINGERTIPS

Connectivity shouldn't stand still – it should go wherever you go. With ŠKODA Connect you're fully online all the time, with easy access to a world of entertainment, useful information and 24/7 assistance. Making the best use of your connectivity is simple, with touch or gesture. Everything helps to forge an even closer bond between driver and car.

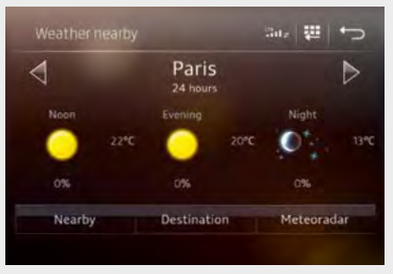


SMARTLINK

From taking calls to switching between your favourite playlists, SmartLink enables you to safely use your smartphone through the infotainment system.

NAVIGATION SYSTEM

The Amundsen satellite navigation system with 9.2" colour touchscreen display will happily get you from A to B, but why stop there? With its Bluetooth®, DAB and SmartLink capability, it offers more connectivity on the go.



INFOTAINMENT

The SCALA features the latest generation of infotainment system offering greater connectivity and personalisation than any other ŠKODA, allowing you to set your favourites for easy access every time.

Images shown may not be UK specification. Some of the equipment shown is optional.

SPACE TO SAVOUR

You'd expect the SCALA to provide plenty of user-friendly space, simple controls and a quality feel. But we've taken the interior to a whole new level. Now there's more space for everyone and their belongings, with an impressively vast luggage compartment and a cabin that really lets everyone relax. When you glance at the sharp, compact exterior, you wouldn't believe how accommodating the SCALA can be.

JUMBO BOX

The Jumbo Box is extremely handy for holding cups, as well as storing your gadgets, house keys and books.

ELECTRICALLY-ADJUSTABLE DRIVER SEAT

We go to great lengths to put comfort firmly in the driving seat. Quite literally in this case, as the driver's seat can be electrically adjusted including the lumbar support to suit your needs.

SPACIOUS STORAGE

Several storage compartments have been included in the interior to help you keep it looking its best. With optional Climate Control, the glove compartment can be air-conditioned, making it perfect for storing chilled refreshments.

FOLDABLE TABLES

Built into the backrests of both front seats, the foldable tables with drink holders can be used for more than just your refreshments.

Images shown may not be UK specification. Some of the equipment shown is optional.

As you would expect from ŠKODA, SCALA features one of the largest luggage compartments in its class. Combined with a roomy interior, it makes all passengers, front and rear, feel comfortable even on long journeys.

ELECTRICALLY OPERATED BOOT

The boot can be opened and closed at will with a quick touch of a button on the remote control or in the driver's door. A button for closing the boot is also located on the boot door itself.

IT'S ALL IN THE DETAIL

Thoughtful, simple details count. So we've added a whole host of them to the SCALA. These are the features that make everyday trips and longer journeys effortless. There are lots of optional touches to choose from too – covering entertainment, communication, storage and much more.

UMBRELLA STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrella located in the driver's door.

ICE SCRAPER

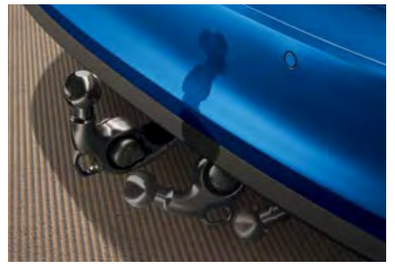
Mounted out of sight inside the fuel cap, this handy ice scraper is ideal for those frosty mornings.

REAR-VIEW CAMERA

Hidden under the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

ELECTRICALLY FOLDING TOW BAR

Activated by a switch in the boot, the KAROQ's foldable tow bar ensures it is safely hidden when not required.



Models shown are not UK specification. Some of the equipment shown is optional.

SAFE TO THE CORE

The safety of you and your passengers is built into every part of the SCALA. It starts at the very heart of the car – with a strong, rigid body, a finely tuned chassis and carefully designed crumple zones. We've added a range of clever electronic features and advanced driver assistance technology, so everyone on-board enjoys reassuringly advanced protection.

HIDDEN PROTECTION

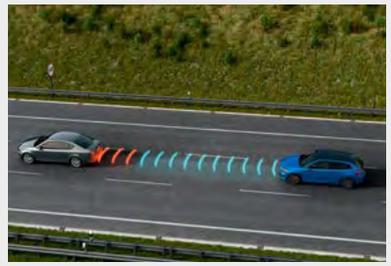
Cleverly concealed under the steering wheel column, the knee airbag is designed to protect your joints and shins in the event of a collision. This ingenious safety feature is available as an option on S, SE and SE L models.

AUTO LIGHT ASSIST

Automatically turns the full beam on and off depending on the current lighting conditions and traffic.

ADAPTIVE CRUISE CONTROL

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.



REAR TRAFFIC ALERT

Included as part of the Blind Spot Detection system, this assistant helps you reverse safely from a parking space when visibility is restricted. It can also activate the brakes automatically if an imminent collision is detected.

BLIND SPOT DETECTION

In another ŠKODA first, SCALA features the latest Blind Spot Detection system. Not only does it use road markings to help keep you in lane by gently intervening with the steering, but it also uses different radars to monitor a longer area behind the car to help you safely change lanes.

Images shown may not be UK specification. Some of the equipment shown is optional.

SCALA RANGE

Pricing valid as of 7th May 2020.

* From 1 April 2020, the official CO_2 emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the recommended 'on the road' price you pay (in most circumstances, prices will increase).

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official CO_2 emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

YOUR SCALA, YOUR WAY

From stylish extras that make ordinary trips feel extraordinary, to practical touches that ensure nothing gets left behind, it's your call to make.

USB C ADAPTOR

Enables you to connect your phone via USB A. Designed to be small and compact, this USB C adaptor can be used for both data transfer and charging.

LOCKABLE BICYCLE RACK

Have no excuse not to get out and ride. Our lockable bicycle rack provides a secure way of transporting your bike from A to B.

ROOF RACK

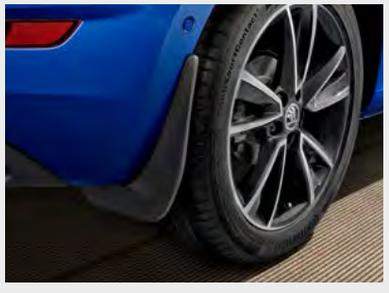
Designed to perfectly fit your ŠKODA, the roof rack maximises space when you need it most. Features a secure locking mechanism and two keys.

NEXTBASE 522GW DASH CAM AND GO PACK

Recording in 1440p HD, the new Nextbase 522GW Dash Cam now packs even more features into the UK's most popular dash cam brand, including built-in Amazon Alexa, HD touchscreen and Intelligent park mode - which begins recording when any physical vehicle movement is detected, keeping your SCALA safe when parked.

PROTECTION PACK

Muddy boots. Sand-filled towels. Soggy bike gear. Escaping for adventure may be great for the soul, but it's far less kind on your interior. It's why we've created our Protection Pack, which includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price



MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

DOUBLE-SIDED BOOT LINER

No matter how mucky things get, it's good to know that there's a boot liner to match it. This clever liner comes with an all-weather texture on one side with a textile reverse. They're quick to fit and remove, and all come with a 5cm raised edge to keep in dirt and make mucky boots a thing of the past.

FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO_2) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO_2 figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards - this rate currently applies to all ŠKODA diesel models.

Note: Cars with a list price of £40,000 or more will pay an additional £325 on top of the first year rate and for a further four years on the standard rate (total of five years).

BiK CALCULATION EXAMPLE

Based on
SCALA S 1.0 TSI 95PS

P11D value		**£17,035.00**
Company car BiK tax based on CO_2 emission level		**28%**
Taxable BiK (for 2020/2021 tax year):	28% of £17,035.00	**£4,769.80**
Annual company car tax (2020/21)		
20% income tax	20% of £4,769.80	**£953.96**
40% income tax	40% of £4,769.80	**£1,907.92**
Monthly company car tax (2020/21)		
20% income tax	£953.96 divided by 12 months	**£79.50**
40% income tax	£1,907.92 divided by 12 months	**£158.99**

Company car tax is based on the vehicle's carbon dioxide (CO_2) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO_2 emissions of the vehicle for the current tax year 2020/2021.

These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. ADDITIONAL INFORMATION

ŠKODA Financial Services

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new ŠKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Finance subject to status. 18s plus. Terms and conditions apply. ŠKODA Financial Services.

ŠKODA Car Insurance

Complimentary ŠKODA Drive Away Insurance

We want you to start enjoying your new car from day one, which is why every new or used ŠKODA, purchased from a ŠKODA Retailer, comes with five days' complimentary insurance. This comprehensive cover guarantees that your vehicle will be repaired in a ŠKODA Approved Repairer using ŠKODA Genuine Parts.

To set up your five day cover, please visit **insurewithskoda.co.uk/driveaway.** Alternatively, you can call us on 0345 877 6348.
Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday. You will need the following information from your ŠKODA Retailer: vehicle model, registration number, vehicle collection date, ŠKODA Retailer number. Subject to eligibility. Five day drive away insurance cannot be used in conjunction with any other insurance offer. We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase. See below for more details.

Annual Car Insurance with the ŠKODA 3 Year Fixed Price Commitment

You can't always predict what life has in store, but with ŠKODA 3 Year Fixed Price Car Insurance you can relax knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do. Cover runs for 12 months at a time and you'll receive a renewal notice confirming your fixed price for the following year.

With ŠKODA Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews. Enjoy peace of mind, complete convenience, and relax in the knowledge you have a policy tailored specifically for your ŠKODA. ŠKODA Car Insurance provides fully comprehensive cover, and you can enjoy the following benefits as standard:

- 3 Year Fixed Price Commitment
- ŠKODA Approved Repairs carried out by ŠKODA Approved Technicians using only ŠKODA Genuine Parts and Paints
- Guaranteed courtesy car whilst yours is in for repair
- Windscreen cover
- Uninsured driver promise (providing we have the car registration, make, model, and driver details)
- Personal accident cover
- Personal belongings cover (excludes loss of money)
- Child seat replacement

There's a lot to like about being a ŠKODA driver. Get a quote or find out more at **insurewithskoda.co.uk** Alternatively, call us on 0345 246 9091. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

ŠKODA 3 Year Fixed Price commitment will fix your premium for 2 consecutive renewals, if you choose to renew. Fixed Price commitment will no longer apply if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims). The premium at your next renewal will change if you make an amendment to your policy and the revised premium will be fixed for the remaining renewal periods. Fixed Price commitment does not apply to optional additional products and/or Insurance Premium Tax price changes. ŠKODA Car Insurance is underwritten by U K Insurance Limited.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority, VWFS UK and U K Insurance Limited are not part of the same corporate group.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine ŠKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first two services for one payment of just £342 or 18 monthly payments of £19.00. The service plan includes a maximum of one oil service and one oil and inspection service. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your SCALA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- Driven fewer than 10,000 miles per annum.
- Mainly short journeys, driven mostly in towns or cities.
- High vehicle loading/towing and frequent hill climbs.
- Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at:
skoda.co.uk/owners/accessories-and-merchandise

Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/wltp-info** or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

ŠKODA UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.
