

DACIA DUSTER CARGO

DACIA DUSTER CARGO

The new Dacia Duster Cargo brings the award-winning SUV's exceptional value-for-money and go-anywhere capability to the light commercial vehicle market, offering hard-working businesses all the practicality and versatility they need to get the job done, regardless of where the work is.

Duster Cargo features the same rugged looks as the passenger version but builds on its robust and resilient nature by adding a tough, hard-wearing flat load area offering 1,149 litres of space and a payload of up to 430kg.

Homologated as an N1 commercial, the conversion takes place at the factory, guaranteeing the quality of the installation and preserving the three-year, 60,000-mile warranty. Subject to terms and conditions, customers can also benefit from Dacia Zen, which gives an additional 1-year of warranty by servicing your vehicle at Dacia, up to 7-years or 75,000 miles.

We've built our range simply with just one trim level, paired with Dacia's proven powertrains.

Available as a mild hybrid 130 4x4, offering genuine all-terrain ability with 217mm of ground clearance or the recently launched hybrid 155, delivering outstanding efficiency.

Whatever your needs, there is a Duster Cargo to suit.

Whatever your trade: florist, plumber, farmer, the New Duster Cargo has it covered. Prices start from a shockingly affordable £22,995 (EX VAT).

DESIGNED FOR YOU AND YOUR BUSINESS

- Mesh bulkhead, separating the driver and load area
- Hard-wearing flat load area offering 1,149 litres of space
- Payload capacity of up to 430 kg
- Four lashing points to secure your goods
- Opaque films applied to the fixed rear windows
- Load Stop
- Disabled rear doors
- Load compartment cover

LOADING VOLUME AND DIMENSIONS

Perfectly adapted for business, Duster Cargo comes fully equipped with a bespoke load liner with 4 lashing rings for securing loads. Driver and front passenger protection comes in the form of a mesh bulkhead ensuring occupants remain separated from whatever is being carried. Whilst opaque rear side windows and disabled rear doors enhance security.

Mesh bulkhead, separating the driver and load area

Four lashing points to secure your goods

This boot’s loading capacity gives you up to 1,149 litres of useful space, take what you want, where you want

THE HEIGHT OF COMFORT

The Dacia Duster Cargo impresses inside and out. The electrical power-assisted steering offers a smooth driving experience, while the rearview camera makes for perfect parking.

Hit the road with peace of mind using Media Display!

With its large 10" touchscreen[^], New Media Display helps you easily manage your calls and music. Plus, take advantage of its wireless smartphone mirroring to display all your favourite apps on the screen.

With your smartphone and the remote services pack, you can locate your vehicle on a map to help you find your vehicle in a car park. You can also check your mileage and remaining driving range and enjoy FOTA* updates for up to 5 years.

image shown is inside the mild hybrid 130 4x4

[^]

*FOTA = Firmware over the air, meaning you can get software updates without having to go to your dealership.
