driving made simple

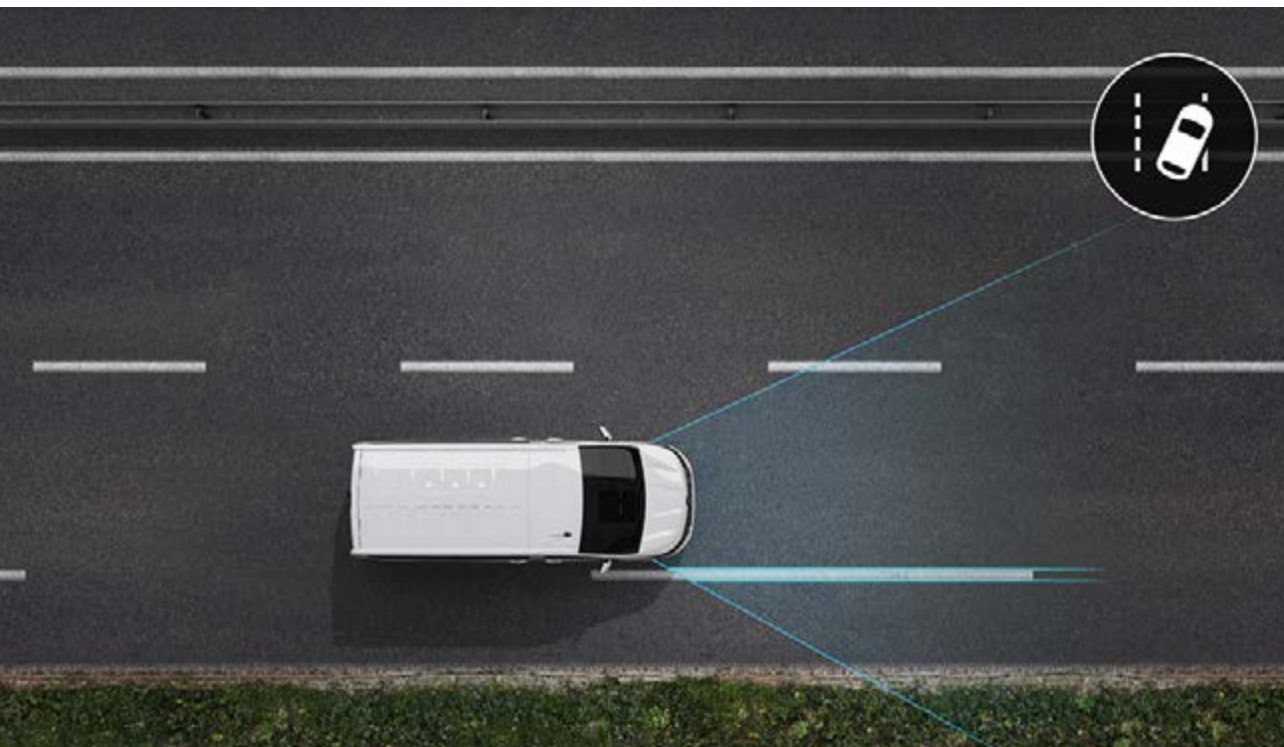

Renault Trafic Passenger comes with a range advanced driver assistance systems, including eight new features.

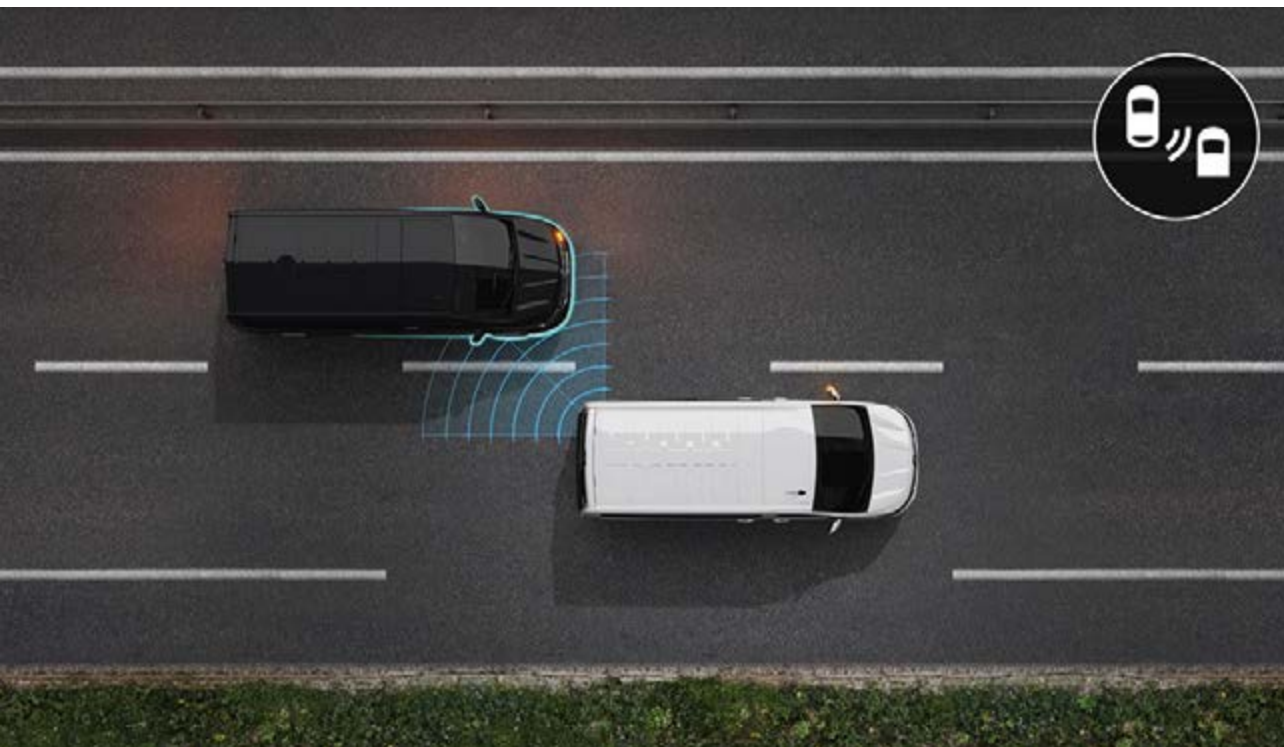

adaptive cruise control with downhill braking
Maintain a safe following distance relative to the vehicle in front and control your speed. The system operates the brake and accelerator, based on the measured distance and the maximum speed that you have set, in compliance with the highway code.

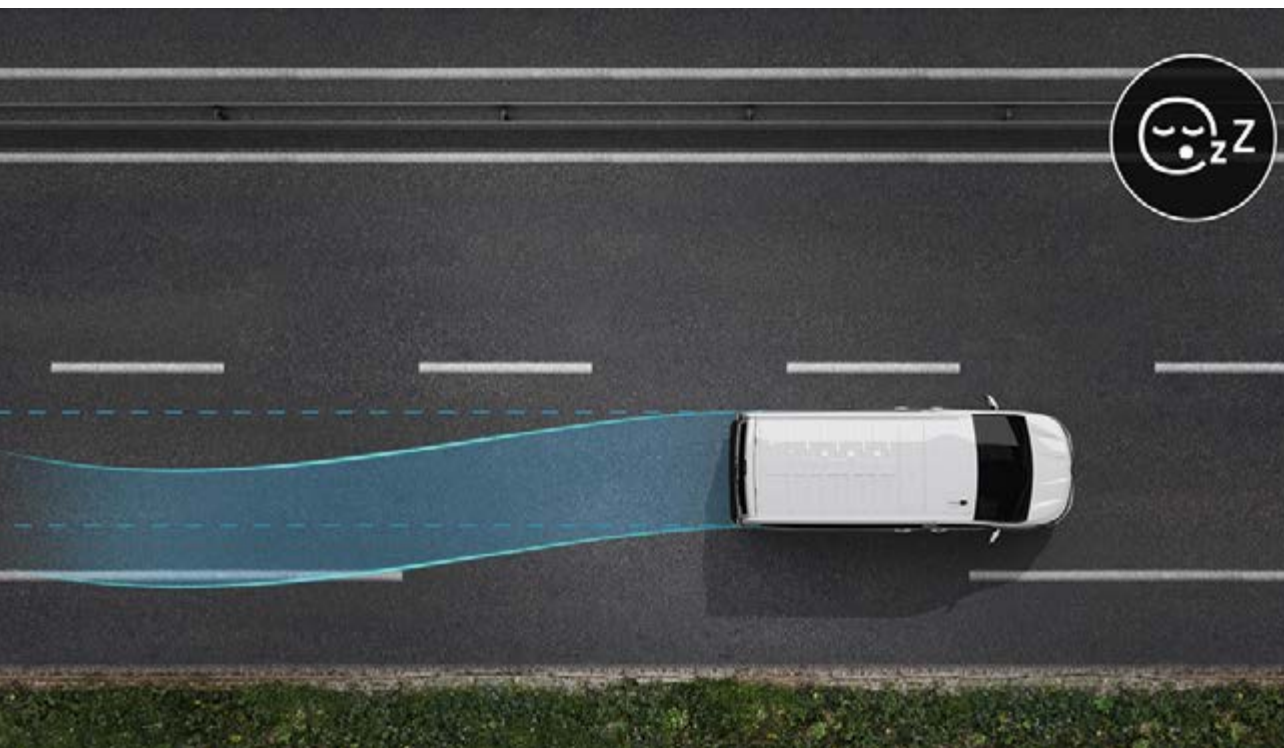

active emergency braking system
Standard across the range this system detects vehicles, cyclists and pedestrians to the side or in front, then stops the vehicle in the event of any danger. Driving in the city has never been so safe, day or night.

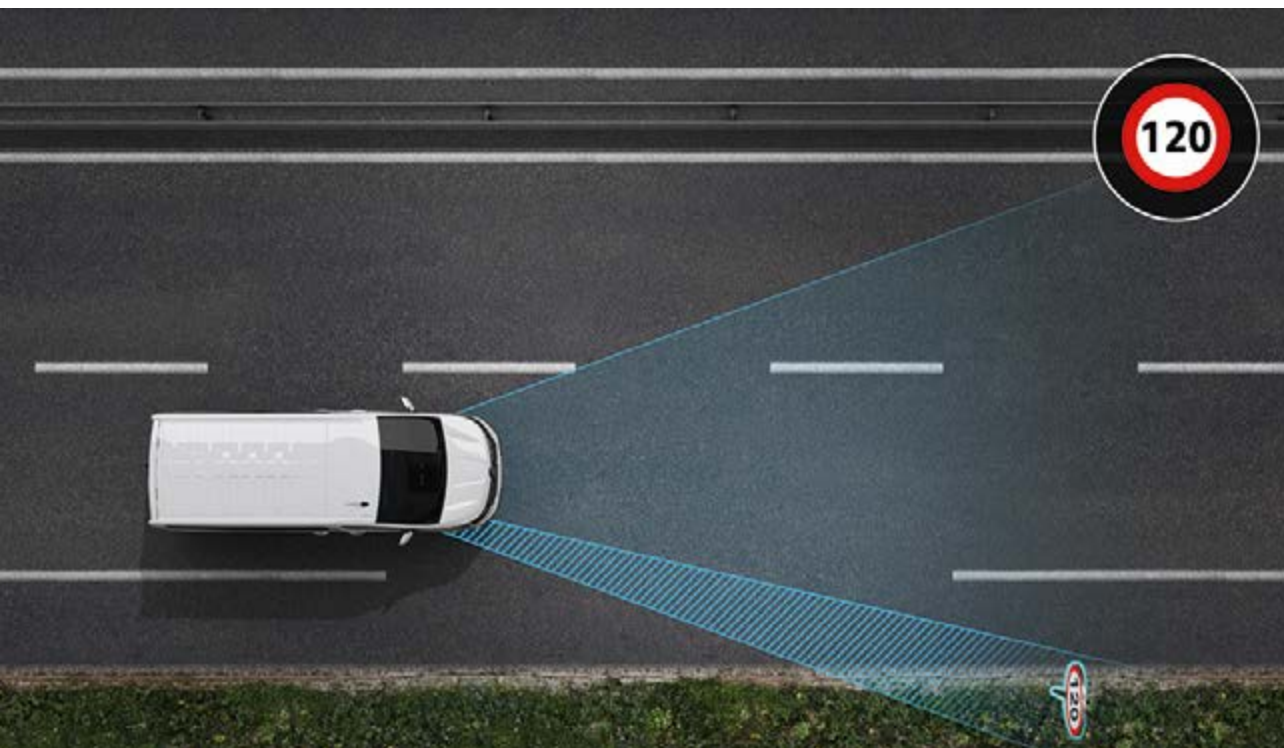

lane departure warning
The system informs the driver of unintended crossings of a solid or broken line, using a camera located on the windscreen, behind the rear-view mirror. (standard)

blind spot warning
Active above 15 km/h, this system uses warning lights to alert you to the presence of vehicles that are not visible in your field of vision. (optional)

fatigue detection warning
This function analyses your behaviour and warns you of any risk of fatigue in the event of inappropriate steering wheel movements, for example. The warning then recommends you take a break with a visual and audible message on the instrument panel. (optional)

speeding alert with road sign recognition
This system informs you of speed limits via the instrument panel and alerts you if you exceed the speed limit thanks to a camera positioned at the top of the windscreen.

we have enhanced the safety and driver assistance systems across the Trafic Passenger range, the following features are now standard:

- front and rear parking sensors
- lane departure warning
- active emergency braking
- tyre pressure detection
- driver attention alert
- front lateral, curtain and front passenger airbags

accessories

coach bicycle rack and towbar
Increase the load capacity so you can carry up to four bikes with the coach bicycle rack on the standard towbar.

side steps
Make it easier to get in and out of the vehicle, and to access any roof loads. Essential style-statement accessory.

customisation stickers on bonnet
Customise your vehicle to make your vehicle unique to you and stand out from the crowd.

boot liner and boot sill
The boot liner is ideal for easily transporting a range of products, particularly items that might soil the boot. It effectively protects the original carpet and perfectly adapts to the shape of the boot. As for the boot sill, it covers and protects the vehicle's loading area.

Information correct at time of publication * Inc VAT † WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures. Please visit [renault.co.uk/configure](https://www.renault.co.uk/configure) for WLTP figures for any selected options.

Renault services

3 years warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 100,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 years Renault assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 100,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance and Terms and Conditions please visit www.renault.co.uk/assistance

LCV service plans & extended warranties

Renault's LCV Service Plans are the ultimate package to provide care free servicing for your new Renault LCV. It really is the hassle free way to take care of your Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The Renault LCV Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle safety check to ensure your Renault is in the best condition possible.

Renault LCV Extended Warranty enhancements also available. Refer to the Price Guide for more details.

service intervals

24,000 miles / 2 years

Renault Network Services
