Pricing valid as of 1st October 2026.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2026. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2026.

The BIK charges quoted reflect charges which apply to vehicles registered after 6th April 2026. These charges may differ from any charges displayed or quoted before 6th April 2026.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator **here**.

VED (Vehicle Excise Duty) from 1st April 2026

VED Band	CO_2 (g/km)	Petrol/diesel/alternative fuel cars* (tax class 48, 49 and 59) 12 months	Diesel cars** (tax class 49) 12 months
A	0	£10	£10
B	1-50	£115	£135
C	51-75	£135	£280
D	76-90	£280	£365
E	91-100	£365	£405
F	101-110	£405	£455
G	111-130	£455	£560
H	131-150	£560	£1,410
I	151-170	£1,410	£2,270
J	171-190	£2,270	£3,420
K	191-225	£3,420	£4,850
L	226-255	£4,850	£5,690
M	over 255	£5,690	£5,690

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO_2) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO_2 figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £440 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on Octavia Hatch SE Technology 1.5 TSI 116PS ACT		
P11D value		**£28,230.00**
Company car BiK tax based on CO_2 emission level		**29%**
Taxable BiK (for 2026/27 tax year):	29% of £28,230.00	**£8,186.70**
Annual company car tax (2026/27)		
20% income tax	20% of £8,186.70	**£1,637.34**
40% income tax	40% of £8,186.70	**£3,274.68**
Monthly company car tax (2026/27)		
20% income tax	£1,637.34 divided by 12 months	**£136.45**
40% income tax	£3,274.68 divided by 12 months	**£272.89**

Company car tax is based on the vehicle's carbon dioxide (CO_2) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO_2 emissions of the vehicle for the current tax year 2026/27.

Classic with a sharp edge

Crisp lines and sleek design join together with space and practicality to deliver strong usability whilst still making heads turn. Whether you favour hatch or estate, the Octavia's elegant silhouette exhibits a modern and dynamic design.

LED Matrix headlights

Crystal clear view with Crystallinium style. The 36 individual light segments adapt and block parts of their beam to provide great onward visibility without dazzling other drivers.

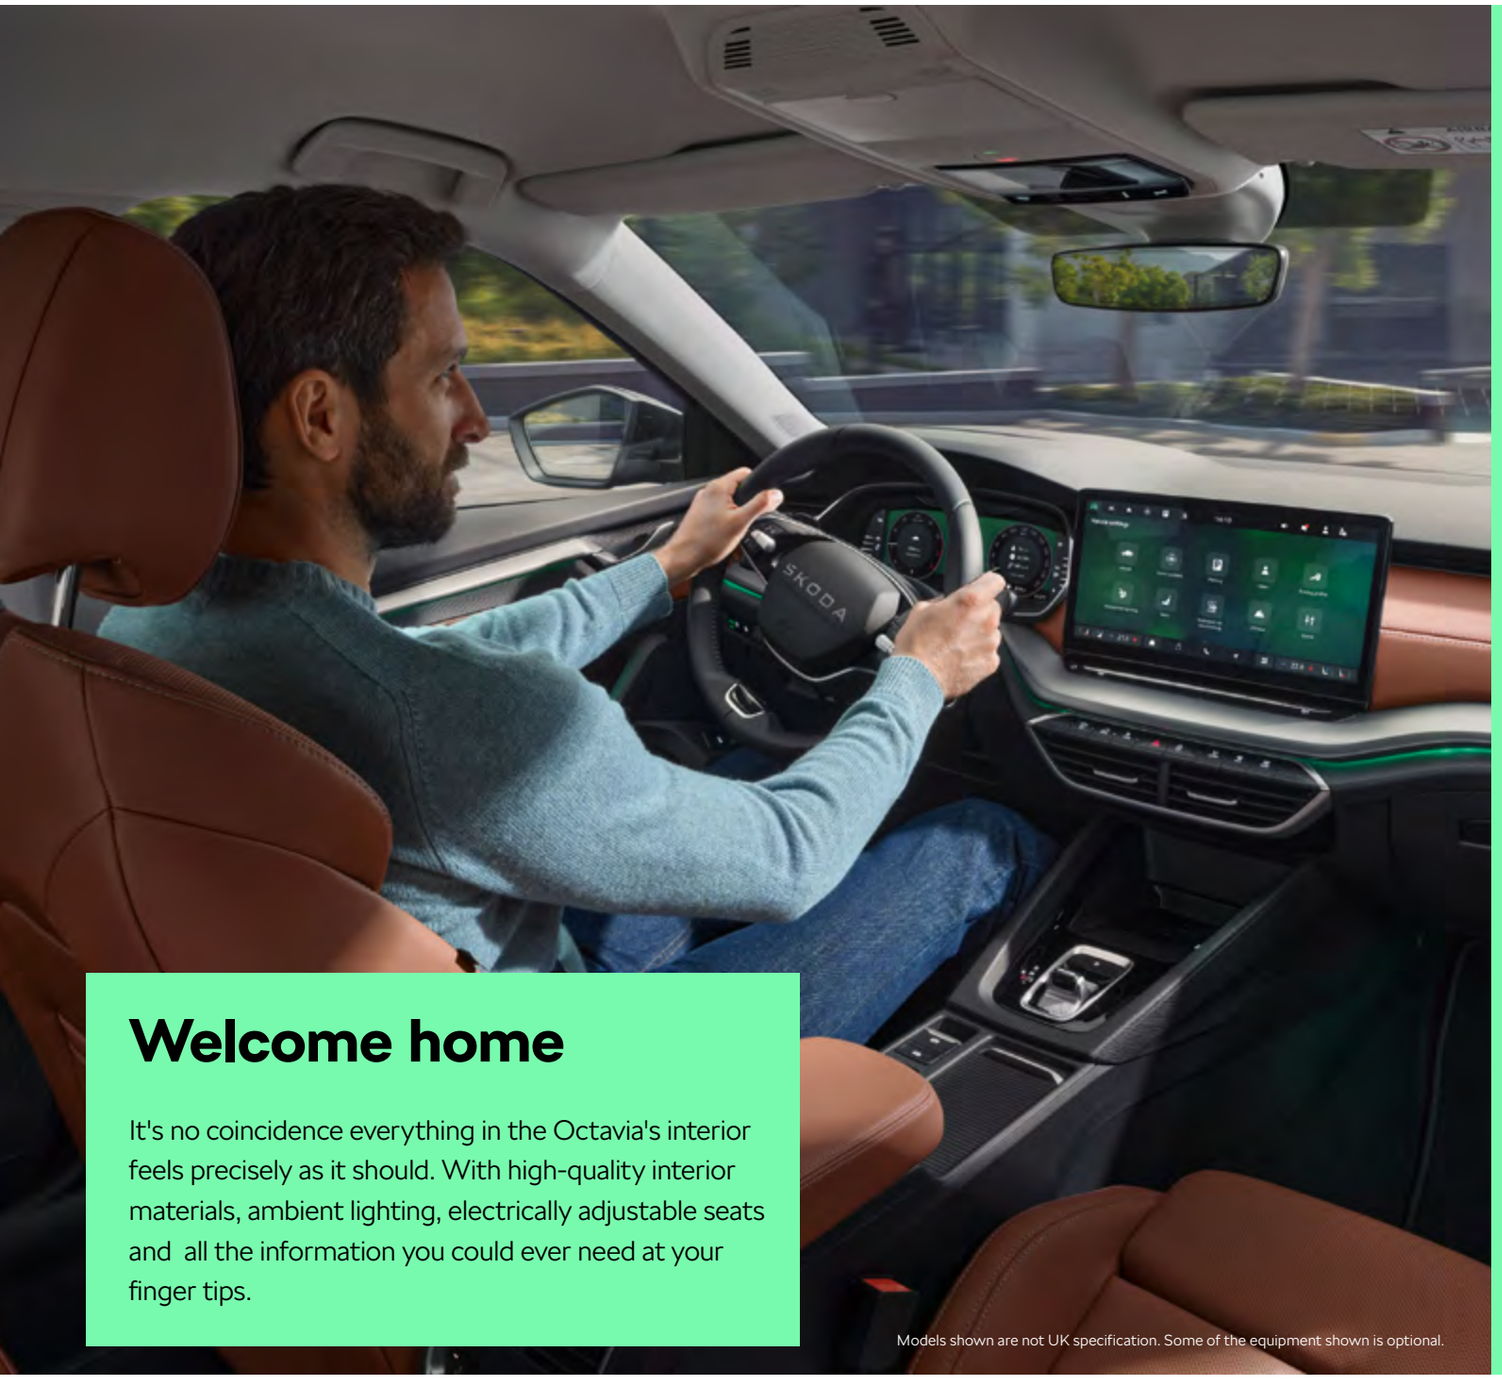
Rear LED lights

The beautifully sharp rear LED lights create an animated turn signal, illuminating sequentially in the direction you are turning.

Panoramic sunroof

The electrically adjustable panoramic sunroof lights up the interior and enhances the feeling of airiness inside the cabin. Whilst the tinted glass ensures maximum comfort.
The front part of the sunroof can also be tilted or can slide backwards.

Models shown are not UK specification. Some of the equipment shown is optional.



Welcome home

It's no coincidence everything in the Octavia's interior feels precisely as it should. With high-quality interior materials, ambient lighting, electrically adjustable seats and all the information you could ever need at your finger tips.

Models shown are not UK specification. Some of the equipment shown is optional.

Seats that do it all

Enjoy every journey with electrically adjustable, heated, ventilated and massaging front seats.

Ambient lighting

Transform the mood of your interior with LED ambient lighting. A wide choice of colour options is available, which come to life with a quick selection through the infotainment display. Lights run along the dashboard, in foot wells and in the front doors.

Head-up display

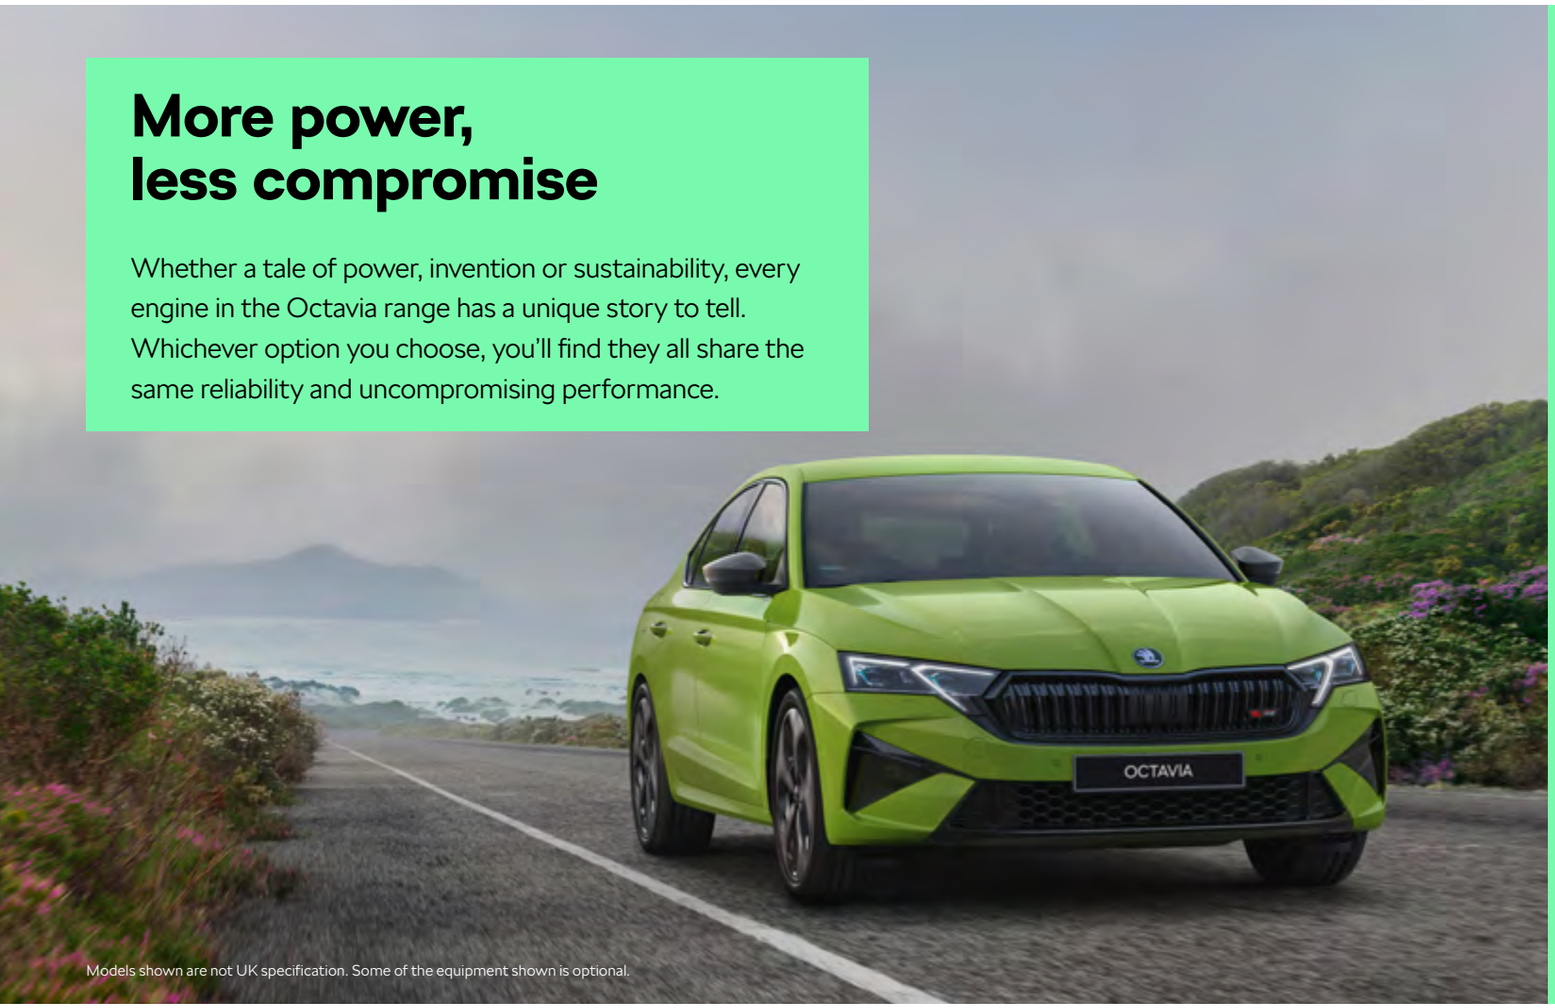
Intuitively designed to avoid distraction, the head-up display shows key driving data in a way that's easy to absorb at a glance.

CANTON sound system

Created in collaboration with German audio experts CANTON, this set of 12 speakers and digital equaliser has been masterfully fine-tuned to amplify the listening experience inside the Octavia.

More power, less compromise

Whether a tale of power, invention or sustainability, every engine in the Octavia range has a unique story to tell. Whichever option you choose, you'll find they all share the same reliability and uncompromising performance.



Models shown are not UK specification. Some of the equipment shown is optional.

Dynamic chassis control

Maximum performance, maximum comfort. This innovative system continuously evaluates and responds to various driving situations, adapting the damping and steering to ensure a smoother drive. The system's five ride settings can be changed at the touch of a button in the centre console to suit your specific needs. Sportier DCC options are also available for those seeking a more dynamic drive.

Fuel-efficient engines

Sustainability lies at the heart of every Škoda. So, whether you favour petrol or diesel, you'll find a super-efficient engine to suit.

Performance and aerodynamics

The Octavia's impressive aerodynamics allow it to glide through the air, improving fuel efficiency and driving performance.

Shift by wire

Only fitting for a family flagship car, the Octavia features 'shift by wire' technology that delivers maximum comfort in vehicles equipped with automatic transmission. Controlled by a shift lever in the centre console, it reduces the strain on the engine by deciding when to change gear, leaving you free to enjoy the journey.

Innovation at every turn

Connectivity to go wherever you go

By enabling you to be fully online on the move, the Octavia helps you stay connected wherever your adventure takes you. From finding the best route to viewing your vehicle data, locking and unlocking the doors to viewing where you last parked, you have full control in the palm of your hands.

Images shown may not be UK specification. Some of the equipment shown is optional.

Lock & unlock

Kids need to get something out the boot? Through the mySkoda app, you can lock and unlock your Octavia remotely.

Navigation updates

Stay up-to-date on the fastest route with map updates and live traffic information. All through the large 13" touchscreen.

Emergency call

Activated by pressing a red button placed in the roof headlining, Emergency Call provides immediate contact with the emergency services. In the event of a crash, the call is made automatically to ensure you get the help you need.

Leave nothing behind

In a car packed with intelligent driver systems and design features, we've made sure to leave plenty of room for space too. The luggage capacity can be enhanced thanks to a host of clever design features that increase practicality.

Folding luggage hooks

Keep your bags from rolling around in the boot - whether it's your shopping or your dinosaur backpack.

Rear cupholders

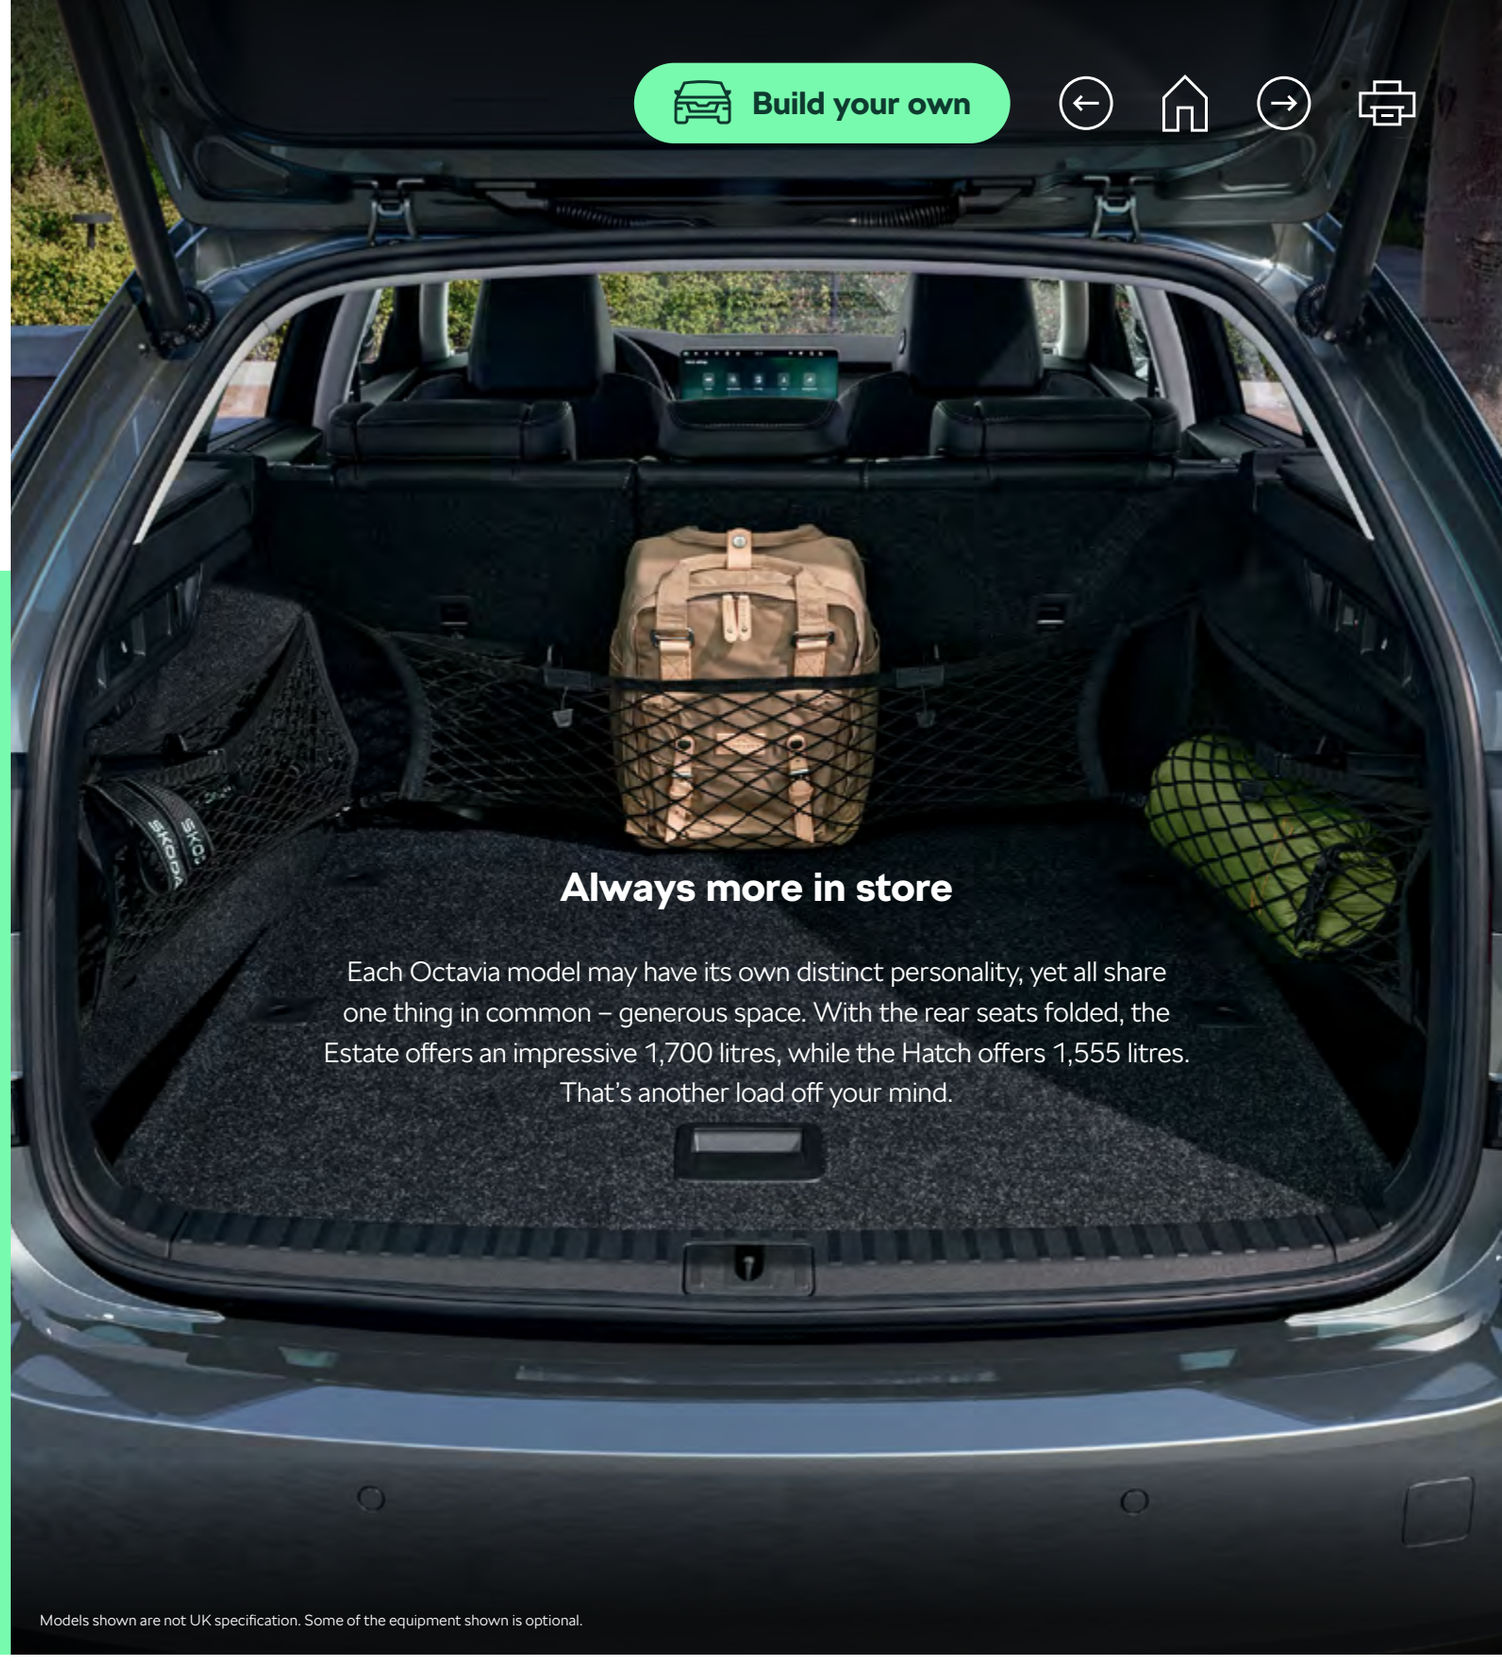
The useful spaces continue into the back, with cupholders for the rear passengers.

Jumbo box

Keep your precious smart devices safely out of sight in the front armrest. The Jumbo Box will also cool your snacks when the air con is on. While drink holders with Easy Open function are on the centre console.

Storage box

As well as in the doors, rear passengers can put items in the handy storage box. Next to which they'll find USB-C ports to keep devices charged for the whole journey.



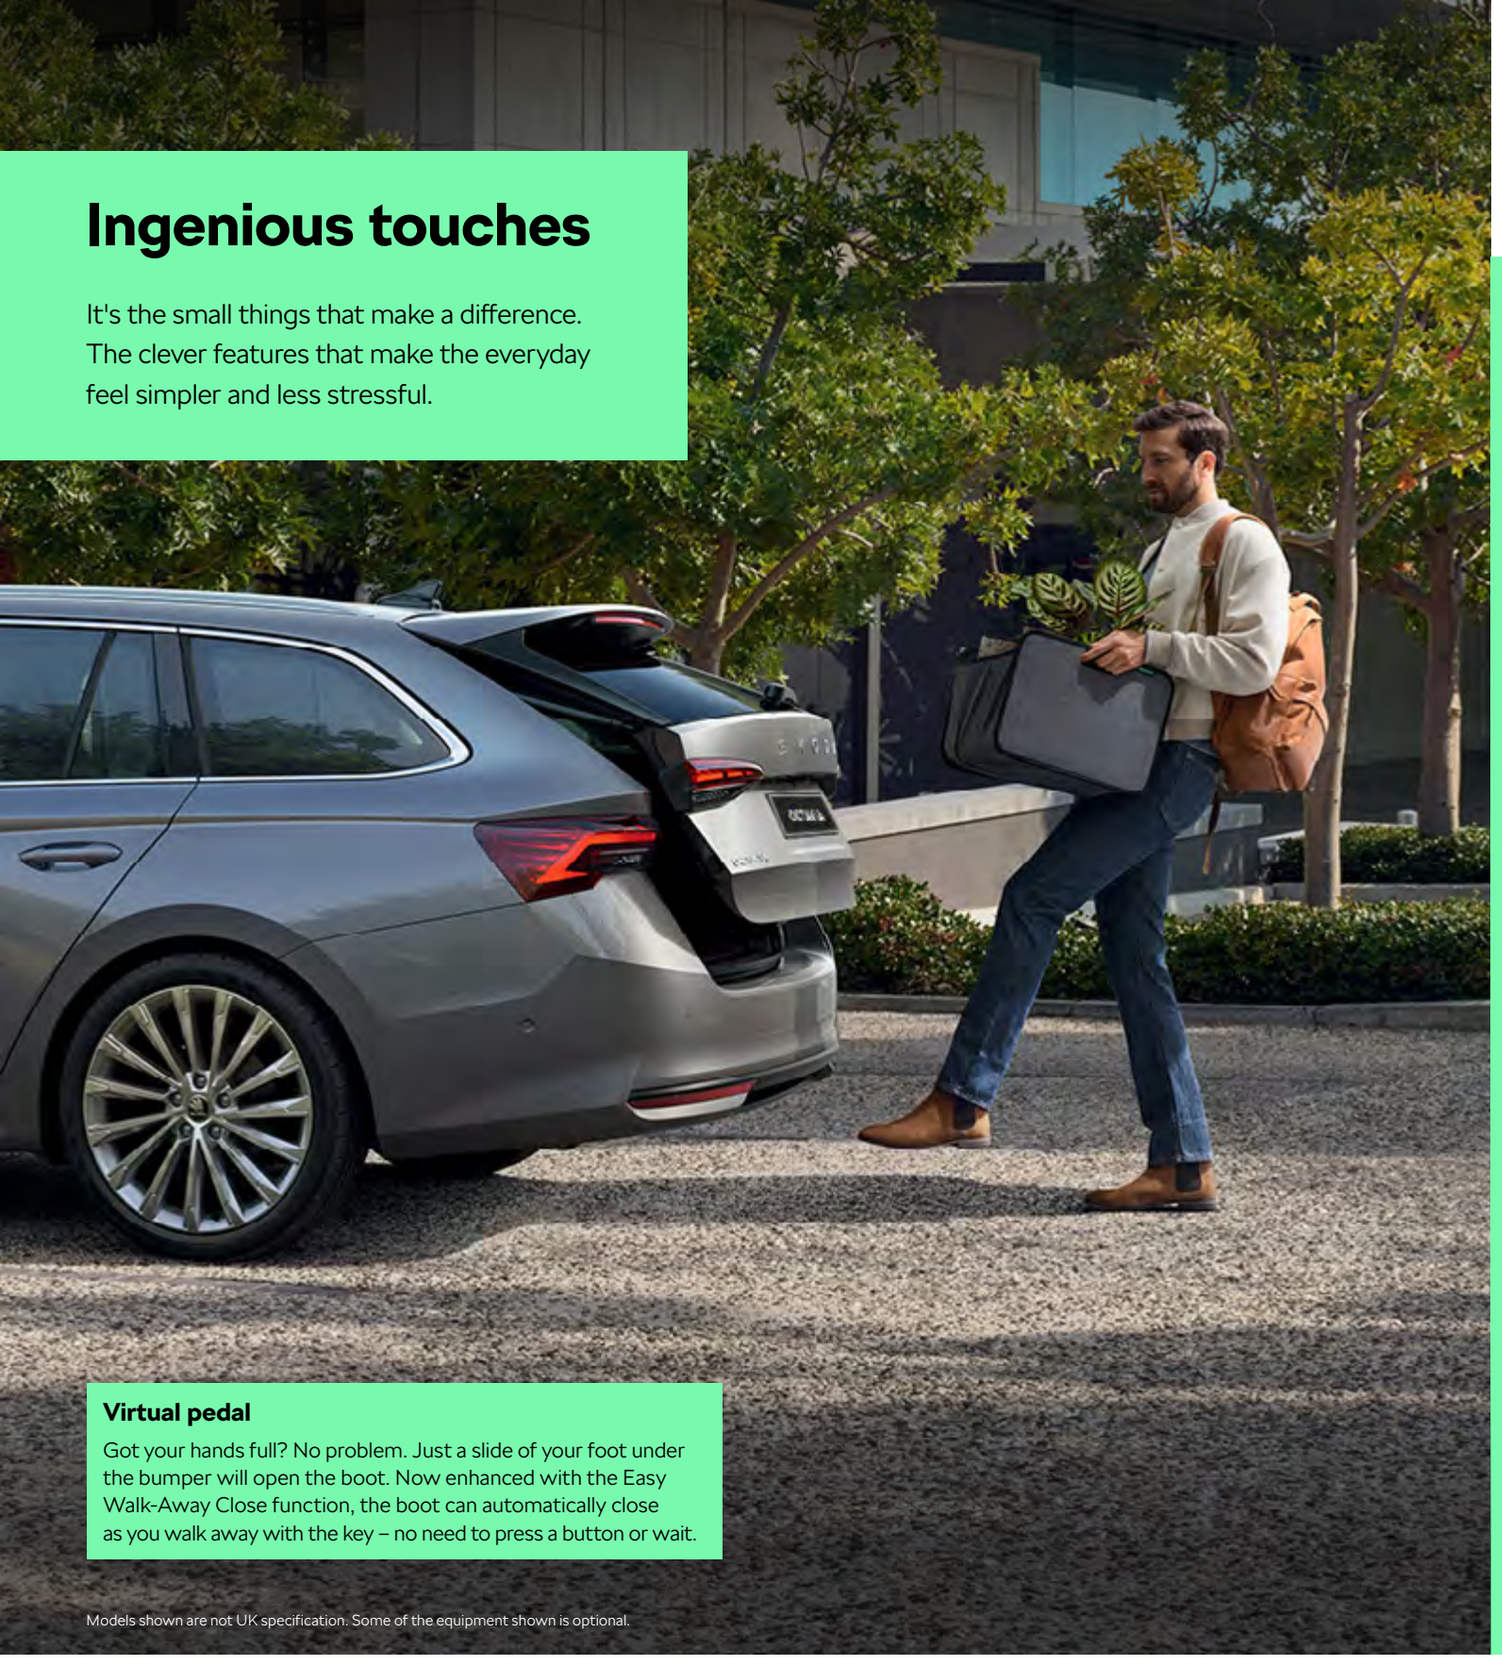
Always more in store

Each Octavia model may have its own distinct personality, yet all share one thing in common – generous space. With the rear seats folded, the Estate offers an impressive 1,700 litres, while the Hatch offers 1,555 litres. That's another load off your mind.

Models shown are not UK specification. Some of the equipment shown is optional.

Ingenious touches

It's the small things that make a difference. The clever features that make the everyday feel simpler and less stressful.



Virtual pedal

Got your hands full? No problem. Just a slide of your foot under the bumper will open the boot. Now enhanced with the Easy Walk-Away Close function, the boot can automatically close as you walk away with the key – no need to press a button or wait.

Models shown are not UK specification. Some of the equipment shown is optional.

Walk-away locking

Not only will the car lock and unlock when you touch any of the four door handles, but it will also automatically lock when you walk away with the key.

Parking ticket holder

Ensuring your ticket can be seen clearly, this handy feature could help you avoid those nasty fines.

Screenwash funnel

Say goodbye to washer fluid spills with this handy feature, which includes an integrated funnel to ensure not a single drop goes to waste.

Umbrella storage compartment

Never let a wet day dampen your spirits thanks to this driver's door storage space, which can hold a Škoda umbrella. It's also been cleverly designed to drain water away from the car.

Fuel door

Inside you'll find a handy ice scraper for those frosty mornings, while fuel-fill protection eliminates the risk of ever filling up with the wrong fuel.

Looking out for your safety

Safety is firmly in the driving seat, thanks to the active and passive driver assistance systems, which allow you to instantly respond to whatever comes your way.

Front assist with predictive pedestrian protection

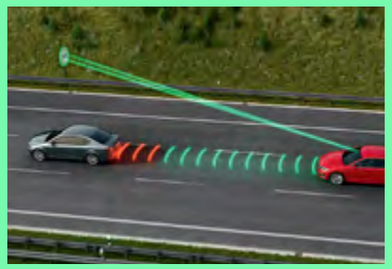
Using a radar device in the front grille, the Front Assist system is designed to monitor the distance from the vehicle ahead, and also includes an emergency braking function.

Blind spot detection

Be alerted to other road users in your blind spot - whether that's whilst driving or when getting out of the car.

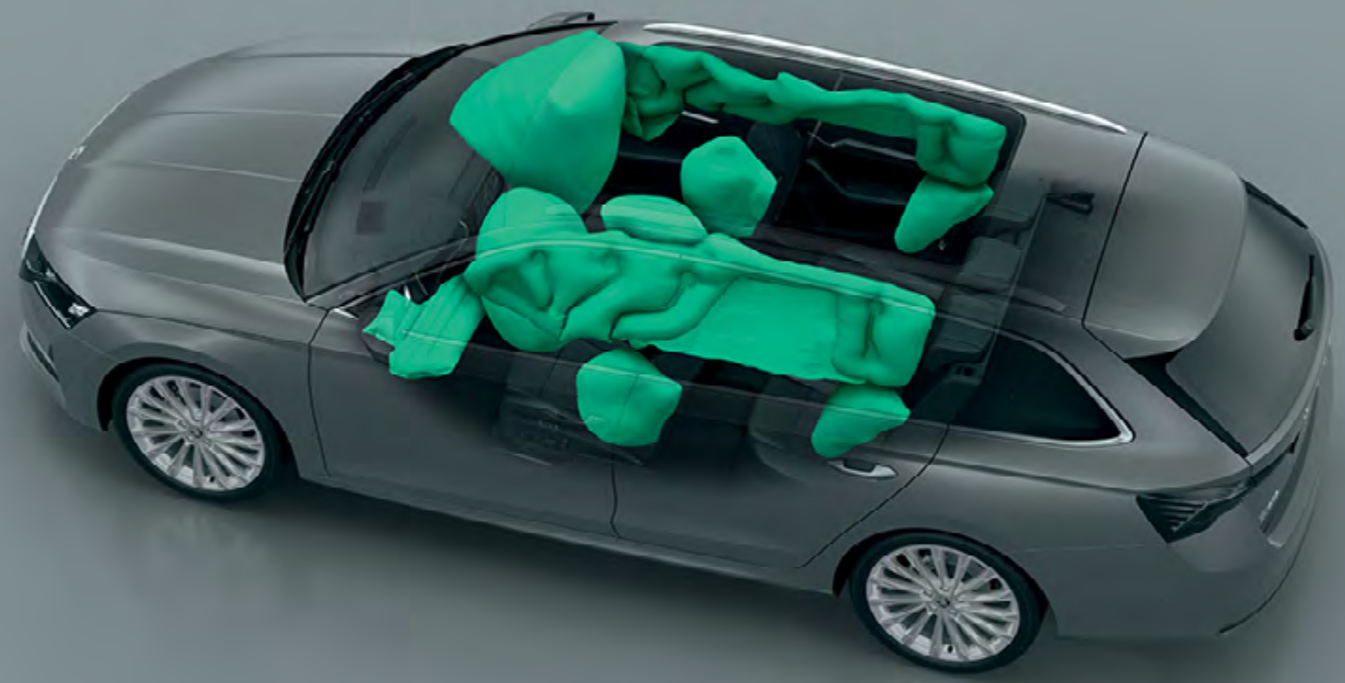
Turn assist

When the vehicle is turning, sensors in the front of the vehicle detect oncoming vehicles and brakes if needed to prevent a head-on collision.



Predictive adaptive cruise control

Stay a safe distance from the car ahead with adaptive cruise control.
Whilst predictive technology reads road signs and navigation data to adhere to upcoming lower speed limits.



Airbags

With it's 5-star Euro NCAP rating for crash safety, the Octavia offers up to 10 airbags, 8 of which come as standard.

Models shown are not UK specification. Some of the equipment shown is optional.

Intuitively designed to avoid distraction, the head-up display shows key driving data in a way that's easy to absorb at a glance.

Panoramic sunroof

The electrically adjustable panoramic sunroof lights up the interior and enhances the feeling of airiness inside the cabin. Whilst the tinted glass ensures maximum comfort. The front part of the sunroof can also be tilted or can slide backwards.

CANTON sound system

Created in collaboration with German audio experts CANTON, this set of 12 speakers and digital equaliser has been masterfully fine-tuned to amplify the listening experience inside the Octavia.

Dynamic chassis control

Take your vRS experience to the next level, with independent adaptive dampers that create an even sportier driving feeling.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator **here**.

Models shown are not UK specification. Some of the equipment shown is optional.

Loft
Design Selection

The second you take your seat you'll feel at home. It's not a coincidence, as the timeless combo of grey and black is inspired by a stylish living room, as are all the Design Selection interiors. Durability also reigns supreme, with easy to clean materials featured throughout.

Loft interior

Black and grey fabric combine to create a classic look that feels perfectly at home in today's always-on world. The dashboard is complemented by a 'Narbe Ruby pad', while the silver decor on the dashboard adds a striking contrast. Black floor mats and fabric door inserts complete the look.

Models shown are not UK specification. Some of the equipment shown is optional.

Lodge
Design Selection

The Lodge design selection characterizes a sustainable approach to interior design. The seat upholstery is a combination of recycled fabric and artificial leather, reducing the environmental impact whilst providing an elevated, attractive cabin.

Lodge interior

To compliment the recycled fabric and artificial leather upholstery, the dashboard is also covered with recycled fabric, while silver décor runs through to create a soft collaboration of colour. Piano black décor features in the doors to add a level of contrast.

Ambient Lighting

The Lodge design selection also introduces ambient lighting throughout the interior, creating a serene driving experience.

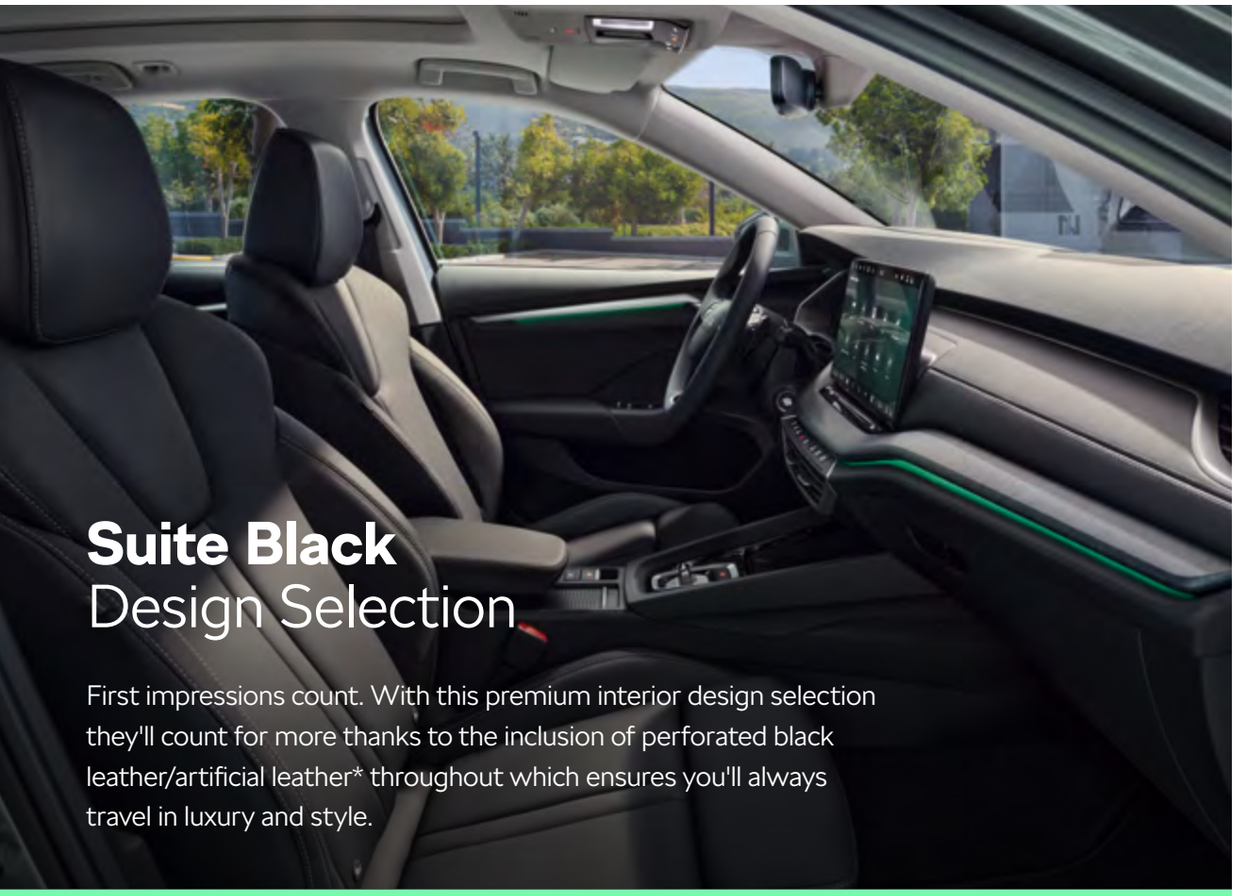
Models shown are not UK specification. Some of the equipment shown is optional.

Lounge
Design Selection

You'd struggle to find a more fitting name for this design selection than Lounge. After all, everything about this strikingly detailed interior has been crafted to make you and your passengers simply want to sit back and relax.

Lounge interior

The upholstery features a combination of microsuede, leather and artificial leather, with the dashboard also being finished in microsuede with complimentary grey stitching. Other design touches include unique dark chrome door décor to further elevate the smart look.



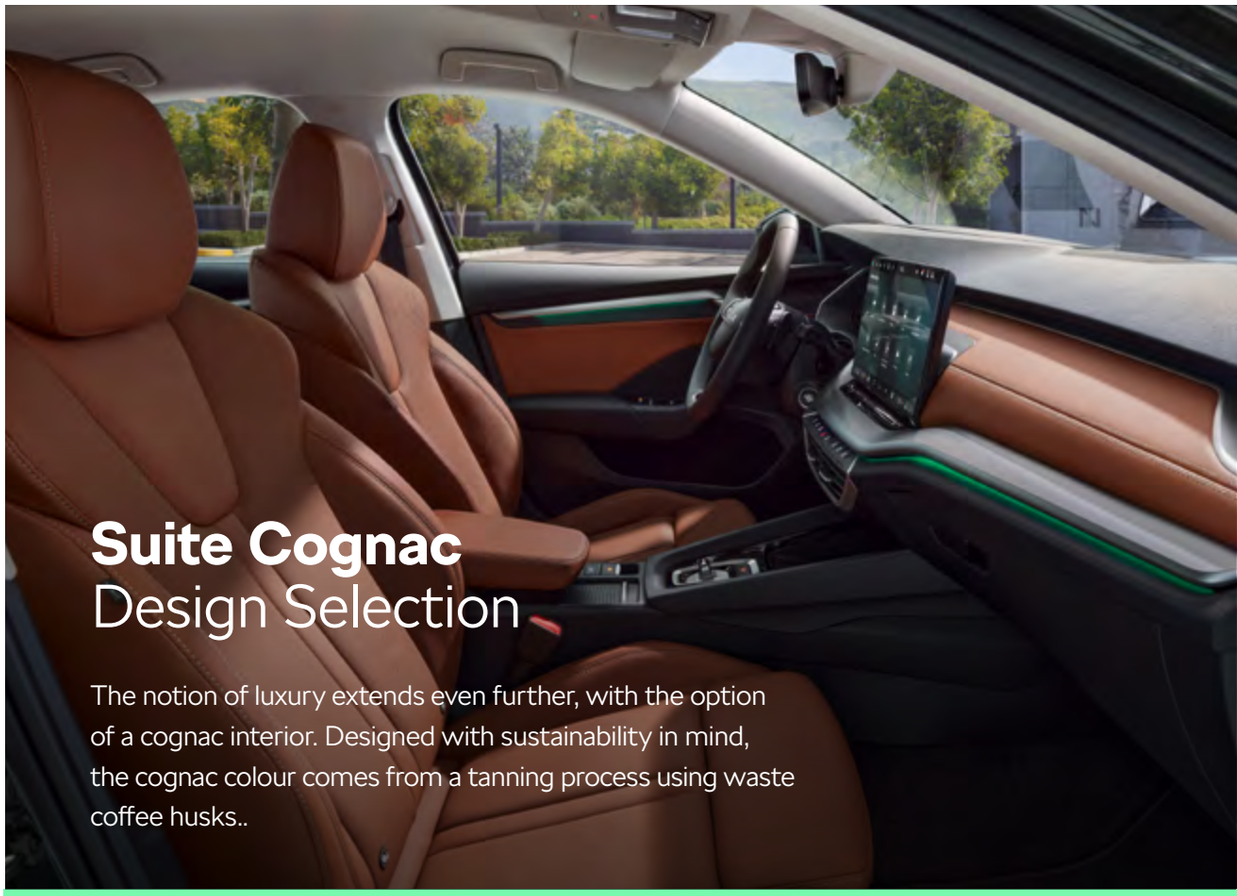
Suite Black
Design Selection

First impressions count. With this premium interior design selection they'll count for more thanks to the inclusion of perforated black leather/artificial leather* throughout which ensures you'll always travel in luxury and style.

Accompanying the seat upholstery is a range of carefully considered design touches. Black artificial leather extends over the dashboard and doors, partnered with a 'Carbonised cork' dashboard décor.

A range of seat functions are also added with Suite design selection, including electrically adjustable front seats with ventilation and massage.

Models shown are not UK specification. Some of the equipment shown is optional.



Suite Cognac
Design Selection

The notion of luxury extends even further, with the option of a cognac interior. Designed with sustainability in mind, the cognac colour comes from a tanning process using waste coffee husks..

The Suite Cognac interior mirrors that of Suite Black, but with a 'Diamond cut' décor that has been expertly matched with the brown tones of the upholstery.

Models shown are not UK specification. *The seat upholstery consists of a combination of genuine and synthetic leather. The seat cushion, centre panel and backrest of the front row seats and the seats on the left and right of the second row are made from genuine leather.

Models shown are not UK specification. Some of the equipment shown is optional.

SportLine
Design Selection

The Octavia SportLine is as dynamic inside as it is on the outside. Settling into the recycled fabric and artificial leather front sports seats, you instantly feel ready for action. Surrounded by carbon-effect décor, SportLine's intentions become very clear - strong aesthetics coupled with Octavia's famed practicality.

SportLine interior

Exclusive black sports seats with integrated headrests with the addition of black headlining and aluminium pedals, the sports-focused feeling is enhanced even further.

3-spoke leather sports multi-function steering wheel

The three-spoke steering wheel design synonymous with Skoda's sports variants is ever-present in Octavia SportLine, and adds a further level of exclusive feel and ambience to this design-focused trim.

Models shown are not UK specification. Some of the equipment shown is optional.

vRS
Design Selection

Inspired by daring to be different. By leading the pack. By harmonising the interior experience with the powerful and dynamic driving feeling of the vRS engine.

vRS interior

Front sports seats in fabric, carbon-effect décor, black headlining and exclusive vRS red stitching ensure the Octavia vRS looks and feels as special on the inside as it does on the outside.

* Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO_2 and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2026.
Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/wltp-info** or consult your retailer.
Information regarding tyre technical specifications can be found by visiting the Škoda car configurator **here**.

** Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing.
As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

*** Only available from stock. Please check availability with your local Škoda retailer.

* Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO_2 and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2026.
Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see **skoda.co.uk/owners/wltp-info** or consult your retailer.
Information regarding tyre technical specifications can be found by visiting the Škoda car configurator **here**.

** Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing.
As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

*** Only available from stock. Please check availability with your local Škoda retailer.

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply. ŠKODA Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at **insurewithskoda.co.uk/car-insurance**

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Octavia, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

> Driven fewer than 10,000 miles per annum.
> Mainly short journeys, driven mostly in towns or cities.
> High vehicle loading/towing and frequent hill climbs.
> Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Roadside assistance

A one year, European-wide, unlimited mileage Škoda Assistance policy comes free of charge with every new Škoda. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply.
For details please speak to your local Škoda Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a Škoda customer, your retailer will look after you from the moment you walk through the door and throughout the life of your Škoda.
Your Octavia will be serviced and maintained by specially trained Škoda technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the Škoda network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local Škoda Retailer.

Warranty

Peace of mind with a Škoda warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your Octavia also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a Škoda

Three-year vehicle warranty from new
First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty
Up to 12 years body protection.

Exclusions and limitations
Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- Damage caused by an accident.
- Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: **skoda.co.uk/owners/accessories-and-merchandise**
