

# Dacia Sandero

The smarter **supermini**

This is what  
an **all-rounder**  
– looks like

Sandero

# A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

# Be ready **for anything**

Modern life is mad. One day you're commuting in the city. Next day you're packing up for a family adventure weekend. Luckily, the Sandero can keep up with your lifestyle like a champ.

Its fluid lines, defined curves and honeycomb grille are proof that affordable doesn't mean dull. While a choice of rigorously-tested engines and surprisingly robust suspension mean it's equally inspiring behind the wheel.

You can also relax with Hill Start Assist, ABS, **Electronic Stability Control** and front and side airbags, as standard. Everything you need for a smooth and peaceful ride.

Fancy chilling out with air conditioning?  
Or rocking out to your favourite tunes on DAB or your phone using Bluetooth®, Apple CarPlay™ or Android Auto™\*?  
It's all possible with your Sandero.

\* Available on vehicles built from December 2018. Compatibility: An iPhone no earlier than iPhone 5 & iOS 7.1, an Android 5.0 (Lollipop). Connecting a smartphone to access Apple CarPlay™ or Android Auto™ should only be done when the car is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

## Watch this **space**

Just how comfortable, roomy and practical can a supermini get? Step inside and see for yourself.

With five proper seats onboard, you'll find plenty of room for the whole family. The **split-folding rear seat** and **320 litre boot** mean there's space for all your stuff too. From a fortnight's groceries to the kids' sports kit, it'll all fit in – no sweat.

Keep your cool with **air conditioning** in the Essential and Comfort models. And don't worry too much about muddy paw prints or feet on the seats. The black cloth seats are as hard-wearing as they are comfortable. Or if you fancy a little bit of luxury, choose the Comfort model with **leather seats**.

Of course, your safety is everything. That's why the Sandero comes with **four front airbags** as standard. Visual and audible warnings let you know if anyone's not wearing their seatbelt. And **child locks** help keep little ones safely where you can keep your eye on them.

# The tech **you need**

We don't do unnecessary nonsense. But we do let you pick from gadgets that keep you connected, safe and entertained in your Sandero.

Like DAB, FM and AM radio as standard in the Essential model. Or the handy AUX and USB inputs, for the times only your own tunes will do. If you need to make or take a call, do it safely with Bluetooth™ connectivity\*.

Add to all that our **Comfort** model's 7" Touchscreen MediaNav system, with Apple CarPlay™ and Android Auto™ capability\*. Its SatNav with voice guidance makes light work of navigation. So you'll never get lost again, probably.

## Navigation

Provided by Navteq with vocal guidance.

## Radio

Listen to DAB, FM or AM radio.

## Phone

Bluetooth® technology\* allows you to make and receive calls on the move.

## Music

DAB/FM/AM tuner, connect devices via USB and AUX sockets.

\* WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO<sub>2</sub> figures however until April 2020 the CO<sub>2</sub> figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit [dacia.co.uk/configure](http://dacia.co.uk/configure) for WLTP figures for any selected options.

<sup>†</sup> Vehicle Excise Duty: first 12 months.

## Blue dCi Engines

Sandero benefits from the latest Blue dCi engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting a urea-based fluid, AdBlue<sup>®</sup>, into the exhaust system. A dashboard message will remind you when the AdBlue<sup>®</sup> needs topping up via the specific AdBlue<sup>®</sup> filling cap located next to the usual Diesel fuel filler cap. A full tank of AdBlue<sup>®</sup> will last for 6 full tanks of Diesel.

# We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year\* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

## Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles<sup>A</sup> after you buy your new Dacia.

## Dacia car insurance<sup>1</sup>

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty<sup>A</sup>. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

# The Dacia Community

For us, going the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the Nationwide Association of Blood Bikes. We proudly support Future Terrain, a charity that helps injured ex-service personnel back into employment through motorsport and vehicle engineering. We get stuck in as the official partner of Rugby League. Now the proud sponsors of the Nation England Rugby League teams for Men, Women, Wheelchair and Youth. We also run Dacia Days, which are full of fun and games for our amazing Dacia drivers - keep up to date with us on Facebook, Twitter, Instagram and our YouTube channel.

# Our Trophy Cabinet

# The Dacia way

Fifteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5.8 million Dacias globally since 2004. And since we launched in the UK in 2013, 150,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award 2019 Good Housekeeping Reader Recommended award. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.
