The Power of Dreams

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

# PURE ELECTRIC PURE DESIGN

The all-new, all-electric Honda e is a winning combination of dynamic performance, refined comfort and cutting-edge technology. This is not a prototype, but a dream made real.

Created for city life, the Honda e is agile and spirited, simple but sophisticated yet compact and spacious. Giving you pure driving pleasure and, of course, no emissions.

The combination of design simplicity and advanced technology can be seen in every detail. High definition cameras replace door mirrors, enhancing visibility and reducing the car's width.

The door handles are flush to the bodywork, extending out when access is required, while front lights, cameras and radar are all integrated into a single, cohesive design.

# YOUR SPACE

---

A calm and uncluttered place created with restful colours and high-quality materials. Spacious and light, it's designed to give you maximum room and total comfort. The full-width digital dashboard keeps you informed, entertained and connected to the things you love; giving you intuitive control over a range of intelligent applications and services.

The full-width digital dashboard screens can also be personalised, so wherever you are, it'll always be your own space.

# ENJOY THE PERFORMANCE

---

Electricity provides the perfect energy for city driving, with up to 154PS and 315Nm of torque giving immediate and smooth acceleration, without the need to change gear. Its near perfect 50:50 weight distribution, independent suspension and low centre of gravity, deliver a responsive and agile driving experience. The Honda e is focused on providing a comfortable and relaxing ride but if you want a more exhilarating experience, you can switch to Sport mode, which boosts performance through faster acceleration.

What's more, by using the Single Pedal Control, you can accelerate and decelerate using just one pedal; push your foot down to go and take it off to brake. Simple. There is also a brake pedal that can be used if required.

The Honda e is highly manoeuvrable around town, with a turning radius of only 4.3m. Whilst the 'hands-free' Honda Parking Pilot, will assist you getting into the tightest spaces.

# PLUG-IN POWER

---

The Honda e possesses a range of up to 136 miles, providing ample capacity for weekly urban driving. The mains connection is via a convenient charging point, situated under the bonnet. This incorporates an at-a-glance LED indication of battery status. You can charge to 80% capacity in 30 minutes with a rapid charger\* - less time than it takes to charge a smartphone.

\*For more details on charging specification of the Honda e please see the technical data page.

# FEEL CONNECTED

---

The Honda e is clever, you can communicate with it remotely from your smartphone via our My Honda+ app. Amongst other things, this allows you to schedule charge times, close the car windows, or pre-heat the interior, giving you a warm welcome on cold days. You can even use your smartphone as a digital key to lock and unlock the car.

The voice activated Honda Personal Assistant can hold a natural conversation with you, using contextual understanding to learn how to offer you relevant recommendations, based on your specific requirements. So, if you need help checking the weather, finding the nearest charging point, your favourite music or choice of restaurant, your Honda Personal Assistant is there for you.

**35.5kWh Lithium-ion**  
Fixed Gear Ratio

## Function & Technology

- ◆ Side Camera Mirror System
- ◆ Electronic Parking Brake with Automatic Brake Hold
- ◆ Regenerative Braking Strength Control
- ◆ My Honda+ App Compatible
- ◆ Pre-conditioning Climate Schedule
- ◆ Charging Wait Time Schedule
- ◆ Single Pedal Control

## Comfort & Convenience

- ◆ Leather Steering Wheel
- ◆ Climate Control Auto A/C
- ◆ Front Heated Seats
- ◆ Under-boot Charging Cable Storage
- ◆ Ambient Lighting
- ◆ Mobile Phone Pocket
- ◆ Rear View Camera
- ◆ Parking Sensors (Front & Rear)

## Audio & Communication

- ◆ Honda CONNECT with HERE Navigation (Dual 12.3 Dual Touchscreen, FM/DAB Digital Radio, Apple CarPlay, Android Auto™, Internet Radio, Aha™ App Integration, Internet Browsing)
- ◆ Bluetooth™ Hands Free Telephone
- ◆ 1 x HDMI Input
- ◆ 4 x USB Port (2 x Front, 2 x Rear)
- ◆ 6 Speakers
- ◆ Steering Wheel Infotainment Control

## Exterior

- ◆ Charging Port
- ◆ Integrated Glass Antenna
- ◆ Pop-out Door Handles
- ◆ Sky Roof
- ◆ Rear Privacy Glass
- ◆ Rear Spoiler
- ◆ Auto LED Headlights
- ◆ LED Daytime Running Lights
- ◆ High Beam Support System

## Wheels

- ◆ 16" Alloy Wheels

## Safety

- ◆ Adaptive Cruise Control with Low-speed Following
- ◆ Collision Mitigation Braking System
- ◆ Intelligent Speed Limiter
- ◆ Lane Keeping Assist System
- ◆ Road Departure Mitigation System
- ◆ Traffic Sign Recognition
- ◆ Lead Car Departure Notification System
- ◆ Security Alarm System and Immobiliser
- ◆ Smart Entry & Start

## Performance

- ◆ Rear Wheel Drive
- ◆ 50:50 Weight Distribution
- ◆ Sport Mode
- ◆ Torque Output: Over 300Nm
- ◆ Power Output: 136PS
- ◆ Range: up to 136 Miles

# Honda e Advance

**35.5kWh Lithium-ion**  
Fixed Gear Ratio

In addition to features available in the Honda e grade, the features on the Honda e Advance grade include:

## Function & Technology

- ◆ Front Windshield De-icer
- ◆ Honda Parking Pilot

## Comfort & Convenience

- ◆ Heated Steering Wheel
- ◆ 230V Electrical Outlet
- ◆ Premium Audio with 8 Speakers (Including Subwoofer)
- ◆ Dedicated Hardware Amplifier

## Wheels

- ◆ Choice of 16" or 17" Alloy Wheels

## Safety

- ◆ Centre Camera Mirror System
- ◆ Blind Spot Information
- ◆ Cross Traffic Monitor

## Performance

- ◆ Power Output: 154PS

## TECHNICAL DATA

### Performance

- ◆ Two Power Outputs: 136PS & 154PS
- ◆ Impressive Torque: 315Nm

### Battery

- ◆ Battery Type: Lithium-ion
- ◆ Gross Battery Capacity: 35.5kWh

### Range & Consumption

- ◆ Range: up to 136 Miles
- ◆ Electric Energy Consumption: 18-20kWh/100km
- ◆ CO<sub>2</sub> Emissions (Weighted): 0g/km

### Charging Specification

- ◆ AC Charging: 6.6kW
- ◆ DC Charging: 100kW

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

Economy & Emissions figures: Power consumption in kWh/100km: 18-20; CO<sub>2</sub> emission combined (g/miles):0. Efficiency: A+. The Honda e is a battery electric vehicle requiring mains electricity for charging. Zero emissions while driving. Electric range figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Power, emissions, fuel consumption and range data are preliminary data only and may not reflect the official (or final) figures for the production vehicle. This data is provided for information only and you should not rely on it for comparability or other purposes – final/official figures will be made available prior to any customer order.
