Renault MEGANE

Hatch and Sport Tourer

1 October 2019

Shot of adrenalin

Elegant forms, classy lines, uncompromising choices, Renault Mégane has a daring expressive design and assertive style. Inspired, strengthened by a unique lighting signature, Renault Mégane invites you to get behind the wheel and rediscover real sensations. Adrenalin guaranteed.

The power of choice

Inside, the key words are quality and harmony. Generous cockpit, perfect finish, pleasure also involves the comfort of choice. You choose and Mégane adapts: "Eco", "Comfort", "Neutral", "Sport", "Personal", the MULTI-SENSE* system configures your vehicle to meet your current desires. It controls both technical configurations (engine response, gear changes, variation in steering wheel effort, engine sound and on-board environment with different interior ambient lighting choices). Is your mood sporty? Calm? Relaxed? Move from one driving experience to another. MULTI-SENSE*, it's a bit like having several Méganes in one!

*Standard from Iconic

Intuitive technology

Central to the Mégane technology is an 8.7" portrait touchscreen* - one of the largest in its class. It's a capacitive touchscreen, which means it's easy to use. Simply drag, pinch, or swipe to navigate the same way you would a tablet or smartphone. After all, good technology makes life simpler, not more complicated.

The Mégane allows you to customise a home screen by choosing the size and position of the maps, radio, favourite contacts, navigation and more. Voice control activated from the steering wheel provides even greater ease of use and safety while driving.

Take advantage of compatibility with Android Auto™ and Apple CarPlay™. You can now access selected smartphone apps^ from the R-LINK 2 touchscreen multimedia system.

And when you have created the interior ambience to match your mood, thanks to the MULTI-SENSE system†, engage the rich, acoustic experience delivered via the BOSE® premium sound audio system‡.

7 high-performance speakers‡ create your own personal concert hall. High notes are crystal clear and the deep bass is delivered without distortion. It's a complete, immersive experience controlled via the touchscreen tablet or steering wheel controls.

* Standard on GT Line

† Standard from Iconic

‡ Optional on GT Line

^ Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

Explore the pleasure of MULTI-SENSE

With the MULTI-SENSE system†, Renault Mégane adapts the behaviour of your vehicle to your mood. Five modes for five unique driving experiences.

In **Neutral Mode**, Mégane adapts to a more relaxing atmosphere and allows you to enjoy the air conditioning at its full capacity.

In **Eco Mode**, you can make use of the energy-saving eco mode which reduces the steering wheel effort, and optimises the engine response, the automatic gearbox gear changes and the air conditioning capacity.

In **Comfort Mode**, the steering effort is still low but the engine response is improved. You can use the air conditioning at its full capacity and the engine sound is enhanced.

In **Sport Mode**, you use all the features at their full capacity for a sportiest driving experience. The acceleration of the vehicle is quicker, the EDC gear-box ratios are reduced and generates a sensational sporting responsiveness for increased agility or stability. The steering gets heavier for more precise control.

In **Perso Mode**, you are free to choose the level of each feature to configure your vehicle to meet your current desires.

Enjoy this immersive light experience, whether in blue, red, green, sepia or purple, with the customisable digital dashboard featuring the most relevant driving information.

Increased safety

Drive with peace of mind! Renault Mégane is equipped with several driving assistance systems. Using intuitive and intelligent technologies, they support you on all your journeys, giving you day-to-day peace of mind.

Traffic Sign Recognition ⁽¹⁾

There are more and more road signs. It's not easy to catch every sign; let the camera handle it for you. If you exceed the authorised speed limit, a warning appears on the dashboard. All you have to do is adapt your driving.

Hands-Free Parking ⁽³⁾

Parallel parking with a flick of the wrist! Hands-free parking helps you to identify the parking space configuration (parallel, diagonal or perpendicular), measures the available space and handles the manoeuvre. All you have to do is control the accelerator, brakes and gears. A genuine co-pilot by your side!

Blind Spot Warning ⁽³⁾

Expand your vision! Renault Mégane is equipped with a system which detects the presence of any vehicle in the zone that your wing mirrors do not allow you to see. Active between 19 mph and 87 mph, the system alerts you straight away with a warning light.

Adaptive Cruise Control (ACC) ⁽³⁾

Easily maintain the appropriate safe following distance between you and the vehicle in front. In order to adapt your speed, the Adaptive Cruise Control is activated at between 31 mph and 87 mph. The system acts on the brakes when the distance is too short and on the accelerator when the road is clear again.

Active Emergency Braking System: ⁽²⁾

This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

Lane Departure Warning: ⁽¹⁾

This system detects the lane in front of the vehicle with a camera and warns the driver audibly if they drift into another lane .

Auto high/low beam: ⁽¹⁾

High beam automatically switches to low beam when the front camera detects other vehicles around and automatically switches back to high beam when nothing is detected around.

Safe Distance Warning: ⁽²⁾

This system warns the driver about potential collision with another vehicle in front, if the distance between the vehicles is not safe.

Engines

Renault capitalises on know-how forged in competition to improve further the engines of Renault Mégane.

Blue dCi 115 **The highest level of efficiency**

The Blue dCi 115 diesel engine guarantees the lowest carbon footprint in the entire range. Its technological innovations, such as Stop & Start or the use of steel pistons, offer CO₂* emissions and fuel economy which on some trims are amongst the lowest in the segment.

EDC Dual - Clutch gearbox

The EDC automatic gearbox with dual clutch transmission combines the comfort of an automatic gearbox with the responsiveness and fuel economy of a manual gearbox. With its 7 gears, it offers you flexibility, dynamism and controlled fuel consumption. What more could you ask?

TCe 140 **Performance and comfort**

Capable of 140 hp at 5000 rpm and 240Nm from 1,600 rpm, the TCe 140 petrol engine offers you the same performance as a 2 litre atmospheric engine! Its direct injection and integrated turbocharger give it exceptional flexibility and responsiveness. Its capacity to operate at high speed without running out of energy gives you comfort and driving pleasure that are second-to-none. It is very quiet, and can be distinguished by its soft-edged sound.

Leather interiors

The luxury of Leather

A luxurious leather interior complements the look and feel of the Renault Mégane. From the moment you open the door, experience the opulent styling and unmistakable aroma of real leather allowing you to enjoy the ultimate in style and exclusivity. The finest, hand selected hides are carefully crafted and fitted to all the front and rear seating, along with the door and central armrest. Enjoy the durability and supreme comfort of a luxury leather interior that matures, beautifies and shrugs off the wear and tear of everyday life.

Leather quality

Our designers use only the finest premium automotive grade hides that have been carefully hand selected for consistency of grain, tone and texture. The latest technology is then used to precision cut and stitch the leather for a supreme finish that will stand the rigours of time.

Content of the kit

The Leather Interior pack includes leather on front and rear seats and headrests, front central armrest and door inserts.

Choice of colours, colour of stitching

Choose between Midnight Blue, Saddle Brown, Dark Red or Cream Beige. The colours are brightened up by white stitching.

Artisan Leather Interior

You can take the personalisation of your Renault Mégane to the next level by selecting a colour or design from our premium Artisan range. Incorporating colours from the bespoke Artisan range along with a wide range of contrasting stitch colours gives you the opportunity to ensure that your Renault Mégane has its own individual style and character.

Availability

Leather interior is available only on Mégane Hatch Play and Iconic.

* WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit renault.co.uk/configure for WLTP figures for any selected options.

Renault Services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 60,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration. Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Service Plan

Renault's EasyLife Service Plan is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (whichever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

EasyLife servicing and warranty enhancements also available. Refer to the Price Guide for more details.

One off* and monthly** payment options available.

Finance options***

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty[^]. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.
