The new EQC marks another milestone in electric driving. It combines the style and practicality of an SUV with outstanding performance and efficiency. The striking exterior features 19" 5-twin-spoke alloy wheels, a front and a rear LED light band, as well as multibeam LEDs with blue colour accents, echoed by the blue EQC badge on the wing. Inside, the Seat Comfort

package, Mercedes-Benz sound system and 64-colour ambient lighting create the perfect atmosphere. The MBUX multimedia system with 10.25-inch instrument display and 10.25-inch media display with touchscreen complete with EQ-tailored hard disk navigation services.

Exterior

- KEYLESS-GO Comfort package
- Mirror package
- 19" 5-twin-spoke alloy wheels
- Badge on the wing in high-gloss black with chrome stripes and blue 'EQC' lettering
- Black panel radiator grille with louvres and surround in chrome
- Exterior mirrors in high-gloss black
- Front and rear LED light band
- Front apron with high-gloss black inserts and lower bumper section in black
- MULTIBEAM LEDs with inner housing and tubes in high-gloss black plus stripes in blue
- Privacy glass

Interior

- Seat Comfort package – electro-pneumatic four-way lumbar support for driver and front passenger seat; manual seat cushion depth adjustment (6 cm)
- Ambient lighting
- Dashboard in ARTICO man-made leather with metallised-look finish and piping in rosé gold
- Floor mats
- Heated seats
- Steering wheel – 3-spoke multifunction steering wheel, trimmed in leather

Safety and Assistance Systems

- Active Park Assist with reversing camera
- Blind Spot Assist

Communications and In-Car Entertainment

- DAB digital radio tuner
- Hard disk navigation
- MBUX multimedia system with 10.25-inch instrument display and 10.25-inch media display with touchscreen
- Mercedes-Benz sound system

> View the Range Guide

If you want to emphasise the sporty, stylish persona of the EQC, the AMG Line is the perfect choice. The front turns heads with its striking AMG radiator grille in high-sheen black. 20" AMG multi-spoke alloy wheels and aluminium running boards are also standard. The interior reflects the sporty character

with leather upholstery paired with an anthracite carbon fibre-look trim and high-gloss centre console. The multifunction steering wheel is finished in nappa leather, while the floor mats carry the bold AMG logo.

In addition/replacement to Sport:

Exterior

20" AMG multi-spoke alloy wheels

AMG-specific black panel radiator grille in a twin-blade design and surround in high-gloss black

AMG-specific front apron in a jet-wing design, air intakes with trim parts in chrome and inserts in high-gloss black, as well as visible and air curtains

AMG-specific rear apron with visible air outlets, diffuser insert in black and trim element in chrome

Running boards

Interior

AMG brushed stainless steel sports pedals with black rubber studs

AMG floor mats

AMG sports seats in leather

Trim and Upholstery

Anthracite carbon fibre-look trim with high-gloss centre console

Leather – black

Introducing MBUX

MBUX voice control

Multi-gesture touchpad control

Introducing MBUX, the new Mercedes-Benz User Experience infotainment system that can be controlled via voice and touch input. The new EQ is the latest model to feature this innovative way of communicating with your Mercedes-Benz.

MBUX (Mercedes-Benz User Experience) infotainment system comprises:

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- EQ-specific commands

Personalisation

- Turn the new EQ into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to recharge? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for 3 years

Charging your EQC at home – BP Chargemaster Homecharge

You can charge your EQC at home using a 7kW Homecharge unit in just 11 hours and 25 minutes¹

Just plug in overnight and it will be ready to go in the morning. Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a Homecharge wallbox through our charging partner BP Chargemaster.

HOMECHARGE 7kW: **£899*** incl. VAT & installation

Key benefits of the 7kW BP Chargemaster Homecharge:

Robust and weatherproof, for indoor or outdoor use, and comes with a three-year warranty

Installed in as little as four weeks

As a Mercedes-Benz driver, when you install a Homecharge unit through BP Chargemaster you will automatically receive three months FREE plus membership to Polar, the UK's largest public charging network with over 7,000 charge points

Questions?

- Simply email mercedes-benz@bpchargemaster.com or call their dedicated Homecharge team on 01582 399 412

!Warning

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

¹Based on 7kW power output for electric vehicles, charge times are approximates only. Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)

*Price correct at time of publication, subject to change. For full BP Chargemaster Homecharge Terms & Conditions visit <https://bpchargemaster.com/terms-and-conditions-of-sale-olev/>

Model prices

	Model line	CO ₂ ¹	Basic RRP excl. VAT (£)	Total RRP incl. VAT (£)	Road Fund Licence (£) ²	Rec. OTR price (£) ^{3,4}	P11D value (£)	BiK tax rate 2019/20 (%)
EQC 400 Battery electric vehicle, 408 hp/300 kW Electric range 232-259 miles - WLTP ¹	EQC Sport	0	54,104.17	64,925.00	0.00	65,720.00	65,665.00	16
	EQC AMG Line	0	55,766.67	66,920.00	0.00	67,715.00	67,660.00	16
	EQC AMG Line Premium	0	59,637.50	71,565.00	0.00	72,360.00	72,305.00	16
	EQC AMG Line Premium Plus	0	61,512.50	73,815.00	0.00	74,610.00	74,555.00	16

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

For Battery Electric Vehicles (BEV), figures are determined with battery fully charged. These models require mains electricity for charging.

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

²A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 40 for the relevant rate for the second and subsequent years

³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

⁴The EQC currently qualifies for the Government's Plug-In Car Grant which can be deducted from the above recommended OTR price. This grant is provided by the UK Government's Office for Low Emission Vehicles (OLEV) and as such, is subject to change or removal in future depending on Government policy

Fuel consumption^{5,6,7}		
		auto.
Combined (consumption dependent on chosen optional equipment)	l/100 km	0.0
	mpg	0.0

● Standard ¹Figures according to Regulation (EC) No. 595/2009 in the currently applicable version

²Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)

³**If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle.**

Do not use an electric vehicle 3-pin charge cable with an extension cord

⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-80% charge using public rapid charging at 110 kW

⁵The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Battery Electric Vehicles (BEV) figures determined with battery fully charged. These models require mains electricity for charging. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

⁶All figures are based on a standard specification with the smallest tyre size ⁷The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence

EQC 400 AMG Line

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles. The figures on pages 36-39 are correct at time of publication. Please refer to the government website for latest data - <http://carfueldata.direct.gov.uk/>

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 36, and the relevant Excise Duty is reflected in the on-the-road prices on page 24.

Band	CO ₂ emissions (g/km)	First year rate petrol (£)	First year rate diesel (£) ¹	First year rate alt. fuel (£)	Standard rate (£)	Premium rate (£) ²
A	0	0.00	0.00	0.00	0.00	310.00
B	1 to 50	10.00	25.00	0.00	140.00	450.00
C	51 to 75	25.00	110.00	15.00	140.00	450.00
D	76 to 90	110.00	130.00	100.00	140.00	450.00
E	91 to 100	130.00	150.00	120.00	140.00	450.00
F	101 to 110	150.00	170.00	140.00	140.00	450.00
G	111 to 130	170.00	210.00	180.00	140.00	450.00
H	131 to 150	210.00	530.00	200.00	140.00	450.00
I	151 to 170	530.00	855.00	520.00	140.00	450.00
J	171 to 190	855.00	1,280.00	845.00	140.00	450.00
K	191 to 225	1,280.00	1,815.00	1,270.00	140.00	450.00
L	226 to 255	1,815.00	2,135.00	1,805.00	140.00	450.00
M	over 255	2,135.00	2,135.00	2,125.00	140.00	450.00

¹Applies to all Mercedes-Benz diesel models which do not comply with Real Driving Emissions step 2 (RDE2)

²Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge, number plates, fuel and VAT

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your EQC, which is why we offer ServiceCare.

ServiceCare is an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend at £22 per month, or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Battery Warranty

The battery comes with an eight-year 100,000-mile warranty.

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.

For more information or to obtain a quote, click [here](#).

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers ²Subject to full Terms and Conditions, dependent on date of registration, available upon request Mercedes-Benz Motor Insurance is underwritten by Aviva Insurance UK Limited. Credit provided, subject to status, by Mercedes-Benz Financial Services UK Ltd, MK15 8BA *For joint protection, calls may be recorded and/or monitored. All calls charged at local rate. We may decline to quote in some circumstances

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi
