

# KAMIQ

**ŠKODA**

Effective: October 2019

# READY WHEN YOU ARE

The challenge was set. To design ŠKODA's first crossover car and deliver a driving experience worthy of the arrowhead badge. To be a success it would need to feature advanced drive assistance and a new generation of infotainment. It would need to be bolder, sharper and smarter, without ever compromising on fun. In other words, a car that would feel reassuringly familiar, yet distinctively different. Challenge accepted.

**Introducing the KAMIQ.**

## FOLLOW THE STORY

Discover how the KAMIQ is writing its own distinctive history at [skoda.co.uk/kamiq](https://skoda.co.uk/kamiq)

# TRUE ORIGINAL

The KAMIQ sets a new design standard for ŠKODA. It combines the higher chassis and rugged appearance of a SUV, with the practicality and comfort of a compact city warrior. In other words, this is a ŠKODA like no other.

## DYNAMIC FRONT DESIGN

With its sharp lines, bold grille and split headlamps, the KAMIQ immediately commands attention. While the addition of the front bumper in platin grey or black further showcases the car's unique character.

## SIDE VIEW

Designed to protect passengers in the back from glare, the rear-tinted windows also beautifully draw attention to the KAMIQ's signature ŠKODA design lines and precise edges.

## REAR VIEW

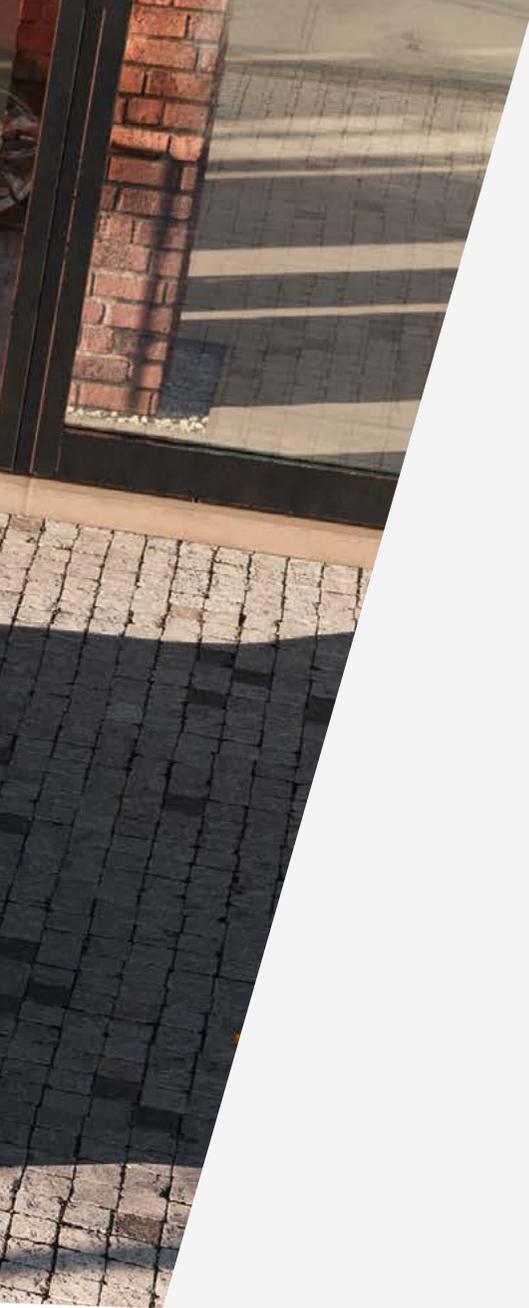

Robust, yet elegant. The KAMIQ's rear perfectly showcases the car's crossover appeal. The addition of the integrated diffuser in platin grey or black on the rear bumper further highlight's the car's generous clearance.

Models shown are not UK specification. Some of the equipment shown is optional.

**LEADING BY EXAMPLE**

The new KAMIQ powerfully combines robust design with signature ŠKODA styling. This is design without compromise. Beauty without limits. A crossover that leads, but never follows.

#### FULL LED HEADLIGHTS

The KAMIQ's LED technology continues to drive design innovation and includes corner function, fog lamps and dynamic indicators.

#### PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

#### LED REAR LIGHTS

Impossible to ignore in every sense, the KAMIQ features horizontal rear lights with an eye-catching C-shaped illumination. These full LED lights also feature dynamic indicators.

# FINDING INNER STRENGTHS

The moment you take your seat you'll find everything you want, where you want it. Screens are positioned for optimum visibility, buttons placed for maximum ease. Welcome to your new home from home.

### VIRTUAL COCKPIT

Replacing the traditional instrument dials, the dynamic 10.25" digital display can be customised with five views (Classic, Basic, Extended, Modern and Sports).

### LED AMBIENT LIGHTING

Your interior, your way. The LED light strip located below the dashboard's decorative trim enables you to choose from three ambient light colours. So what will it be? Red, white or copper?

### ŠKODA SOUND SYSTEM

With a central dashboard speaker, subwoofer in the boot and ten speakers in total, your favourite tunes and podcasts have never sounded clearer. Sound can also be adjusted to suit the positioning and numbers of passengers in the car.

### ELECTRIC DRIVER'S SEAT

Discover a whole new level of comfort by electrically adjusting the seat's height, positioning and lumbar support to your preferred position.

# ŠKODA CONNECT: STAY ONLINE ON THE GO

By enabling you to be fully online on the move, the KAMIQ helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

## SMARTLINK

SmartLink enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™.

## NAVIGATION SYSTEM

The Amundsen satellite navigation with 9.2" touchscreen display and gesture control will get you effortlessly from A to B. This new generation of infotainment is placed higher up on the dashboard for optimal viewing and includes an ergonomic wrist rest.

## EMERGENCY CALL

In the event of an emergency on the road, the KAMIQ will automatically send an SOS signal for help to give you that extra peace of mind. It can also be activated manually by pressing a red button in the roof headlining.

## STAY CONNECTED

The new ŠKODA Connect system turns the KAMIQ into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. The system also offers convenient gesture control to make navigating menus and lists easier while on the move. With Proactive Services the car will contact your ŠKODA Retailer to arrange a service.

## PACKED WITH CREATIVITY

Style and substance has always been the ŠKODA design way. The KAMIQ's spacious boot continues the trend, featuring a host of design touches that ensure your belongings stay in place and your car stays clean.

# BIG ON PRACTICALITY

Think big. Then bigger. Every detail in the KAMIQ has been designed to make your adventures hassle-free. From loading your luggage and personalising the interior space to finding room for your belongings.

## FOLDING TABLES

Practical foldable tables with drink holders can be found integrated in the front seat backrests.

## UMBRELLA STORAGE

The KAMIQ comes with an original ŠKODA umbrella that is ingeniously concealed inside the driver's door. Furthermore, it's been designed to let water drain away from the car, keeping the interior dry.

## DOOR EDGE PROTECTION

Both reassuring to you and considerate to other drivers, hidden plastic strips automatically eject and cover the edges of all side doors as they open, preventing accidental scrapes and chips.

## TOWING DEVICE\*

Activated by a switch in the boot, the KAMIQ has a handy foldable towing device with electric release.

\*Tow bar or tow bar preparation must be fitted at factory in order to tow with this vehicle. No third party or aftermarket fitments are allowed.

## ELECTRICALLY OPERATED BOOT

Gain instant entry into the boot by simply pressing the button on the remote control, central panel or directly on the boot. You can also adjust the upper door position to suit your needs.

# INNER CONFIDENCE

The KAMIQ comes loaded with thoughtful features and intelligent assistant systems that enable you drive the right way, right away. Whatever comfort means to you, you'll find it inside the KAMIQ.

## ADAPTIVE CRUISE CONTROL

Using a radar on the front grille, this feature keeps you a safe distance from the vehicle in front and enables you to maintain a constant speed without using the pedals.

## FOLDING DOOR MIRRORS

Side-view mirrors automatically fold in when the car is locked, protecting them from any unwanted damage and scrapes from passing cars and pedestrians.

## HEATED FRONT AND REAR SEATS

When it's cold out, your friends and family will appreciate the warmth inside from the heated front and rear seats, which are regulated by a separate control on the rear side of the front armrest.

## KESY - KEYLESS ENTRY AND START/STOP SYSTEM

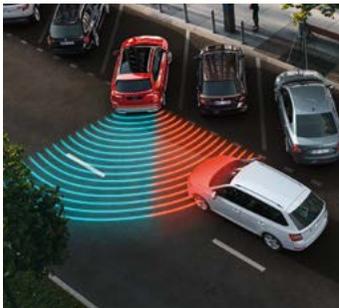

Allows the car to be locked, unlocked and started with a simply touch of a button as long as sensors detect the key is with the driver. Simpler still, the Keyless Start/Stop system enables the car to be started with a button on the steering column.

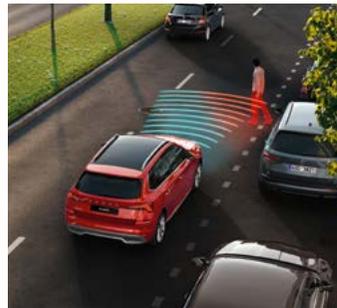

# WE'VE GOT YOU COVERED

When it comes to providing driving assistance, we've got your back. That's because the KAMIQ comes with a range of assistant systems to help you with everything from parking and preventing collisions to driving at night.

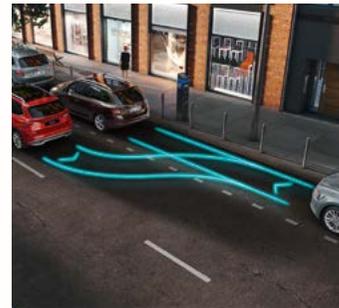

## REAR TRAFFIC ALERT

Included as part of the Blind Spot Detect system, this assistant system helps you reverse safely from a parking space when visibility is restricted. It can also activate the brakes automatically if an imminent collision is detected.

## FRONT ASSIST

Using a radar in the front grille, this smart feature monitors the distance from the vehicle ahead and automatically brakes to avoid any collisions. The system also includes predictive pedestrian protection, which warns the driver via an audio/visual signal, as well as a gentle jolt of the brakes.

## PARK ASSIST

Minimise the hassle of parking in tight spots with Park Assist. At the push of a button it identifies and selects an appropriate parking spot in a row of parallel or perpendicularly parked vehicles.

## HIGH BEAM CONTROL

Kinder to others, safer for you. This assistance system will switch to high beam and back automatically, increasing comfort and safety in traffic.

# STREETS AHEAD IN THE CITY

Whether you choose petrol or diesel, a blast up the motorway or a dash through the city, each engine in the range offers outstanding comfort at every turn. You'll also find they offer impressive reliability, flexibility and cost-efficiency.

Models shown are not UK specification.  
Some of the equipment shown is optional.

## DRIVE MODE SELECT

Activated with the mode button on the centre console, Driving Mode Select offers Eco, Normal, Sport and Individual modes.

If the vehicle is equipped with a lowered chassis that is fine-tuned with the Sport Chassis Control, you can choose between Sport mode and Normal mode via Driving Mode Select.

## DIRECT SHIFT GEARBOX (DSG)

The seven-speed DSG automatically adapts to your driving style, whilst taking road conditions into account.

It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

## SPORT CHASSIS CONTROL

Designed for drivers seeking a sportier, more dynamic drive, this system of adjustable shock absorbers delivers improved handling and traction at all times. Sport Chassis Control always comes with a sport chassis lowered by 10mm and Driving Mode Select, which enables you to switch between Sport and Normal modes.

# KAMIQ S

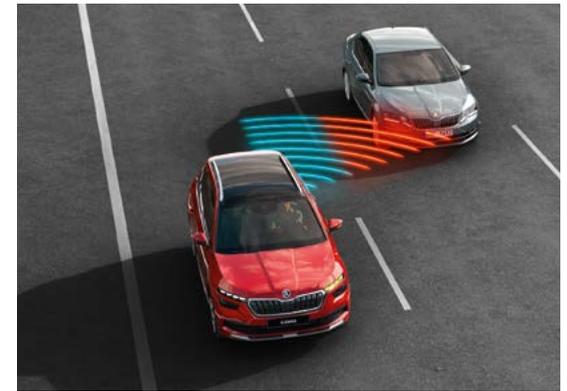

Setting a new standard in entry-level trims, the KAMIQ S is loaded with standard equipment and thoughtful safety and security touches.

# LIVE LIFE YOUR WAY

What will it be? Cutting-edge tech that makes every second behind the wheel feel more connected? Practical accessories to make touring easier? Or better still, both. The choice is yours.

## NEXTBASE 522GW DASH CAM AND GO PACK

Recording in 1440p HD, the new Nextbase 522GW Dash Cam now packs even more features into the UK's most popular dash cam brand. Includes built-in Amazon Alexa, HD touchscreen and Intelligent Park Mode, which begins recording when any physical vehicle movement is detected keeping your KAMIQ safe when parked.

## ROOF BOX AND ROOF BARS

When transporting awkward objects such as pushchairs, golf bags and skis, it pays to take advantage of our aluminium roof bars and spacious roof box. Offering 380 litres of volume the box can comfortably carry up to 120kg in total stability, leaving your boot free for everything else that's important.

Images are for illustrative purposes only. Please ask your ŠKODA Retailer for further information. All the above accessories can only be added to the vehicle after production at a ŠKODA Retailer and some may include an additional fitting cost.

# PROTECTION PACK

Muddy boots. Sand-filled towels. Soggy bike gear. Escaping for adventure may be great for the soul, but it's far less kind on your interior. It's why we've created our Protection Pack, which includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

## BICYCLE CARRIER FOR A TOWBAR

This extremely sturdy rack can carry two bicycles. Easy to fit and even easier to use, simply lift the bicycle up a little to secure in place before heading out for adventure.

## MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

## FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

## DOUBLE-SIDED BOOT LINER

No matter how mucky things get, it's good to know that there's a boot liner to match it. This clever liner comes with an all-weather texture on one side with a textile reverse. They're quick to fit and remove, and all come with a 5cm raised edge to keep in dirt and make mucky boots a thing of the past.

# MAKE IT PERSONAL

Our handy online car configurator puts you firmly in the driving seat. Whether choosing to boost connectivity, supersize your alloys or stand out further from the crowd with a bold colour option, designing your ideal KAMIQ couldn't be simpler.

With a few quick clicks you can add a distinctly personal twist to the way the car looks, feels and performs. To bring your vision alive, simply visit [skoda.co.uk/kamiq](http://skoda.co.uk/kamiq) and select **Build Your Own** to start creating.

For full technical specifications and pricing, speak to your local ŠKODA Retailer.
