Effective from 1.4.2020

WHATCAR?

**CAR
OF THE
YEAR
2020**

Small car
Winner

Protection all round. All round beauty.

Charismatic and confident, the Polo imparts maximum driving enjoyment. With its advanced technology, efficient engines and sophisticated driver's and safety assistance systems, it's one of the world's most advanced compact cars, providing more interior space and boot volume than ever before. The sporty exterior is designed to turn heads, matched by an interior that's totally at home in the digital age. No wonder it's creating such a stir.

WHATCAR?
CAR OF THE YEAR 2020
 Small car Winner

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels, LED dipped and main beam headlights, panoramic sunroof and metallic paint.

Exterior.

01

02

03

Model shown is Polo SEL with optional 17" 'Pamplona' Dark Adamantium alloy wheels, LED dipped and main beam headlights and metallic paint.

01 The Polo's rear design is strong and distinctive. A prominent tornado line extends from the front side panels along the doors and around the rear, defining the bodylines and creating a sculpted, sporty appearance. Stylish rear lights with LED number plate lights complete the square-edged rear design, giving real visual presence.

02 The 17 inch 'Pamplona' Dark Adamantium alloy wheels with five double spokes add serious sports appeal and complement the exterior design perfectly. Optional on SEL models.

03 The front design is sporty and athletic, characterised by the long bonnet and horizontal lines, giving a broader, more muscular appearance, while optional LED headlights with LED daytime running lights enhance its sharp look. Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, LED dipped and main beam headlights and metallic paint.

Great view. Great outlook.

The optional panoramic sunroof gives an impressive uninterrupted view of the sky above, adding an extra dimension of light and space and creating a relaxing interior ambience.

01-03 Enjoy your surroundings. The optional **panoramic sunroof**¹ gives an unobstructed view to the sky above, allowing sunshine and fresh air to flood into the interior. Optional on Match models and above. Model shown is Polo SEL with optional panoramic sunroof and metallic paint.

¹ Not in conjunction with optional Black style pack or Black roof pack.

State-of-the-art technology with a design to match.

Sophisticated and advanced, the interior of the Polo is designed for today. Digital instruments are highly functional and easy to use, such as the innovative 10.3 inch Active Info Display¹ and the latest generation infotainment systems, featuring glass, high-resolution touch-screen displays.

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Active Info Display, Adaptive Cruise Control (ACC) and metallic paint.

01 Style and comfort are second nature inside the Polo. Ambient lighting, standard on SEL models and above, provides real atmosphere, whilst a choice of **optional Dashpad and Style packs** as well as different upholstery colours, allow you to add individuality and colour, furthermore plenty of head and legroom helps keep you relaxed. Dashpad packs are optional on Match and SEL models.

02 Adjustable lumbar support allows you to enjoy maximum comfort and maintain the optimum position for your spine ensuring maximum comfort even on the longest of trips. Interior shown is Match with optional Art Velours upholstery.

03 The Start/Stop (Keyless entry) enables you to start the engine using a button in the centre console, without taking the key from your pocket. Standard on GTI+ and optional on Match models and above.

¹ Active Info Display is standard on GTI+ and optional on Match models and above. Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation's 8.0 inch touch-screen.

Model prices.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.4.2020. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer. 2 The recommended 'On the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020. For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#). 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/owners/wltp.

† Please note these models may no longer be available to order, or only available from stock and not available to factory order.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 APRIL 2020.

Polo S.

The entry level Polo S is impressively equipped, with many stylish touches. Contemporary 'Basket' cloth upholstery contrasts with 'Limestone Grey' decorative inserts, 'High Gloss Black' air vent trim and 'Black' gear lever trim help to give the interior a sporty look, while the Composition Media infotainment system provides an 8.0 inch colour touch-screen, Bluetooth telephone connection¹ and a wealth of entertainment and communication functions. Safety features and driver assistant systems provide additional peace of mind, for example, Front Assist and City emergency braking offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Curtain airbags for front and rear passengers provide increased protection, helping to protect heads in an emergency.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

Interior shown is Polo S with optional metallic paint.

Standard items of equipment: S.

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

 Automatic Post-Collision Braking System
 Disc brakes, front and drum brakes, rear
 Driver's and front passenger's safety-optimised head restraints
 Electronic engine immobiliser
 ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control)
 Height-adjustable front three-point seat belts with tensioners
 High level 3rd brake light
 Isofix child seat preparation (for 2 outer rear child seats)
 Rear head restraints x 3
 Rear three-point seat belts x 3 with tensioners
 Remote central locking with 2 remote folding keys
 Tyre pressure monitoring system
 Warning buzzer and light for front seat belts if unfastened

COMFORT AND CONVENIENCE

Air conditioning, manual
 Dust and pollen filter
 Electric windows, front
 Heated rear windscreen, automatically switches off
 Internally adjustable door mirrors
 Manually dimmable interior rear-view mirror

EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)
 Start/Stop function

DRIVER'S ASSISTANCE

Driver Alert system
 Front Assist, radar sensor controlled distance monitoring system, City emergency braking system and Predictive Pedestrian Protection
 Hill hold function
 Multifunction computer
 Power-assisted steering, speed-sensitive
 Speedo and rev counter, electronic odometer, trip, service interval display, digital clock and fuel gauge
 Warning 'lights on' buzzer

WE CONNECT GO®

DataPlug sends vehicle information via Bluetooth to the We Connect Go® app displayed on your smartphone. We Connect Go® app free to download from the App Store or Google Play Store, with DataPlug connection to OBD2 port underneath the steering wheel. Features include:
 – My Volkswagen – vehicle information for service and maintenance intervals, warning message displays, fuel level and mileage
 – Trips – business or private journey analysis. Provides detailed map views, journey details, statistics and journey cost
 – Driving style – analysis of driving style to provide tips for more efficient driving
 – Parking space – displays parking location and parking duration
 – Fuel monitor – monitors fuel consumption and cost
 – Service partner – locates and provides directions to local retailers. Direct dial access if required
 – Assistance call – direct dial to Volkswagen's 24-hour Customer Service helpline with the ability to send the vehicle's location
 – Challenges – sets efficiency and driving style targets. Collect points and trophies with bonus challenges to improve your scores

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Polo Match.

The Polo Match offers a higher level of comfort and style, enhanced by 'Millie' cloth upholstery, lumbar adjustment on the front seats, a leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip, illuminated vanity mirrors and rear tinted glass. The multifunction computer 'Plus' gives easy access to driving data, telephone operation, audio selection and driver assistant system's information, while reading lights front and rear, electrically heated and adjustable door mirrors and rear electric windows enhance driving comfort. Split folding 60:40 rear seat backrest and a variable load floor in the luggage compartment increases functionality, while allowing easy access and providing ample storage space for bulky objects. Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way, while front fog lights add presence to the exterior as well as helping with safety.

Interior shown is Polo Match 1.0 TSI 95 PS with optional Light & Sight pack, front centre armrest, climate control – 2Zone electronic air conditioning, Adaptive Cruise Control (ACC) and metallic paint.

Additional items of standard equipment: SE† (over S).

– Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ allowing 'mirroring' of smartphone display on the infotainment touch-screen via USB connection. Additional 1 x USB connection, USB charging socket (compatible products only)

Polo beats. Discover the bass.

Enjoy near perfect sound in the Polo beats with the phenomenal beats audio™ sound system. The powerful eight channel amplifier, Digital Sound Processor, subwoofer and six speakers with 300 watt output ensures an acoustic experience that's as good as it gets, giving you maximum enjoyment wherever you go. And you don't just hear it, the distinctive 'beats' branding gives it a visual presence both inside and out.

01

Model shown is Polo beats with optional LED dipped and main beam headlights and metallic paint.

01 Dynamic décor: the unique 'beats' decals¹, slightly offset from centre, gives your Polo beats a truly eye-catching look. The stylish decal, shown here in Flash Red, runs up the bonnet and continues across the length of the roof creating a striking exterior. You can also specify your Polo beats model without decals if you so wish.

¹ The decorative decals shown in this flyer can show signs of usage or aging, especially in direct sunlight, after one to three years or in very hot climate zones. Leaving the decorative decals on the vehicle for some time can lead to optical differences between the area of the paintwork covered by the decorative decals and the unprotected area.

01 The Polo beats' interior is designed to be noticed. The **beats audio logo** sits proudly on the door sill protectors, the backrest of the front sports seats and also on the speakers. The 'Velvet Red' trim in the dash and centre console are vibrant and eye-catching, echoed in the red double seam on the stylish 'Tracks 2' seats.

02 The Polo beats' **distinctive tornado line** starts at the front side panels, extends across the doors and around the rear, emphasising its dynamic shape and bodyline. To the front, exterior door mirror housings are finished in Black, creating a highly visual detail, and to the rear, stylish rear lights and tinted glass from the B-pillar back complete the look.

03 All about that bass. The 'beats' logo refers to the Polo **beats audio™ sound system**, offering phenomenal acoustics, with a Digital Sound Processor and eight channel amplifier controlling its six tweeters, woofers and broadband speakers, delivering an overall 300 watt output. The integrated subwoofer ensures the right level of bass is supplied throughout the interior, creating the beats audio characteristic rich sound.

04 **Front sports seats** provide exceptional comfort and excellent support, especially when cornering. Finished in hard-wearing 'Tracks 2' fabric in Titan Black with twin contrasting red stripes and leatherette/'Tracks 2' side bolsters, they're contemporary and stylish, displaying the 'beats' logo proudly on the backrest.

02

Interior shown is Polo beats with optional Discover Navigation infotainment system, climate control – 2Zone electronic air conditioning, Light & Sight pack, Adaptive Cruise Control (ACC) and metallic paint.

Specifications are subject to change without notice.

Polo SEL.

02 Climate control – 2Zone electronic air conditioning with automatic air recirculation features dual zone temperature control for the driver and front passenger, allowing each to select their individual preferred temperature. A sensor monitors the outside air quality and if necessary automatically activates the air recirculation function.

03 The stunning looking **16 inch 'Las Minas' alloy wheels** characterise the design of the SEL and provide an elegant flair as well as a sporty look to the exterior.

04 Front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system.

01 The **Polo SEL** ensures a luxurious and comfortable driving experience. 'Tracks 2' cloth upholstery, 'Deep Iron' decorative inserts, interior chrome-plated detailing and front and rear carpet mats create a stylish and relaxed interior, enhanced by ambient lighting in the front footwell and light strips below the trim in the front and rear doors and dashboard. Front sports seats feature height adjustment, while the Discover Navigation infotainment system provides a full range of in-car entertainment, navigation and communication functions, and a storage compartment in the front centre armrest provides a practical touch.

Standard items of equipment: SEL (over SE).

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Las Minas' with 195/55 R16 tyres and anti-theft wheel bolts Steel space saver spare wheel

EXTERIOR

Chrome trimmed strip on lower bumper Front fog lights with static cornering function

INTERIOR

Carpet mats, front and rear 'Deep Iron' decorative inserts Chrome-plated air vent surround Chrome-plated electric mirror adjustment switch surround Chrome-plated electric window button surround Chrome-plated instrument surrounds Front centre armrest with storage compartment, longitudinal adjustable (not GTI) LED interior lighting: 2 reading lights front and rear with interior delay and dimming function

Seating

- Upholstery - 'Tracks 2' cloth
- Front sports seats with height adjustment
- Split folding rear seat backrest 60:40

SAFETY AND SECURITY

Disc brakes, front and rear (1.0 ltr TSI 115 PS engine only)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Navigation infotainment system (SEL only)

- 8.0" colour touch-screen
- Bluetooth telephone and audio connection for compatible devices¹
- Branded points of interest
- Car information display
- DAB digital radio receiver
- Dynamic navigation based on TMC+, three route options (Fast, Short, Eco)
- MDI (Multi Device Interface), via USB connection - compatible products only
- Music playback from MP3, WMA and AAC files
- Preloaded European navigation data
- SD card reader
- Single CD player
- Simultaneous pairing of 2 compatible mobile devices
- SMS functionality - read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
- Speed Limit Display²
- Title and cover art display
- 'Think Blue. Trainer.' Driver tips and journey analysis
- Volkswagen Media Control³ - allows remote control of the infotainment system via smartphone or tablet

CAR-NET

Car-Net 'Guide and Inform'⁴ - 3-year subscription (SEL only)

- Providing online access to a range of useful information such as traffic, fuel pricing, weather and news feeds

COMFORT AND CONVENIENCE

Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard

Climate control - 2Zone electronic air conditioning with automatic air recirculation (SEL only)

Manual coming/automatic leaving home lighting function

Rain sensor and automatic dimming interior rear-view mirror (not GTI)

DRIVER'S ASSISTANCE

Parking sensors, front and rear - ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.
 2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 3 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
 4 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of 'Guide and Inform' services.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Polo R-Line.

Exciting, sporty and stylish, the Polo R-Line is no ordinary model. It has its own unique styling, providing a level of specification that is fitting for a car of this stature, adding to the excitement of driving this eye-catching car. Thanks to the 'R-Line' exterior styling pack, it's easy to recognise this distinctive model, with its specially designed front and rear bumpers, 'C' signature 'Gloss Black' front air intakes and radiator grille. The unique 'R-Line' badging and striking 16 inch 'Sebring' Galvano Grey alloy wheels add the finishing touch, creating a look that's sleek, stylish and distinctively R-Line.

01

02

01 The R-Line exterior packs a punch from the minute you set eyes on it. The specially designed 'R-Line' front and rear bumpers, 'C' signature 'Gloss Black' front air intakes and radiator grille, extended side skirts and unique 'R-Line' badging create a powerful front design, with an assured sense of style.

02 16 inch 'Sebring' Galvano Grey alloy wheels with its distinctive five double-spoke design enhance the sporty appearance, completing the stylish look.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels, panoramic sunroof, LED dipped and main beam headlights and metallic paint.

01

Interior shown is Polo R-Line with optional Active Info Display, climate control – 2Zone electronic air conditioning, Driving Profile Selection and metallic paint.

02

03

01 The interior emphasises the sporty character of the Polo R-Line, demonstrated by the **leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo**, Titanium Black rooflining and sun visors, and stainless steel pedals. Electrically heated, adjustable and foldable door mirrors feature reverse-activated kerb-view adjustment on the passenger's side, completing the impressive specification, reinforcing the quality and attention to detail.

02 **Front sports seats** feature the familiar 'R-Line' logo on the backrest and are finished in contemporary 'Carbon Flag' cloth upholstery.

03 The unique **door sill protectors with 'R-Line' logo** are proudly seen as the door opens adding an extra touch of sportiness to the dynamic appearance.

Standard items of equipment: R-Line (over SEL).

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Sebring' Galvano Grey with 195/55 R16 tyres and anti-theft wheel bolts

EXTERIOR

Chrome effect trapezoid fascia exhaust tailpipe surrounds, left and right

LED tinted rear light clusters

Rear diffuser

Rear tinted glass from B-pillar backwards, approx. 65% tinted

'R-Line' styling pack – 'R-Line' design front and rear bumpers with unique 'C' signature 'Gloss Black' front air intakes, rear roof spoiler, radiator grille and side skirts

Unique 'R-Line' badging

INTERIOR

Leather trimmed three-spoke multifunction steering wheel with aluminium inserts and 'R-Line' logo

Paddle shift on steering wheel (auto DSG only)

Seating

- Upholstery – 'Carbon Flag' cloth
- Front sports seats with lumbar adjustment and 'R-Line' logo on seat backrest

'Shadow Steel' decorative inserts

Stainless steel pedals

Titanium Black rooflining and sun visors

Unique 'R-Line' door sill protectors

COMFORT AND CONVENIENCE

Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger's side

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels and metallic paint.

Three letters that say it all. GTI.

The name GTI has always stood for exceptional performance and driving enjoyment. The Polo GTI continues this tradition with a truly striking exterior and dynamic appeal. Sporty 17 inch 'Parker' alloy wheels with red brake callipers, sports suspension lowered by approximately 15mm and extended sill strips flared in black all bear testimony to its sporting heritage, continued on the rear by the chrome exhaust twin tailpipe, 'Gloss Black' rear spoiler and LED darkened rear light clusters.

Model shown is Polo GTI+ with optional 18" 'Brescia' Black diamond-turned alloy wheels.

01 The GTI is easily recognisable from a distance, thanks to its unique 'GTI' styling, with its uniquely shaped front and rear GTI bumpers and 'Black' honeycomb front air intake, familiar honeycomb radiator grille with traditional red stripe, fog lights and unique 'GTI' badging. Model shown is Polo GTI with optional LED dipped and main beam headlights.

01

Iconic design. Ground-breaking technology.

Iconic GTI design meets ground-breaking technology in the GTI's interior. The leather trimmed three-spoke multifunction steering wheel with 'GTI' logo and red stitching, 'Velvet Red' or 'Deep Iron' decorative inserts and stainless steel door sill protectors with 'GTI' logo pay homage to its sporting tradition, while a choice of driver profiles allows you to select Eco, Normal, Sport or Individual settings, depending on the driving style you prefer.

01

02

01 Sporty details such as black gloss instrument surrounds, black rooflining and sun visors and aluminium-look pedals complete the dynamic interior, and the high resolution 10.3 inch **Active Info Display**, which is standard on GTI+ models, is a real highlight.

02 Front sports seats are stylishly finished in classic tartan '**Jacara**' cloth upholstery, with height and lumbar adjustment to ensure the optimum driving position.

Interior shown is Polo GTI+ with 'Deep Iron' dashpad pack and optional Discover Navigation infotainment system and climate control - 2Zone electronic air conditioning.

Additional items of standard equipment: GTI (over SEL) and GTI+ (over GTI).

WHEELS AND SUSPENSION

Alloy wheels, four 7½J x 17" 'Parker' with 215/45 R17 tyres and anti-theft wheel bolts

Sports suspension, lowered by approx. 15mm, including Sports select adaptive shock absorption – allows choice of two preset modes: Normal and Sport

EXTERIOR

Chrome exhaust twin tailpipe

Extended sill strips, flared in black

'Gloss Black' rear spoiler

'GTI' styling pack – uniquely shaped front and rear bumpers and 'Black' honeycomb front air intake

Honeycomb radiator grille with red stripe

LED darkened rear light clusters

Red brake callipers

Unique 'GTI' badging

INTERIOR

Aluminium-look pedals

Black gloss instrument surrounds

Black rooflining and sun visors

Door sill protectors in stainless steel with 'GTI' logo

Leather trimmed three-spoke multifunction steering wheel with GTI logo and red stitching

Paddle shift on steering wheel

Seating

– Upholstery – 'Jacara' cloth

– Front sports seats with height and lumbar adjustment

'Velvet Red' trim in dash and centre console

SAFETY AND SECURITY

Disc brakes, front and rear

DRIVER'S ASSISTANCE

Driving profile selection – choice of four preset modes: Eco, Normal, Sport or Individual modes. Individual mode allows manual settings for steering, drive, dynamic cornering lights and air conditioning settings

XDS electronic differential lock for improved traction and handling

Additional items of standard equipment: GTI+ (over GTI).

EXTERIOR

LED dipped and main beam headlights including separate LED daytime running lights and automatic range adjustment

Rear tinted glass from B-pillar backwards, approx. 65% tinted

INTERIOR

Dusk sensor, automatic driving lights

Front centre armrest, with storage compartment

Manual coming/automatic leaving home lighting function

Rain sensor and automatic dimming interior rear-view mirror

COMFORT AND CONVENIENCE

Electrically heated, adjustable and foldable door mirrors and reverse activated kerb-view adjustment on passenger's side

Keyless entry with Start/Stop button on centre console

DRIVER'S ASSISTANCE

Active Info Display, 10.3" high resolution TFT dash display screen with customisable menus and information

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter

Model shown is Polo GTI+ with optional 18" 'Brescia' Black diamond-turned alloy wheels.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Infotainment and connectivity.

The Polo is truly a car of the digital age, providing endless infotainment and connectivity possibilities, exceptional ease of use and amazing functionality. Take the Active Info Display, offering five different customisable screens and journey data, with either large or small dials depending on your preference, on the interactive 10.3 inch high resolution screen, enabling you to view information exactly as you wish, in the configuration of your choice.

Interior shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Active Info Display and Adaptive Cruise Control (ACC).

01-03 It's up to you in which configuration you display data. Thanks to the **Active Info Display's** fully configurable screen¹, you can view combinations of information, from a full screen navigation map to detailed driving data such as journey time, speedometer display and fuel level, phone information or driver assistance systems. The choice is yours. Standard on GTI+ and optional on Match models and above. Images shown feature cruise control which is optional on Match, beats, SEL and GTI models.

¹ Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation's 8.0 inch touch-screen.

Completely free. But well connected.

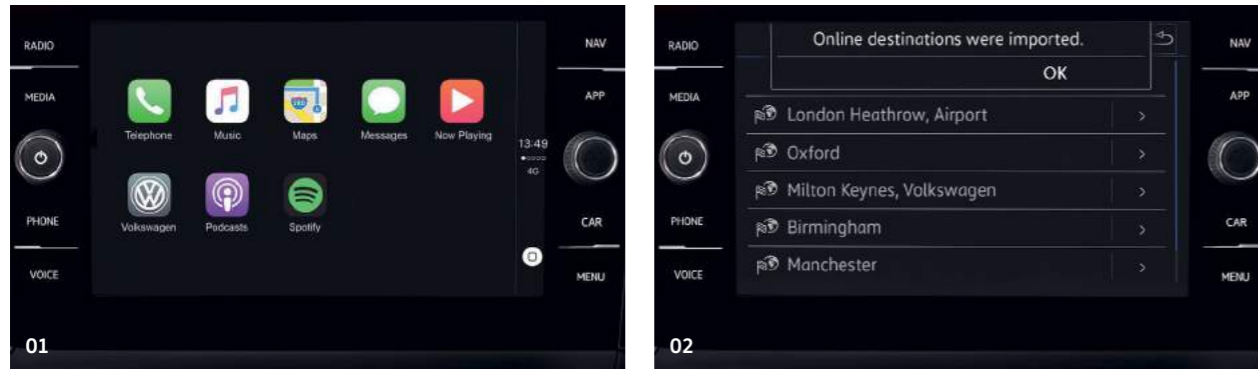

Whatever your plans, you're totally flexible in the Polo. Car-Net online mobile services provide remote access via your smartphone, enabling you to stay connected with everything that's important to you whilst still enjoying complete independence.

Model shown is Polo R-Line with optional panoramic sunroof and metallic paint.

It's never been easier to stay connected.

Thanks to Car-Net 'App-Connect'¹, your smartphone, your music, your messages, the internet, and selected apps are available at your fingertips. Simply connect your smartphone via USB to the infotainment touch-screen and your phone integrates seamlessly into your infotainment system allowing you to listen to your favourite music, use your phone, view messages or check the latest news and journey information. It's that simple to stay connected on every trip.

01 Depending on which smartphone you have, you can connect **Car-Net 'App-Connect'**¹ via USB connection to one of three interfaces: Apple 'CarPlay', Google 'Android Auto' or 'MirrorLink'™, allowing your smartphone display to be 'mirrored' on the infotainment touch-screen and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as 'Think Blue. Trainer.', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting by providing useful tips on driving your car, parking opportunities and even where to find the closest café. Please note, there is usage of only certified apps while driving. Standard on Match models and above, and optional on S models.

02 **Car-Net 'Guide and Inform'**² gives you online access to a wide range of useful information, such as weather, exciting destinations in your surrounding area, or the next filling station. You can also receive the latest traffic information with recommendations for avoiding congestion or news and weather feeds from the Internet. Car-Net 'Guide and Inform' is standard on the Discover Navigation infotainment system.

03 The **Active Info Display** is a fully configurable, interactive 10.3 inch TFT display which replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. Five different modes allow you to customise the screen, with large or small dials as you prefer, and a number of items displayed behind them. When used in navigation mode, in conjunction with the optional Discover Navigation infotainment system³, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you can include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash, conveniently placed directly within the driver's optimum field of vision. Standard on GTI+ and optional on Match models and above.

- 1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Please see www.volkswagen.co.uk to check smartphone compatibility.
- 2 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
- 3 Please note: When the navigation map is displayed in the Active Info Display in conjunction with the Discover Navigation infotainment system, the navigation map cannot be displayed on the Discover Navigation's 8.0 inch touch-screen.

Images shown are Polo SEL with optional 'Energetic Orange' Dashpad pack and metallic paint.

Everything to hand. Exactly as you'd expect.

Want to combine your selected route with your favourite music? No problem. The infotainment systems in the Polo couldn't be easier to use. Featuring high quality, touch-screen displays, they're ergonomically designed for intuitive use with everything to hand, exactly where you'd expect it to be. Sit back, enjoy the journey and the entertainment.

01 The **Composition Media infotainment system** is equipped with an 8.0 inch colour touch-screen, DAB digital radio receiver, Multi Device Interface (MDI), single CD player, SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices, SMS functionality (when stationary and on compatible Android smartphones only), Bluetooth telephone and audio functionality¹, and provides driver tips and journey analysis via the 'Think Blue. Trainer.' Six speakers, situated to the front and rear, deliver 4 x 20 watt output. Standard on S, Match, beats, R-Line, GTI and GTI+ models.

02 The **Discover Navigation touch-screen navigation/infotainment system** adds navigational functionality to the 'Composition Media' system, providing dynamic navigation based on TMC+, branded points of interest, preloaded European navigation data, Speed Limit Display² and three routes (Fast, Short and Eco), and 2D/3D map view. It comes with 3-years' Car Net 'Guide and Inform'³, providing online access to such information as traffic, fuel pricing, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. The system also offers Volkswagen Media Control⁴, which allows remote control of the infotainment system via a smartphone or tablet. Standard on SEL and optional on Match, beats, R-Line, GTI and GTI+ models.

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.
 2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
 3 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
 4 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.

Images shown features optional 'Energetic Orange' Dashpad pack.

We Connect Go[®].

All your car's information. All in one place.

We Connect Go is the easy way to connect your Polo to your smartphone. It relays everything you need to know, from service information and fuel consumption, parking location and helpful tips on driving more economically.

Welcome on board.
Getting started is easy. Follow these simple steps to find out how We Connect Go[®] can provide you with help and information on every journey.

Step 1
Download the free We Connect Go[®] App to your smartphone from the App Store for iOS, or Google Play Store for Android.

Step 2
Follow the instructions in the App.

Step 3
Put the DataPlug onto the diagnostic port that you'll find below the steering wheel.

Step 4
Connect via Bluetooth.

Step 5
That's it.

My Volkswagen.

The overview of key information about your car such as service and maintenance intervals, warning message displays, fuel level and mileage.

Trips.

This feature shows detailed map views, trip details, statistics, and the cost of each trip. You can categorise all trips into either business or private, and all of this can be downloaded to your desktop if required.

Driving style.

This feature can help save you money, analysing and evaluating all the elements of the engine and braking performance, combined with your driving style to give you tips on how to be even more efficient when driving.

Parking space.

The app automatically remembers where you've parked. And while you're away from your car, it'll show you how long you've been parked for.

Fuel monitor.

Everything you need to know about your vehicle's fuel consumption and costs. It even tracks your fuel stops, especially useful if you use your car for business purposes.

Service partner.

Wherever you are, you can see exactly where your nearby retailers are and be navigated to the nearest one. And if you need to call them, the app will put you straight through.

Assistance call.

Just press and call Volkswagen's 24-hour helpline where you'll be put straight through to Customer Service. And if you're not sure where you are, don't worry, it transmits your location directly to them.

Challenges.

This feature helps you meet efficiency and driving style targets. Collect points and trophies as you move through the tasks and discover hidden bonus challenges to help keep you improving your scores.

For a list of all compatible models and for more information visit www.vwconnect.com

Safety is a team effort.

When it comes to safety, the Polo is well equipped, scoring a maximum Euro NCAP five-star rating. Which means it's well equipped to take good care of occupants and other road users. A wealth of on-board driver assistance systems help you travel safely and comfortably, arriving at your destination relaxed and stress free.

Model shown is Polo SEL with optional 17" 'Pamplona' alloy wheels, panoramic sunroof and metallic paint.

01 The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City emergency braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

02 The **PreCrash preventive occupant protection** recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on all models.

03 The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Polo steers itself into its chosen space. Optional on Match models and above.

04 The **Driver Alert system** monitors driver behaviour. As soon as it detects unusual driving patterns, such as lane deviation or erratic steering movements, it recommends taking a break via visual and acoustic signals. Standard on all models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

01 Blind spot detection with rear traffic alert provides additional peace of mind by assisting when you want to change lanes. A radar sensor controlled warning system monitors your blind spot and should it detect a potentially hazardous situation, it warns you by means of flashing warning lights in the door mirror housing. The rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audible and visual warnings and will initiate braking if necessary. Optional on Match, beats, SEL, R-Line and GTI models.

02 The rear-view camera displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on Match models and above. Image shown features optional Discover Navigation infotainment system.

03 Adaptive Cruise Control (ACC)¹ including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter, offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on GTI+ and optional on Match, beats, SEL, R-Line and GTI models.

¹ Not in conjunction with 1.0 litre EVO 80 PS engines or cruise control. Images shown features optional metallic paint.

1 Not in conjunction with Black roof pack. 2 Only available on 1.0 Itr TSI 95 PS 5-spd manual engines.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO₂ emissions, BIK % and VED Bands with optional wheels section](#).

● Standard equipment ○ Optional equipment - Not available. Factory-fitted options are subject to availability and extended delivery. † Please note these models may no longer be available to order, or only available from stock and not available to factory order.

Your Polo. Your design. Your style.

It's up to you how your Polo looks. Optional style packs provide a choice of finishes, interior styling, interior and exterior colours and equipment, offering all the customisation options you need to create your own unique Polo. So you feel totally at home, the moment you sit behind the wheel.

Model shown is Polo SEL with optional 17" 'Pamplona' Dark Adamantium alloy wheels, Black roof pack, 'Energetic Orange' Dashpad pack, LED dipped and main beam headlights and metallic paint.

01-02 The **Black style pack**¹ is elegant and classic, comprising a range of black features to create a stylish and exclusive look. The **non-metallic Black roof and upper door mirror housings** create a dynamic contrast with your chosen vehicle colour.

Also included in the Black style pack are the 16 inch **'Sebring' Black diamond-turned alloy wheels** featuring a five double-spoke design. Their glossy black look provides a further contrast with the vehicle colour, while wide 195/55 R16 tyres enhance the exterior's sporty appeal. Optional on Match and SEL models.

¹ Not in conjunction with optional Black roof pack or panoramic sunroof.

01

01 Not only does the **Black style pack**¹ deliver a sporty and dynamic look, it also ensures exceptional comfort, thanks to the front sports seats equipped with lumbar support, 'Level' cloth seat centre section and 'Carbon leather' side bolsters. The look is completed by the Titanium black rooflining and sun visors, 'Deep Iron' upper dashpad, and front and rear carpet mats, creating a luxurious and inviting interior, while two LED reading lights in the front and rear with interior delay and dimming function help create a relaxing interior ambience. Optional on Match and SEL models. Interior shown is Polo SEL with optional Black style pack, Dashpad pack, Active Info Display and metallic paint.

Also available as an option is the **Style pack**, which includes all the interior equipment of the Black style pack. Optional on Match and SEL models.

¹ Not in conjunction with optional Black roof pack or panoramic sunroof.

[Configure now >](#)

01

01 The **Dashpad pack** allows you to introduce even more colour and individuality to the interior of your Polo, with a choice of 'Energetic Orange' or 'Silver Silk' dashpad inserts. Optional on Match and SEL models. 'Deep Iron' dashpad is standard on SEL and available as a no cost option on GTI and GTI+ models. Interiors shown are Polo SEL with optional 'Energetic Orange' and 'Silver Silk' Dashpad packs, Active Info Display, cruise control and metallic paint.

02 When choosing your Polo, why not make the most of the opportunity to express your individual style? Thanks to the extensive choice of finishes, there's a wide selection of stylish body colours and you can further enhance the visual presence by selecting the **Black roof pack**¹, comprising of non-metallic Black roof and upper door mirror housings and rear tinted glass from B-pillar backwards. Matched with a vibrant body colour such as 'Energetic Orange' or a classic colour such as 'Pure White', it ensures your Polo really stands out, while creating a truly individual look. Optional on Match, SEL, R-Line, GTI and GTI+ models.

02

Model shown is Polo SEL with optional 'Energetic Orange' Dashpad pack, Black roof pack and metallic paint.

1 Not in conjunction with optional panoramic sunroof.

All figures in millimetres. On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

VED and additional 'On the road' costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2020. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

'FIRST YEAR RATE' VED – CARS REGISTERED ON OR AFTER 1.4.2020 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – 'First year rate' VED

Diesel[‡] – 'First year rate' VED

Alternative fuel – 'First year rate' VED

226-255	1,840.00	2,530.00
Over 255	2,165.00	2,855.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £150 a year.

The 'First year rate' will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £150 'Standard rate' and £325 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £140 'Standard rate' and £325 additional rate which reverts to £140 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £325 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

[†] Diesel cars that are tested to RDE2 standards. [‡] Diesel cars, including those tested to RDE standards.

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	325.00	325.00
Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £325 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 APRIL 2020.

EFFECTIVE FROM 1 APRIL 2020.

CO₂ emissions, BIK % and VED Bands with optional wheels.

Cars registered on or after 1.4.2020.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.4.2020. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable.

Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

Taxable percentage of P11D value (Diesel figures include the 4% diesel supplement)

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
 2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).
There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 APRIL 2020.

Volkswagen service.

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

¹ Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
² Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
³ The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
⁴ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
⁵ Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

Volkswagen service (continued).

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

TAX FREE SALES

For full details, please contact your authorised Volkswagen retailer.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

- Starter rate 19% over £11,850 - £13,850
- Basic rate of 20% over £13,850 - £24,000
- Intermediate rate 21% over £24,000 - £44,273
- Higher rate 41% over £44,273 - £150,000
- Top rate 46% above £150,000

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Interior shown is Polo beats with optional Discover Navigation infotainment system, climate control – 2Zone electronic air conditioning, Light & Sight pack, Adaptive Cruise Control (ACC) and metallic paint.

Model shown is Polo R-Line with optional 17" 'Bonneville' Black diamond-turned alloy wheels, LED dipped and main beam headlights, panoramic sunroof and metallic paint.
