# Self-confidence comes from within.

Robust, modern and elegant, the interior of the T-Roc embraces the future, combining an all-new design with Volkswagen's characteristic build quality. Unprecedented levels of functionality and technology, enhanced by ergonomic attention to detail, places it in a league of its own. With plenty of space for occupants and luggage alike, the T-Roc offers all you could ask for in terms of comfort, style and convenience. Look within and discover the inside story.

**01-02** The interior of the T-Roc SEL is luxurious and elegant, with ambient lighting in the front footwell and light strips below the trim in the front doors, enhanced with Caribou Grey decorative inserts in the dash and door panels. Front sport seats, beautifully finished in contemporary 'Gem' cloth upholstery, feature height adjustment, ensuring the optimum driving position, while front and rear reading lights incorporate LED technology for optimum illumination, furthermore the optional panoramic sunroof adds a new dimension of light and spaciousness above. Interior shown is T-Roc SEL with optional panoramic sunroof, Sport pack and metallic paint.

# Driver's assistance systems.

**01 Progressive steering** in the T-Roc gives you better control when driving at higher speeds and additional comfort in everyday use. The progressive gear ratio reduces steering work, making it easier to park and increasing driving dynamics on winding roads. Standard on R-Line and R models and optional on SE, Design, Black Edition and SEL models as part of the optional Dynamic Chassis Control (DCC) and Sports suspension.

**02 PreCrash preventive occupant protection** recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on all models.

**03 Lane Assist** is a camera controlled warning system that alerts you if your vehicle drifts out of its lane, helping to reduce the chance of an accident and making long motorway journeys safer. Using a camera located in the rear-view mirror unit, it monitors the road markings and prevents unintentional lane deviations. The system only intervenes if the indicators are not used, so if you decide to change lanes and indicate, the intelligent system recognises this and switches off. Standard on all models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

01

02

03

**01** The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City Emergency Braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

**02** **Front and rear parking sensors** assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system. Standard on SE models and above, and optional on S models.

**03** All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your T-Roc to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

**04** The **electric tailgate** opens easily and conveniently, either from the driver's seat or using the remote control key. You can also adjust the opening height so it doesn't strike a low ceiling. Once everything is stowed, simply press a button in the tailgate and it closes automatically. Optional on SE, Black Edition, Design, SEL, R-Line and R models.

**05** The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake and keep a lookout, while the T-Roc steers itself into its chosen space. Optional on SE, Black Edition, Design, SEL and R-Line models.

# All-new interactive dashboard.

Enjoy all the benefits of an interactive, digital dashboard thanks to a host of standard and optional equipment. The Active Info Display allows you to customise menus as you wish, while the Discover Navigation touch-screen infotainment system keeps you connected and informed, furthermore the powerful beats soundpack delivers exceptional acoustics.

**01** The **Composition Media infotainment system** is equipped with an 8.0 inch colour touch-screen, DAB digital radio receiver, Multi Device Interface (MDI), single CD player, SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices, SMS functionality (when stationary and on compatible Android smartphones only), Bluetooth telephone and audio functionality<sup>1</sup>, and provides driver tips and journey analysis via the 'Think Blue. Trainer.' Six speakers, situated to the front and rear, make sure excellent acoustics are delivered on every journey. Standard on S, SE, Black Edition and Design models.

**02** The **Discover Navigation infotainment system with Car-Net 'Guide and Inform' and Car-Net 'Security & Service'** builds upon the impressive Composition Media infotainment system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Speed Limit Display<sup>2</sup> and 3-years Car-Net 'Guide and Inform'<sup>3</sup> access makes it possible to integrate 'traffic information online' into route guidance and transfer public and personal points of interest to the navigation system. The service also includes information for fuel location, weather and news feeds. Car-Net 'Security & Service'<sup>4</sup> acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. Standard on SEL models and above and optional on S, SE, Black Edition and Design models.

**03** The **Active Info Display** provides a 10.3 inch high-resolution TFT dash display with customisable menus that can be configured as you wish, providing such information as detailed driving data, graphic displays of your driver assistance systems, and, when used in conjunction with the Discover Navigation system, large map display<sup>5</sup>. Standard on SEL models and above and optional on SE, Black Edition and Design models.

**04** The **beats soundpack** delivers just the right amount of bass. Inspired by Dr Dre, it includes six speakers, a subwoofer and an eight channel digital amplifier with Digital Signal Processor (DSP), delivering 400 watt output with Dolby Pro Logic surround sound. It's controlled via your infotainment or navigation system and displays a beats welcome screen when switching on. Optional on SE, Black Edition, Design, SEL, R-Line and R models.

- 1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 3 Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. # Cutting-edge connectivity.

The T-Roc is a pioneer not only in terms of design, but technology too. Cutting-edge connectivity ensures it's never been easier to integrate your mobile devices, whether you're looking to charge your smartphone or stay connected, and there's a wide range of online services and apps available via your smartphone and Volkswagen Car-Net.

01

**01 Car-Net 'Security & Service'**<sup>1</sup> acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. In the event of an accident, should the driver activate the 'eCall' button or the airbags are deployed triggering the 'eCall' service, Volkswagen's Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the 'Automatic accident notification' can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of 'Car breakdown', 'Vehicle health report' and 'Service schedule' ensuring your vehicle's information is always up to date. Image shown features optional panoramic sunroof.

The service also allows vehicle information to be accessed via the Car-Net Portal or Car-Net app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as 'Driving data', the status of 'Doors and lights', 'Area alert', 'Speed alert', remote control of 'Horn and hazard lights', 'Parking position' and 'Online anti-theft alarm' can be easily accessed and monitored – 3-year subscription included. Standard on SEL models and above and optional on S, SE, Black Edition and Design models.

**02** Depending on which smartphone you have, you can connect **Car-Net 'App-Connect'**<sup>2</sup> via USB connection to one of three interfaces: Apple 'CarPlay', Google 'Android Auto' or 'MirrorLink'<sup>™</sup>, allowing your smartphone display to be 'mirrored' on the infotainment touch-screen and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as 'Think Blue. Trainer.', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting by providing useful tips on driving your car, parking opportunities and even where to find the closest café. Volkswagen apps are only available with compatible smartphones. Please consult [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check smartphone compatibility. Usage of certified apps only while driving. Standard on SE models and above, and optional on S models. Image shown features optional Discover Navigation infotainment system.

**03 Car-Net 'Guide and Inform'**<sup>3</sup> gives you online access to a wide range of useful information, such as weather, exciting destinations in your surrounding area, or the next petrol station. You can also receive the latest traffic information with recommendations for avoiding congestion or news and weather feeds from the Internet. Car-Net 'Guide and Inform' is standard on the Discover Navigation infotainment system.

02

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels section](#).

# Step out in style.

The T-Roc is designed to be noticed. Its sporty, modern exterior heralds a new era of Volkswagen style, combining the practicality of an SUV with the agility of a sports model. The elongated coupé silhouette is characterised by a striking chrome strip running the length of the side roofline, while a choice of contrasting colours for the roof, A-pillar and door mirror housings on Design models, allow you to create a look that's as individual as you are.

Model shown is T-Roc Design with optional 18" 'Arlo' Sterling Silver alloy wheels and metallic paint.

**01** Eye-catching 17 inch 'Mayfield' alloy wheels give the T-Roc Design a distinctive look and can be personalised to your taste with a choice of traditional silver-finish or Gloss Black. Along with the two-tone customisable colour options for the bodywork and roof, what better way to express yourself? Image shown features 17 inch 'Mayfield' Gloss Black diamond-turned alloy wheels which are optional on SE and Design models.

# An interior that's all about you.

The interior of the T-Roc Design is the epitome of contemporary design and individuality. A choice of three exclusive interior colours gives you maximum opportunity to personalise the interior, creating a look that reflects your taste and style. It's time to express yourself!

Specify the T-Roc Design and you decide on the **dashpad colour**, with a choice of Limestone Grey, Ravenna Blue or Turmeric Yellow depending on your choice of exterior paint. The dashpad colour you select will also feature on the front interior door panels and centre console trim as well as the central stripe detail of the 'Tracks 4' seat upholstery, creating an interior that's fun, stylish and totally personal. Interiors shown feature optional Discover Navigation infotainment system, Active Info Display, beats soundpack, carpet mats and metallic paint.

Front comfort seats in the T-Roc Design feature **'Tracks 4' upholstery**, shown above in 'Turmeric Yellow' to match the dashboard, centre console and interior door panels. Thanks to the Composition Media infotainment system, you can make phone calls safely while you drive or play your favourite music via your smartphone, plus a host of other helpful features. The leather trimmed three-spoke multifunction steering wheel and gear lever knob provide excellent grip and add a sporty touch, while ambient lighting in the front footwell and lighting strips below the trim in the front doors, and front and rear LED reading lights create real atmosphere, especially at night.

Interiors shown are T-Roc Design DSG with optional Discover Navigation infotainment system, Active Info Display, beats soundpack, carpet mats and metallic paint.

Please note, choosing optional alloy wheels does not affect CO<sub>2</sub> emissions on T-Roc models. Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance.

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £150 a year.

The 'First year rate' will be based on the CO<sub>2</sub> emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £150 'Standard rate' and £325 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £140 'Standard rate' and £325 additional rate which reverts to £140 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £325 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

<sup>†</sup> Diesel cars that are tested to RDE2 standards. <sup>‡</sup> Diesel cars, including those tested to RDE standards.

## 'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO <sub>2</sub> emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

## 'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £

Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £325 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

## How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
T-Roc	12 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

\* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

## How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

## Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

### Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

# CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels.

## Cars registered on or after 1.4.2020.

### Effect of wheel size on CO<sub>2</sub> emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO<sub>2</sub> emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

Taxable percentage of P11D value (Diesel figures include the 4% diesel supplement)

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

## SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

### Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

## SERVICING AND MAINTENANCE (CONTINUED)

### Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>4</sup> and a maximum of 20,000<sup>4</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## VOLKSWAGEN ENSURANCE<sup>5</sup>

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

## WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

### THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

### BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

### THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

### APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

## VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see [www.volkswagen.co.uk/technology/engines/adblue](http://www.volkswagen.co.uk/technology/engines/adblue) for more details.

## PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

*Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.*

## BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

### Scottish Income Tax rates and Bands 2018/19

- Starter rate 19% over £11,850 - £13,850
- Basic rate of 20% over £13,850 - £24,000
- Intermediate rate 21% over £24,000 - £44,273
- Higher rate 41% over £44,273 - £150,000
- Top rate 46% above £150,000

## FUEL CONSUMPTION AND CO<sub>2</sub> EMISSIONS

Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca). The weight of a vehicle will influence the level of CO<sub>2</sub> emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

<sup>1</sup> All warranty work must be completed by an authorised Volkswagen retailer or repairer.

## Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

## Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)
