## Price and specification guide

Effective from 1.4.2020

# The Touran. The family car that ticks all the boxes.

Versatile, spacious and packed with features, the Touran is the family MPV that ticks every box. The latest engine technology, driver assistance systems and over 50 innovations make driving easier and more enjoyable than ever. Large windows and a panoramic sunroof enhance the sense of spaciousness, and the sloping roofline gives a confident, dynamic look. Despite its compact, sporty appearance, it's a true seven-seater, with ample head and legroom in every row, while the fold-down seating arrangement provides all the space for your family's activities.

**LED premium headlights** provide optimum road illumination by producing a light that is brighter than conventional halogen headlights. Also featured with this option is projection technology, LED daytime running lights and rear tail lights, and dynamic cornering lighting. Optional on SE models and above. Model shown features optional metallic paint.

Front cover model shown is Touran R-Line with optional LED premium headlights, panoramic sunroof and Pure White non-metallic paint.

Panoramic sunroof is standard on SE Family and optional on all other models.

Model shown is Touran SEL with optional LED premium headlights and metallic paint. Please note, alloy wheels shown are not UK specification.

# Stand out from the crowd. The R-Line.

Add a touch of luxury to family life with the dynamic R-Line. Eye-catching looks combine with the stylish interior to give a sporty feel, taking family motoring to a whole new level.

Model shown is Touran R-Line with optional LED premium headlights and Pure White non-metallic paint.

**01** Externally, the charismatic R-Line exudes confidence and style. The dynamic **'R-Line' styling pack** comprises uniquely shaped, body-coloured front and rear bumpers, body-coloured side skirts and a chrome-trimmed front air intake grille. Silver anodised roof rails enhance the bodylines, while stylish **18 inch 'Marseille' alloy wheels** complete the picture.

**02** Unique **'R-Line' badging** on the radiator grille and door sills add an extra touch of style, highlighting its athletic appeal. Image shown features optional LED premium headlights.

**03** Inside, the R-Line offers an exceptional level of specification. Front seats feature **'Race' upholstery centre sections** and **'San Remo' microfibre side bolsters**, ensuring comfortable support on every trip, and the exclusive **'R-Line' logo** on the front seat backrest completes the look.

Models shown feature optional Pure White non-metallic paint.

**01** The leather trimmed three-spoke multifunction steering wheel is finished with colour-coordinated grey stitching, aluminium inserts and the 'R-Line' logo, while stainless steel pedals, black rooflining and 'Black Lead Grey' look decorative inserts in the dash, centre console and front doors add elegance and excitement, creating a truly luxurious feel. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system.

**02** Door sill protectors feature unique 'R-Line' styling, emphasising the careful attention to detail that distinguishes the Touran R-Line.

**03** The rear bumper with diffuser look effect and chrome twin exhaust tailpipe emphasise the sporty style, while rear tinted glass from B-pillar backwards, approximately 65% tinted, gives the R-Line real road presence.

Models shown feature optional Pure White non-metallic paint.

## Additional items of standard equipment: R-Line (over SEL).

# Taking the family on the road has never been easier.

Everything about the Touran is designed to try and help make family life easier, more enjoyable and more fun. Whether you're taking a long trip, stuck in traffic or performing a tricky parking manoeuvre, a host of intelligent and innovative features provide high levels of comfort, convenience and occupant protection.

For example, all five rear seats have Isofix child seat preparation, there are seven airbags and a range of assistance systems, depending on which trim level you choose, that include Adaptive Cruise Control (ACC), Front Assist with City emergency braking and Driver Alert system that help to provide peace of mind on every journey.

**01 Ambient lighting** in the front footwell and door trim inserts creates a warm welcome when getting in and out and can be adjusted to provide your preferred level of illumination. Standard on SEL and R-Line and optional on SE and SE Family models. Image shown is Touran SEL DSG with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system with integrated voice activation and metallic paint.

**03 The cargo management system** offers even greater flexibility in the boot space. The adjustable, elastic luggage net can be used to keep items secure whilst driving and there is also a convenient removable luggage compartment light. Optional on all models. Model shown features optional metallic paint.

**04 Hands free tailgate opening** opens the rear tailgate even when you don't have a free hand. Sensors recognise your key and a simple foot movement below the rear bumper is all it takes to unlock and open the tailgate automatically. Optional on SE models and above as part of the keyless entry option. Model shown features optional 17 inch 'Valllunga' alloy wheels and metallic paint.

**02** Thanks to the flexible **folding seat arrangement**, the Touran can be as versatile as you wish. Simply flick the catch on the top of the rear seats and they fold down to create a completely flat floor, increasing your boot space as required. With all seats upright there's a generous 137 litres of space. This increases to 1,857 litres when the second and third row seats are folded flat. If you need to carry longer items the load length is an impressive 1.89m, and with the front passenger seat folded flat, it offers even more load length of 2.7m. Model shown is Touran SEL DSG with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system with integrated voice activation and metallic paint. Front passenger's seat folding backrest is standard on SE models and above.

# The sky's the limit on every trip.

The panoramic sunroof adds a new dimension of fresh air and light to every trip. At 1.4m<sup>2</sup>, it offers a stunning view of the skies above from every seat, enabling occupants to count clouds and stargaze to their heart's content. Electrically operated, the panoramic sunroof is fitted with an integrated roller blind and wind deflector. Day or night, driving's never been more fun.

Interior shown is Touran SEL with optional panoramic sunroof, luggage restraint/net partition and metallic paint.

**01-02** The climate control – 3Zone electronic air conditioning system allows the driver, front passenger and those seated in the 2nd row to set their own desired temperature, independently of one another. This advanced air conditioning system also features a 'gentle' climate option, making steamed-up windows a thing of the past, while the biogenic filter keeps out pollens and allergens, ensuring consistent air quality throughout the passenger compartment. Standard on SEL and R-Line and optional on all other models.

Panoramic sunroof is standard on SE Family and optional on all other models.

**01 Side scan and Lane Assist** help you change lanes confidently. A radar sensor controlled system warns you via lights in the door mirror housing if it detects road users in your blind spot while a camera controlled warning system alerts you if your car drifts out of its chosen lane. Optional on SE models and above, must be ordered in conjunction with Mirror pack on SE and SE Family models.

**02 The Front Assist** monitoring system combined with City emergency braking, alerts you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Also includes a multifunction computer with 3.5" TFT screen. Standard on SE models and above and optional on S models.

**03 The Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic parking sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Touran steers itself into its chosen space. Optional on SE models and above. Optional Park Assist which also includes front and rear parking sensors is available on S models.

**04 Tow a trailer or caravan effortlessly with Trailer Assist including Park Assist.** This system helps you reverse more easily and accurately with a trailer or caravan hitched. The optical display visualises actual and possible steering angles in the instrument cluster. Reverse steering is automatic, with direction controlled via the mirror adjustment switch which acts as a joystick, while the driver controls the pedals and keeps a good look out. Optional on all models. Only in conjunction with the optional swivelling towbar.

**05 The rear-view camera** displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on all models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system.

**06 The comprehensive airbag system** includes front seat side impact airbags, driver's and front passenger's airbags with passenger's airbag deactivation switch, curtain airbag system for front and 2nd row passengers, and a knee airbag for the driver. Standard on all models. Also available as an option for all models are side airbags for the 2nd row seats.

# A virtual world and multimedia experience at your fingertips.

Thanks to Car-Net connectivity you can enjoy a whole range of online services while you travel, helping to make your journey easier, more comfortable and ultimately more informed. As well as enjoying up-to-the-minute information, you can also access many of your favourite apps from your smartphone, all conveniently displayed on the infotainment system's touch-screen display.

01

**01 Car-Net 'Security & Service'<sup>1</sup>** acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. In the event of an accident, should the driver activate the 'eCall' button or the airbags are deployed triggering the 'eCall' service, Volkswagen's Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the 'Automatic accident notification' can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of 'Car breakdown', 'Vehicle health report' and 'Service schedule' ensuring your vehicle's information is always up to date.

The service also allows vehicle information to be accessed via the Car-Net Portal or Car-Net app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as 'Driving data', the status of 'Doors and lights', 'Area alert', 'Speed alert', remote control of 'Horn and hazard lights', 'Parking position' and 'Online anti-theft alarm' can be easily accessed and monitored – 3-year subscription included. Standard on SEL and R-Line.

<sup>1</sup> Use of Car-Net 'Security & Service' is governed in a separate Contract concluded online with Volkswagen. The customer has 90 days after vehicle handover to register the vehicle at [www.volkswagen.com/car-net](http://www.volkswagen.com/car-net). This will enable the customer to use Services for the full period of validity. The Emergency Call Service is already activated when the vehicle is delivered, without registration being required. Availability of Car-Net Services may vary depending on the country in question. The services are available during the agreed contractual period and may be subject to amendments during the duration of the contract. To use the free Car-Net app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. You will also need an appropriate mobile phone contract already in place or separately arranged with your mobile phone provider. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using Car-Net abroad. For more information on Car-Net Security & Service, go to [www.volkswagen.com/car-net](http://www.volkswagen.com/car-net) or contact your Volkswagen retailer. For information on your mobile tariff rates, please contact your mobile phone provider.

**01 Car-Net 'App-Connect'**<sup>1,2</sup> combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink™', allowing you to mirror apps from your smartphone onto the infotainment touch-screen via USB connection. It cleverly allows display and operation of certified apps including audio and voice control, if supported by the app. Please note, usage of certified apps only while driving. Standard on SEL and R-Line and optional on all other models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system.

**02 The Volkswagen Car-Net 'Cam-Connect'**<sup>2</sup> app literally gives you eyes in the back of your head. As an additional feature of Car-Net 'App-Connect', simply download the free app from the Volkswagen website and connect your GoPro® camera<sup>3</sup> (not supplied). Using 'MirrorLink™', one of the Car-Net 'App-Connect' functions, it will cleverly transmit images from the rear of the vehicle onto the infotainment system's touch-screen. This will allow you to keep a close eye on the rear seat's precious contents without having to look over your shoulder — be it fragile gifts, the dog or the most precious cargo — your family. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system. Car-Net 'Cam-Connect' functionality only operable in conjunction with a 'MirrorLink™' compatible smartphone. Please note, image shown is for illustrative purpose only. Standard on SEL and R-Line and optional on all other models

**03** A unique feature on the Touran is the **media box**. Located on the passenger's side of the dashboard, it gives you access to a high-tech world, neatly housing the single CD player and SD card connection. Standard on all models.

**Electronic voice amplification** (not shown) allows the driver to speak to those in the second and third row rear seats easily and clearly, without raising their voice. Standard on SE Family and optional on all other models as part of the Family pack.

**Volkswagen Media Control**<sup>4</sup> (not shown), available as an option or standard with the Discover Navigation or Discover Navigation Pro navigation infotainment systems, allows your smartphone or tablet to be turned into a remote control which is able to operate the infotainment system's functions from the rear seats. Standard on SE Family, SEL and R-Line and optional on all other models.

1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check smartphone compatibility.  
 2 Included with optional Discover Navigation Pro touch-screen navigation/DVD infotainment system.  
 3 The GoPro® camera is not included in the Touran and must be separately purchased by you. The described function is compatible with the following versions: GoPro® Hero camera (3, 3+ or 4). GoPro®, Hero, the GoPro® logo and the GoPro® Be a Hero logo are trademarks or registered trademarks of GoPro®.  
 4 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check compatibility.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels section](#).

## Protection and car care.

### 01 Premium carpet mats – front and 2nd row seats

The Volkswagen Genuine textile floor mats made from durable, high-quality velour with Touran branding are a visual highlight that also helps to protect the car interior. The easy attachment using the 2-point fastening system ensures that the premium floor mats do not slip or turn. Four-piece set.

Part number: 5QC 061 270 WGK

### 02 Rear sill cover – transparent

Help protect your rear bumper from scratches and scuffs with this transparent film. It's subtle, practical and protects your paintwork when loading and unloading.

Part number: 5QA 061 197

### 03 Front mudflaps – set of two

Prevent muck from messing up your vehicle's underbody, bumpers, sills and doors with Volkswagen mudflaps. They're long-lasting and durable, protecting your vehicle against excessive mud and reducing the chance of road chip damage.

Part number: 5TA 075 111

### 04 Rear mudflaps – set of two

Perfectly shaped to fit the rear, these durable, hard-wearing mudflaps offer protection against flying stones and other debris, with water spray being reduced quite substantially.

Part number: 5TA 075 101

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

### 01 Rear sill cover – transparent

Help protect your rear bumper from scratches and scuffs with this transparent film. It's subtle, practical and protects your paintwork when loading and unloading.  
Part number: 5QA 061 197

### 02 Boot liner – 5-seater

The luggage compartment liner is light, flexible and perfectly shaped to fit the contours of your vehicle. The edge provides adequate protection against moisture and dirt. Goods are effectively prevented from slipping. If the luggage compartment liner is not required, it can simply be rolled up so that it takes up less storage space.  
Part number: 5QA 061 160

### 03 Upper partition grille

Keep your best friend happily in the back with the partition grille, separating the luggage compartment from the rear passenger space. Made of a black powder-coated tubular frame with wire mesh, it's easily installed behind the rear seat.  
Part number: 5QA 017 221

Styling.

Choosing larger alloy wheels than standard, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers may increase. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. [Please click here](#) for full details. In addition, larger alloy wheels than standard size will require the purchase of tyres.

Prices shown do not include the transfer of tyres. <sup>1</sup> Price per wheel excludes tyre.

**Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.**

**Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).**

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £150 a year.

The 'First year rate' will be based on the CO<sub>2</sub> emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £150 'Standard rate' and £325 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £140 'Standard rate' and £325 additional rate which reverts to £140 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 with zero emissions (including electric) will pay the additional rate of £325 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

† Diesel cars that are tested to RDE2 standards. ‡ Diesel cars, including those tested to RDE standards.

## 'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO <sub>2</sub> emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

## 'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	325.00	325.00
Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the 'First year rate' for a period of five years. Electric or vehicles producing zero emissions over £40,000 at first registration pay £325 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type.

# AdBlue®

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

## How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Touran	11 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

\* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

## How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

## Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

### Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

# CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels.

## Cars registered on or after 1.4.2020.

### Effect of wheel size on CO<sub>2</sub> emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO<sub>2</sub> emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

Taxable percentage of P11D value (Diesel figures include the 4% diesel supplement)

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

## SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

### Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

## SERVICING AND MAINTENANCE (CONTINUED)

### Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000<sup>4</sup> and a maximum of 20,000<sup>4</sup> miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service<sup>3</sup> – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## VOLKSWAGEN ENSURANCE<sup>5</sup>

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? ## WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

## BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

## THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

## APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

## VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

## ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see [www.volkswagen.co.uk/technology/engines/adblue](http://www.volkswagen.co.uk/technology/engines/adblue) for more details.

## PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

*Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.*

## BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

## Scottish Income Tax rates and Bands 2018/19

- Starter rate 19% over £11,850 - £13,850
- Basic rate of 20% over £13,850 - £24,000
- Intermediate rate 21% over £24,000 - £44,273
- Higher rate 41% over £44,273 - £150,000
- Top rate 46% above £150,000

## FUEL CONSUMPTION AND CO<sub>2</sub> EMISSIONS

Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca). The weight of a vehicle will influence the level of CO<sub>2</sub> emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

## Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

## Volkswagen Service Plan – retail sales only For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)
