Steering wheel in nappa leather with touch controls and flattened bottom section

Red seat belts and black ARTICO man-made leather/DINAMICA microfibre with red contrast stitching

This powerful V6 offers a high dosage of top-performing technology and the looks to match – starting with the AMG front grille featuring a double louvre in matt iridium silver and ‘AMG’ lettering. The AMG bodystyling includes a front apron with distinctive air intakes, AMG side sill panels and an AMG diffuser-look rear apron, while the 18" aero alloy wheels in a 5-spoke design are painted tremolite grey. The interior plays with bold colours revealing red contrast stitching on the ARTICO man-made leather/DINAMICA microfibre

sports seats and ARTICO man-made leather dashboard, as well as red seat belts combined with black ash wood trim and aluminium door inlays. The AMG steering wheel is clad in nappa leather and comes with touch controls and a flattened bottom section for the ultimate grip in every corner. The AMG floor mats continue the performance-inspired theme with red piping against black leather edging.

Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency. This package is only available with automatic transmission.

Driving Assistance package (code 23P) – designed and priced as a package, including items as listed. **Total incl. VAT £1,695.00**

¹Only available with automatic transmission and in conjunction with Premium or Premium Plus model lines

DISTRONIC PLUS

Driving Assistance package (code 23P)

Active Blind Spot Assist

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

Active Braking Assist with cross-traffic function and tailback emergency braking function

Can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

Active Distance Assist DISTRONIC – Active Steering Assist – Active Speed Limit Assist

DISTRONIC proximity control helps maintain the desired distance from another vehicle in front. Active Steering Assist provides targeted steering intervention to prevent unintentional drifting out of lane. Active Speed Limit Assist¹ ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Lane-change Assist¹

Assists the driver with changing lanes by means of steering torque as soon as the driver initiates the change by activating the direction indicator, provided the system does not detect another vehicle in the adjacent lane

Active Lane Keeping Assist

Active Lane Keeping Assist can warn drivers when they unintentionally leave their lane and can use one-sided braking intervention to help manoeuvre the vehicle back into its lane (including, in the case of broken lane markings, if there is a risk of collision)

Evasive Steering Assist

Evasive Steering Assist can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

PRE-SAFE® PLUS

When a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures to protect the occupants, including warning following traffic and locking the brakes on standstill

Route-based speed adaptation

Adaption of speed before curves, roundabouts, junctions, toll roads. Allows for smoother and more accurate functionality of several driving assistant systems

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages 29–34.

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your C-Class, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account ^{*}To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
