Introducing MBUX

MBUX multimedia system with DAB digital radio

Multi-gesture touchpad control

Introducing MBUX, the new Mercedes-Benz User Experience infotainment system that can be controlled via voice and touch input. The new CLA features this innovative way of communicating with your Mercedes-Benz.

MBUX (Mercedes-Benz User Experience) infotainment system comprises:

Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you

Personalisation

- Turn the new CLA into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

In the CLA AMG Line Premium, all the breathtaking design features and innovative technology are enhanced by yet more stunning ideas. While the AMG bodystyling sets the scene, a small detail on the door handle points to the KEYLESS-ENTRY function. Step across the illuminated 'Mercedes-Benz' door sills and you'll be greeted by a beautifully-lit interior with a choice

of 64 ambient colours. The highly visible 10.25-inch digital instrument display is complemented by the media display with Augmented Reality navigation for effortless orientation. A 225 W sound system ensures a fantastic acoustic experience.

In addition/replacement to AMG Line:

Exterior

KEYLESS-ENTRY (lock/unlock) – chrome insert on door handle. Allows convenient opening, starting and locking of the vehicle – with no need for you to have the key in your hand. With this convenient technology you don't even need to take the key out of your pocket. All the doors can be opened and locked simply by touching the handle

Interior

Ambient lighting – 64 colours – all colours can be selected individually. Eight colour schemes each consist of two colours – the cockpit and the footwell are kept in the same colour, while the centre area of dashboard forms a contrast. The colours are static or slowly replace each other in Dynamic mode to produce a constant change of colour. Special emotively appealing effects: a light show welcomes the driver, and the climate control indicates in colour via the ambient lighting whether a warmer or colder temperature is being set. Adjustable brightness of the LEDs, with 10 levels and three zones: cockpit, front seat area and also entire dimming zone. The internal workings of the air vents are finished in silver chrome and illuminated. Additional illumination of the piping on the dashboard above the trim element and in the doors. Here the coloured piping is replaced by a transparent fibre-optic cable

Illuminated 'Mercedes-Benz' door sills

Rear armrest with two integral cup holders for drinks

Communications and In-Car Entertainment

10.25-inch digital instrument display

MBUX augmented reality for navigation – a camera in the windscreen produces a live feed on the media display. Superimposed highlighted information, such as house numbers and street names, facilitates orientation at the destination

Mercedes-Benz sound system (225 W) – the sound system includes a mid-range speaker as the central speaker, one mid-range speaker in each of the front and rear doors as well as one tweeter in each door. For a little bit more bass a subwoofer bass box is installed in the rear, including a separate amplifier

If you can't get enough of pioneering technology and comfort, this car is your answer. It has all the stunning characteristics of the AMG Line Premium and more: take the MULTIBEAM LED headlamps with Adaptive Highbeam Assist Plus or the panoramic sunroof for a bright and airy feel.

Electrically-adjustable front memory seats including lumbar support are also standard. Meanwhile, Traffic Sign Assist adds to the effortless driving experience in the breathtaking CLA.

In addition/replacement to AMG Line Premium:

Exterior

MULTIBEAM LED headlamps – 84 individually-controllable high-performance LEDs per module; active light function; adaptive all-LED tail lights; Adaptive Highbeam Assist Plus; cornering light function; enhanced fog light function, city light, country mode, motorway mode and adverse weather light; LED dipped-beam and main-beam headlamps; ULTRA RANGE Highbeam with 650 m range

Panoramic sunroof – automatic rain-sensor closing function, convenience closing via air recirculation button, electronic roller sunblind and tilt position automatically adapts to the vehicle speed in three stages

Interior

Electrically-adjustable front memory seats including lumbar support. Stores up to three seat positions for both the driver and passenger

Safety and Assistance Systems

Traffic Sign Assist – the camera scans the forest of speed limit signs, so navigation data holds the current valid limit at all times

28

The Mercedes-AMG CLA 45 S 4MATIC+ Plus takes the performance car to the next level. The AMG Aerodynamic package ensures enhanced driving dynamics while the suspension with Adaptive Damping System allows you to adapt your driving style by selecting one of the driving modes. While the exterior impresses with a panoramic sunroof, MULTIBEAM LED headlamps

with Adaptive Highbeam Assist Plus and 19" cross-spoke forged alloy wheels, the interior is an eye-catcher too, featuring the AMG Performance Seat High-End package as well as electrically-adjustable front memory seats including lumbar support. An unrivalled listening experience is ensured by the Burmester® surround sound system.

In addition/replacement to Mercedes-AMG CLA 45 S 4MATIC+:

Engine, Transmission and Suspension

Suspension with Adaptive Damping System

Exterior

AMG Aerodynamic package – modified front splitter, additional flics on front apron, additional diffuser blade, side spoiler lips on rear apron and rear spoiler

19" AMG forged alloy wheels – cross-spoke design

MULTIBEAM LED headlamps – 84 individually-controllable high-performance LEDs per module; active light function; adaptive all-LED tail lights; Adaptive Highbeam Assist Plus; cornering light function; enhanced fog light function, city light, country mode, motorway mode and adverse weather light; LED dipped-beam and main-beam headlamps; ULTRA RANGE Highbeam with 650 m range

Panoramic sunroof – automatic rain-sensor closing function, convenience closing via air recirculation button, electronic roller sunblind and tilt position automatically adapts to the vehicle speed in three stages

Interior

AMG Leather package

AMG Performance Seat High-End package

Multi-Contour Seat package – multi-contour seats with inflatable air chambers in the lower backrest and in the side bolsters
– Massage effect in the lumbar region through pulsating air chambers in the lumbar support
– Electrically adjustable lumbar support provides additional support for the spine
– Recommended by the AGR, a German spinal health organisation

Electrically adjustable front memory seats including lumbar support

Safety and Assistance Systems

Blind Spot Assist has two radar sensors which monitor the area of what is known as the blind spot. If the system detects another road user in this area a red triangle lights up in the exterior mirror in question

Exit warning function

Traffic Sign Assist – the camera scans the forest of speed limit signs – so navigation data holds the current valid limit at all times

Communications and In-Car Entertainment

Burmester® surround sound system – premium mid-range speaker as the central speaker, one premium mid-range speaker in each of the front and rear doors, one premium tweeter in each front door (mirror triangle) and rear door, two surround mid-range speakers in the C-pillars or in the parcel shelf and one subwoofer in the rear area

Trim and Upholstery

Aluminium AMG design black/silver

Two-tone leather titanium grey pearl/black with yellow contrasting topstitching

Please refer to page 34 for the full range of trim and upholstery choices

¹The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK

^{*}CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BiK tax legislation

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

²CLA 220 d engine is RDE (Real Driving Emissions) Step 2 Certified (Euro 6d). This results in a lower VED and BiK rate as this engine will not be subject to the diesel surcharge. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars.

Please refer to page 65 for the relevant rate for the second and subsequent years

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on pages 55 and 61, and the relevant Excise Duty is reflected in the on-the-road prices on pages 30–33.

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your CLA, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account ^{*}To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
