Model lines | GLE AMG Line

7

The new Mercedes-Benz GLE: the SUV trendsetter completely reconceived. Exuding presence and power, the AMG bodystyling, in combination with 20" 5-twin-spoke design alloy wheels, sets a new standard for aerodynamics in the SUV segment. Heat-insulating dark-tinted glass and illuminated running boards complete the superior look.

The GLE also features a 9G-TRONIC automatic transmission and 4MATIC all-wheel drive. Inside, you'll find nappa leather and ambient lighting in 64 possible colours. Nappa leather and a sculptured spoke design define the multifunction sports steering wheel. The MBUX infotainment system and the widescreen cockpit give the GLE's interior its finishing touch.

Exterior

Mirror package – electrically folding mirrors and automatically-dimming driver's exterior mirror and rear-view mirror with image projection logo

Parking package – incl. Active Parking Assist and reversing camera

20" alloy wheels – 5-twin-spoke design

Introducing MBUX

Using the touchpad you can control the display of the multimedia system

Multi-gesture touchpad control

Introducing MBUX, the brand new Mercedes-Benz User Experience infotainment system that can be controlled via voice and touch input. The new GLE joins other models to feature this innovative way of communicating with your Mercedes-Benz.

MBUX (Mercedes-Benz User Experience) infotainment system comprises:

Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you

Personalisation

- Turn the new GLE into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for 3 years

Mercedes me connect.

Stay connected, any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Navigation Services (01U)

Visit the Mercedes me connect store or app for pricing.

Live Traffic Information¹

Your navigation system receives traffic data in real time, enabling it to optimise the dynamic route guidance, minimising drive time and offering more precise estimation of arrival times.

Available parking spaces

Locates parking spaces for you in multi-storey car parks and on the street. Saving you time and hassle.

Local Search

This feature provides support in the local search for restaurants or hotels and much more.

Send2Car

Make your journey easier: set your destination using the Mercedes me app and send it directly to your car's navigation system.

Infotainment

Visit the Mercedes me connect store or app for pricing.

Connect Store

In the Mercedes me connect Store you can purchase many digital services designed to make your everyday life easier and provide useful information relating to your networked vehicle.

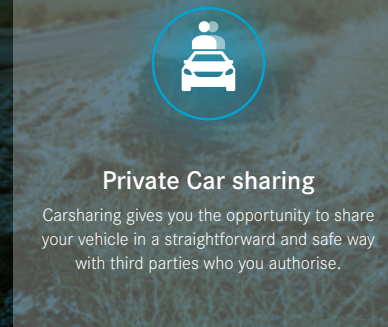

TIDAL

Love music? Get a 12-month TIDAL HiFi subscription free with Mercedes me connect (worth £240) and unlock access to 58 million songs.

Internet Radio

Listen to podcasts and radio stations from anywhere in the world.

Private Car sharing

Carsharing gives you the opportunity to share your vehicle in a straightforward and safe way with third parties who you authorise.

For more information speak to your local Retailer or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

¹Free of charge for first three years. Extension possible, visit the Mercedes me connect store for details on pricing

Mercedes me connect.

Stay connected, any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Vehicle Set-up (08U)

Visit the Mercedes me connect store or app for pricing.

Remote Vehicle Status

Check safety information, such as coolant level and brake pad condition, so you can be sure your car is safe and ready to drive.

Personal Profile

Store your preferences, such as your favourite radio stations and apps, to create your personal driver profile.

Pre-Entry Climate Control

Programming of charging settings and Pre-Entry Climate Control for plug-in vehicles.

Remote Door Locking/Unlocking

Lock and unlock your car remotely, wherever you are in the world.

Parked Vehicle Locator

Forgot where you parked your car? No problem: you can locate and track your car, with the Parked Vehicle Locator.

Vehicle Tracker

Track the location of your car anywhere in the world.

ECO Display

Monitor your driving style with ECO Display. It summarises your driving style from the start of the journey to its completion to help you achieve the most economical way to drive.

Geo-fencing

Set up a geographical boundary and receive alerts whenever your car enters or leaves this area.

16

ENERGIZING package (code PBP)

ENERGIZING comfort control derives its innovative intelligence from the ENERGIZING COACH. This software-based service is able to offer individual programme recommendations. To achieve this the system first analyses current journey and vehicle data, including aspects such as traffic conditions, weather and journey time.

Second, it can also assess the driver's current physical and mental state, made possible by networking with available Garmin® wearables such as smart watches and fitness trackers.

Aspects such as sleep quality and stress are taken into account on the basis of the driver's vital parameters. The ENERGIZING COACH then selects a perfectly-suited fitness or wellness experience which you can start directly.

ENERGIZING COACH is only available as part of Mercedes me connect services. Please see the terms and conditions of use for information about availability of the service in different countries and model series, and the necessary optional equipment. Operation requires that your smartphone is connected to the vehicle as the main telephone. You must also ensure that you have connected the requisite Garmin® wearable to this smartphone via the Garmin Connect® app. As soon as you have consented to data transfer as part of the 'onboarding process' within the Mercedes me app or the Mercedes me portal, your data will be transferred directly from your wearable to the vehicle via Bluetooth®. Further information can be found in your vehicle's owner's manual.

17

Tech and Tech Plus packages

Augmented navigation

Smartphone integration

MBUX Interior Assistant

Head-up display

Add top-notch technology to your GLE. Augmented reality video images and intelligent voice control make navigation an easy task, while the next-generation head-up display projects important information directly on to the windscreen – keeping you focused on the road.

Tech and Tech Plus packages (code DP4 and code DP5) – each designed and priced as a package, including items as listed below.

	Tech package £495.00	Tech Plus package £1,495.00
Packages comprise:		
Augmented navigation	■	■
Smartphone integration	■	■
MBUX Interior Assistant allows intuitive, natural operation of different comfort and MBUX functions by movement recognition. A camera in the overhead console registers movements of the driver's and front passenger's hands and arms. When a hand approaches the touchscreen or the touchpad on the centre console, the media display changes and individual elements highlighted. The system is able to distinguish the driver's hand from that of the front passenger. In addition there are functions that can be controlled by simple hand gestures: the reading lamp can be switched on and off by extending a hand towards the rear-view mirror, for example. The driver and front passenger can each programme a personal, favourite function.	–	■
Head-up display	–	■

18

Towing package¹

The new Mercedes-Benz GLE comes with trailer stability assist. This system automatically recognises if the trailer is swaying, and will use the front brakes to help stabilise the trailer and keep you safe on the road.

Towing package (code DP8) – designed and priced as a package, including items as listed opposite. **Total incl. VAT £1,150.00**

Towing package comprises:

Increased towing capacity – max. 3,500 kg (all engines except GLE 300 d 4MATIC)

Trailer Manoeuvring Assist controls the steering angle of the towing vehicle at speeds up to 5 km/h. Dynamic guidelines show the course of the manoeuvre, vehicle width and distances to detected objects²

Electronically folding tow bar (includes 13-pin socket; ESC: Electronic Stability Control)

¹Only in conjunction with Premium or Premium Plus equipment line

²In the case of trailers with a stabilisation device against swerving, the trailer or trailer tow hitch could be damaged.
If a trailer coupling with Trailer Manoeuvring Assist is used, only use without a stabilisation device against swerving

Electronically-folding tow bar (includes 13-pin socket; ESC)

Trailer Manoeuvring Assist

Off-Road package

Off-Road Engineering package

Off-Road Engineering package

The Off-Road package combines a host of features that come in handy when taking your GLE off the beaten track. An underguard for the engine, together with reinforced underfloor panelling the full length of the vehicle, helps to reduce damage caused, for example, by driving over obstacles.

Off-Road package (code DP9) – designed and priced as a package, including items as listed below.

Excluding GLE 300 d 4MATIC

Total incl. VAT £1,695.00

Off-Road package comprises:

Off-Road Engineering package

Underbody protection

Underbody protection

[View offers](#)[Book a test drive](#)[Find a Retailer](#)[View the Range Guide](#)

20

Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

Driving Assistance package (code 23P) – designed and priced as a package, including items listed opposite.

Total incl. VAT £1,695.00

Active Distance Assist DISTRONIC

Driving Assistance package comprises:

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

Active Braking Assist with congestion emergency braking function and cross-traffic function can help to avoid accidents with vehicles ahead, crossing traffic or pedestrians, and/or mitigate their consequences

Active Distance Assist DISTRONIC helps the driver to maintain a safe distance to the vehicle in front and so relieves strain on the driver, especially on long journeys or in a traffic jam

Active Emergency Stop Assist with SOS function: immediate emergency braking if evasion is impossible

Active Lane-change Assist aids the driver with changing lanes by means of steering torque as soon as the driver initiates the change by activating the direction indicator

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Steering Assist: targeted steering intervention to prevent unintentional drifting out of lane

Evasive Steering Assist can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

Exit warning function alerts occupants to passing traffic or pedestrians when leaving the vehicle

Extended restart function on motorways

PRE-SAFE® PLUS: when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

Route-based speed adjustment with end of tailback function: adaption of speed before curves, roundabouts and junctions

Traffic Sign Assist is able to recognise and display speed limits, no-entry and no-overtaking signs, and highlight the end of such restrictions

¹The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

*CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BiK tax legislation.

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

²GLE 300 d, GLE 350 d and GLE 400 d engines are RDE (Real Driving Emissions) Step 2 Certified (Euro 6d). This results in a lower VED and BiK rate as these engines will not be subject to the diesel surcharge. A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 43 for the relevant rate for the second and subsequent years

³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

Genuine Accessories

We've developed a range of Accessories you can add to help personalise and enhance your GLE. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Further information on our full range of Genuine Accessories can be found **here** on the Mercedes-Benz UK website.

01 | Concertina load sill protector (A2536932000)

Designed to prevent the bumper from being scratched. Can be secured to boot tub or reversible mat. Helps prevent scratches when loading the load compartment or when loading the Mercedes-Benz roof box.

RRP £41.50 (incl. VAT)

02 | Deep boot tub (A1678140200)

The deep, fitted boot tub (approx. 25 cm at the sides, 8 cm at the load edge) is also suitable for transporting shopping. The HD-PE material is particularly tough yet flexible, as well as odourless, acid-resistant and easy-clean. Ribbed structure for added strength. Lightweight and easy to insert and remove. Cannot be used in conjunction with third row of seats or with hybrid vehicles.

RRP £201.60 (incl. VAT)

[View offers](#)[Book a test drive](#)[Find a Retailer](#)[View the Range Guide](#)

03 | Shallow boot tub (A1678140100)

Suitable for transporting shopping. The tub shape with its slightly raised edge is precision-tailored to the load area. Made from impact-resistant, non-slip polypropylene. Cannot be used in conjunction with third row of seats or with hybrid vehicles.

RRP £89.40 (incl. VAT)

04 | Stowage crate (A0008140041)

Supplied with rigid partitioning elements which can be used to divide it into four, making it ideal for holding shopping bags. It is secured in place using tension straps which are attached to the load-securing rings. Full functionality only available in conjunction with shallow boot tub.

RRP £87.50 (incl. VAT)

05 | Folding table (A0008160200)

A practical place to put snacks and drinks during the journey. The folding table with direct adapter features a cup holder insert. Direct adapter makes it easy to secure the table in place on the back of the front seats and to remove it again. Please note: for safety reasons, the folding table must be folded away if a passenger is travelling in the rear of the vehicle.

RRP £134.40 (incl. VAT)

06 | Coat hanger (A0008104100)

For crease-free clothes when you're on the move. It's easy to arrive looking smart: the sturdy coat hanger allows you to hang up items of clothing on board. Rounded ends protect the fabric. Direct adapter makes it easy to secure hanger in place on the back of the front seats and to remove it again. Please note: for safety reasons, the coat hanger must be removed if a passenger is travelling in the rear of the vehicle.

RRP £90.60 (incl. VAT)

07 | Mount for tablet PC (A0008272200)

The ergonomic, crashproof Docking Station introduces the iPad® and all of its familiar functions to your Mercedes-Benz. All connections, e.g. for your headphones or charging cable, remain accessible. The mount is fitted to the head restraint and can be tilted and rotated around 90°.

Available for iPad®, iPad® 2, iPad® 3 and iPad® 4.

RRP £128.40 (incl. VAT)

08

09

Genuine Accessories

37

08 | Alustyle Easy-Fix II basic carrier bars for roof rails (A1678903000)

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes.

RRP £259.20 (incl. VAT)

09 | Mercedes-Benz roof boxes (part numbers vary)

An aerodynamic design, tailored to your Mercedes-Benz. In extremely durable material. Designed for quick, optimised attachment to the basic carrier bars. Particularly convenient loading and unloading thanks to the option of double-sided opening. Lockable from both sides. Available in various sizes.

RRP from £361.50 (incl. VAT)

10

10 | Alustyle bicycle rack (A0008900293)

Extremely lightweight bicycle rack, designed to allow you to attach a bicycle to the basic carrier bars for roof rails. Bicycles can either be attached to the rack once it has been fitted to the roof or, conveniently, before it is fitted. The support frame can also be folded down when not in use to reduce drag when travelling without cycles.

RRP £121.00 (incl. VAT)

Flacon perfume atomiser¹

The winning composition of touch, smell, looks, comfort, sound and style adds to the feeling of enjoyment behind the wheel and the general sense of well-being on board. Step inside and feel an instant affinity with the vehicle's character.

11 | DOWNTOWN MOOD (A0008990288)

Transparent, floral combination of jasmine and lilac, with warm undertones of musk, ambergris and a cashmere note. Top notes include magnolia and rosewood for freshness, peach for softness and an intriguing metallic effect.

RRP £56.00 (incl. VAT)

12 | FREESIDE MOOD (A2228990600)

Citrus elements combine with tea at the heart of this perfume, which is rounded off elegantly with floral top notes. The base notes include hints of cedar, patchouli and ambergris.

RRP £56.00 (incl. VAT)

13 | SPORTS MOOD (A0008990188)

This perfume is surrounded by light, floral tones such as magnolia, gardenia and violet. The green top notes take their freshness and lightness from aspects of grapefruit and watermelon, while the base notes have a mossy nuance.

RRP £56.00 (incl. VAT)

14 | NIGHTLIFE MOOD (A0008990388)

Nightlife mood is enriched with complementary woody notes that give the perfume body. Cool spices such as cardamom and pink pepper give a freshness to the top notes. And the hint of a particular aldehyde balance adds a subtle cognac effect.

RRP £56.00 (incl. VAT)

15 | PACIFIC MOOD (A0008990900)

Take the coast road and feel the ocean breeze caressing your skin and hair. The scent of lemons and oranges wafts through the air, accompanied by an enigmatic blend of spices.

RRP £56.00 (incl. VAT)

¹Only available as part of the AIR-BALANCE package in conjunction with the Premium Plus equipment line (please refer to page 10 for more details)

Insurance

Group rating	tba	tba	tba	tba
--------------	-----	-----	-----	-----

Insurance ratings may vary depending on model specification. Please refer to <http://www.thatcham.org/abigrouprating/> for further details³All figures are based on a standard specification with the smallest tyre size ⁴The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence⁵The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.*CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BIK tax legislation.Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>

GLE 350 d and GLE 400 d engines are RDE (Real Driving Emissions) Step 2 Certified (Euro 6d). This results in a lower VED and BIK rate as these engines will not be subject to the diesel surcharge

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions are listed in the technical data on page 41, and the relevant Excise Duty is reflected in the on-the-road prices on page 21.

Band	CO ₂ emissions (g/km)	First year rate petrol (£)	First year rate diesel (£) ¹	First year rate alt. fuel (£)	Standard rate (£)	Premium rate (£) ²
A	0	0.00	0.00	0.00	0.00	310.00

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLE, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out². What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance².

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a 5-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers.

For more information or to obtain a quote, click **here**.

Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

One of our most popular finance products is Mercedes-Benz Agility (our Personal Contract Purchase product). We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi.

Mercedes-Benz Agility (our PCP product).

At the start of an Agility agreement, you put down a deposit and decide the term of your agreement and your annual mileage. You will be advised of the Guaranteed Future Value, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment).

Throughout your agreement you simply pay your agreed monthly payments and when the agreement comes to an end you either purchase, hand back or part-exchange your vehicle.

Agility features:

- Fixed regular payments mean you can easily budget.
- Payments are based only on a proportion of the vehicle's value, keeping your monthly payments lower.
- Our Guaranteed Future Value avoids the risk of unplanned depreciation of your vehicle.
- You defer your ownership decision until the end of the agreement.

At the end of your agreement you have three options to choose from.

Option 1: Purchase your Mercedes-Benz.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to simply enjoy your vehicle.

Option 2: Hand back your Mercedes-Benz.

If you decide to return your vehicle to us, it must be in line with our Vehicle Return Standards,^{*} as vehicle condition, excess mileage and other charges may be payable.

Option 3: Part-Exchange for a new vehicle.

Purchase your Mercedes-Benz by paying the Optional Purchase Payment and Purchase Activation Fee.¹ This will complete the purchase of your Mercedes-Benz, leaving you free to part-exchange for a new vehicle.

¹Please note the 'Purchase Activation Fee' of £10 will be debited from your account ^{*}To find out more information about our Vehicle Return Standards please visit <http://mercedes-benz.co.uk/vrs>
