

ALL-NEW OCTAVIA

ŠKODA

You could stick to the path. Follow the rules. Never question convention. You could live your life according to others. But where's the fun in that? Life is for living on your terms. At your pace. That's where the OCTAVIA provides a beautifully compelling option. It enables you to personalise your driving experience at every turn. It keeps you fully connected to your online world. And it features all the latest driver assistance systems you need to break free of routine in absolute safety.

Models shown are not UK specification. Some of the equipment shown is optional.

A FEELING LIKE NO OTHER

The OCTAVIA's exterior is the perfect expression of emotion in motion. Adoration, affection, amazement – the dynamic lines and sharp design of the exterior quickly evoke a great sense of each, delivering a compelling fusion of aesthetics, safety and practicality.

HEADLIGHTS AND FOG LAMPS

While every light on the OCTAVIA is stylish, none are quite as innovative as the front headlights. Optional across our trims, matrix technology uses a windscreen camera to detect both the driver in front and oncoming traffic. Once detected, it automatically adjusts light intensity to avoid blinding others. Add to this the powerful LED Fog Lamps and you can be confident of a safe drive whatever the conditions.

REAR LED LIGHTS

Beautifully practical. There's really no better way to describe the full LED rear lights, which feature animated turn indicators to stylishly inform other drivers where you're turning. The lights also showcase ŠKODA's distinctive C-shape crystalline style with their prominent and eye-catching multi-faceted finish.

PANORAMIC SUNROOF

The electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button. Made from tinted glass, it allows you to create a large open space above the front seats.

Models shown are not UK specification. Some of the equipment shown is optional.

WELCOME HOME

It's not a coincidence everything in the interior feels precisely as it should. After all, you designed it that way. From the seat position and LED mood lighting, to the dashboard layout and radio station, every little touch bears your signature. Think of it as a second home, that you can take anywhere in the world at the touch of a pedal.

TOUCH SLIDER

The multimedia 10" display enables touch slider operation. You don't now have to touch the screen to adjust volume levels or navigation zoom, when you do require on-screen functionality, an ergonomic wrist rest is provided for added comfort.

AMBIENT LIGHTING

Transform the mood of your interior with LED ambient lighting. A wide choice of colour options is available, which come to vibrant life with a quick touch on the infotainment display. Lights run along the inside of the car, in foot wells, on door handles and in the luggage compartment.

VIRTUAL COCKPIT/HEAD-UP DISPLAY

Replacing old-fashioned instrument dials, the Virtual Cockpit cleverly displays onboard computer specifications in combination with other key data such as maps. Intuitively designed to avoid distraction, the head-up display shows key driving data in a way that's easy to absorb at a glance.

ONLINE PERSONALISATION

Even when your car is driven by multiple users, thanks to online personalisation you'll always experience your OCTAVIA, your way. The infotainment system enables different drivers to save their individual preferences, from seat positioning and dashboard layout to their preferred air con level. This is then synchronised with your ŠKODA ID account.

Models shown are not UK specification. Some of the equipment shown is optional.

MORE POWER, LESS COMPROMISE

Whether a tale of power, invention or sustainability, every engine in the OCTAVIA range has a unique story to tell. Whichever option you choose, you'll find all share the same reliability and uncompromising performance.

FUEL-EFFICIENT ENGINES

Sustainability lies at the heart of every ŠKODA. So, whether you favour petrol or diesel, you'll find a super-efficient engine to suit.

PERFORMANCE AND AERODYNAMICS

The OCTAVIA's impressive aerodynamics haven't simply enhanced driving performance and fuel efficiency, they've also set the industry benchmark in terms of drag resistance.

SHIFT BY WIRE

Only fitting for a family flagship car, the OCTAVIA features 'shift by wire' technology that delivers maximum comfort in vehicles equipped with automatic transmission. Controlled by a shift lever in the centre console, it reduces the strain on the engine by deciding when to change gear, leaving you free to enjoy the journey.

DYNAMIC CHASSIS CONTROL

Maximum performance, maximum comfort. This innovative system continuously evaluates and responds to various driving situations, adapting the damping and steering to ensure a smoother drive. The system's five ride settings can be changed at the touch of a button in the centre console to suit your specific needs. Sportier DCC options are also available for those seeking a more dynamic drive.

Models shown are not UK specification. Some of the equipment shown is optional.

SWITCHED-ON THINKING

In our always-on world staying connected on the go is no longer a nice to have – it's an absolute must. It's why the OCTAVIA includes a number of smart assistance and infotainment systems to keep you informed at every corner, and entertained at every turn.

STAY CONNECTED

The new ŠKODA Connect system turns the OCTAVIA into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need. [Click here to go to ŠKODA Connect.](#)

ROOF-MOUNTED USB PORT

In the rear-view mirror panel, you will find an additional USB-C slot. An ideal and discreet location for charging any windscreen mounted devices.

NAVIGATION SYSTEM

Featuring intelligent gesture control, the Columbus 3D navigation system displays all the information you need without any visual clutter. The device also provides different zoom options, ideal when viewing maps.

CANTON SOUND SYSTEM

Whether you're listening to an album, podcast or radio show, every note is pitch perfect with the CANTON Sound System. You'll find a total of 12 speakers around the car, including a central speaker and subwoofer in the luggage compartment.

Images shown may not be UK specification. Some of the equipment shown is optional.

SIMPLY INGENUOUS

Let's be honest, life's complicated enough. It's the reason we've packed the OCTAVIA with a host of thoughtful touches to make the everyday feel simpler in every way.

ELECTRICALLY OPERATED BOOT

Gain instant entry to the boot by simply pressing the button on the remote control, centre console or directly on the boot. Got your hands full? With the addition of a Virtual Pedal you can simply slide your foot beneath the rear bumper to access.

KEYLESS ENTRY AND START/STOP

With the new version of the Keyless entry and start/stop all doors can be used to unlock or lock the car.

READING LIGHTS WITH INTENSITY CONTROL

This bright idea enables you to adjust the light intensity by simply holding your hand under the reading lights.

LIQUID RESERVOIR

Say goodbye to washer fluid spills with this handy feature, which includes an integrated funnel to ensure not a single drop goes to waste.

UMBRELLA STORAGE COMPARTMENT

Never let a wet day dampen your spirits thanks to this driver's door storage space, which can hold a ŠKODA umbrella. It's also been cleverly designed to drain water away from the car.

FUEL DOOR

Inside you'll find a handy ice scraper for those frosty mornings, while fuel-fill protection eliminates the risk of ever filling up with the wrong fuel.

Models shown are not UK specification. Some of the equipment shown is optional.

LOOKING OUT FOR YOUR SAFETY

Safety is firmly in the driving seat, thanks to the active and passive driver assistance systems, which allow you to instantly respond to whatever comes your way.

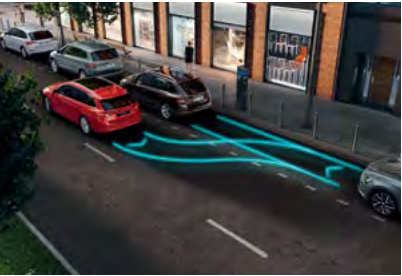

REAR VIEW CAMERA

Hidden under the boot handle, the rear-view camera makes light work of reverse parking.

PARK ASSIST

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

ADAPTIVE CRUISE CONTROL

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

FRONT ASSIST WITH PREDICTIVE PEDESTRIAN PROTECTION

Using a radar device in the front grille, the Front Assist system is designed to monitor the distance from the vehicle ahead, and also includes an emergency braking function. OCTAVIA comes with Front Assist expanded with pedestrian protection, which warns the driver via an audio/visual signal as well as a gentle jolt of the brakes.

Models shown are not UK specification. Some of the equipment shown is optional.

OCTAVIA SE FIRST EDITION

Enhanced comfort, advanced safety. The SE First Edition provides both thanks to a number of intuitive driver assist systems.

Pricing valid as of 4th May 2020.

* From 1 April 2020, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the recommended 'on the road' price you pay (in most circumstances, prices will increase).

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

Whether you're carrying bikes, need mudflaps and mats or the latest tech, our range of OCTAVIA accessories are designed to protect your pride and joy and add that special finishing touch.

Combine our specially developed new roof bars with the modern, light, 380 litre ŠKODA roof box. Air resistance and wind noise are both minimised thanks to the unique aerodynamic profile and the optimized sweeping shape also has a positive effect on driving stability and limits vibrations. The roof carrier with enclosed carrier profile can fit this box using U-straps.

NEXTBASE 322GW DASH CAM & GO PACK

The Nextbase 322GW dash cam offers full HD, with 1080p HD resolution and a 6G glass lens for increased picture clarity. The 322GW has a 2.5" IPS HD touch screen providing user-friendly menu selection and playback. The exclusive new Click&Go Pro mount make mounting easier and quicker than ever before and an intelligent SOS feature alerts the emergency services to your location in the event of an accident.

This extremely sturdy rack can carry three bicycles. Easy to fit and even easier to use, simply lift the bicycle up a little to secure in place before heading out for adventure.

Images are for illustrative purposes only. Please ask your ŠKODA Retailer for further information. All the above accessories can only be added to the vehicle after production at a ŠKODA Retailer and some may include an additional fitting cost.

Muddy boots. Sand-filled towels. Soggy bike gear. Escaping for adventure may be great for the soul, but it's far less kind on your interior. It's why we've created our Protection Pack, which includes front and rear mudflaps, double-sided boot liner and textile or rubber floor mats – all for a special pack price.

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

No matter how mucky things get, it's good to know that there's a boot liner to match it. This clever liner comes with an all-weather texture on one side with a textile reverse. They're quick to fit and remove, and all come with a 5cm raised edge to keep in dirt and make mucky boots a thing of the past.

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. Available as either carpet or rubber mats.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards - this rate currently applies to all ŠKODA diesel models.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £325 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on OCTAVIA SE First Edition 1.5 TSI 150PS ACT Hatch		
P11D value		£22,160.00
Company car BiK tax based on CO ₂ emission level		28%
Taxable BiK (for 2020/2021 tax year):	28% of £22,160.00	£6,204.80
Annual company car tax (2020/21)		
20% income tax	20% of £6,204.80	£1,240.96
40% income tax	40% of £6,204.80	£2,481.92
Monthly company car tax (2020/21)		
20% income tax	£1,240.96 divided by 12 months	£103.41
40% income tax	£2,481.92 divided by 12 months	£206.83

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2020/2021.

ŠKODA Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new SKODA on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

SKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA Retailer for your personalised quotation today.

Complimentary ŠKODA Drive Away Insurance

we want you to start enjoying your new car from day one, which is why every new or used ŠKODA, purchased from a ŠKODA Retailer, comes with five days' complimentary insurance. This comprehensive cover guarantees that your vehicle will be repaired in a ŠKODA Approved Repairer.

Alternatively, you can call us on **0345 877 6348**.

Lines are open 9am-5pm Monday to Friday and 9am-5pm Saturday. You will need the following information from your ŠKODA Retailer: vehicle model, registration number, vehicle collection date, ŠKODA Retailer number.

we will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase. See below for more details.

You can't always predict what life has in store, but with ŠKODA 3 Year Fixed Price Car Insurance you can relax knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do. Cover runs for 12 months at a time and you'll receive a renewal notice confirming your fixed price for the following year.

With SKODA Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews. If you choose to renew cover annually, the premium will be fixed for two consecutive renewals. If you make an amendment to your policy the premium at your next renewal will change, and this will be fixed for the remaining renewal periods. The fixed price commitment will no longer apply if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims), and the fixed price commitment does not apply to optional additional products and/or Insurance Premium Tax changes.

SKODA Car Insurance provides comprehensive cover, and you can enjoy the following benefits as standard

- > ŠKODA Approved Repairs carried out by ŠKODA Approved Technicians using only ŠKODA Genuine Parts and Paints (excludes windscreen claims)
- > Guaranteed courtesy car whilst yours is in for repair
- > Uninsured driver promise when you make a claim for an accident that is not your fault (providing we have the vehicle registration, make, model, and driver details)
- > Windscreen cover
- > Personal accident cover
- > Personal belongings cover (excludes loss of money)
- > Child seat replacement

Enjoy peace of mind and complete convenience, relax in the knowledge you have a policy tailored specifically for your ŠKODA.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority, VWFS UK and U K Insurance Limited are not part of the same corporate group.

If your ŠKODA is written off, your motor insurer will usually settle your claim based on its current market value. This could be substantially less than the original value of your vehicle. ŠKODA GAP (also known as 'Guaranteed Asset Protection') Insurance helps to bridge the payment gap to get you back in a new ŠKODA. Whether you purchase, finance, lease or hire your vehicle, ŠKODA GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle. For more information about ŠKODA GAP Insurance, please visit: **insurewithskoda.co.uk/gap-insurance**.

Our range of servicing and maintenance plans will help to keep your ŠKODA in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine SKODA approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

This covers your first two services for one payment of just £342 or 24 monthly payments of £14.25. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change.. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your ŠKODA Retailer to create a more tailored service plan.

customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

When you order your OCTAVIA, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Customer services

A network that's here to help

You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door and throughout the life of your ŠKODA. Your OCTAVIA will be serviced and maintained by specially trained ŠKODA technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA),
Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local ŠKODA Retailer.

Warranty

Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your OCTAVIA also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.
