Designed to impress.

The Transporter shuttle not only works hard, but is designed to stand-out from the crowd. Featuring assured styling, defined contours, large heat insulating windows and an imposing stance, the shuttle is available with a range of stylish alloy wheels and a wide selection of attractive exterior paint colours. Add any number of stylish exterior options such as LED headlights, front fog lights with cornering lights, privacy glass or the chrome pack and you'll discover the shuttle is designed to impress.

Optional LED headlights with low energy LED daytime running lights.

Optional low energy LED tail lights.

Optional heated headlight washer system.

Infotainment systems.

When you get behind the wheel of the Transporter shuttle, you'll be greeted by an ergonomic, highly-specified interior with high-class finishing and an exclusive atmosphere. With the current generation shuttle, we've taken things a step further by offering a range of stylish and innovative radio and infotainment systems.

Radio and navigation. Devices include the standard Composition Colour touch-screen DAB+ radio system and optional Composition Media DAB+ radio system and Discover Media navigation system.

Voice control.¹ Available as an option with digital voice enhancement, the voice control system allows you to operate the telephone, navigation and audio functions without taking your hands off the steering wheel.

App-Connect.² Available as an option with the Composition Media DAB+ radio system or Discover Media navigation system. App-Connect allows you to operate special apps. The screen of your smartphone can be shown on the radio system's display.

Connectivity. Available as an option, external media devices, such as MP3 players, can be connected via an additional USB port. Furthermore, the standard mobile phone interface offers a Bluetooth® hands-free speaking system.

Volkswagen Media Control. Available as an option with App-Connect, your smartphone or tablet is turned into a remote control and is able to operate the audio system functions from the rear seats via a Wi-Fi connection.

Image shown may not necessarily reflect current UK specification.

Composition Colour DAB+ radio system.

Optional Composition Media DAB+ radio system.

Optional App-Connect and Discover Media navigation system.

USB interface within centre console.

1 The 'Voice' control button on the optional Composition Media DAB+ radio system or Discover Media navigation system is only enabled when ordered in conjunction with the optional Voice control system.
2 The 'App' control button on the optional Discover Media navigation system is only enabled when ordered in conjunction with the optional App-Connect system.

Combining comfort and flexibility.

With easy-entry seating, the Transporter shuttle allows you to enter with ease and discover a great place to kick back and relax. While it offers a comfortable, safe and controlled environment, it's the shuttle's flexibility that sets it apart. If required, the standard seating for eight (including the driver) can be configured in multiple layouts, or completely removed to create a generous load area. All seats feature three-point inertia-reel seatbelts and adjustable head restraints, while ISOFIX child seat mountings can be found on the second row and optionally on the third row three-seat bench. Even with a full compliment of passengers, the Transporter shuttle's rear luggage space, together with numerous handy storage compartments, means there is plenty of space for luggage or kit.

Standard seating for eight.

Standard 2:3:3 layout for short and long wheelbase.

Seating configurations.

When you need to transport passengers and their luggage, we know that flexibility is key. With this in-mind, we've designed the Transporter shuttle and Transporter window van's passenger compartments to offer flexibility with seats that can be tipped, folded or completely removed. What's more, when you consider the low rear sill height and flat load surface, you'll discover a passenger compartment that's ready for whatever you can throw at it.

Short wheelbase.
Floor area of 4.3m²
Load volume of 5.8m³
Seating for up to nine

Image shows eight-seat 2:3:3 layout.

Long wheelbase.
Floor area of 5.0m²
Load volume of 6.7m³
Seating for up to nine

1 Easy-entry on both second row outer seats.
2 Only available on Transporter window van.
3 Two-seat bench on second row with easy-entry seat on passenger side.

Safety systems.

Your safety is vital, so we ensure that a long list of safety and security features are built into every vehicle we produce. Since we first introduced structural safety features on commercial vehicles over 35 years ago, Volkswagen has maintained a policy of continuous safety development. Every Volkswagen model incorporates a range of both active and passive safety features, to help ensure the safety and security of both you, your passengers and your load.

With the vehicle’s design contributing to safety, occupants are securely enclosed within a rigid safety cell with crumple zones to absorb crash energy, while the chassis and suspension are designed for excellent directional stability and handling. Features such as Anti-lock Braking System (ABS), Electronic Brakeforce Distribution (EBD), Electronic Stabilisation Programme (ESP), driver and passenger front airbags, electric seatbelt tensioners, Front Assist with City Emergency Braking System, Automatic Post-Collision Braking System and four ISOFIX child seat mountings (subject to chosen seating configuration) in the rear passenger area are fitted as standard.

For additional security and protection, an electronic immobiliser and remote central locking with dead locking and internal locking button are standard, while optional features such as front and rear parking sensors, LED headlights, automatic rain-sensing wipers and front fog lights with integrated cornering lights all offer additional peace-of-mind.

Electronic Stabilisation Programme (ESP).
Designed to prevent the vehicle from swerving in critical driving conditions by controlled and targeted intervention in the brake and engine management. This helps to maximise directional stability.

Anti-lock Braking System (ABS).
Designed to prevent wheels from locking up and assist manoeuvrability of the vehicle under heavy braking.

Traction Control System (TCS).
Aids smooth starts and acceleration by reducing wheel-spin. The system also incorporates the Electronic Differential Lock (EDL) and makes up part of the Electronic Stabilisation Programme (ESP).

Electronic Differential Lock (EDL).
Allows smooth starts on slippery or loose road surfaces. If one wheel starts to spin, EDL is designed to brake the wheel as necessary, directing power to the wheel with greater traction.

Airbags.
Driver and passenger front airbags are standard. They offer occupants improved protection in the event of head-on impacts.

Seatbelt warning.
The seatbelt warning reminds the driver that their seatbelt is not fastened. Audio and visual signals are used to request that the seatbelt is fastened before driving.

Watch video >

Automatic Post-Collision Braking System.
Standard on all Transporter models, it triggers braking after a collision, with the aim of preventing secondary collisions.

Shuttle S.

Starting from
£34,989[†]

Please
click here
for more
details.

The Transporter shuttle S delivers the perfect combination of comfort, durability and space. From the moment you enter, you'll find a light and airy interior constructed from high-quality materials. A moulded headlining with reading lights and Kutamo cloth seats set the scene, while features such as a trip computer with multi-function display plus, heat insulating glass, multiple air vents and sunblinds on rear passenger area side windows help to create a controlled atmosphere that feels like home. When it comes to practicality, you'll find the abilities of the Shuttle S more than just skin deep. The passenger area has space in abundance, with access through two side sliding doors (with childlocks), while luggage is easily accommodated through a rear tailgate with heated window and wash-wipe. When carrying small children, for added safety, ISOFIX mounting points allow the easy fitting of two child seats in the second row. In fact, when you need to comfortably carry a large number of passengers and their luggage, you'll find the Shuttle S hard to beat.

Optional body-coloured electrically adjustable and power folding wing mirrors.

Optional privacy glass in passenger compartment with green heat insulating glass in cab. Shown with optional side sliding window.

† Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government RRP changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

Shuttle S standard equipment.

Audio and communications.

- Bluetooth® phone connectivity.
- Composition Colour DAB+ radio system with 5" touch-screen, single MP3 compatible CD drive, SD card slot, AUX-IN socket and six speakers.

Interior – cab area.

- Digital clock.
- Dimmable dashboard illumination.
- Driver and front passenger seats with height, lumbar, reach and rake adjustments and armrests.
- Electric front windows.
- Gearshift indicator.
- Interior light.
- Kutamo cloth upholstery.
- Lockable glove compartment.
- Manually controlled heating system with dust and pollen filter and air recirculation.
- Rev counter.
- Rubber floor covering.
- Sun visors with vanity mirrors.
- Trip computer with multi-function display plus.
- 12V socket.

Interior – passenger area.

- Grab handle on 'A' pillars for driver and front passenger.
- Kutamo cloth upholstery.
- Load-lashing rings (six with short wheelbase and eight with long wheelbase).
- Reading lights in headlining for rear passenger compartment.
- Rubber floor covering.
- Seating – second row: three individual seats featuring easy-entry on the outer seats. All three back rests fold individually.
- Seating – third row: three-seat bench with folding and tipping action.
- Sunblinds for door side windows in passenger compartment.
- Two-tone horn.

Exterior.

- Black front and rear bumpers.
- Black wheel centre caps.
- Driver and passenger side sliding doors.
- Electrically heated and adjustable door mirrors.
- Galvanised full steel body.
- Green heat insulating glass.
- LED tail lights
- Tailgate with heated rear window and wash-wipe.

Safety and security.

- Anti-lock Braking System (ABS).
- Automatic Post-Collision Braking System.
- Driver and front passenger airbags (with passenger deactivation switch).
- Driver Alert System.
- Electronic Brakeforce Distribution (EBD).
- Electronic Differential Lock (EDL).
- Electronic Stabilisation Programme (ESP).
- Front Assist with City Emergency Braking.
- Height-adjustable head restraints.
- Height and rake adjustable steering column.
- Hill Hold Assist.
- Remote central locking with internal locking switch and two folding remote keys.
- Thatcham Category 1 approved alarm.
- Tyre pressure warning light.

Wheels and tyres.

- 17" x 7J steel wheels fitted with 215/60 R17 tyres (102PS and 150PS).
- Full size steel spare wheel.
- Tool kit and jack.

Efficiency technology.

- Low rolling resistance tyres.
- Regenerative braking.
- Start/Stop.

- 01 Composition Colour DAB+ radio system with 5" touch-screen.
- 02 16" steel wheels.
- 03 Automatic Post-Collision Braking System.
- 04 Rubber floor covering.

Shuttle SE.

Starting from
£37,179[†]

Please click here for more details.

When you need superior levels of practicality, versatility and desirability, the Transporter shuttle SE is the answer. It achieves this by combining the extensive standard features found in the Shuttle S, with a number of stylish and practical enhancements, designed to take the SE onto another level. Standard SE features include Climatic air conditioning, plush floor carpet, upgraded Pandu upholstery, deluxe headlining with ventilation strips and adjustable reading lights. External features include body-coloured bumpers, door mirrors and handles and chrome detailing on the upper grille. Ideal for families or image conscious commercial or corporate passengers, the Shuttle SE is all about added presence.

Optional sliding windows in side sliding doors. Available for both driver and passenger side.

Optional Digital Voice Enhancement (DVE) provides voice amplification in the passenger compartment.

[†] Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

Shuttle SE equipment in addition to S.

Interior – cab area.

- Carpet floor covering.
- Climatic semi-automatic air conditioning system.
- Pandu cloth upholstery in Titanium Black or Moonrock Grey.
- Storage pockets on front seat backrests.
- Washer fluid level indicator.

Interior – passenger area.

- Carpet floor covering.
- Deluxe headlining incorporating ventilation strips and adjustable reading lights.
- Pandu cloth upholstery in Titanium Black or Moonrock Grey.

Exterior.

- Body-coloured bumpers, door mirrors and handles.
- Chrome detailing in upper grille and side indicators.

- 01 Climatic air conditioning for cab and heater for rear passenger area.
- 02 Body-coloured bumpers, door mirrors and handles.
- 03 Deluxe headlining with ventilation strips and adjustable reading lights.

Transporter window van.

Starting from
£29,709†

Please click here for more details.

Available with two wheelbases and three roof heights, the Transporter window van is both robust and hard-working. It offers the versatility to accommodate both passengers and cargo, with a layout that can be tailored to the particular needs of your business. With the optional seats in place in a variety of locations across three rows (including the cab), the window van becomes a spacious people carrier seating up to nine, (including the driver). With the seats removed, there's a cavernous load area that's ideal for the transport of large or heavy items of cargo. And when you consider safety and security, the demands of your passengers needn't be compromised. With all seats featuring 3-point seatbelts and height-adjustable head restraints – combined with plenty of legroom, the window van is as comfortable as it is practical.

Hard working van or flexible people carrier. The Transporter window van offers the best of both worlds with optional seats that can be tipped, folded or completely removed.

Standard cab seating.

Standard 2:0:0 layout for short and long wheelbase.

† Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

Paint, upholstery and trim.

Formulated to withstand the rigours of everyday life, the Transporter shuttle’s paint and upholstery are designed to stand the test of time. As you’d expect from any Volkswagen, exterior paints offer a smooth and tough finish, while the interior upholstery is made from high-quality materials that are both attractive and robust.

03 17" Steel wheel. 17 x 7J with 215/60 R17 tyres. Standard on Shuttle.

The Transporter window van is available with a wider selection of alloy wheels. Please check availability with your Volkswagen Van Centre at the time of ordering.

Audio & communications.

01 Composition Colour DAB+ radio system.
Fitted as standard, the Composition Colour DAB+ radio system features a 5" TFT touch-screen colour display, USB port, Bluetooth®, SD card slot, AUX-IN interface, MP3 and WMA compatible CD drive, 4 x 20 watt output with six speakers¹ and a dual tuner with PhaseDiversity for optimum radio reception.

02 Composition Media DAB+ radio system.
The optional Composition Media DAB+ radio system features an increased touch-screen size of 6.33" with proximity sensor, USB port, Bluetooth®, SD card slot, AUX-IN interface, MP3 and WMA compatible CD drive, 4 x 20 watt output with six speakers and a dual tuner with PhaseDiversity for optimum radio reception. App-Connect is available as an option for this system.

03 Discover Media satellite navigation system.
The optional Discover Media satellite navigation system builds on the strengths of the Composition Media DAB+ radio system by adding satellite navigation and a second integrated SD card slot compatible for map data. The system includes free updates for the pre-installed European maps through Volkswagen MapCare. App-Connect is available as an option for this system.

04 App-Connect.² Available as an option with the Composition Media DAB+ radio system or Discover Media navigation system. App-Connect allows you to operate special apps. The screen of your smartphone can be shown on the radio system's display.

¹ The Transporter window van features four speakers as standard.
² The 'App' control button on the optional Discover Media navigation system is only enabled when ordered in conjunction with the optional App-Connect system.

Mobile online services.

Optional App-Connect – Volkswagen apps.¹

Download special Volkswagen apps to your mobile or tablet, such as ‘Shared Audio’, ‘Drive & Track’, ‘Call & Remind’, ‘My Guide’ and ‘Sound Journey’ to make every journey more pleasant and interesting. The apps provide you with information about your driving behaviour, guide you to parking spaces in the vicinity, make detailed suggestions about exciting destinations – all taking into account the weather and traffic data.

Optional Car-Net Guide & Inform.²

Use Car-Net Guide & Inform to enhance your vehicle’s optional Discover Media navigation system with online-based, up-to-date information services for greater convenience when travelling. For example, utilise real-time traffic information to avoid a sudden traffic jam, or refuel at the cheapest fuel station, or find a free parking space without the need for an infuriating search. Car-Net Guide & Inform helps you to reach your destination quickly and with the least amount of stress.

Online traffic information.

Save time and avoid stress with real-time traffic information, enabling you to avoid traffic jams by dynamically adapting your route.

Fuel stations.³

View the fuel stations with the cheapest fuel prices in your immediate vicinity. Your vehicle’s fuel type is automatically identified.

Parking spaces.³

Save time and view available parking options, along with prices and opening hours.

Weather.

Stay up-to-date with the latest weather information while on the move.

Online special destination search.

Customised information about local services is sent directly to your touch-screen display.

News.

Subscribe to personalised news categories and use the news feeds to stay up-to-date.

Online destination import.

Conveniently plan your driving destinations from home using the customer portal and retrieve them using the navigation system.

My special destinations.

Use the customer portal to save your preferred destinations while at home and import these into your vehicle’s navigation system.

Vehicle status report.

Retrieve the latest service information and error messages from your vehicle.

Car-Net registration in a few easy steps:

1. Create your personal account on the Car-Net website.
2. You will receive a registration code (PIN).
3. Enter your vehicle identification number (VIN).
4. Enter the PIN into your vehicle’s navigation system.

¹ Available as an option, App-Connect is only available in conjunction with the Composition Media DAB+ radio system or the Discover Media satellite navigation system. App-Connect comprises MirrorLink™, CarPlay™ and Android Auto™. The availability of these technologies can vary depending on the country in question. Please note that App-Connect is not currently supported by all mobile telephones on the market. Volkswagen is working closely with major smartphone producers to promote broader compatibility for App-Connect.

² Available as an option, mobile online services (Car-Net) is only available in conjunction with the Discover Media satellite navigation system. You will also require a mobile device that is capable of acting as a mobile wireless hotspot. Car-Net services are only available with an existing mobile network contract or one to be agreed separately for this purpose between you and your mobile phone network provider and only within the respective mobile phone network coverage. Depending on your mobile phone tariff, receiving data from the internet may incur additional charges, particularly if you are using the phone abroad. Due to the amount of data needed when using Car-Net services, we strongly recommend signing-up to a data flat rate with your mobile phone provider. Use of Car-Net is governed in a separate agreement with Volkswagen AG online. After taking possession of the vehicle, you have 90 days in which to register the vehicle at www.volkswagen-commercial-vehicles-carnet.com. The availability of Car-Net services may vary depending on the country in question. These services are available for the duration of the contract term agreed and may be subject to changes in terms of content during the contract period. More detailed information on Car-Net is available at www.volkswagen-commercial-vehicles-carnet.com and from your Volkswagen Commercial Vehicles Van Centre. Contact your mobile network provider for information regarding your mobile network tariff.

³ Available at participating fuel stations and car parks.

1 This brochure relates to vehicles tested according to WLTP technical procedures. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. There is a new test used for fuel consumption and CO₂ figures (known as WLTP). The CO₂ figures shown however, are based on a calculation designed to be equivalent to the outgoing (NEDC) test cycle and will be used to calculate vehicle tax on first registration. For more information please visit <https://www.volkswagen-vans.co.uk/en/about-us/wltp.html> or consult your authorised Volkswagen Van Centre.

Technical information (including fuel consumption, CO₂ emissions and range) is correct at 05.07.2019. We regularly update specifications so all technical information is subject to change (and this may include changes between order and delivery). There may be a delay in updates showing on our site – always consult your authorised Volkswagen Van Centre for the latest information.

2 Where the law permits.

Weights.

Shuttle S short wheelbase.

Model	Engine/transmission	Gross vehicle weight, kg	Axle load limit, front/rear, kg	Trailer weight braked 12%/unbraked, kg	Gross train weight, kg	Unladen weight ¹ , kg	Payload ² , kg
	2.0TDI 102PS 5-speed manual	3,200	1,710 / 1,720	2,200 / 750	4,900	2,171	1,029

Cost of your vehicle

Deposit
As little as one monthly repayment

Monthly repayments
Spread across 18 to 49 months

Optional final payment
You have three choices at the end of your agreement

Own
Hire

Solutions Personal Contract Plan

Not sure if you want to own or hire? Make the decision later.

Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

Cost of your vehicle

Deposit
As little as one monthly repayment

Repayments
Spread across 12 to 60 months

Own

Hire Purchase

Make all the regular monthly payments. At the end the vehicles is yours.

Cost of your vehicle

Deposit
As little as one monthly repayment

Rental repayments
Spread across 12 to 48 months

Final ‘balloon’ repayment

Own

Lease Purchase

Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Cost of your vehicle

Initial rental
As little as one rental repayment

Rental repayments
Spread across 12 to 60 months

Hire

Contract Hire

Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 60 months

Hire

Finance Lease (full pay out)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 48 months

Final ‘balloon’ repayment
You have two options at the end of your agreement

Hire

Finance Lease (balloon repayment)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the ‘balloon’ payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Service & warranties.

Finance and insurance.¹

When it comes to paying for your van, we’ve got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that’s perfect for your business, we’re here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen insurance.

Volkswagen Commercial Vehicles Insurance¹ provides cost-effective and comprehensive motor insurance³, as well as gap insurance⁴, which helps replace your vehicle and protect you from any financial shortfall if it’s written off.

Insurance benefits include:

- Complimentary 5-day drive away insurance cover.
- All repairs performed by approved repairers.
- Volkswagen Genuine Parts[®] used on all repairs.
- Courtesy vehicle provided during repair following an accident (subject to availability).
- Cover for breakage and damage to glass.
- In-vehicle personal belongings cover (up to £250).
- Vehicle recovery.
- 90-day European Union cover.

For more information about our motor insurance call: **0345 877 6355** (lines open 9am–6pm Monday–Friday) or visit: **insurewithvwcv.co.uk**

Servicing and support.

We’re here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit **www.volkswagen-vans.co.uk/aftersales**.

Pay monthly.

This option is available for vehicles that are less than 12 months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Pay upfront.⁶

If you can pay for more than one service upfront, we’ll help by reducing your costs. Buy two upfront and you’ll receive one interim and one full service at a discounted rate. Buy four and you’ll receive two interim and two full services, with your next MOT also included.

Pay on demand.

If you’re looking for freedom and flexibility with your servicing, it’s good to know we’re ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Transporter shuttle, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Transporter shuttle is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual. For more detail, please visit **www.volkswagen-vans.co.uk/aftersales**.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment. For more detail of cover levels, along with terms and conditions, please visit **volkswagencvwarranty.co.uk** where you’ll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your Transporter shuttle’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for 12 years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it’s full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **70 Van Centres** and **24 Authorised Repairers**, means you’re only around 45 minutes on average from our door.
