

JEEP® RENEGADE MY20

Jeep[®]

THERE'S ONLY ONE

Experience the combination you have been looking for: the practicality of the city and the vitality of nature, whilst moving in perfect harmony with both. With its renewed and valiant exterior, comfortable interior and savvy technology, the Jeep® Renegade is your all-access pass to where you want to go.

DUAL SOUL.

THE CITY FOLLOWS SUIT.

Playing catch up is never fun. Being the leader sure is. The distinctive restyling of the legendary seven-slot grille, fittingly embedded front head lights as well as the middle and low fascia are all part of the what can only be the bold figure of a Jeep®. The city has been warned. Jeep® Renegade is not to be messed with.

OUT OF THE BLUE.

The attraction to the unexpected is what leads to the extraordinary, and the Jeep® Renegade is your ideal catalyst. Its renewed lower fascia and LED lighting give its pronounced look a breath of fresh air. So take your out-of-the-blue idea and live it to the fullest.

An aerial, top-down view of a circular plaza. The plaza is divided into four quadrants by a dark, solid-colored diamond shape. Each of the four quadrants is filled with a pattern of parallel white stripes. The stripes in the top and bottom quadrants are oriented vertically, while the stripes in the left and right quadrants are oriented horizontally. The entire plaza is surrounded by a dark, textured border, possibly a sidewalk or a low wall. The text "A CUE FROM A VIEW." is centered in the middle of the diamond shape.

A CUE FROM A VIEW.

To be seen is simple, but to get noticed lies in the details. The fresh LED lighting design with the exclusive X of Renegade - inspired by the design of vintage American gas cans - is rousing, powerful and has the mark of a true trendsetter.

YOUR SKY JUST OPENED UP.

The heavens are now at your fingertips. As only a Jeep® vehicle can do, Renegade makes open-air freedom possible whenever and wherever you are. The sunroof is available in power tilt/slide function. Now you can take in a view that is as unique as you.

ALWAYS IN YOUR ELEMENT.

Being comfortable must be a top priority for any great adventure. The Jeep® Renegade interiors have been tailored for function and enjoyment, like the stylish two-tone leather Polar Plunge available in the Renegade Limited model and the impressive Black leather with Ruby Red stitching and embroidered logo for the Trailhawk off-road special trim.

BRACE YOURSELF FOR FUN.

Inspired by a tradition steeped in off-road adventure and excitement, the Jeep® Renegade is outfitted with classic Jeep® Wrangler characteristics and symbols of past icons like Willys on the windscreen or the typical off-road front hanger on the passenger side. The attention to detail, plus real functionality, will always keep you hanging on, and inspiring, for more.

MORE SPACE TO DO YOU.

Experience and enjoy the functional ingenuity of Renegade. It's roomy from front to back: Jeep® Renegade's spaciousness is best-in-class, accommodates up to five people and boasts maximum width and headroom in its category, guaranteeing you all the comfort you are looking for. Larger storage spaces in the centre console along with a clever net storage pocket round out an interior that has been sculpted for both day-to-day driving and unique moments of adventure.

PLAY BY YOUR OWN RULES.

There are THE rules, and then there are YOUR rules. Renegade makes sure that one never does without the other, thanks to the 4th generation Uconnect™ Nav and infotainment system, boasting an up to 8.4" full colour, high definition touchscreen. Whether it is a touch, pinch, zoom or voice command, you get to stay focused on what you need to do and connected to what you want to be.

Unlock the potential of your iPhone with Apple CarPlay™, giving you smart and safe access to Apple Maps, Phone, Messages and Apple Music through Siri or the Uconnect™ touchscreen.

Image refers to Apple CarPlay™.

AN INNATE CONNECTION.

Stay cool, or warm, with integrated climate control that manages the automatic dual zone air conditioning system that can now be regulated directly on the infotainment touchscreen.

Get the most out of your Android smartphone with Android Auto™, which enables easy connection via touchscreen and steering wheel controls to handsfree voice control, Google Maps and Google Play music.*

Learn from the experts using the Jeep® Off-Road Pages App that let you gauge and measure pitch, roll, pressure and altitude in addition to your overall performance to give your adventure that extra boost of confidence.

* Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 Lollipop or higher. Google, Google Play, Android Auto and other related marks are trademarks of Google LLC.

Navigation System

Jeep® Off-Road Pages

Please note the connectivity services of Jeep® Off-Road Pages, will be active starting approximately September 2020. For more information regarding the timing and activation please refer to the official Jeep® website.

MY ASSISTANT

To receive alerts and assistance in the event of an accident or breakdown concerning your Jeep®.

MY REMOTE

To find and control your Jeep® at all times.

MY CAR

To monitor and take care of your Jeep®.

Uconnect
SERVICES

FREEDOM IS CONNECTING.

Download the My Uconnect mobile app or go to the official Jeep® website to take advantage of all the services.

Please note the connectivity services of Customer Care, Vehicle Health Report, At-Home Digital Assistant, Drive Alerts, Eco Score, Vehicle Health Alert, In-Vehicle Notifications, Send & Go, POI Search, Live Weather/ Live Traffic/ Live Speedcams, will be active starting approximately September 2020. For more information regarding the timing and activation for the individual services mentioned above, please refer to the official Jeep® website.

MY NAVIGATION

To receive real-time information on traffic conditions, weather and speed cameras along your route.

MY WI-FI

Surf the Internet and connect multiple devices to your Jeep® at the same time.

MY THEFT ASSISTANCE

To receive help and assistance in the event of theft and recovery of your Jeep®.

MY ASSISTANT

MY REMOTE

MY CAR

Wherever you are, stay connected with your Jeep®, directly from your vehicle or from the My Uconnect mobile app.

MY ASSISTANT

SOS Call

Through the My Uconnect mobile app, radio display or built-in SOS button, contact the emergency service call centre (24/7) that receives your last known GPS location and vehicle identification number. An automatic call is generated under certain crash conditions.

Roadside Assistance

Directly contact the call centre to receive roadside assistance through the My Uconnect mobile app, radio display or automatically if a major system is compromised.

MY REMOTE

Remote Operations

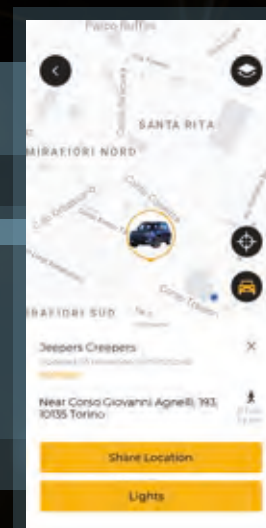

Interact and send commands to your vehicle, like locking or unlocking the doors and controlling the vehicle's lights even when you aren't close to it through your smartwatch or My Uconnect mobile app.

Vehicle Finder

Visualise your vehicle's location on your smartwatch and smartphone, through the My Uconnect mobile app or web portal. You can also launch pedestrian directions from your position to the vehicle.

MY NAVIGATION

MY WI-FI

MY THEFT ASSISTANCE

Start your journey in total comfort and safety with Uconnect Services.

Customer Care

Contact the call centre with your questions and concerns about your vehicle through the My Uconnect mobile app and radio display. Your car provides vehicle location and vehicle identification number.

Vehicle Health Report

Receive emails or notifications through the My Uconnect mobile app and web portal, you will receive information about the health and maintenance of your vehicle.

Drive Alerts

Stay in control of your vehicle even when it is driven by another person. Receive alerts on My Uconnect mobile app or web portal for preset parameters.

Eco Score

Understand how your driving can reduce fuel consumption and CO₂ emissions through real-time data analysis visible on the vehicle's display, My Uconnect mobile app and smartwatch.

At-Home Digital Assistant

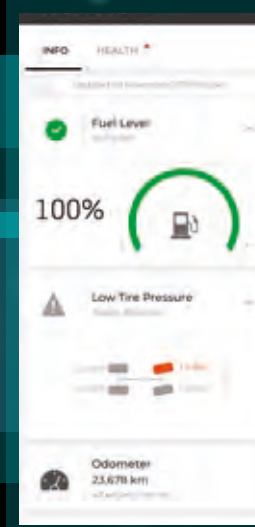

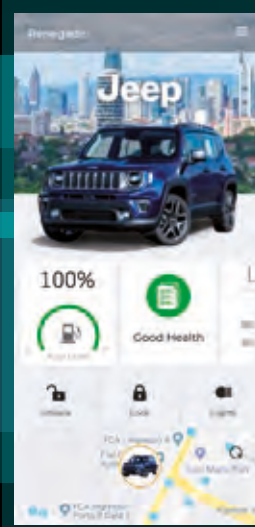

Enhance your connection to your vehicle with your at-home digital assistant. Get vehicle info, send destinations, search points of interest (POI) and even lock and unlock doors and control the vehicle lights.

MY CAR

Vehicle Info

Get real-time information on your vehicle's fuel level, tyre pressure, odometer and oil life on a smartwatch, the My Uconnect mobile app or the web portal.

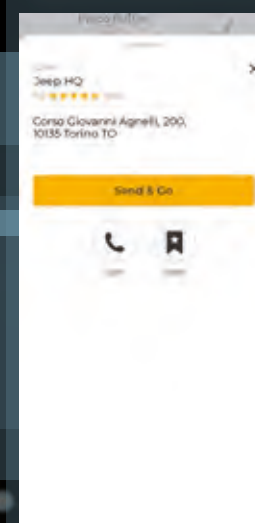

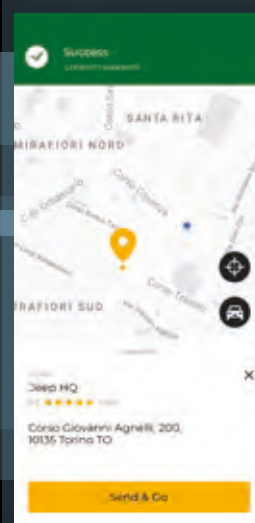

MY NAVIGATION

Send & Go

Using the My Uconnect mobile app, choose your destination and send it directly to your vehicle's navigation system to get you on your way.

MY WI-FI

Wi-Fi Hotspot*

After registration on the Ubigi website (Ubigi.me selfcare) and on-board connection through the radio, connect up to 8 devices to easily surf the web, stream shows and music, creating the most enjoyable trip for all passengers.

*Wifi on-board by Ubigi. Optional paid subscription service.

Vehicle Health Alert

Receive specific push notifications about powertrain, oil, fluids, brakes, suspension, safety and lights on a smartwatch, the My Uconnect mobile app, and send them to your vehicle's navigation system.

In-Vehicle Notifications

You can receive notifications about predictive maintenance and service subscriptions. For service subscriptions you can receive a call directly on vehicle's touchscreen.

POI Search

Easily search for points of interest (POI) directly on the map of the My Uconnect mobile app, and send them to your vehicle's navigation system.

Live Traffic / Live Weather / Live Speedcams

Get live traffic, weather and speed camera alerts on your touchscreen, keeping you up to date on all the most important details to guarantee a smooth journey.

MY THEFT ASSISTANCE**

Theft Alarm Notification

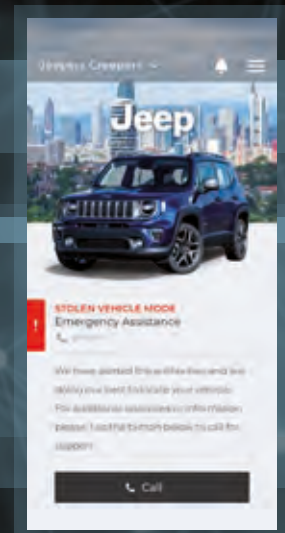

Receive notifications via SMS, My Uconnect mobile app or web portal of any suspected theft, unauthorised movement or security breaches related to your vehicle.

Stolen Vehicle Assistance

Contact the operations centre immediately if your vehicle has been stolen. Once the theft is confirmed with a police report security features including vehicle tracking will be activated.

**Optional service which must be purchased separately, via the My Uconnect web portal.

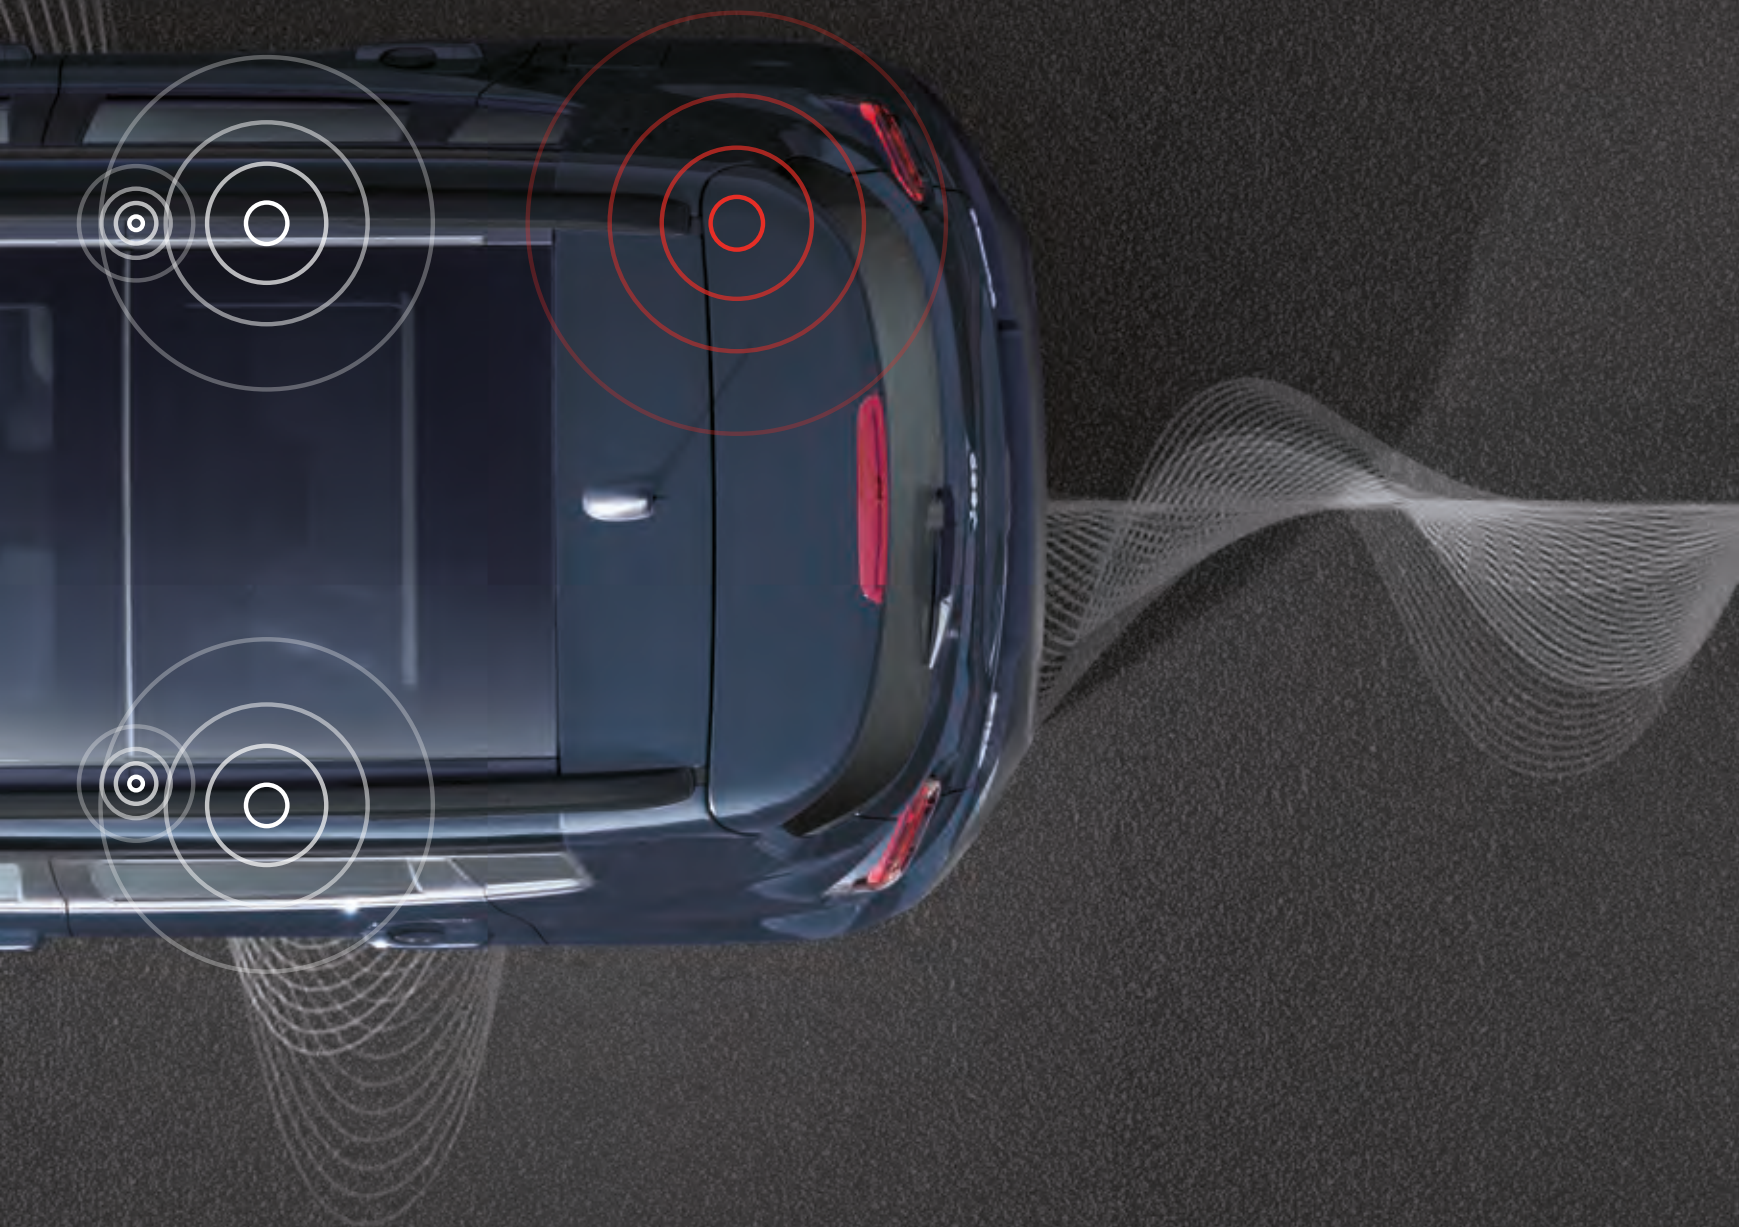

KENWOOD

ENERGY YOU CAN HEAR.

The Sound System by KENWOOD is powered by 1 digital amplifier 8 channels 560Watt and transforms your daily soundtrack into a personal concert. The new tuning maintains an extraordinarily uniform and defined sound and with its 9 HiFi speakers it envelops the passengers with rich, dry basses, natural voices and crystal-clear trebles. 9 speakers: 2 tweeters 3,5" on dashboard / 2 tweeters 1" on rear doors / 4 mid woofer speakers 6x9" on front & rear doors / 1 bass-reflex Subwoofer with 6,5" HiFi double coil speaker.

NEVER LET YOUR GUARD DOWN.

Nowadays, looking over your shoulder is not enough. With over 60 safety and security features easily understood via audio and visual warnings, including Lane Departure Warning Plus, Intelligent Speed Assist and Traffic Sign Recognition standard on all trims, the Jeep® Renegade actively and passively keeps an eye out, senses obstacles and dangers for you and your passengers. Navigate through any difficulty you may encounter on the road and stay focused on the fun.

FORWARD COLLISION WARNING PLUS

Radar and video sensors detect whether the Renegade is approaching another vehicle or large obstacle in its path too rapidly and will warn or assist the driver in avoiding/mitigating the incident.

ADAPTIVE CRUISE CONTROL

The system uses a radar sensor mounted at the front of the vehicle to detect slower traffic ahead, while cruise control is activated and adjusts to a safe distance by decelerating and controlled braking while returning to the set speed when the street ahead is clear.

LANE DEPARTURE WARNING PLUS

The vehicle lane position is monitored by cameras and provides a visual warning if the vehicle approaches the lane boundaries unintentionally. Additionally, in case of lane drift the system proactively leverages the electronic power steering to help the driver in taking a corrective action and getting back in the lane.

BLIND SPOT MONITORING AND REAR CROSS PATH DETECTION

These sentry systems constantly monitor the space between you and other vehicles. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors and an audible chime.

REAR CAMERA WITH DYNAMIC LINES

The ParkView back-up camera provides perfect visibility when reversing and assists the vehicle's movement and direction thanks to the Dynamic Lines visible on the Uconnect™ screen.

AUTOMATIC PARK ASSIST - PARK SENSE

The system locates a parking space and guides the driver with audio and video instructions that also appear on the TFT instrument cluster. Plus, the automatic pull-out function that assists in getting out of the parking spot. The driver needs to control the gear, brake and throttle position while the steering system controls the steering wheel.

INTELLIGENT AWARENESS.

Sometimes the details can get lost along the way, but with the state-of-the-art Traffic Sign Recognition system (TSR) you are alerted about overtaking, speed limit changes and possible restrictions directly on the 3.5" or 7" TFT display. Combined with the Intelligent Speed Assist (ISA), you can quickly accept increases or decreases to speed, and activate or deactivate the system all via intuitive steering wheel controls.

THE NATURE OF DUALITY.

With its 4x4 DNA, Jeep® Renegade can never hide its true colours. Underneath its compact size Renegade reveals its best-in-class off-road and on-road capabilities, meaning it feels equally at home in the heart of the urban jungle as it does climbing a mountain pass or freely roaming the wildest plains.

FEEL ONLY YOUR JEEP®.

Not all roads in life are the same, so now is the time to revel in the comfort and confidence that comes with being behind the wheel of a Jeep® Renegade. The sureness of its handling and the satisfaction from its suspension will turn all of your daily rides and commutes into gratifying moments.

THE NATURAL EVOLUTION OF POWER.

Creating power may be easy, but making it work smarter takes a different kind of talent. A complete line of more efficient engines that provide increased power and responsiveness. Featuring 3 and 4-cylinder petrol engines and re-engineered diesel engines. The MultiAir III Turbo deliver power steps from 120 HP to 180 HP, while the Trailhawk 2.0L MultiJet II Turbo diesel engine boasts 170 HP.

MAKE YOUR OWN WAVE.

Renegade will make sure it is a smooth ride. Choose from three outstanding transmissions: the class-exclusive 9-speed automatic offers seamless gear changes for a perfect fluidity and a comfortable driving experience, or the advanced 6-speed dual clutch that combines the performance of a manual transmission with the easy-to-use nature of an automatic or the classic 6-speed manual. Complete with 4X2 or 4X4 options, featuring rear-axle disconnect for maximum efficiency.

AT

For complete information please refer to pages 68-69.

AUTO The default selection that is perfect for everyday driving and automatically disconnects the rear driveline to create optimal fuel efficiency when 4x4 traction is not needed.

SAND Aggressive throttle and up-shift points generate stability and power to better handle loose and covered surfaces.

MUD Grants additional wheel slip to increase traction at low speeds, implementing specific chassis controls, differentials and transmission ratios to conquer the mud.

ROCK Exclusive to Trailhawk, this mode delivers skillful low-speed 4x4 capability due to its rear-differential locking mechanism, allowing Renegade to overpower the most challenging terrain.

CHOOSE WHEN TO CROSS PATHS.

The legendary off-road capability of Renegade is highlighted by the incomparable Jeep® Active Drive and Jeep® Active Drive Low 4X4 systems that assure Jeep® performance when and how you need it most. The rear-axle drive disconnect switches from four-wheel drive to front-wheel drive without driver intervention guaranteeing the efficiency and the right amount of power and traction needed to drive in any condition. Both systems feature the Selec-Terrain™ traction system that allows the driver up to five of specifically calibrated settings for various road conditions: Auto, Mud, Sand, Snow and Rock exclusively for the Trailhawk.

SNOW Adds stability and minimises oversteer for security and performance on snow and ice covered roads. Major systems are managed to guarantee a smooth ride.

RENEGADE

INCLINED TO BE AT EASE.

34°

210

24°

30°

Jeep® Renegade Trailhawk has the power to rise to any occasion. The Trail Rated badge represents the indisputable ability to conquer any terrain, passing five fundamental tests for traction, ground clearance, manoeuvrability, articulation and water fording. Not to mention its unique front and rear fascias that deliver class-leading 30° approach, 24° breakover and 34° departures angles. Its Jeep® Active Drive Low 4X4 system with Rock mode, exclusive to the Trailhawk trim, combined with its 170 HP turbo diesel engine, 9-speed automatic transmission and Hill Descent Control for improved traction, deliver best-in-class capabilities with an impressive 20:1 crawl ratio to put you at ease on any terrain.

The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with subsequent configuration depending on equipment selected and/or size of tyres selected. The indicated values of CO₂ and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network. In any case, the official values of CO₂ and fuel consumption of the vehicle purchased by the customer will be provided with the vehicle's accompanying documents. In cases where the values of CO₂ and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each Country.
