Exterior transformation

More athletic and dynamic than ever, All-New CAPTUR boasts a strong SUV identity. The high ground clearance, the iconic two-tone body and the C-shaped LED signature lighting* give it an unmistakable presence on the road.

* Standard on S Edition and BOSE Launch Edition

Interior revolution

Inside the cabin All-New CAPTUR feels like a car from a class above. It has entered a new dimension of quality and comfort with high-grade materials, improved comfort and greater interior space. The Smart Cockpit layout angled towards the driver offers a unique driving position and the flying console coupled with the e-shifter* brings a futuristic touch to the cabin.

* Flying console with E-Shifter optional on S Edition and BOSE Launch Edition as part of Comfort Pack

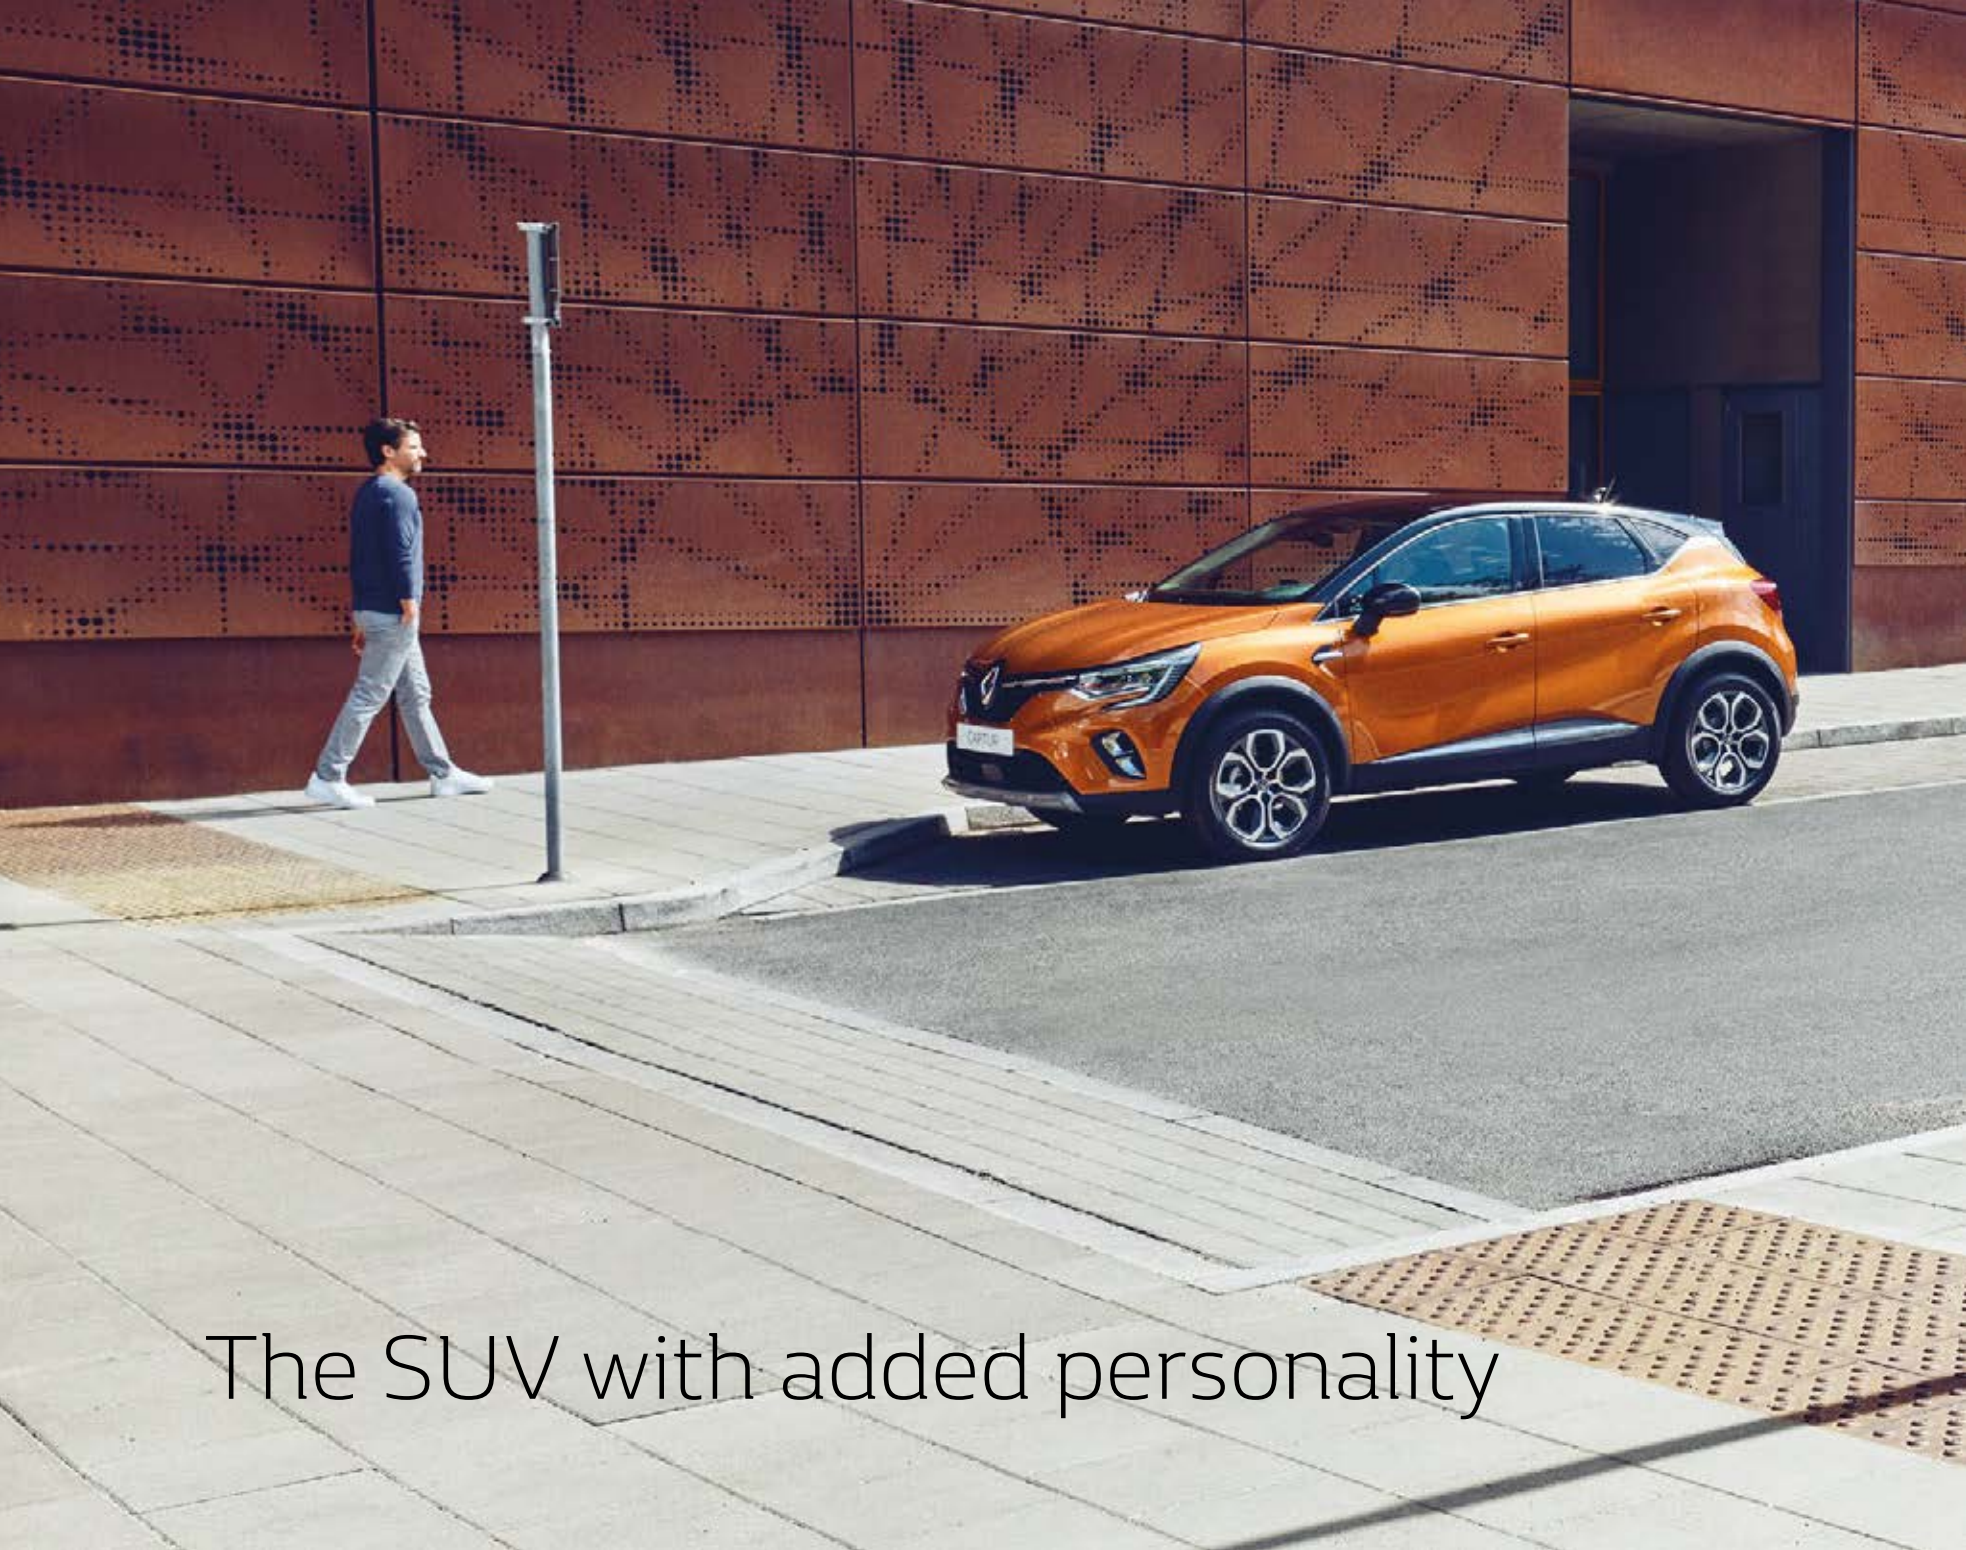

Make it your own

When it comes to customisation, All-New CAPTUR is the benchmark. From roof and door mirrors colours to skid pads, All-NEW CAPTUR lets you decide. Inside, you can also choose the colour of the dashboard, the upholstery, the decorative panels and the door armrest.

Technology made simple

With the new EASY LINK multimedia system, accessing connected services has never been so simple. It is with compatible with Android Auto™ and Apple CarPlay™, so you can easily connect your smartphone your car and get your favourites apps on the 7"* or 9.3"** touchscreen. All-New CAPTUR comes with 3-year free 4G connectivity allowing automatic system and maps updates, access to real-time traffic or fuel prices. With the Google Search function you don't need to know the exact address of your destination, simply type the name and the navigation system will guide you. Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc.

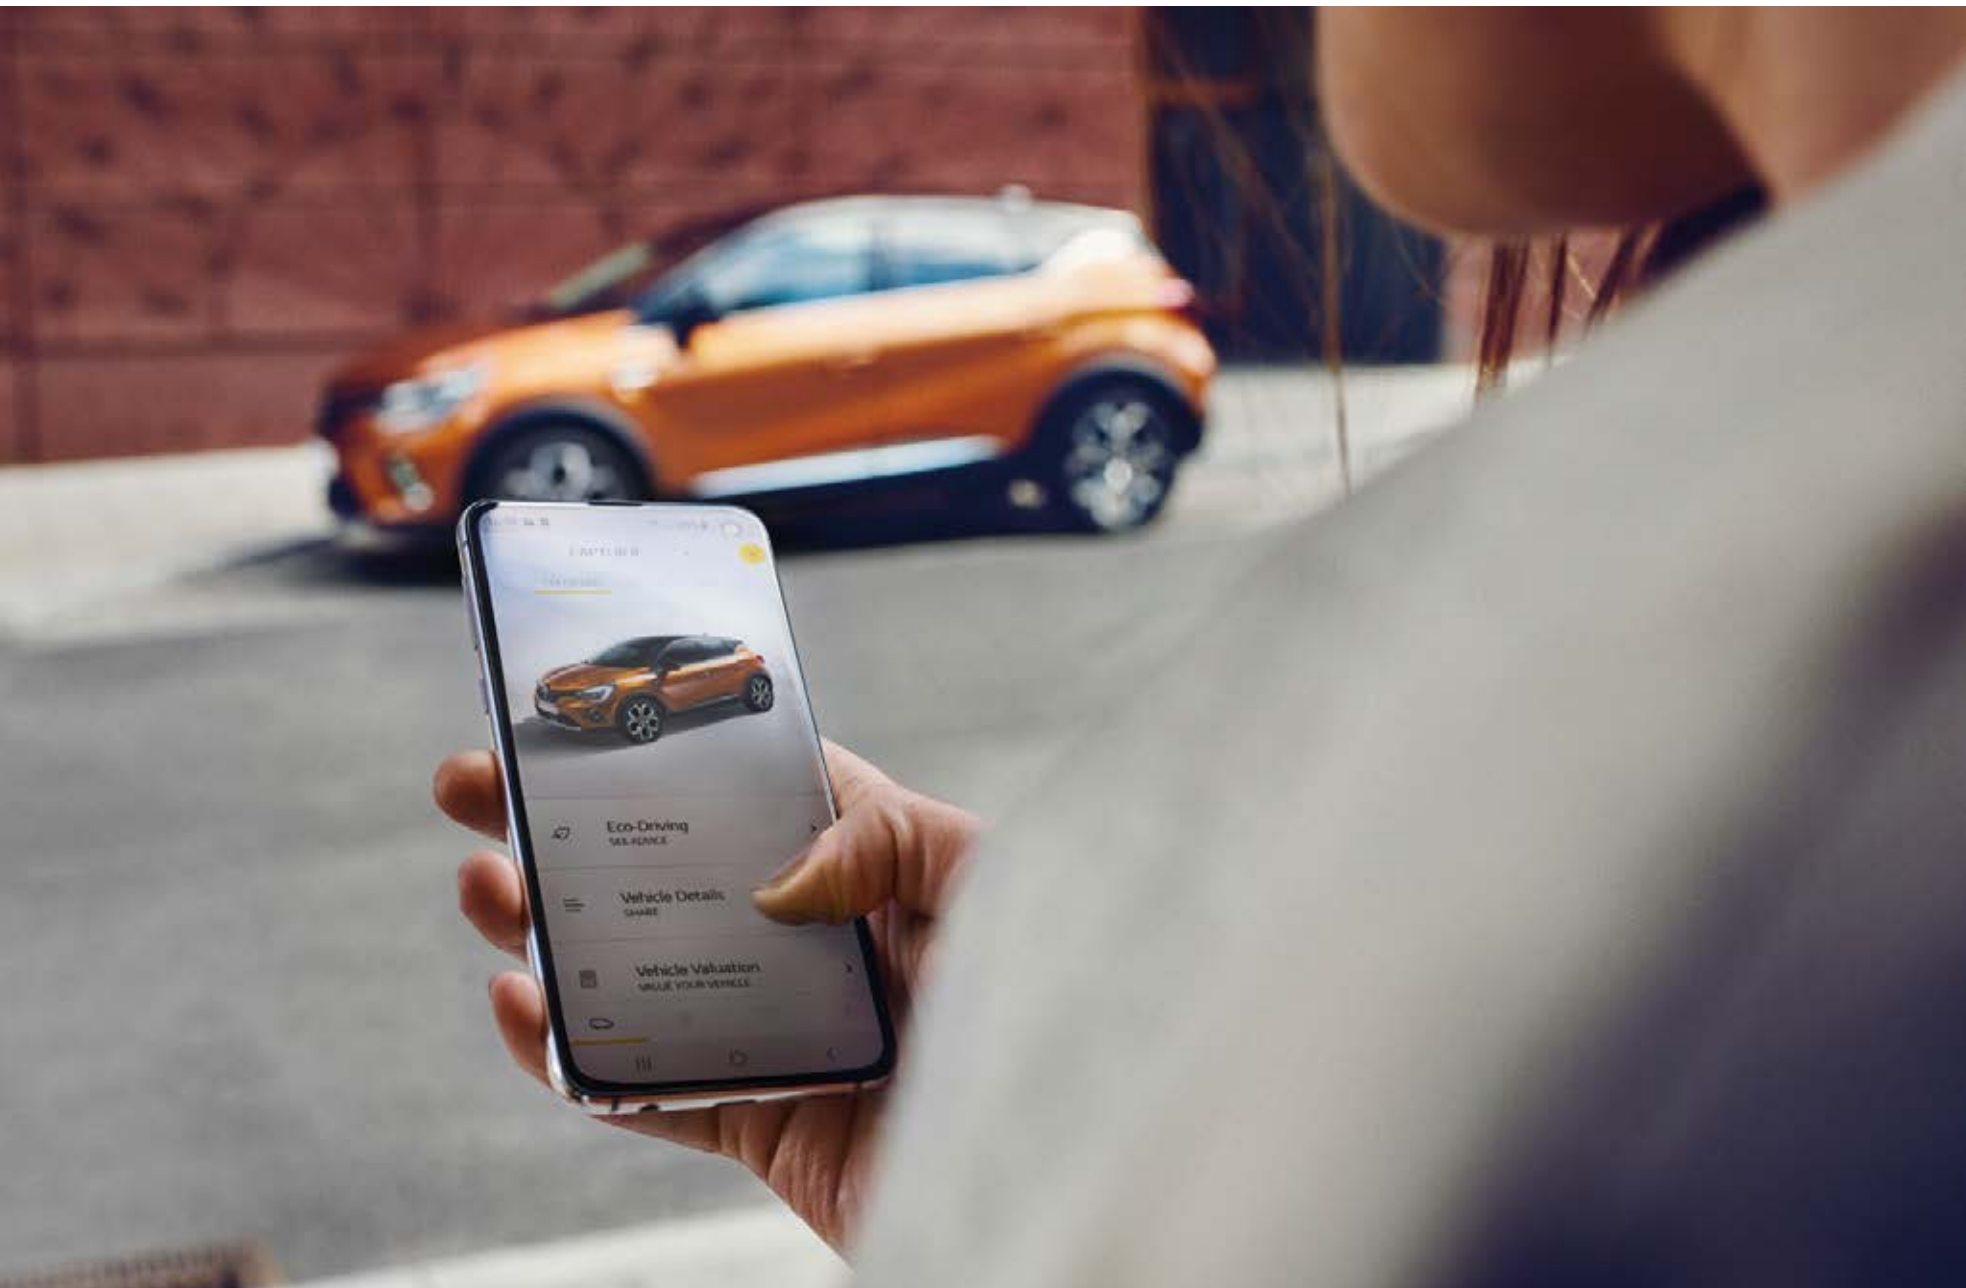

* 7" touchscreen on Play (no navigation), Iconic and Bose Launch Edition (with navigation)

** 9.3" touchscreen on S Edition

Always connected with MY Renault

Accessible through the MY Renault App or web portal, it allows you to interact with your vehicle remotely via a range of connected services designed to make your life easier. It will allow you to plan your journeys, to locate your vehicle or to monitor servicing requirements and schedule an appointment to your chosen Renault dealership.

Make no compromise

Enjoy the large interior space and equipment designed to give you maximum comfort. Make the most of one of the largest boot volume in the category (up to 536 l) and an ingenious modular layout that gives you a bench seat adjustable by 16 cm. Need to transport long or bulky items? Make room in the back thanks to the folding bench seat to benefit from a huge total space of 1,275 l.

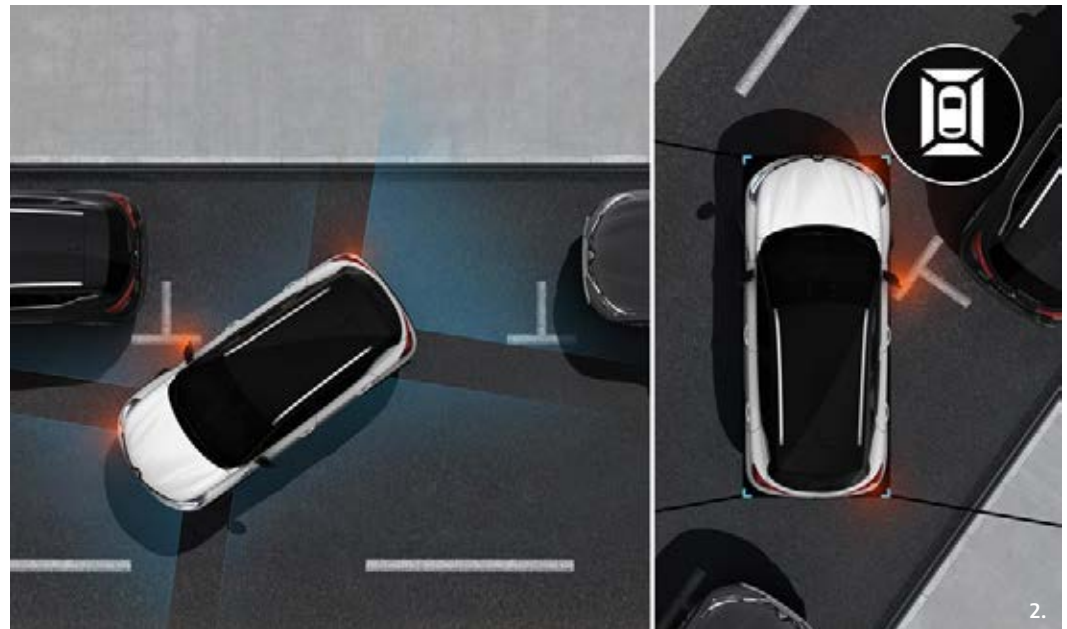

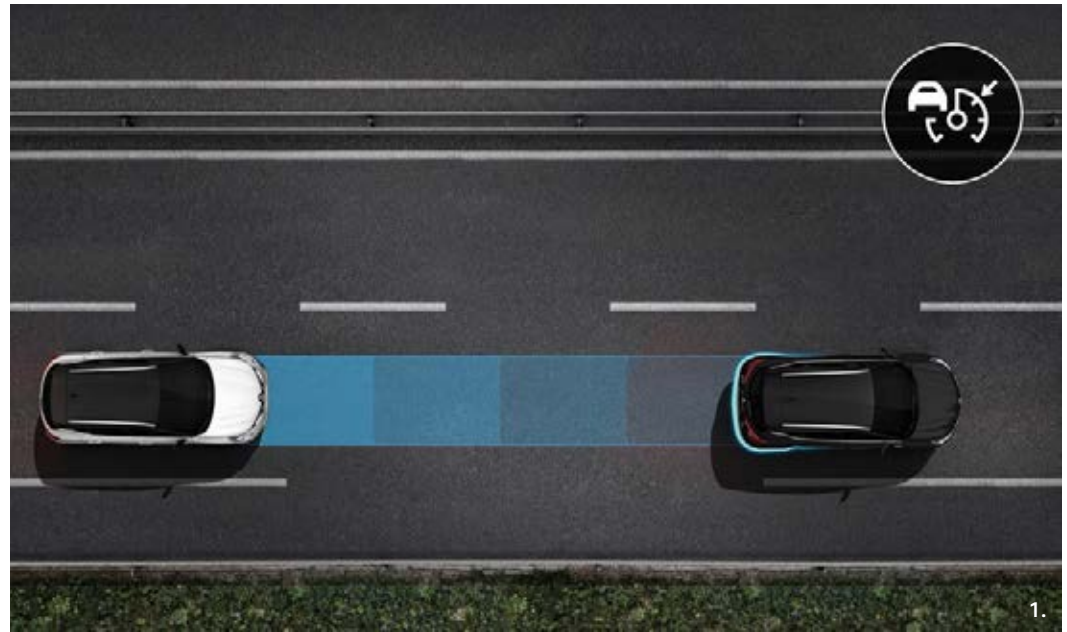

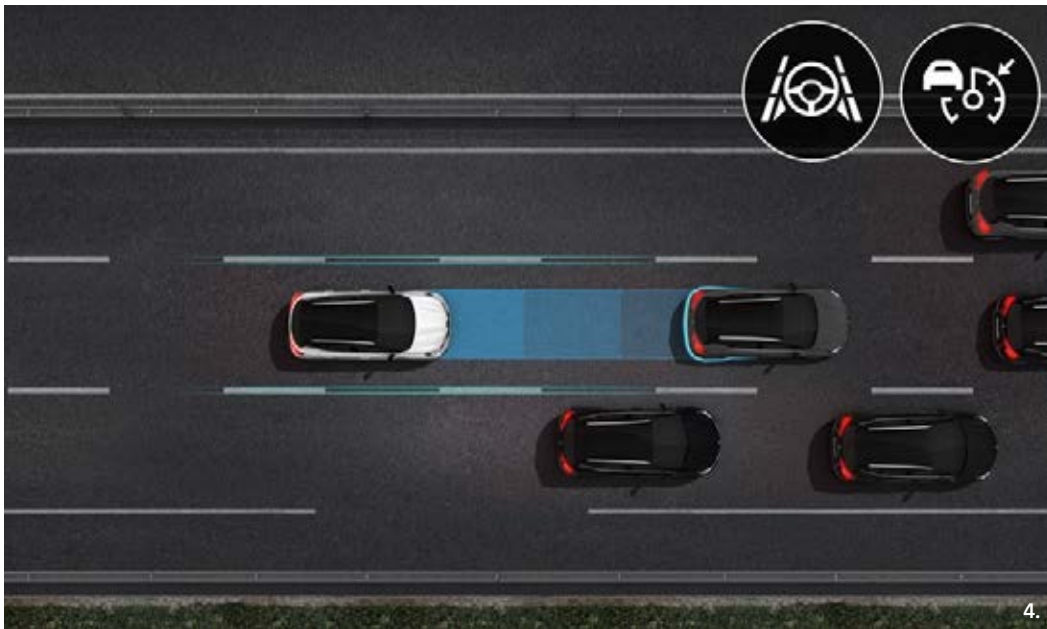

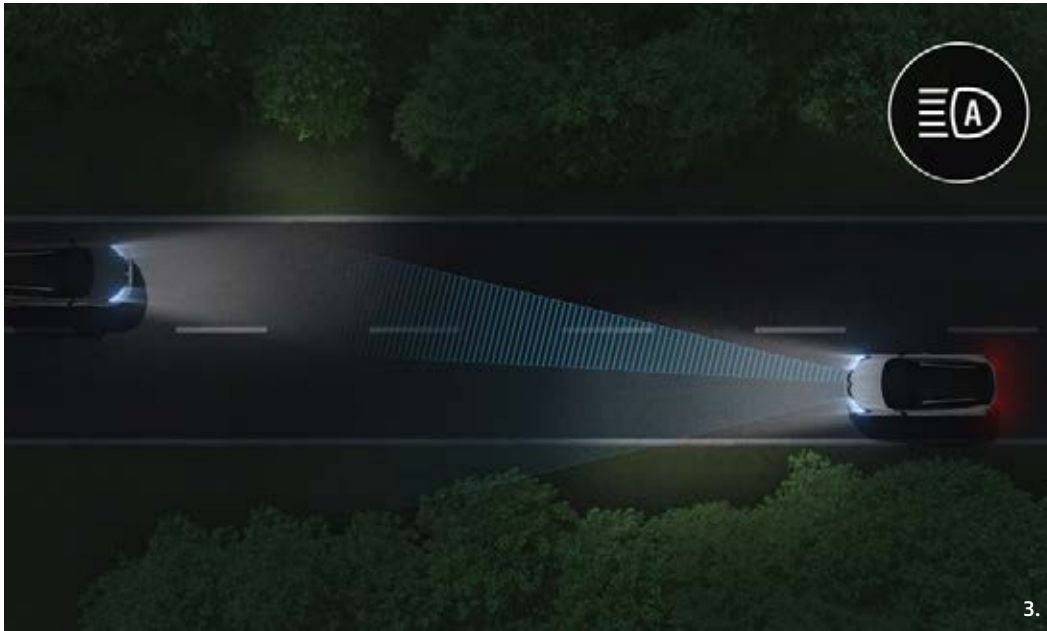

Cutting Edge Technology

For a safe driving experience, All-New CAPTUR is equipped with the highest level of technology that opens the way to autonomous driving.

1. Adaptive Cruise Control with Stop & Go (ACC). All-New CAPTUR maintains a safe following distance from the vehicle in front. In traffic jams, the vehicle stops and restarts when the traffic lane starts moving again.

2. 360° Camera. With its panoramic view, the 360° camera helps to guide you into the tightest spots.

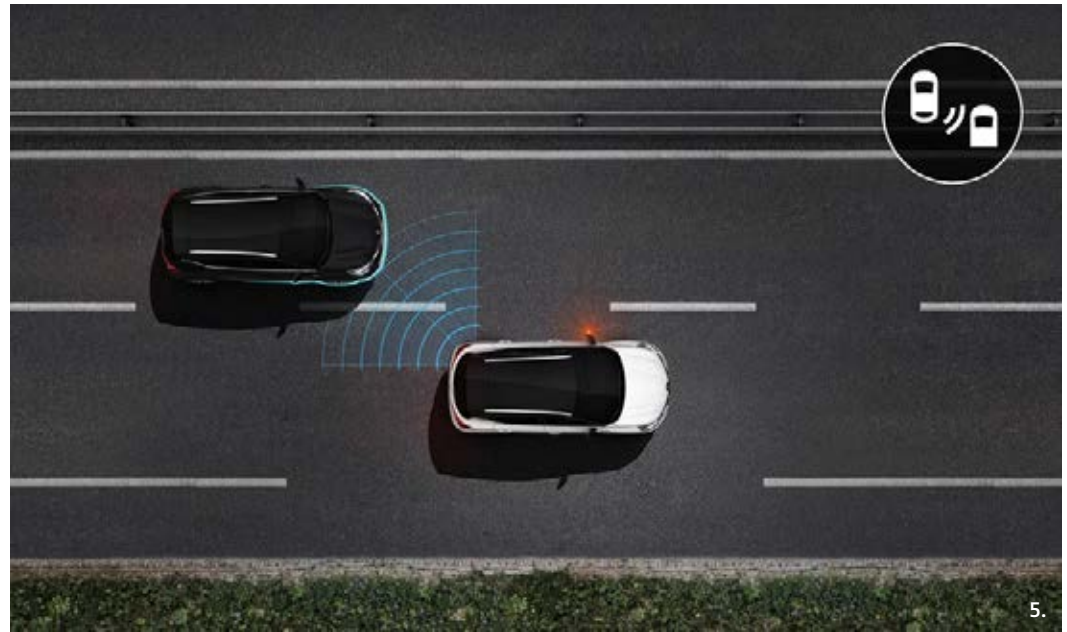

3. Renault Pure Vision LED headlights with automatic high/low beam.** The Pure Vision full LED headlights and automatic high/low beam* improve safety and visibility at night. All-New CAPTUR will automatically switch to low beam as you enter a built up area or approach another vehicle.

4. Traffic and Motorway Assistance. Active from 0 to 100 mph, the system regulates speed and maintains safe following distances from the vehicles in front, while ensuring the car keeps in the centre of the lane. This driving assistant lets you stop and restart automatically within 3 seconds without any driver input.

* Standard on S EDITION

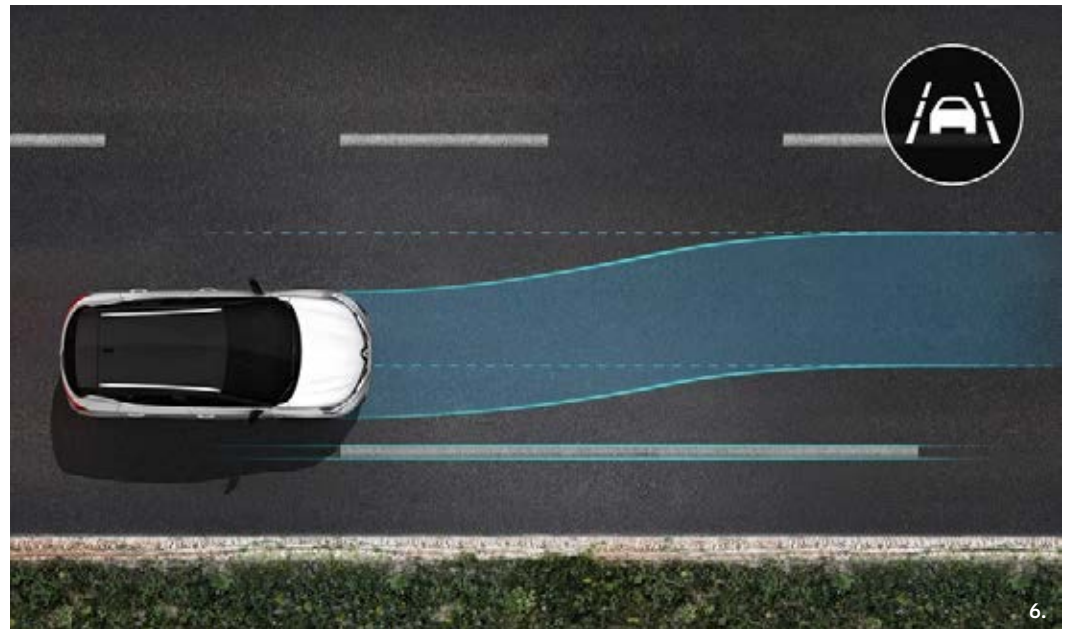

5.

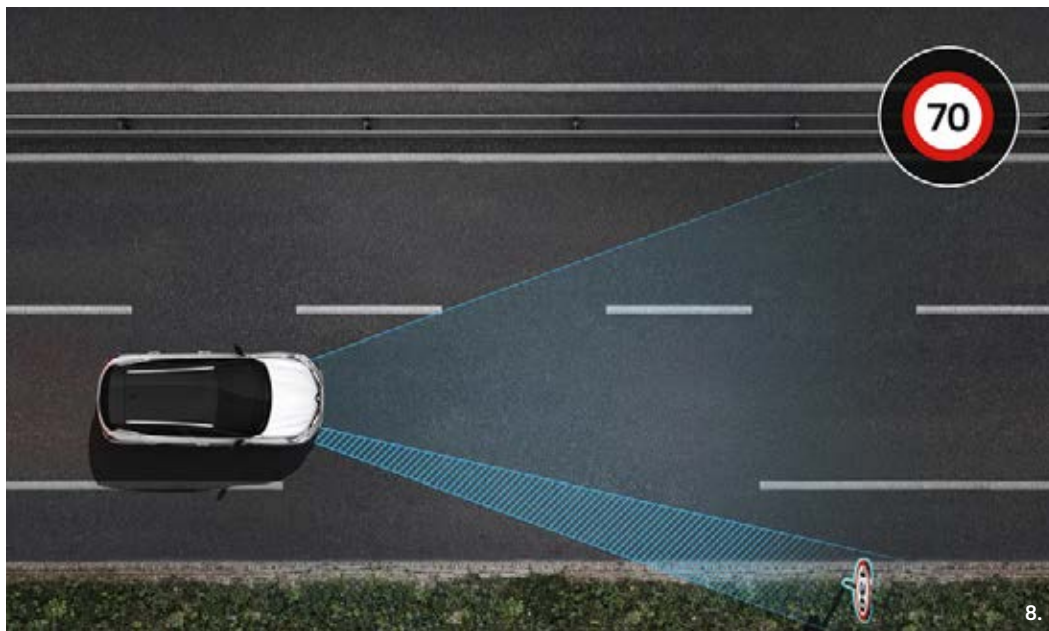

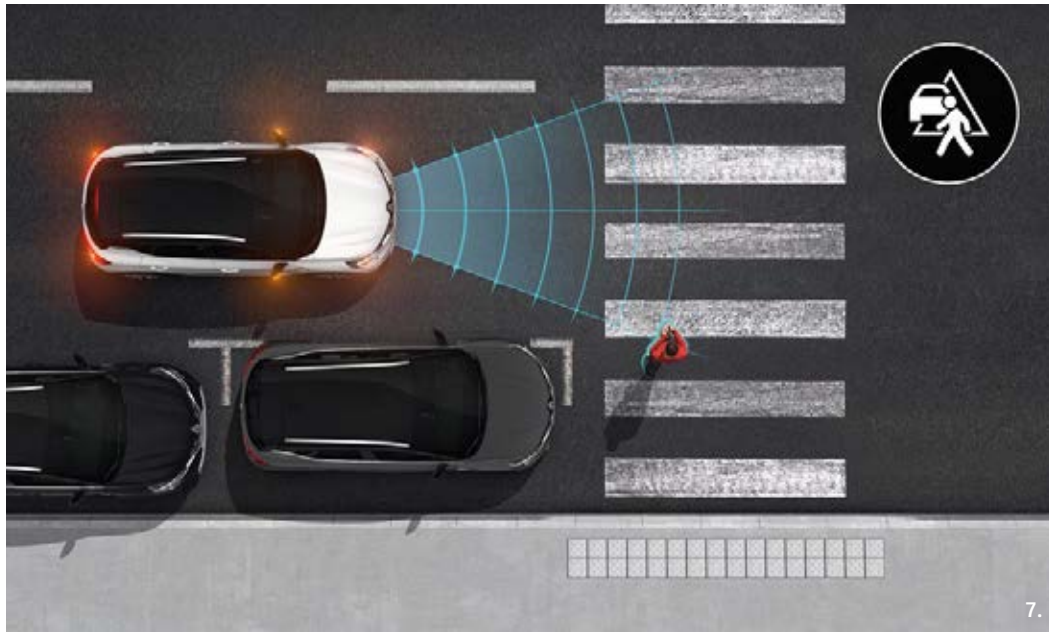

5. Blind Spot Warning.* With the Blind Spot Warning system, an indicator light located on each of your door mirrors will warn you when a vehicle is in your blind spot.

6. Lane Departure Warning and Lane Keeping Assist. All-New CAPTUR alerts you and corrects your trajectory in the event of lane departure without prior use of the indicator. These systems are standard across the range.

* Standard on S EDITION and BOSE Launch Edition

6.

7. Automatic Emergency Braking System.

All-New CAPTUR watches over you and your surroundings. If there is sharp braking or a pedestrian crossing, All-New CAPTUR warns you and can automatically perform emergency braking.

8. Traffic Sign Recognition.

All-New CAPTUR informs you of speed limits thanks to a camera so you can always adapt your speed.

*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit renault.co.uk/configure for WLTP figures for any selected options. †Renault UK Limited does not offer tax advice and recommends that all Company Car Drivers consult their own accountant with regards to their particular tax position.

* WLTP (Worldwide Harmonized Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared to the NEDC protocol. (2) Fuel consumption and CO₂ emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (3) Actual fuel and AdBlue® consumption depends on vehicle use, equipment, the user's driving style and loading.

Accessories

1. Underbody Welcome Light. Don't get lost again in a poorly lit car park. All-New CAPTUR lights up automatically when you either approach it or simply press a button on your key.

2. Shark Antenna. Add a sporty touch with the Shark Antenna, perfectly integrated in to the shape of your All-New CAPTUR. Compatible with digital audio broadcasts (DAB).

3. Standard Boot Liner. Essential for protecting the boot of your All-New CAPTUR and transporting larger objects. The liner fits the boot of your vehicle perfectly and it's semi-rigid material makes it easy to both fit and clean.

4. Illuminated CAPTUR Door Sills.* An elegant and modern touch everytime you open the doors of your All-New CAPTUR. Finished with the CAPTUR logo, these sills also protect your vehicle's doors from damage.

5. Bodywork Protection Film. Take complete care of your All-New CAPTUR. Protects against scratches to keep your car looking as good as new. Available in a Full Car Protection Pack or in smaller packs to cover seperate sections of the vehicle.

* Also available in a non-illuminated version.

Accessories are fitted post-production, and may have an impact on real world fuel (actual) consumption and CO₂ figures.

Carlab Quality

“From creation in our design studios through to production and customer deliveries, striving for quality is what guides us”.

Laurens van den Acker – Senior Vice President of Renault Corporate Design

Renault CAPTUR, the benchmark reinvented

A pioneer in the urban SUV market, All-new CAPTUR reinvents itself by building on the DNA that has made its success. It transforms to show off the modern lines of an SUV that is both athletic and dynamic. It is still as versatile as it is spacious thanks to an interior revolution that also allows it to change its dimensions both in terms of technology and quality.

Transformed exterior design for a stronger SUV DNA

Its reinvented design, the precision of its adjustments and its 100% LED lighting with C-shaped brand light at the front and rear as well as its decorative chrome inserts contribute to the improvement of its quality.

An interior revolution for a high-quality passenger compartment

Equipped with the latest technologies and the largest screens in the category, the "smart cockpit" sports a resolutely modern design for a more immersive driving experience. The passenger compartment changes its dimensions in terms of quality and comfort, which is worthy of the top of the range. Premium materials, soft coating for the dashboard, door panels and the outline of the centre console, careful thought to furnishing, new seat architecture: the effects are felt at all levels.

A new technological dimension

All-new CAPTUR makes driving assistance available to all so that you can take to the road with peace of mind. The latest new feature is the motorway and traffic assistant. Providing a significant improvement in driving comfort and peace of mind in traffic jams and on motorways – it is a first step towards autonomous vehicles. The Renault EASY CONNECT range brings together a host of applications such as MY Renault, platforms like the new Renault EASY LINK multimedia system and connected services such as remote vehicle management. Its goal is to facilitate the new uses of connected mobility, both inside and outside the vehicle.

Renault Services

5 Years Warranty

Your Renault car is covered by a warranty package for up to 5 years from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years^o.

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 60,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

Renault car insurance¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty^o. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.
