# Renault MEGANE R.S.

**5** YEAR  
WARRANTY  
100,000 MILES

January 2020

**R.S.**

## Motorsports is in its genes

Renault Mégane R.S. is an impressive car. A car built to arouse your driving instincts with wings extended by up to 60 mm, and special bumpers featuring a F1® style front blade at the front and a wide diffuser at the rear. Sitting squarely on its 18- or 19-inch wheels\*, the front end features full LED lights with the additional multi-reflector R.S. Vision system. It includes a central exhaust exit, side extractor vents and a wide lip spoiler with exclusive Volcanic Orange\* body colour.

\* Optional

## A sports cockpit

As soon as you see its interior, you want to take it to the road. With its Alcantara™ sport seats† and steering wheel‡, Renault Mégane R.S. takes you to into a new dimension, the world of Renault Sport.

†Optional \*Optional on R.S. 280

## Efficiency and performance

Renault Mégane R.S. benefits from the know-how of Renault Sport in adapting motorsports technologies to production sports vehicles. It features a range of driving aids for any type of road and any situation.

**1. Suspension with hydraulic compression stops:** With the addition of hydraulic compression stops, the shock absorbers absorb impact better. This technology delivers spectacular results in terms of progressive control, comfort and performance.

**2. New Torsen® limited slip differential\*:** associated with the Cup chassis, it has an asymmetrical transfer rate for acceleration and deceleration to improve acceleration power and cornering speed.

\* Optional with Cup Chassis on R.S. 280

\* Optional with Cup Chassis on R.S. 280

\*\* Optional on R.S. 280

## Agility and Stability

4CONTROL 4-wheel steering system contributes to incisive steering and optimised roadholding for a precise, surefooted drive. At low speeds, the system turns the rear wheels in the opposite direction to the front wheels. At speeds of over 37 mph (62 mph in Race mode specially designed for the track), all four wheels turn in the same direction. You are in control of the road.

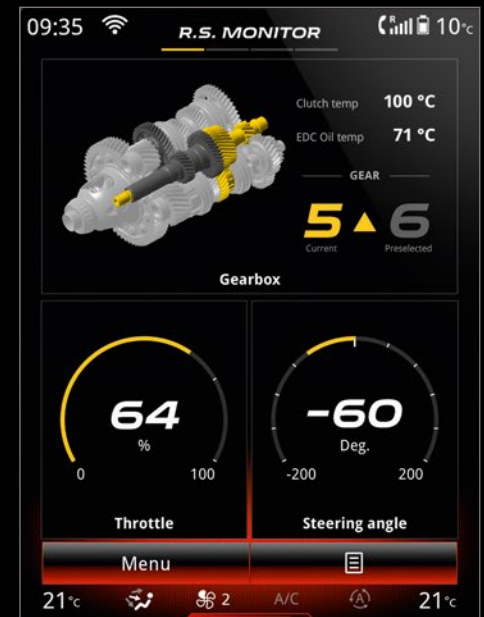

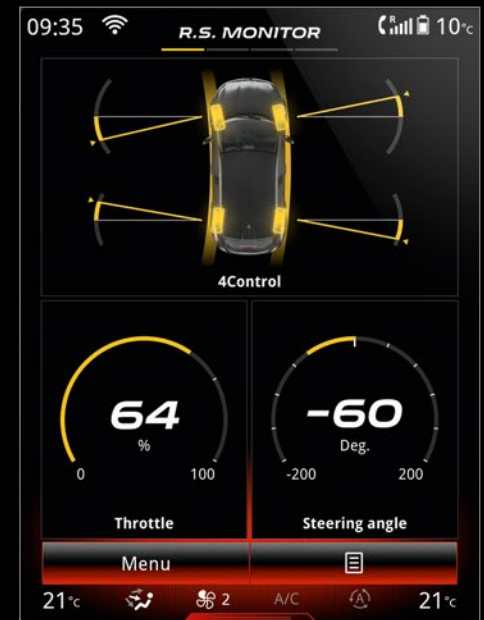

## Display, analyse and share your performance

Your driving talents deserve to be recognised, stored and analysed! The onboard telemetry system R.S. Monitor\* displays your driving settings in real time on the R-LINK2 screen.

\* Optional on R.S. 280

## Aim for pole position

When you hit the track, use R.S. Drive to select your driving mode (Neutral, Sport and Race) and adapt the gearbox mapping\*, ESP behaviour, steering weight and throttle pedal mapping. Play with the paddles to change gears at ultra-fast speed. Enjoy the excitement of a Grand Prix start with Launch Control\*.

\*Only available with EDC automatic gearbox

### Launch Control

STEP 1

+

+

STEP 2

+

STEP 3

# Increased safety

Drive with peace of mind! Renault Mégane R.S. is equipped with several driving assistance systems. Using intuitive and intelligent technologies, they support you on all your journeys, giving you day-to-day peace of mind. All of these safety aids are available as part of our option packs.

## Traffic Sign Recognition<sup>(1)</sup>

There are more and more road signs. It's not easy to catch every sign; let the camera handle it for you. If you exceed the authorised speed limit, a warning appears on the dashboard. All you have to do is adapt your driving.

## Blind Spot Warning<sup>(1)</sup>

Expand your vision! Renault Mégane R.S. is equipped with a system which detects the presence of any vehicle in the zone that your door mirrors do not allow you to see. Active between 19 mph and 87 mph, the system alerts you straight away with a warning light.

<sup>(1)</sup> Optional

## Hands-free Parking<sup>(1)</sup>

Parallel parking with a flick of the wrist! Hands-free parking helps you to identify the parking space configuration (parallel, diagonal or perpendicular), measures the available space and handles the manoeuvre. All you have to do is control the accelerator, brakes and gears. A genuine co-pilot by your side!

## Adaptive Cruise Control (ACC)<sup>(1)</sup>

Easily maintain the appropriate safe following distance between you and the vehicle in front. In order to adapt your speed, the Adaptive Cruise Control is activated at between 31 mph and 87 mph. The system acts on the brakes when the distance is too short and on the accelerator when the road is clear again.

#### Active Emergency Braking System: <sup>(1)</sup>

This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

#### Lane Departure Warning: <sup>(1)</sup>

This system detects the lane in front of the vehicle with a camera and warns the driver audibly if they drift into another lane .

#### Safe Distance Warning: <sup>(1)</sup>

This system warns the driver about potential collision with another vehicle in front, if the distance between the vehicles is not safe.

MEGANE R.S.

Renault MEGANE R.S.

Conquer every corner

# Standard features

ESTORIL Gun Metal Grey 18"

Renault Sport Carbon Black Cloth Upholstery

## TECHNOLOGY

- Automatic full central locking when in motion
- Cruise control with speed limiter
- Driver and passenger adaptive front airbags (passenger airbag can be disabled)
- Dual-zone automatic heating and air conditioning system with toxicity sensor and air recycling
- Electrically folding door mirrors
- ESC Electronic Stability Control and ABS with emergency brake assist
- Electrochrome interior rear-view mirror
- Front and rear LED ceiling lights
- Front and rear 12 V sockets
- Front and rear curtain head airbags
- Hands-free keycard
- Heated electric door mirrors
- Hill Start Assist
- Isofix attachment system on rear side seats
- Lateral chest-level side airbags for driver and front-seat passenger
- LED indicators integrated into the door mirrors

- One-touch electric front and rear windows
- Renault MULTI-SENSE (choice of 5 driving modes including Race mode)
- Rear Parking sensors
- R.S. Drive activation button
- R.S. custom braking system
- Compatible with Apple CarPlay™ & Android Auto™ ^
- R-LINK 2 multimedia system: 7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth®\* audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications - Arkamys 3D Sound 4 X 35W DAB Radio with Bluetooth®\* and USB connection
- Sport chassis with 4 hydraulic compression stops
- Tyre pressure monitoring system
- Tyre repair kit
- 4CONTROL system with 4-wheel steering for increased safety

## EXTERIOR

- Chrome Window weatherstrips
- Chrome strip on door handle
- Custom front bumper widened with F1
- Gun Metal Gray blade, honeycomb front grille with R.S. Renault Sport badging
- Custom rear bumper widened with functional diffuser and central exhaust
- Daytime running lights with LED light guides and 3D effect
- Pure Vision Full LED front headlights with integrated C-Shape indication
- R.S. Estoril Gun Metal Grey 18" alloy wheels
- R.S. extended front wheel arches with air grilles and Renault Sport badging
- R.S. extended rear wheel arches
- R.S. rear spoiler
- R.S. sills/ skirt with flat bottom effect
- Rear LED 3D Edge Light daytime running lights
- Renault Sport open sequence upon opening the vehicle with brand light

- R.S. Vision Full LED 3 function headlights (fog, cornering, long range)
- Shiny-Black door mirrors
- Tinted windows and rear windscreen

## INTERIOR

- Aluminium pedal unit and footrest
- Chrome-plated R.S. front door sills
- Custom R.S. black harmony roof ceiling
- Carbon black R.S. fabric upholstery and red stitching
- Height and reach- adjustable steering wheel
- Front centre storage console with armrest
- Front and rear door ambient lighting
- R.S. sports seats with integrated headrests
- R.S. Nappa perforated leather steering wheel and gear lever knob with R.S. airbag cover
- 7" TFT meter with colour matrix with Renault Sport custom display

\*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html> ^ Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle

# R.S. 300 Trophy

---

## More powerful

Now an even greater performance and a sportier design from the newest Renault Mégane R.S. 300 Trophy, offered with a choice of a manual or dual-clutch EDC gearbox, and equipped with an upgraded version of the 1.8-litre turbo engine, where power is increased to 300hp through superior upgrades to the turbo and exhaust system.

### More feel

The new Recaro™ seats\* allow the driver's position to be lowered up to 20 mm. The position of the rigid bucket squab can be finely adjusted and the Alcantara™\* upholstery contributes to giving perfect support under driving conditions.

### More sensation

The new dual sound exhaust valve system contributes to maximizing engine performance. A valve system – activated automatically depending on the driving mode selected via the Multi-Sense – offers a double sound. The position of the valve, controlled by the Multi-Sense mode, the engine speed and load, provides two tones: when opened, the valve causes reduced flow resistance, enabling the gases to be routed along a more direct path. This allows the engine's sporty and acoustic potential to be fully expressed.

### More precision

Renault Mégane R.S. 300 TROPHY benefits from all the innovations introduced with Mégane R.S. 280, such as the 4CONTROL four-wheel steering system. Featuring the Cup Chassis as standard boasts stiffer suspension and a Torsen mechanical limited slip differential, enabling better cornering and traction. As for the brakes, the bi-material discs provide better endurance and the Brembo™ brake calipers guarantee optimum braking performance.

### More grip

Renault Mégane R.S. 300 TROPHY is now equipped with the JEREZ 19" triple tone alloy wheels and offers more grip and responsiveness on the road.

\*Available as option

# Standard features

(additional equipment to R.S. 280)

JEREZ triple tone 19"

Renault Sport Carbon Black Cloth Upholstery

## EXTERIOR

- R.S. Jerez triple tone 19" alloy wheels
- "Trophy" decals

## TECHNOLOGY

- Dual sound exhaust valve system
- Ceramic ball bearing turbo system
- Renault Sport Monitor
- Lithium battery

## PERFORMANCE

- Bi-Material brakes
- Cup Chassis including: limited slip differential, red brake calipers, stiffer springs, dampers and anti-roll bar

## INTERIOR

- R.S. Leather and Alcantara™ steering wheel with R.S. badging

## EASYLIFE SERVICE PLAN

<b>EasyLife Service Plan</b>
3 Years / 30,000 miles
4 Years / 40,000 miles

One off\* and monthly\*\* payment options available

\*The EasyLife Service Plan offer is available for all retail vehicles and valid at participating dealers only or [Renault.co.uk](http://Renault.co.uk) and can be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 12 October 2019 and 31 March 2020 and registered by 30 June 2020. \*\*The EasyLife Service Plan is available for eligible retail vehicles on a 36 or 48 monthly payment option and are only available at point of signing a finance agreement provided by Renault Finance, Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over the 18 to apply for finance. Terms & Conditions apply.

The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit [www.renault.co.uk/owners](http://www.renault.co.uk/owners). Cannot be part exchanged, refunded or transferred. All prices quoted are MRRP.

## A passion for motorsports spanning 40 years

Involved in motorsports for 40 years and still counting, our engineers trialled the solutions featured on Renault Mégane R.S on the track. Building on the infinite legacy of an exceptional championship, through efficiency, braking quality, reinforced roadholding and powertrain reliability, along with onboard telemetry, steering wheel paddles and launch control!

WLTP is a new test used for fuel consumption and CO<sub>2</sub> figures however until April 2020 the CO<sub>2</sub> figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit [renault.co.uk/](http://renault.co.uk/) configure for WLTP figures for any selected options. Depending on options fitted WLTP CO<sub>2</sub> figures may differ, please consult with local dealer or refer to [www.renault.co.uk](http://www.renault.co.uk) for more information.

# Renault Services

## 5 Years Warranty

Your Renault car is covered by a warranty package for up to 5 years from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years\*.

## 3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 60,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit [www.renault.co.uk/assistance](http://www.renault.co.uk/assistance)

## EasyLife Service Plan

Renault's EasyLife Service Plan is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (whichever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

EasyLife servicing and warranty enhancements also available. Refer to the Price Guide for more details.

One off\* and monthly\*\* payment options available.

## Finance options\*\*\*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

## Renault car insurance<sup>1</sup>

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, Renault Insurance will have your Renault repaired at a Renault Approved Bodyshop using only Renault approved parts and approved repair methods. This maintains your Renault's safety rating, protects its resale value and preserves its Renault warranty<sup>^</sup>. Renault Insurance also offers a courtesy car for the duration of a repair at a Renault Approved Bodyshop.

### Renault car insurance:

0330 102 7794<sup>†</sup>

[www.renaultcarinsurance.co.uk](http://www.renaultcarinsurance.co.uk)
