

Dacia Sandero Stepway

The supermini with **SUV style**

April 2020

Our Trophy Cabinet

Our most recent award: BBC TopGear.com Awards 2019 Manufacturer of the Year!

We don't like to brag, but we think it's only right to celebrate our hard work. Take a peek at the awards we've had chucked our way (so far)...

And our most recent additions:

Easy **on the eye**

– easy on the wallet

A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

Stand out from the crowd

If you're tired of the same old family cars, then the Sandero Stepway is a breath of fresh air. Whether you're on the school run or the open road, it's not short on style either.

For starters there's the raised ride height. It really puts you in the driving seat with a clearer view of whatever's ahead. Then there are the **16" wheels**, skid plates*, and black wheelarch extensions and side sill. Everything you need for some rugged SUV style.

Look the business with satin chrome roof bars, stunning metallic colours, a restyled front grill and LED day-time running lights.

Throw in a choice of impressively reliable engines, ABS, **Emergency Brake Assist (EBA)** and **Electronic Stability Control (ESC)**. It's quite the performer.

Good looking inside and out

Looks will only get you so far. So we made sure the Sandero Stepway's interior punches above its price bracket too. After all, you spend most of your time driving the car, not gazing at it lovingly (although we won't judge if you do.)

Satin chrome air vent, central console and door handle surrounds? Fancy upholstery and **DAB radio** as standard? Air conditioning to make sure you keep your cool? They're all there and ready to roll.

Five proper seats mean there's plenty of room for the whole family too. And they'll all help you stay extra safe, thanks to the reinforced body structure, **front and side airbags**, and **height-adjustable headrests**.

*DAB radio standard on Essential. MediaNav 7" touchscreen and Apple CarPlay/Android Auto standard from Comfort.

Tech at your fingertips

Life's already too complicated for unnecessary fuss. But a few useful and fun gadgets and gizmos can make getting from A to B so much better.

That's why you get **DAB radio** as standard in your Sandero Stepway. And a 12V socket for easy tablet and phone charging. Not to mention USB and Aux inputs to play your favourite music, and Bluetooth®* to let you make handsfree calls.

Choose the Comfort model with **7" Touchscreen MediaNav** system and you'll also get **SatNav** with voice guidance. That means you'll always know where you're heading. Now that's smarter thinking. As well as your smartphone apps being used on screen via **Apple Car Play™** or **Android Auto™***.

Manoeuvre with ease! Sandero Stepway's **rear parking camera including sensors**[^] alerts you when there is a potential obstacle behind you.

Navigation

Provided by Navteq with vocal guidance.

Phone

Bluetooth® technology* allows you to make and receive calls on the move.

The engine room

Reliable performance under the bonnet

Just because your car's affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

The **SCe75** petrol engine is a great all-rounder.

- 3 cylinder, offers 75hp with CO₂ emissions of 137 g/km*

The turbocharging **TCe** engine offers more performance.

- Produces 90hp from its 3-cylinder, 898cc engine, yet still achieves CO₂ emission 141 g/km*

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles^A after you buy your new Dacia.

Dacia car insurance¹

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^A. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

Servicing

Dacia Service Plans are the ultimate hassle free way to take care of your vehicle. Depending on the Service plan you purchase (see opposite grid) your servicing needs are covered and you benefit from;

- Inflation Proof Servicing – You know exactly what you'll pay and there are no hidden costs
- Peace of Mind – No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Dacia Expertise & Quality – Our highly trained technicians know your Dacia inside out

The Dacia Service Plan contains Dacia services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Dacia is in the best condition possible.

^A Standards Manufacturer term and mileage

[†] Dacia Extended warranties are available to purchase from first date of registration up to end of manufacturer warranty.

[‡] The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicles must be ordered between 18 December 2019 and 30 June 2020 and registered by 30 September 2020. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

[§] The service schedule and intervals are subject to the registration number. Ask your local dealer to confirm your service schedule / intervals as the above is a guideline.

^{**} 36 or 48 monthly payments options are only available at point of signing a finance agreement provided by Dacia Finance, Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over 18 to apply for finance. Terms and conditions apply.

Verex Insurance Services Ltd arranges policies from a panel of insurers, details are available on request.

^A If your insurer uses non-approved parts which subsequently fail, they may not be covered under your manufacturer's warranty.

Bi-Fuel (Liquefied Petroleum Gas - LPG)

The new dual-fuel factory fitted Bi-Fuel engine has excellent range capacity and comes with 47.1 (Bi-Fuel 37.6) mpg and 136-137 (Bi-Fuel 123) g/km CO₂ emissions*.

Bi-Fuel (LPG) Engines

Bi-Fuel is an alternative fuel enabling a lower CO₂ emission. Bi-Fuel vehicles have two separate fuel tanks (LPG and Petrol) and can be switched between fuel type. The LPG tank (32 litres) is installed in the hollow of the spare wheel, and does not sacrifice the boot volume. Bi-Fuel vehicles come with a tyre inflation kit as it is not possible to have spare wheel.

The key benefits of Bi-Fuel engines are:

- Better in Running Fuel Costs[‡]
- Better in CO₂ Emissions[‡]
- Better in NoX Emissions[‡]
- Better in Polluting Particles[‡]
- Quieter Engine Noise[‡]

*WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration.

‡ In comparison with a TCe petrol version † In comparison with a Blue dCi version

Bi-Fuel

Our Bi-fuel engines are the same as our traditional petrol engines, with one massive advantage. They can be powered by both Petrol and LPG.

There are loads of benefits to Bi-Fuel engines - the biggest being fuel savings, which on average are around £400 per year when compared to a Petrol TCe 90 engine.

A few benefits are below, but to find out more visit www.dacia.co.uk

Maintenance

- Similar maintenance programme as petrol versions

Range and Economy

- Bi-Fuel engines come with two fuel tanks (Petrol & LPG) which means you can travel around 800 miles with both tanks full.
- When running in LPG mode, fuel consumption increases by around 20%. However, as LPG is cheaper to buy at the fuel pump, there are savings to be had.

Easy to use

- Filling up with LPG is just as easy as filling up with Petrol or Diesel. Simply screw on the UK LPG adaptor found in the vehicle and attach the LPG fuelling nozzle at your chosen station.

Warranty

- The cherry on the cake? Have total peace of mind with Dacia's standard 3 year/60,000 mile warranty*.

The Dacia Community

For us, going the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the Nationwide Association of Blood Bikes. We proudly support Future Terrain, a charity that helps injured ex-service personnel back into employment through motorsport and vehicle engineering. We get stuck in as the official partner of Rugby League. Now the proud sponsors of the Nation England Rugby League teams for Men, Women, Wheelchair and Youth. We also run Dacia Days, which are full of fun and games for our amazing Dacia drivers - keep up to date with us on Facebook, Twitter, Instagram and our YouTube channel.

The Dacia way

Sixteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5.8 million Dacias globally since 2004. And since we launched in the UK in 2013, 150,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award 2019 Good Housekeeping Reader Recommended award. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.
