Renault TWIZY

# Times are changing

TWIZY is a two-seater, compact electric vehicle with zero emissions in use - like nothing else on the road today. It is powered by a 17hp electric motor with a smooth one-speed automatic transmission, and a light and compact lithium-ion battery pack.

TWIZY is available in two versions; Expression – TWIZY in its simplest form, and Dynamique – with the addition of gloss alloy wheels and two-toned colour collections.

With a few simple, daring ideas and a decade of research into cleaner energy, TWIZY brings a new lease of life to better living and more fun than you'd ever imagine.

What's your TWIZY like?

# Expression

The TWIZY you desire already exists. Focusing on the TWIZY essentials of flexibility, green energy and safety, Expression is TWIZY in its simplest form - a standalone blockbuster.

## Colours

Lagoon Blue    Flame Orange    Diamond Black\*    Snow White\*

Grey Snowflake  
wheel trim

\*Metallic paint optional.  
Image shows optional scissor doors.

3 TWIZYs = one parking space

TWIZY is the champion of easy parking with its unbeatable compact size and turning circle. So, no need for endless trips round the block to find a space, you can now park anywhere in town. (Where permitted, naturally).

Or maybe it's...

# Dynamique

TWIZY Dynamique considers design down to the finest details with; two-toned colour collections, coloured mirrors and diamond cut alloy wheels - the ultimate finish. With TWIZY Dynamique, chic goes hand in hand with fun.

## Colours

Lagoon Blue    Flame Orange    Diamond Black\*    Snow White\*

Gloss Black alloy wheels    Flame Orange alloy wheels    Urban Blue alloy wheels

\*Metallic paint.

# TWIZY features

## Expression

Technology	Interior	Exterior
Electronic engine immobiliser	Airbags - driver	Disc brakes - front and rear
Range indicator with eco score	Lockable steering column	Wind deflector - front lateral
Regenerative braking	Seatbelts - 3-point rear seatbelt	Grey 'Snowflake' wheel trim
Battery econometer	Seatbelts - 4-point front seatbelt	
Battery gauge (%)	Seats - front seat with anti-submarining	
Integrated 3m cable for 3-pin domestic socket	Headrest - built-in rear headrest	
Automatic transmission (reduction gear)	Seats - adjustable front seat with built-in headrest	
Daytime running lights	Behind rear seat storage - lockable 31l	
Drive and speed display	Heated windscreen - quick demist	

## Dynamique

Additional standard equipment to expression (includes core features above)

Interior	Exterior
Floor mats - driver and passenger	A choice of 14 colour collections
	Alloy wheels - 13" 'Diamond' gloss black / orange / blue (depending on colour collection)

\* The Renault TWIZY range has been measured and certified to 62 miles by UTAC (Union Technique de l'Automobile du Motorcycle et du Cycle) on the ECE-15 cycle. Exactly as with petrol and diesel cars, when driven under real conditions, this range will vary according to: speed, driving style, the terrain of the road, the use of electric accessories. Most of these factors can be influenced directly by the driver so as to help maximise the range of the Renault TWIZY. For example, the range will be around 50 miles using eco driving principles and 37 miles when driven under severe conditions.

# Design your own TWIZY

TWIZY owners are not shrinking violets. You want to stand out and be noticed. You like to be different. That's why we've introduced Design Your Own TWIZY; making the most of TWIZY's ability to stand out from the crowd like no other.

## Standard colour options

## Flags

## Art

## Camo

This is the ultimate in personalisation; as well as a huge range of colours, you can also choose from patterns and designs to make TWIZY truly your own. With the new website configurator, you will be able to see exactly what your TWIZY will look like before ordering.

It doesn't end there. Lots of businesses are making the most of TWIZY's ability to stand out and be noticed. The 'Do Your Own Thing' option within Design Your Own TWIZY allows them to make sure their vehicle reflects their business as fully as possible; wraps can include business names and images so possibilities are limited only by imagination.

## Patterns

## Animals

## Body wrap options

**Option 1** Door only

**Option 2** Door and frame

**Option 3** Door, frame rear and front

**Option 4** Full wrap with your own design

## TWIZY comfort

No room for jealousy aboard the TWIZY: two people, one set of welcoming and adaptable comforts. While some like it completely open, others have a little cocoon in mind, which is why TWIZY offers optional scissor doors and a blanket for both driver and passenger. For a flood of natural light and an unrestricted panoramic view, the clear sky roof is an optional extra, too. Also available is a highly practical accessory: the hands free Bluetooth®\* kit allows you to stay connected on the go. TWIZY, a truly outstanding re-definition of openness.

## TWIZY storage

Although the cabin is compact, no space is wasted. Two gloveboxes are provided – one can be locked – and a handy 31-litre storage point behind the rear seat. Storage nets hold smaller items.

\*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>

# TWIZY technology

TWIZY comes complete with a 3m extending spiral charging cable, which is stored beneath the flap at the front of the vehicle. Recharging is simple, using a standard three-pin plug to connect the vehicle to any 220V 10A domestic or workplace electricity supply. A full charge takes around 3.5 hours and delivers a real-world range of 50 miles - depending on driving conditions, your driving style and the landscape. Regenerative braking and an automatic gearbox can conserve and even increase this range. As with the entire Z.E. range, the dashboard displays remaining battery life information, so you'll always know where you stand.

# TWIZY safety

Being a four-wheeled vehicle – classed as a heavy quadricycle – TWIZY is inherently more stable and offers greater protection than a scooter or motorcycle. Its height and curvy shape make it much more visible to other road users. Disc brakes all round and a low centre of gravity give good stopping power and fundamental stability. At the front, a deformable structure provides protection in the event of a collision, while the outboard wheels and lateral beams either side of the chassis give side protection. The driver is held securely in a four-point seatbelt, with a three-point belt for the passenger, and in the event of a front-end collision, the driver's airbag will deploy. The front seat also has an anti-submarining design.

# Accessories

**TWIZY windows:** benefit from total protection in poor weather conditions thanks to this effective, high-quality accessory. These windows are fast and easy to fit at home making TWIZY even more versatile than ever.

**Parrot MK9100 Bluetooth \* kit:** a unique hands-free kit, combining the latest in communication technology with a range of music functions, including; wireless remote control and colour display, voice synthesiser and voice recognition, and MP3 iPod connectivity.

**Alloys:** personalise your TWIZY with 13-inch alloy wheels available in Flame Orange, Urban Blue or Gloss Black Diamond-finish.

# Technical specifications

## ENGINE

Engine	MB L7e
Model version	M75
Engine number	3CG
Type approval	ACVYB0

## DRIVETRAIN

Motor and drivetrain features	3CG - electric asynchronous (induction)
Maximum power	13 kW - 17 hp
Maximum torque	57 Nm
Engine speed at max. torque	From 0 to 2100 rpm
Propulsion type	Electric
Drag co-efficient (SCx/Cd)	0.64

## ACCELERATION PERFORMANCE

Energy recovery device	Yes
AC maximum power	6KW
Remaining autonomy indicator	Yes
Description	Gauge on the dashboard

## Alerts

Sound when 1/8 energy remains  
Sound when 1/16 energy remains  
(+ when the battery energy reaches 5% the engine power limits to 15KW)

Economy mode assistance	Yes
Max speed (mph/kph)	50 / 80
50 m standing start (seconds)	6.6
0-45kph (seconds)	6.1
30-60kph (seconds)	8.1

## RANGE

Range ECE - 15 UTAC* (miles)	62
Temperate (mild weather, miles)	50

# The Renault Z.E. Network commitment.

We've got nothing to hide.

That's why you're welcome to explore the Renault electric vehicle range and test drive the Renault Z.E. technology under real conditions. Just as a reminder:

## **The Renault Z.E. Network commits:**

- To allow you to explore the electric vehicle and RENAULT Z.E. technology under real conditions: test drives, charging modes and range management
- To offer you a range of specially adapted services:
  - Complete 24/7 breakdown assistance
  - My Z.E. Connect Services
- When installing a charging station at home, we will put you in touch with an approved Z.E. Expert

## **We guarantee you:**

- Warranty
  - The vehicle: 5 years/100,000 miles - unlimited mileage in the first 24 months
  - The electric powertrain: 5 years/100,000 miles - unlimited mileage in the first 24 months
  - The battery: 3 years/30,000 miles
- We certify that any work will be carried out by technicians trained in the Renault Z.E. range
- Entrust the disposal of batteries to a network of authorised professionals

# Renault Services

## 5 YEARS WARRANTY

Your Renault TWIZY is covered by a warranty package for up to 5 years\* from date of first registration with unlimited mileage during the first 24 months, then limited to a total of 100,000 miles or 5 years, whichever comes first. Your Renault Z.E. Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 2 years and the anti-corrosion warranty for 6 years\*.

## 3 YEARS ROADSIDE Z.E. ASSISTANCE

Should you need it, we will provide emergency roadside repairs or tow you to the nearest Renault Z.E. Dealer. This service is available 24 hours a day for the duration of the warranty period. Assistance is provided within the UK & Northern Ireland only, at roadside or home and includes national recovery and onward travel. Renault Z.E. Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Z.E. Assistance Terms and Conditions please visit [www.renault.co.uk/assistance](http://www.renault.co.uk/assistance)

## FINANCE OPTIONS\*\*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

\*5 year warranty valid on new TWIZY when registered from 18th December 2019, any new cars registered before this date will receive a 3 year warranty. Exclusions and limitations apply. For Warranty Terms and Conditions please visit [www.renault.co.uk/warranty](http://www.renault.co.uk/warranty).

\*\*Finance provided by Renault Finance, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply.

## CUSTOMER RELATIONS

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000 (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website [www.renault.co.uk](http://www.renault.co.uk) or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

Continue the TWIZY experience  
on [renault.co.uk](https://www.renault.co.uk)

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.

Publication date March 2020.
