

THE SUZUKI

IGNIS

RANGE BROCHURE

Hi!

INNOVATIVE. FUN. RELIABLE. AFFORDABLE. SIMPLY PUT, THE BEST DRIVE AROUND. SINCE 1955, WE'VE KEPT OUR EYES ON THE ROAD TO BUILD CARS THAT WOW.

From city cars to SUV-inspired crossovers, the Suzuki range has got you covered. Whichever model you choose, personality and practicality come as standard so when you're behind the wheel of a Suzuki, you're in a happy place.

At Suzuki, we know car ownership isn't just about the car. That's why we're proud to have a brilliant network of dealers who excel in customer satisfaction and will be with you every step of the way.

Test drive a Suzuki and experience our unbeatable blend of easy driving, dependability, safety features and – most importantly – fun.

THE BIG

THINKING

SMALL

CAR

MEET IGNIS - A DISTINCTIVE SMALL CAR WITH A BIG SUV ATTITUDE. LIGHT, COMPACT AND EFFICIENT, IT'S AT HOME ON CITY STREETS. YET, IT'S RUGGED AND VERSATILE ENOUGH TO TAKE ON THE GREAT OUTDOORS. PERFECT FOR THOSE WHO WANT TO GRAB LIFE BY THE STEERING WHEEL.

If you're adventurous at heart, here's a car that shares your spirit. With stand out SUV styling, including a striking front grille, rugged bumper and skid plates, Ignis is not afraid to stand out.

While you get all the benefits of being compact on the outside, it's also super spacious inside with room for anything from weekday shopping to weekend getaways. And with a responsive HYBRID engine and strong, lightweight body, it means going from A to B has never been more fun.

The Ignis is available with ALLGRIP 4-wheel drive* ensuring you can get away from it all, while a bunch of clever tech means you stay connected.

Best of all, the Ignis allows you to play the designer with a range of customisation options that make your car truly yours.

*ALLGRIP 4-wheel Drive system is available as an option on SZ5 models only.

GET READY TO BE NOTICED

**WITH BOLD, ICONIC LOOKS,
IGNIS WILL TURN HEADS WHILE
YOU TURN THE WHEEL.**

A distinctive small car with the wow-factor of an SUV, the Ignis combines the manoeuvrability of a compact car with muscular street presence so you can feel ultra-confident behind the wheel.

Thanks to rugged skid plates and high ground clearance, you'll tackle bumpy terrain and hilly city streets with no problems – enjoying a ride that's smooth and protected at all times. Plus, with the roof rails*, there's plenty of room for all your gear, whether it's for a weekend bike ride or ski holiday or even if you just want to look cool.

With the Ignis, you're ready for adventure other small car drivers can only dream of.

*Available on SZ-T and SZ5 models only.

MAKE IT YOURS INSIDE AND OUT

SHOW YOUR TRUE COLOURS WITH PERSONALISED EXTERIOR AND INTERIOR DESIGN.

The Ignis comes in a range of 13 eye-catching exterior colours that allow you to express your creative flair. Blend beauty with practicality by personalising the exterior to your taste. Will you add front grille surround*, body side decals*, wheel decals* or a roof basket*? The choice is yours!

You can also customise the spacious, feature-filled interior in a similar manner. Red handles or blue*? Silver dash trims or orange*? With the Ignis, you can create a car that's uniquely you. Inside and out.

DESIGNED FOR FUN

A CAR THAT KNOWS THE DIFFERENCE BETWEEN DRIVING AND COMMUTING.

The Ignis is the perfect mix of fun and practicality. Its light, agile, yet strong chassis coupled with a 1.2 litre Dualjet engine makes every journey something to look forward to.

A compact body design means you can manoeuvre through narrow streets and parking is a breeze. While the SUV-like high driving position gives you an all-round view and awesome confidence behind the wheel.

Whether you choose the manual or CVT automatic option, the Ignis will help you make the most of every moment in the driver's seat.

HELLO, HYBRID

AT SUZUKI, WE'RE ALWAYS INNOVATING. WE'RE ALWAYS LOOKING FOR WAYS TO MAKE YOUR DRIVE ONE TO REMEMBER.

That's why our petrol engines come with a self-charging HYBRID system. It helps reduce CO₂ emissions and improve fuel efficiency*, without the fuss of finding somewhere to charge your car. So you get a few more miles in the tank and a great driving experience.

Better still, our HYBRID system is light and compact, so driving performance stays strong without compromising the Ignis' fun to drive character. And there's no loss of interior space either. Talk about win win.

*Compared to the equivalent outgoing model without hybrid and using the official WLTP combined fuel consumption and CO₂ emissions figures.

SPACE FOR EVERY LIFESTYLE

PRACTICAL AND VERSATILE INSIDE.

Thanks to clever interior space design, the Ignis won't cramp your style, with loads of legroom for everyone to sit in comfort. A high roof means excellent headroom to accommodate any hairstyle. Individually sliding rear seats* can be easily moved forward when you need to pack more for weekend

getaways or quickly slid back to provide additional legroom for rear passengers. And with an SUV-styled high driving position, you've got even more space and enhanced visibility behind the wheel for more confidence when you drive.

*Available on SZ-T and SZ5 models only.

GADGETS

FOR YOUR

EVERY NEED

ALL THE TECH TO STAY CONNECTED WHILE GETTING AWAY.

The Ignis is kitted out with everything you need to stay connected in a convenient and safe way. Bluetooth connectivity, Apple CarPlay & Android Auto*, audio control switches, DAB digital radio, you name it. It also comes with sat nav** to stop those arguments about directions, while a rear

view camera* helps you park quickly and easily and prevents those 'Oops!' moments whilst parking. And when you're heading on a longer trip, control your speed and maximise fuel efficiency with integrated Cruise Control**, at just the tap of a button.

ADVENTUROUS CAPABILITIES

WHEN IT COMES TO YOUR SAFETY, WE DON'T COMPROMISE. WHICH IS WHY THE IGNIS IS EQUIPPED WITH A WHOLE ARRAY OF FEATURES TO MAKE YOU FEEL MORE CONFIDENT WHEN YOU'RE BEHIND THE WHEEL.

The ALLGRIP Auto 4WD* option delivers excellent control on any surface, giving you peace-of-mind in difficult driving conditions like snow, rain or rough terrain. The system's light and compact, which means there's no compromise in driving pleasure. Nor does it take up more space. The Ignis ALLGRIP models also have Grip Control technology, which

ensures a smooth start on roads that are slippery with snow or mud, while Hill Descent Control intelligently restricts vehicle speed and automatically applies the brakes when coming down steep inclines. When you're behind the wheel of an Ignis, you can be confident of going anywhere.

DUAL CAMERA BRAKE SUPPORT (DCBS)**

Two cameras recognise forward vehicles, pedestrians, and lane lines just like human eyes. Based on various information captured by these cameras, this system helps avoid collisions and mitigate collision damage through warnings and automatic braking.

1
Warning
When the system detects there is the potential for a collision, it provides a warning through a buzzer and a light on the meter panel.

2
Automatic light brake
If the risk of collision increases, the car automatically applies light braking, in addition to an audio alert, to urge the driver to avoid a collision.

3
Brake assist
If the driver applies the brakes while the warning brake function is active, the brake assist function engages for more powerful braking.

4
Automatic brake
When the system determines that the risk of a collision is imminent, it applies strong braking automatically in an effort to avoid a collision or mitigate damage.

LANE DEPARTURE WARNING**

When the vehicle is traveling at over approximately 37mph (UK) / 60km/h (ROI) and is departing the lane without use of the turn signal by the driver, the system produces a steering-wheel vibration and provides a warning through a light on the meter panel to draw attention to lane departures caused by factors such as inattention to the road.

WEAVING ALERT**

When the vehicle is traveling at over approximately 37mph (UK) / 60km/h (ROI) and is weaving from side to side within the lane, the system provides a warning using a buzzer and a light on the meter panel. This draws the driver's attention to weaving caused by drowsiness or other factors.

GUIDE-ME-HOME LIGHT / LEAD-TO-VEHICLE LIGHT

The headlights continue to illuminate the road for 10 seconds after the driver leaves the car, providing you with illumination as you open the door to your house. The low beams and position lamps turn on and stay on for 10 seconds when you unlock your car doors using the remote control. This convenient function is useful for lighting your way as you approach your vehicle.

EMERGENCY STOP SIGNAL

When applying the brakes suddenly while driving above 34mph (UK) / 55km/h (ROI), in addition to the brake lights the vehicle also automatically flashes the hazard lamps at high speed to alert following vehicles.

SIX AIRBAGS

The Ignis comes standard with six airbags which include dual front, side, and curtain airbags for maximum protection and the knowledge that you and your passengers are as safe as possible.

Warning: Depending on various factors the two cameras may be less able or not able to detect certain objects. Collision may be avoided in some cases where the system is activated at speeds between approximately 3mph and 31mph (UK) / 5km/h and 50km/h (ROI) (for pedestrians, where the speed is under approximately 19mph (UK) / 30km/h (ROI)). Depending on the detection and movement of the object, the alarm may sound only, without accompanying automatic brake. The alarm may activate at the same time as automatic braking in other cases.

*ALLGRIP 4-wheel Drive system is available as an option on SZ5 models only.

**Available on SZ5 models only.

DRIVE AWAY WITH SUZUKI FINANCE

Once you've found the Suzuki for you, you'll want an ideal Suzuki Finance package to go with it.

What are the options?

- 1. Personal Contract Purchase** – Great for those who want flexibility; Once you've agreed your deposit, repayment period and annual mileage, the dealer will work out the monthly repayment amount and optional final repayment amount. After you've made all the monthly repayments you will have 3 options: 1. Own the vehicle by paying the optional final repayment 2. Part exchange* 3. Return the vehicle (return conditions apply).
- 2. Hire Purchase** – If you want to own the vehicle at the end this could be the product for you. Once you've agreed your deposit and repayment period, the dealer will work out the monthly repayment amount. Once you have made all the monthly repayments including interest, you will become the owner of the vehicle.
- 3. Personal Contract Hire** – This is a fixed cost rental agreement with no ownership option at the end. Select your new Suzuki, agree the annual mileage and term of agreement and pay an initial rental in advance, followed by regular monthly rentals over the agreed term. When the agreement comes to an end the vehicle must be returned (return conditions apply**).

What's next?

For more information or help finding the right pack for you, pop into your local dealer or visit cars.suzuki.co.uk/Suzuki-finance

*Part exchange subject to settlement of your existing finance agreement; new finance agreements are subject to status.**To avoid incurring charges, the vehicle needs to be in good condition (fair wear and tear accepted) and within the permitted maximum mileage. The vehicle is at risk of repossession if you do not maintain contractual repayment. **Personal Contract Purchase and Hire Purchase:** Credit is available to UK residents aged 18 or over, subject to status. Suzuki Finance is a trading style of Suzuki Financial Services Limited, St William House, Tresillian Terrace, Cardiff, CF10 5BH. Finance is available for Republic of Ireland residents, subject to status, and will vary from the above. The credit provider is Bank of Ireland Finance, which is a registered trading name of Bank of Ireland. **Personal Contract Hire:** Contract Hire is subject to status, age 18 and over. You will not own the vehicle. Contract Hire provided by Suzuki Contract Hire, a trading style of Lex Autolease Limited, Heathside Park, Heathside Park Road, Stockport, SK3 0RB.

WHAT'S MOTABILITY?

The Motability Scheme enables people to get mobile by exchanging their mobility allowance to lease a new car.

Choose from the full Suzuki range† and lease it in exchange for your Government-paid mobility allowance. Many of our models start from Nil Advance Payment – which means you'll pay nothing upfront.

†Excluding the Suzuki Jimny and Suzuki Swift Sport models.

BUILD YOUR FLEET

THE SUZUKI SERVICE PROMISE

At Suzuki, we aim to give you the best possible service. Which is why we've created the Suzuki Service Promise.

We promise that every Suzuki customer will experience superior levels of care and leave impressed by the little extras we include as standard:

- Alternative transport options
- Simple and transparent pricing
- Only pre-approved work undertaken
- Suzuki-trained technicians
- Suzuki Genuine Parts
- Progress report during the day
- Wash and vacuum with pre-booked work
- Vehicle health check on every visit
- Accident Aftercare

WARRANTY

Every Suzuki Ignis comes with a comprehensive three-year or 60,000-mile (UK)/100,000 km (ROI) warranty (whichever comes first) and a 12-year anti-perforation warranty.

ROADSIDE ASSISTANCE

We're always around if you need roadside assistance. New cars come with Suzuki Assistance cover which includes 24-hour roadside assistance, home start and recovery through Republic of Ireland, UK and Europe. And if the car is older than 12 months, you'll receive a complimentary AA Assistance Lite policy when you bring your car in for a service or MOT to one of our authorised Suzuki dealers.

Service Promise criteria may vary in Republic of Ireland. Please refer to your local Dealer for full details.

TREATING YOU RIGHT

We're serious about our cars. And our customers.

With over a century of experience and innovation behind us, we care about keeping the good times and the good cars rolling.

Our philosophy has always been about the joy of driving, so we're dedicated to making cars that offer something for everyone and are, above all, fun to drive. Plus, your Suzuki experience doesn't stop when you buy the car. We'll continue to look after you long after you've driven off the forecourt.

Our Suzuki Service Promise guarantees that every Suzuki customer will receive superior levels of care when their car needs servicing, plus every new Suzuki comes with a 3-year or 60,000 miles (UK) / 100,000km (ROI) warranty, and Free Driveaway Insurance*. Because when you're with us, we want you feeling looked after.

You've made it this far, so we're pretty sure you're itching to test drive one of our Ignis range models. Good news – it's really easy to set up. Just **find your local Dealer** on our website and book a test drive at your own convenience. But be warned, after five minutes behind the wheel of a Vitara, you might not want to give it back.

GET THE BEST, FROM THE BEST

Our dealers are number 1 when it comes to customer service, according to the UKCSI reports for 2019 & 2020. They're always on hand to help you find your perfect Suzuki.

Fuel economy and CO₂ results for the Suzuki Ignis range. Mpg (l/100km) (combined): 51.3 (5.5) to 55.7 (5.1). CO₂ emissions: 124 to 114 g/km. Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Specifications and equipment vary depending on engine, transmission and model grade. Please contact your local Suzuki Dealer for full details. All details correct at time of broadcast - August 2020.
