## *The bike that changed everything*

After 5 consecutive titles in the World Grand Prix Road Racing Series, Honda decided to withdraw and turn toward its primary target: transfer the technology obtained in competition to develop high-performance consumer machines. After an initial attempt with a 450cc machine, Honda released the CB750 Four in 1969. The initial production forecast of 1,500 units a year soon became a monthly figure and then jumped to 3,000 units per month. By pushing the boundaries of performance, reliability and easy handling in motorcycles, Honda created a new class of Superbike. The CB1000R is the modern expression of the same spirit that has guided Honda engineers for decades.

The Dream CB750 FOUR hit the market in 1969.

# LUGGAGE

£115.00

**REAR SEAT BAG SET**  
08ESY-MKJ-STB18

A simple and functional rear seat bag specifically adapted to the tapered shape of the rear seat. Easy and stable mounting when installed with the attachment kit included:

- 15L Capacity that can be expanded to 22L
- Rain cover included
- Dimensions in mm (W × L × H): 355 × 365 × 243

£85.00

**TANK BAG KIT**  
08ESY-MKJ-TKB18

A simple and functional tank bag adapted to the tank of the CB1000R. Clear pocket on top of the bag for easy smart phone storage. Attachment kit included provides a stable mounting that does not interfere with the handling of the machine:

- 3L capacity
- Rain cover included
- Dimensions in mm (W × L × H): 178 × 285 × 130

# COMFORT

£360.00

**HEATED GRIPS\***  
08T70-MKJ-D00

Thin and fully integrated with the other controls, this set of heated grips are adjusted with a 5-position switch on the left hand side.

£785.00

**ALCANTARA SEATS**  
08ESY-MKJ-SEAT18

Both main seat and passenger seat are made of luxurious Alcantara material to provide an extra level of comfort and seating stability during traveling.

£95.00

**12V SOCKET**  
08U72-MKJ-D00

Socket installed next to the meter for easy access.

\*Accessories already fitted to CB1000R+ model.

# PERFORMANCE & DESIGN

£1,005.00

**TITANIUM SLIP-ON MUFFLER**

**08F88-MKJ-900**  
This beautifully crafted muffler is constructed from race-proven materials using lightweight titanium and finished with a hand-made carbon-fibre end cap and heatshield. Providing that unique Akrapovič sound this exhaust reduces weight by over 54% from the stock system, leading to improved handling and manoeuvrability. It has a simple plug-and-play installation, and is fully EC- and ECE-compliant.

Improvements:

- Power: +1.6hp at 10,000 rpm
- Torque: +1.2 Nm at 10,000 rpm
- Weight: -2.2 kgs

Special warranty conditions apply. Ask your Honda Dealer for full details.

£755.00

**QUICK SHIFTER\***

**08U70-MKJ-D00**  
By measuring the intensity of the shifting input, the quick shifter enables the rider to change gear without the need to operate the clutch lever or shut the throttle. The system aids upshifting and downshifting, maximising the riding experience.

£270.00

**SINGLE SEAT COWL\***

**08F80-MKJ-D00ZA, D00ZC OR D90ZA**  
Seat cowl matching the colour of the bike, fitted with a high quality aluminium panel. To be installed instead of the passenger seat. 3 colours available:

- Candy Chromosphere Red (D00ZA)
- Graphite Black (D00ZC)
- Matt Pearl Glare White (D90ZA)

£215.00

**FRONT FENDER PANEL KIT\***

**08F79-MKJ-D00**  
High quality aluminium panel to add to the front fender of the CB1000R.

£215.00

**REAR FENDER PANELS\***

**08F78-MKJ-D00**  
High quality aluminium panel which can be installed on the hugger of the CB1000R to give the bike the iconic look.

£245.00

**METER VISOR\***

**08R72-MKJ-D00**  
Meter visor fitted with a high quality aluminium panel to enhance the iconic look of the CB1000R.

£85.00

**WHEEL STRIPE KIT**

**08F74-MKJ-D00ZA**  
Easy to apply wheel decal kit. Silver colour-accented vinyl stripes featuring the CB1000 logo.

\*Accessories already fitted to CB1000R+ model.

*CB1100EX "Hedo": a CB fully dressed up for the Custom scene*

In 2017, Honda stirred a massive interest from custom fans with a collaborative project with Milan-based customisers South Garage. The matt-black tank, blacked-out engine, clutch covers and wheels provide the overall mood of this dark mixture of café racer and bobber styles. Low-slung clip-on bars, radial master cylinder, and short tail section give it the café racer edge. Touches like miniature LED indicators, new headlight and diamond-patterned leather seat matching the tyre tread give an elegance that keeps the original vivid appeal of the CB1100EX.

## LUGGAGE

£335.00

### REAR CARRIER 08L70-MGC-JB0

Chromed, tubular steel rear carrier that offers convenient luggage storage space.

£20.00

### CARGO NET 08L63-KAZ-011

A black, flexible net to hold your luggage securely to the Rear Carrier or Pillion Seat.

## COMFORT & PROTECTION

£405.00

### HEATED GRIPS 08ESY-MGC-HG17

Pair of extremely slim heated grips with integrated control for maximum rider comfort and design integration. 3 steps of variable heating levels with a smart heat allocation focussing on the hands areas the most sensitive to cold. Integrated circuit to protect the battery from draining. Attachment included (08T70-MGC-DA0). Special heat-resistant glue sold separately.

£145.00

### 12V SOCKET KIT 08U70-MGC-JB0

Power or charge electrical equipment using this convenient 12V Socket (Provides 2A).

£305.00

### TUBULAR ENGINE GUARD 08P70-MGC-JB0 OR JD0

Protects the surface of the engine cover. Available in 2 colours:  
• Chrome plating (JD0)  
• Matt Ballistic Black Metallic (JB0)

£395.00

### ENGINE GUARD WITH SLIDERS 08P71-MGC-JB0

Black mushroom-style sliders protect your engine covers.

## SECURITY & MAINTENANCE

£90.00

### HONDA OPTIMATE 5 08M51-EWA-801E OR 801U

The new Honda Optimate 5 saves batteries from as low as 2V and will then charge and maintain the battery, all automatically. 2 versions available (EU or UK market). Battery range: 15-192Ah Usage: MF / AGM, STD, GEL, EFB batteries.

£75.00

### HONDA OPTIMATE 3 08M51-EWA-601E OR 601U

Suitable for all types of 12V lead-acid batteries of rated capacity from 3 to 50Ah. Effective on very neglected batteries from as low as 2 Volts. No risk of overcharging. Ensured safety for vehicle electronics. 2 versions available (EU or UK market).

£75.00

### OUTDOOR CYCLE COVER 08P34-BC2-801

Protects the paintwork against U.V. rays. Water-resistant breathable fabric that allows the bike to dry while covered. Rope to tighten the cover to avoid fluttering. Two holes in the front lower area for easy introduction of the U-lock.

£95.00

### U-LOCK 08M53-MFL-800

Tamper resistant barrel key U-lock.

*Do you really need a left lever to enjoy riding?*

The Dual Clutch Transmission made its worldwide debut for motorbikes in 2010 with the Honda VFR 1200. Now entering its 3rd generation and downsized to suit mid-displacement bikes, the DCT is completely different from the belt-type transmissions used by most scooters: it is structurally a conventional 6-speed gear ratio transmission, yet electronically controlled when changing speeds. Keep the fun of a manual transmission; enjoy the comfort of an automatic one!

# LUGGAGE

£295.00

**35L TOP BOX**  
**08L72-MJE-D00ZA**

35L Top box designed for one key system  
Must be combined with:  
• 1 x key cylinder inner set (08M70-MJE-D01)\*  
• 1 x key body parts (08M71-MJE-D01)\*  
• 1 x rear carrier (08L70-MKA-D80)\*  
\* Sold separately.

£905.00

**29L PANNIERS SET**  
**08ESY-MKD-PA17**

Pack including 2 specially designed, aerodynamic and fully integrated 29L panniers, with one key system, rear carrier, support and the required components to install the one key system.

£180.00

**REAR CARRIER**  
**08L70-MKA-D80**

Rear carrier specifically designed for the NC750S to install the 35L top box and the 29L panniers.

£50.00

**INNER BAG FOR 35L TOP BOX**  
**08L09-MGS-D30**

Black nylon bag with silver Honda logo on front pocket. Expandable from 15 to 25L. Front pocket can contain an A4-size file. Comes with adjustable shoulder belt and carrying handle.

£85.00

*Where these beautiful curves  
are coming from?*

One of the most distinctive attributes of the CB650R is its swooping four-into-one exhaust system. This beautiful design is a tribute to another iconic Honda: the CB400F also known as the CB 400 Four. Produced between 1975 and 1977, the CB 400 Four caused quite a stir thanks to its café racer look. Producing only 37 bhp (28 kW) at 8,500 rpm and 24 lb-ft (33 N-m) at 7,500 rpm, its four-in-line engine was not meant to take the racetracks by storm. Yet, back in the late 70's, some versions upgraded to 492cc were capable of 13,500 rpm and producing an estimated 60 bhp (45 kW).

## PERFORMANCE & DESIGN

£155.00

### METER VISOR KIT 08R70-MKN-D50

The meter visor is fitted with a high quality aluminum panel to further enhance the iconic look of the CB650R. Stays are sold separately (08R74-MKN-D50).

£155.00

### FRONT FENDER PANELS 08F73-MKN-D50

High quality aluminium panel to add to the front fender.

£185.00

### SHROUD COVERS 08F74-MKN-D50

Pair of high quality aluminium shroud covers to complete the iconic look of the CB650R. The shroud covers are beautifully engraved with the CB650R logo.

£175.00

### SIDE COVERS 08F75-MKN-D50

High quality aluminium left and right panels that will cover the side of the bike.

£130.00

### UNDER COWL 08F71-MKN-D50ZA

Under cowl kit to improve the appearance of the bike. All parts to fit directly to the frame are included. Available in Matt Gunpowder Black Metallic.

£235.00 / £85.00

### REAR SEAT COWL 08F72-MKN-D50ZB 08F71-MKN-D50ZA

This seat cowl includes a pad to improve the comfort. Available in Matt Gunpowder Black Metallic, this accessory is compliant with any colour available in 2019 for CB650R. For a total Neo Sport Cafe look, this accessory can be completed by an aluminium plate (sold separately).

**SEAT COWL PLATE 08F76-MKN-D50**  
Aluminium insert to enhance the design of the Rear Seat Cowl.

£65.00

### WHEEL STRIPES 08F84-MFJ-810A OR 820A

Contains a set of 3 round-shaped strips for easy application and a perfect fit on two 17-inch wheels. Can be completed with Honda Racing stickers if preferred (included).

2 colours available:  
- White (810A)  
- Red (820A)

£345.00

### QUICK SHIFTER KIT 08U72-MKN-D50

By measuring the intensity of the shifting input, the quick shifter enables the rider to change gear without the need to operate the clutch lever or shut the throttle. The system aids upshifting, maximising the riding experience.

## COMFORT

£420.00

### HEATED GRIPS 08ESY-MKN-HG19

Extremely slim heated grips which provide 360° heat around the grips. Features integrated control for maximum rider comfort and design integration. Features 3-step variable heating levels, integrated circuit to protect the battery from draining and smart heat allocation that focuses on the area of the hands most sensitive to cold.  
Attachment and Honda High-Temperature special cement included.

£75.00 / £45.00

### FRONT VISOR (SMOKE) 08R71-MKN-D50

Fitted to the meter panel, this small and stylish wind deflector protects the chest from wind blasts at higher speeds. Stays are sold separately (08R74-MKN-D50).

### VISOR STAY KIT 08R74-MKN-D50

Pair of left and right stays required to install either the front visor or the meter visor (sold separately).

£75.00

### 12V SOCKET 08U70-MKN-D50

Installed under the seat of the unit, this 12V socket will power all your electronic equipment.

## LUGGAGE

£85.00

### TANK BAG SET 08ESY-MKJ-TKB18

A simple and functional tank bag adapted to the tank of the unit. Thanks to the specific attachment included, the stable mounting of the tank bag does not disturb the handling of this machine. A clear pocket on the top of the bag makes it possible for easy smart phone storage.

Bag capacity: 3L  
Rain cover included.  
Dimensions (W x L x H): 178 x 285 x 130

£115.00

### REAR SEAT BAG SET 08ESY-MKJ-STB18

A simple and functional rear bag specifically adapted to the tapered shape of the rear seat. Easy attachment and stable mounting thanks to the specific attachment included.

Bag capacity: 15L expandable to 22L  
Rain cover included.  
Dimensions in mm (W x L x H): 355 x 365 x 243

## PROTECTION

£30.00

### TANK PAD (CB LOGO) 08P71-MKN-D50

Tank pad featuring the CB logo. The tank pad helps to protect the tank paintwork from scratches.

# SECURITY & MAINTENANCE

£75.00

**HONDA OPTIMATE 3**  
**08M51-EWA-601E OR 601U**

Suitable for all types of 12V lead-acid batteries of rated capacity from 3 to 50Ah. Effective on very neglected batteries from as low as 2 Volts. No risk of overcharging. Ensured safety for vehicle electronics. 2 versions available (EU or UK market).

£110.00

**REAR MAINTENANCE STAND**  
**08M50-MW0-801**

Tilting tubular steel stand that facilitates cleaning and rear wheel maintenance. Lifts the motorcycle by the end of its swingarm.

£75.00

**OUTDOOR CYCLE COVER XL**  
**08P34-BC2-801**

Protects paintwork against U.V. rays. Water-resistant breathable fabric that allows the bike to dry while covered. Rope to tighten the cover to avoid fluttering. Two holes in front lower area for easy introduction of U-lock. Not suitable for bikes with top box and/or panniers installed.

£95.00

**U-LOCK**  
**08M53-MFL-800**

Tamper resistant barrel key U-lock that can be stored under the rider seat. (Remark: if AVERTO alarm installed, there is not enough space left for the U-lock, tool kit and owner's manual).

### *From one Rebel to another?*

Since 2013, The Bike Shed London is a motorcycle exhibition like no other, celebrating the creative culture around the custom bike scene. It is there that Keita Mikura, the Rebel's Project Leader, was inspired to create a new kind of machine for young riders, leaving free space for further customisation.

In 2017, the Rebel concept became reality and reached another level, thanks to the vision and the craftsmanship of 2 Brits: Dan Gold, a tattoo artist and Russ Brown, a custom bike builder.

## DESIGN & PROTECTION

£170.00

### HEADLIGHT COWL\* 08R70-K87-A30

This black headlight cowl boosts the tough stance of the Rebel and protects against the wind while riding. Not compatible with the Meter Visor.

£85.00

### FRONT FORK BOOTS SET\* 08F70-K87-A30

The fork boots have been tested to protect the tubes against scratches and to ease smooth fork motion. Mounted with the fork covers (sold separately), they accentuate the Rebel's unique attitude.

£70.00

### FRONT FORK COVERS SET\* 08F71-K87-A30

The matt black coating of these front fork covers accentuates the Rebel's tough image.

£85.00

### BLACK CUSTOM RIDER SEAT\* 08R76-K87-A30ZA

The custom rider seat boosts the wild design of the 500 Rebel. Its slim-shaped cushion provides a 60 mm+ thickness without impairing the rider comfort.

£25.00

### TANK PADS 08P70-K87-A30 / 08P71-K87-A30

These rubber-made pads are exclusively designed to fit the tank shape and to protect it from scratches. The diamond-cut pattern of the surfaces matches the design of the custom rider seat sold separately.

- Centre pad (08P70-K87-A30)
- Side pads (08P71-K87-A30)

£30.00

\*Standard equipment on the CMX500 Rebel S Edition

### LEFT OR RIGHT SADDLE BAG WITH SUPPORT 08ESY-K87-BAGS / 08ESY-K87-BAGL

Made of a sturdy and lightweight ballistic nylon, these saddle bags add an extra layer of Rebel attitude to your bike. They can be attached/detached in one-touch thanks to their three-point adapter included. Equipped with a waterproof inner bag and easy to carry, these practical saddle bags are a must-have for everyday use.

- Left side / 14 Litres capacity (08ESY-K87-BAGL)
- Right side / 10 Litres capacity (08ESY-K87-BAGS)

£410.00 / £230.00

### LEATHER THROW-OVER BAGS SET 08L56-MFE-800A

Set of 2 leather saddlebags, each with 16L of storage capacity. Brackets sold separately.

### THROW-OVER BAGS SUPPORT KIT 08L71-K87-A00

Sturdy brackets made specifically to mount the Leather Bags.

£260.00

### REAR CARRIER 08L70-K87-J80

Robust and light, this rear carrier suits the Rebel's tough image and will not impair passenger comfort.

Compatible with Pillion Backrest (sold separately).

## COMFORT

£335.00

### METER VISOR 08R74-K87-A30

The meter visor accents the headlight and improves the comfort by protecting the rider's upper body. Not compatible with the Headlight Cowl.

£60.00

### 12V SOCKET 08U71-K87-A30

The 12V socket can be neatly mounted beside the meter and thanks to its rubber cap, no unwanted objects can enter inside.

£155.00

### PILLION BACKREST 08R73-K87-A30

Thanks to its double-density cushion, the backrest improves comfort for the passenger. Rear Carrier required for installation (sold separately).

£35.00

### ADJUSTABLE BRAKE LEVER 08U70-K87-A30

By selecting 1 of the 5 pre-set positions, this black aluminium brake lever is adjustable to the rider's preference.

*Is reliability supposed to be boring?*

It's not rare to find CB500 proudly boasting more than 300,000 kms (more than 186,000 miles), but the long-time favourite of the couriers and the driving school is much more than a workhorse. Started in France in 1996, the CB500 Cup spread across Europe quickly and helped young talents such as Sebastien Charpentier or James Toseland to make a name by themselves, on a budget.

# HONDA TECHNOLOGY

Honda has developed and applied many innovative technologies for its motorcycle range, designed to have the greatest possible benefit for you and the world around you.

## ANTI-LOCK BRAKING SYSTEM

Reduces braking pressure by monitoring the wheel speed, preventing the wheels from locking up.

## DUAL CLUTCH TRANSMISSION

Combines the riding enjoyment of a manual transmission with the convenience of an automatic, delivering enhanced comfort and sporty performance.

## EURO 4

Complies with EURO 4 emissions regulations.

## EURO 5

Complies with EURO 5 emissions regulations.

## HONDA EVOLUTIONAL CATALYSING SYSTEM

Oxygen-sensing system maintains an optimal air/fuel mixture for the most effective catalytic reduction of exhaust emissions.

## HONDA IGNITION SECURITY SYSTEM

Only allows the bike to be started by its original encoded keys to effectively protect against theft.

## HONDA MULTI-ACTION SYSTEM

Cartridge-type front fork and rear damper design ensures a confident balance of compliant damping and precise handling.

## IDLE STOP SYSTEM

Automatically stops the engine running after three seconds at idle and restarts it instantly with a twist of the throttle, helping to reduce emissions and fuel consumption.

## LED LIGHTS

Brighter and more energy efficient than traditional bulbs, with no time delay and a longer life.

## PROGRAMMED FUEL INJECTION

Map-type computerised system maintains strong power and responsive performance in all conditions.

## SHOWA DUAL BENDING VALVE

Showa Dual Bending Valve forks improve ride comfort and handling by delivering proportional rebound damping with firmer compression damping.

## HONDA SELECTABLE TORQUE CONTROL

If the Honda Selectable Torque Control (HSTC) system senses an imminent loss of rear wheel traction it reduces torque to allow the tyre to grip.

## RADIAL MOUNT CALIPERS

Offers better alignment to the disc and rigidity. Radialmount calipers are secured and supported at both ends providing less caliper flex and better braking performance.

## TWS RIDING MODE SELECT SYSTEM

Giving a choice of 3 riding modes; Mode 1 delivers standard ECU maps, Mode 2 provides smoother throttle control and Mode 3 returns a more aggressive power delivery.

# HONDA DCT DUAL CLUTCH TRANSMISSION

DCT is an automated clutch and shift operation system that retains the direct acceleration feel of a manual transmission with the ease of use of an automatic. DCT allows the rider to focus on accelerating, turning and braking, rather than gear shifting. This increases confidence and control for the rider. DCT technology takes the joy of riding and controlling your machine to the next level.

## FREEDOM

Ride without concerning yourself with the clutch lever and shift pedal, for smooth and seamless gear changes.

## CONTROL

Switch between auto and manual mode to suit any riding environment. Eliminate shift shocks like an expert biker.

### 2 AUTOMATIC MODES

- S-Sport- For a more sporty driving style.
- D-Drive- For relaxed city and highway driving.

### 1 MANUAL SELECT MODE

MT, with change of gear via left hand.

### NEW G SWITCH\*

Improves rear wheel traction when off-road.

# DREAMS REALLY DO COME TRUE

Soichiro Honda said,

*'We only have one future, and it will be made of our dreams, if we have the courage to challenge convention.'*

Honda's philosophy in dreaming of a better world for people catalysed the invention of the ASIMO, HondaJet, NSX and the legendary Africa Twin. Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems. It takes independent thinking and audacity to pursue dreams. It also takes passion and innovation to never allow the dream to die and to shape them into a reality for the modern-day world.

The specific details of this brochure do not apply to any particular product supplied or offered for sale. Manufacturers reserve the right to vary specifications, including colours, with or without notice at such times in such manner as deemed appropriate. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult your Dealer for details regarding the specifications of any featured product. This publication shall not constitute - under any circumstances whatsoever - an offer by the Company to any individual. All sales are made by the Distributor or Dealer subject to and with the benefit of the standard Conditions of Sale and Warranty provided by the Distributor or Dealer, copies of which may be obtained upon request. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised. Please contact your local dealer for information and specifications. Please note that the fuel consumption figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors. You accept that if you do go ahead and make a purchase or enter into any kind of transaction, whether for payment or not, you did so entirely in reliance on your own skill and judgement and not on that of anyone else.

**RIDE WITH STYLE** Read the owner's manual thoroughly. Get to know your machine and its capabilities. Concentration assists anticipation. Observe other road users' movements. Brake in plenty of time. Always wear a helmet and quality kit, ride fit and NEVER after drinking alcohol. Good roadcraft and courtesy identify the skilled and stylish rider. Honda endorse the law that all helmet visors must comply with BS 4110. Visors that transmit less than 50% of visible light cannot legally be used on the road.
