

NEW JAGUAR XE

“ A true Jaguar is something that exists to enjoy and indulge in, both aesthetically and dynamically.

My inspiration when designing XE was to capture the essence of a very sporty saloon car.

It had to have style, attitude, and a presence which differentiates it from any other car in its class.

Both technically and visually XE is in perfect balance.

IT SAYS INDIVIDUAL, IT SAYS CONFIDENT
AND IT SAYS I LOVE TO DRIVE.

It's lean, it's sporty, it has a great profile and a fantastic stance. For me, that's XE. ”

THE NEW JAGUAR XE

SALOON, MEET SPORT

To create a four-door saloon which is as fun to drive as a sports car is no mean feat. But the new, redefined XE comfortably meets that criteria. Inspired by F-TYPE - our high-performance car - it's packed with enhancements, innovations and technology. It rewrites the rules of how a compact saloon should behave, and it embodies everything Jaguar is famous for: stylish good looks, precision engineering and a palpable sense of excitement.

DESIGN

EVEN STANDING STILL, IT LOOKS FAST

Like all Jaguars, XE instinctively manages to catch the eye. From its muscular stance and sculpted bonnet, to the new bumpers, front grille and LED headlights and tail lights, you can tell at a glance that this is one extraordinary sporting saloon.

JAGUAR
COVENTRY

“ Like all Jaguars, the new XE has its own distinctive character – luxurious, sporty, individual.

I wanted to bring this out even more by designing a cabin which wonderfully combines

PREMIUM TACTILE MATERIALS AND FINISHES WITH BEAUTIFULLY CRAFTED DETAILS,

a palette of bold, statement colours and exquisite veneers.

With so many incredible resources available to us, together with the very highest standards of craftsmanship, we can create an interior that's unique to you. One that emphasises the car's dynamic nature and highlights its sense of space, comfort and elegance whilst demonstrating our passion for precision. ”

SIOBHAN HUGHES CHIEF DESIGNER, JAGUAR COLOUR & MATERIALS

WELCOME TO YOUR XE WORLD

Get behind the wheel of an XE and you feel like you're sat in a sports car. You'll find yourself comfortably cocooned by its wraparound dashboard. You'll note the soft grain leather steering wheel and form-hugging 14-way adjustable front seats*. You'll appreciate the impeccable attention to detail, and how everything is so pleasingly uncluttered and considerably functional.

*18-way adjustable front seats are standard on HSE.

INTERIOR SHOWN: XE HSE WITH EBONY WINDSOR LEATHER SEATS WITH EBONY STITCH, EBONY UPPER FACIA, LIGHT OYSTER MORZINE HEADLINING AND GLOSS FIGURED EBONY VENEER WITH OPTIONAL FEATURES FITTED

A refreshed cockpit-style interior offers outstanding levels of comfort, and the raised centre console adds to its sportiness. Everything revolves around you and was conceived with you in mind, with the SportShift Selector, JaguarDrive Control and Touch Pro Duo* central to its seamless design. So, when you settle into that plush leather seat, you connect with the car straight away. Just reach for the pulsing start button – a more engaging driving experience awaits.

*Standard on HSE, optional on S and SE.

PERFORMANCE

POWERED BY INGENUITY

The beating heart of every XE is a powerful, British-built, Turbocharged Petrol or Diesel engine. All engines are constructed of lightweight aluminium alloy which, combined with advanced low-friction technologies, delivers a refined, efficient and engaging driving experience.

VEHICLE SHOWN: XE R-DYNAMIC HSE IN CALDERA RED WITH OPTIONAL FEATURES FITTED

HOW DO YOU WANT TO DRIVE TODAY?

Nothing quite matches the sensation of being in a Jaguar XE on an open road. You're reminded that driving can be genuinely exhilarating. An outstanding feature of this car is how it can feel marvellously comfortable too. Jaguar has created a range of sophisticated technologies which allow you to modify your XE and enjoy the driving experience you want, when you want it.

JaguarDrive Control allows you to select from Comfort, Eco, Dynamic, and Rain, Ice, Snow Mode. Each mode has its own tailor-made programme which alters different parameters, such as engine and transmission response, steering feel, parasitic load management or traction and stability control.

The optional Adaptive Dynamics system makes for further improved ride comfort and dynamic body control using continuously variable damping technology. The system monitors multiple sensors that analyse vertical wheel positions, vehicle acceleration, steering inputs, as well as throttle and brake pedal activity to adjust the suspension damping settings. This provides a near-perfect balance of comfort, refinement and agility.

ENGINEERED FOR EMOTION

XE is the culmination of Jaguar's prowess at designing and building sports cars. A lightweight aluminium chassis and double wishbone front suspension enable the highest levels of handling and road holding, delivering a spine-tingling driving experience. Unusually for an executive sports saloon, it also features a sophisticated Integral Link rear suspension, which provides sharp response and handling, while still retaining a refined and luxurious ride.

Also, to help XE tackle winding roads, there's intelligent Torque Vectoring by Braking technology. On tight turns, it applies the brake to the inside wheel and directs more rotating force from the engine to the wheel with the most grip. The result is an exceptional combination of sports car-like agility, more consistent road holding and a feeling of added confidence when you're driving.

VEHICLE SHOWN: XE R-DYNAMIC HSE IN CALDERA RED WITH OPTIONAL FEATURES FITTED

CHASSIS DYNAMICS

Fig 1. Understeer is kept to an absolute minimum.

Fig 2. Power is sustained to maintain constant speed of outer driven wheels.

Fig 3. Torque Vectoring applies brake pressure to slow the inside front and inside rear wheels independently.

TECHNOLOGY

TAKE YOUR LIFE WITH YOU

We know you need to be in touch with the rest of the world when you're driving. That's why we've loaded XE with a suite of integrated technologies as standard - keeping you connected, informed and entertained on your journeys.

The high-definition 10" Touch Pro configurable home screen gives you all the help and information you need, when you need it. There's an interactive side panel for multitasking, together with a multimedia connection for accessing your own music library.

XE even listens to you, with a voice recognition system for hands-free requests such as "call home" or "find nearest petrol station".

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

Touch Pro Duo¹ is our innovative twin-screen system, providing a 10" upper Touchscreen and 5.5" lower Touchscreen. The benefit of having a lower screen is to allow dual-tasking, for example, navigation mapping on the upper screen and climate controls and access to other features – such as entertainment – on the lower screen.

Interactive Driver Display² uses high-definition, crystal-clear graphics to show 3D maps, vehicle settings, contacts and media options. You simply select what you want to see on the screen at any time, and control everything from the multi-function steering wheel.

Head-up Display³ projects a full-colour virtual image of useful information – from speed and cruise control settings, to directions and speed limits – directly onto the windscreen at eye-level, allowing you to keep your eyes fixed on the road ahead.

¹Standard on HSE, optional on S and SE.

²Standard on SE and HSE, optional on S.

³Optional. Requires solar attenuating windscreen.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

INTERIOR SHOWN: XE HSE WITH EBONY UPPER FACIA, LIGHT OYSTER MORZINE HEADLINING AND GLOSS BLACK VENEER WITH OPTIONAL FEATURES FITTED

CONNECT FROM YOUR PHONE TO YOUR CAR

Remote allows you to interact with your XE from anywhere with a data connection via the InControl Remote app. See your car's data remotely - from fuel levels to door and window status. Set the perfect cabin temperature in advance. Find your XE quickly in a crowded car park. Secure your car from a distance.

Smartphone Pack, which includes Apple CarPlay® and Android Auto™, is perfect for mobile phone screen sharing, and makes it easy to use an interactive set of apps through XE's Touch Pro system. It helps you to stay connected to your smartphone whilst in the car and you can use compatible apps such as Spotify.

Connected Navigation Pro allows you to enjoy a continually seamless experience, while making your journeys easier and less stressful. You can plan your route and share your ETA with friends. See what the traffic's like on your way to your destination. Get travel tips. Search surrounding areas for places of interest.

Plus, you can now recharge your mobile phone by simply resting it on the optional wireless device charger in front of the SportShift Selector. This technology is new to Jaguar, and XE is the first of our cars to feature it.

Check with your Jaguar Retailer for full terms. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. InControl Apps and Remote App will need to be downloaded from the Apple/Play Store.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

VEHICLE SHOWN: XE HSE IN INDUS SILVER WITH OPTIONAL FEATURES FITTED

Other features include:

Online Pack - comprising 4G Wi-Fi Hotspot, Live Apps and Smart Settings, adding to your in-car experience so you and your passengers can enjoy the journey whilst staying connected to the world.

Live Apps - for access to 'live' information services such as Weather Watch, Flight Tracker, News and Sports. Other helpful features include a Calendar and Online Media for access to your Deezer and TuneIn accounts.

Smart Settings - featuring artificial intelligence algorithms, so your XE learns your habits and tastes and predicts your seating, climate and music preferences. It'll even preheat your steering wheel and seats on a cold day, or change the media channel at a certain time or on a specific day of the week.

HOW DOES MUSIC MAKE YOU FEEL?

Music has the power to change your mood, evoke memories and affect your wellbeing. It can give you tingles or make you cry. It's why music and cars go so well together. Sitting behind the wheel, listening to your favourite singer, band or composer. It's your space. Your world.

But what if you could do more than simply listen to the music? What if you could feel it, experience it, immerse yourself in it? What if you could make more of a connection with the music and enjoy a greater sense of acoustic involvement in your Jaguar?

British-based Meridian™ Audio are all about the musical experience – the very sense of being there. Their award-winning, precision-engineered audio systems are built on a lifetime of research into psychoacoustics (the science of how the human brain perceives sound) to deliver a performance that is so true to life, you feel every beat, every breath.

INTERIOR SHOWN: XE HSE WITH EBONY WINDSOR LEATHER SEATS WITH EBONY STITCH, EBONY UPPER FACIA, LIGHT OYSTER MORZINE HEADLINING AND GLOSS BLACK VENEER WITH OPTIONAL FEATURES FITTED

WITH MERIDIAN™, YOU'LL FEEL MORE

We're not simply talking about increasing the volume levels. It's more about managing the sound stage; intensifying the levels of depth, clarity and realism of the music by using a combination of advanced acoustic technology and strategically positioned speakers to produce an audio platform that is exactly right for your Jaguar's interior. So wherever you sit in the vehicle – driving seat,

passenger seat or rear seat – with a Meridian system, you get the same incredible experience. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It's intimate, dramatic and very atmospheric – whether you're enjoying the twists and turns of an open road or stuck in rush-hour traffic.

1

SOUND SYSTEM

Exceptional acoustics and audio range with high quality definition through 6 speakers.

2

MERIDIAN SOUND SYSTEM

Feel the rhythm of the music with exceptional definition, crystal-clear highs and full, deep bass with this classic audiophile soundstage. Through the careful management of door-mounted speakers placed nearest your seat, you'll enjoy a performance that is incredibly smooth, clean and free of strain.

6 SPEAKERS 125W AMPLIFIER POWER

10 SPEAKERS 1 SUBWOOFER 380W AMPLIFIER POWER

3

MERIDIAN™ SURROUND SOUND SYSTEM

A truly engaging, thoroughly authentic concert hall experience. Driver and passengers are enveloped in the fullness and clarity of an open, spacious performance through a set of side, front and rear speakers. And it's all seamlessly integrated using Trifield™ technology, so you can sit back and absorb every detail.

16 SPEAKERS 1 SUBWOOFER 825W AMPLIFIER POWER

DIGITAL SIGNAL PROCESSING

Tailors the sound signals for a seamless audio output. Acting as the conductor of the orchestra, it ensures perfect harmonisation between speakers.

MERIDIAN CABIN CORRECTION

This unique system analyses the cabin shape, acoustics and resonance characteristics of your vehicle to remove any potential noise interference. Whether listening to your favourite band or audiobook, it's heard with the utmost clarity. Exactly as it should be.

MERIDIAN DIGITAL DITHER SHAPING

Instantly converts the format of your streaming device to an optimised playback method, shaping it to make sure it sounds just as smooth and authentic as the original recording.

TRIFIELD

Blends the centre and surround channels seamlessly with the left and right, recreating the surround venue of a musical performance. Creates an atmospheric sound stage to give all passengers a concert-like experience.

CENTRE CHANNEL SPEAKER

Adds depth and life to your music - particularly the vocals, which sound beautifully crisp and clear. So when you listen to your favourite artist, it's like they're singing directly to you.

SUBWOOFER

The dual-input subwoofer on a Meridian sound system brings a deeper, richer and more controlled bass sound.

Meridian is a registered trademark of Meridian Audio Ltd.
Trifield and the "three fields" device is a trademark of Trifield Productions Ltd.
Features and their availability may differ by vehicle specification.

TECH THAT DETECTS

Whether you're cruising along the motorway or running errands around town, XE can detect potential trouble and help keep you alert, safe and comfortable.

There's a Cruise Control and Speed Limiter to keep your XE at a set speed specified by you, helping you to stick to local speed limits. A Driver Condition Monitor identifies your fatigue levels based on your driving behaviour and the length and time of your journey. If it thinks you need a break, it'll tell you. There's also a Rear Camera for improved visibility when reversing, and a Front and Rear Parking Aid to help manoeuvre you in and out of tight spaces. Lane Keep Assist detects when the vehicle is unintentionally drifting out of the lane and applies a corrective torque to the steering wheel, encouraging you to guide your vehicle back.

VEHICLE SHOWN: XE HSE IN INDUS SILVER WITH OPTIONAL FEATURES FITTED

NOW YOU SEE THEM, NOW YOU DON'T

When the view out of your XE's rear window is obstructed by passengers in the second row seats, our optional ClearSight interior rear view mirror* is the perfect solution. By means of a video feed from a rear-facing camera, it lets you see the road behind you, regardless of passengers who may otherwise block your vision.

*Customers who wear varifocal or bifocal lenses may have issues adjusting to the mirror's digital mode. The normal mirror mode, however, can be used at any time.

Another option you'll find incredibly useful is our 360° Surround Camera system. It provides an overhead view of your surroundings on the Touchscreen and displays several different views at the same time, so you'll be able to manoeuvre in and out of tight spaces more easily.

SMARTER WAYS TO DRIVE BETTER AND SAFER

To take the stress out of motorway driving, our optional Drive Pack¹ includes Adaptive Cruise Control. It'll help keep you at a safe distance from the car in front and will bring you to a gentle stop if traffic comes to a sudden standstill. Plus, constantly on the lookout, the High-speed Emergency Braking system will apply the brakes if it detects a possible collision, whilst Blind Spot Assist is always on hand to support you with lane-change manoeuvres by helping you move away from vehicles that you may not have seen in your mirror.

¹Standard on HSE. Requires auto-dimming, power fold, heated door mirrors with approach lights.

²Standard on SE and HSE.

³Requires Interactive Driver Display on S.

VEHICLE SHOWN: XE HSE IN INDUS SILVER WITH OPTIONAL FEATURES FITTED

There's an optional Park Pack² too, which helps you manoeuvre in and out of tight spaces, taking the stress out of parking. It features a Rear Traffic Monitor, Park Assist³ and 360° Parking Aid.

PRACTICALITY & SAFETY

ROOM FOR MORE THAN JUST THRILLS

Multiple small item cubbyholes around the cabin will take care of all your everyday essentials such as smartphones, sunglasses or bottles of water. Side storage compartments will also comfortably fit your documents and tablets. The boot can easily accommodate the luggage you need for a long trip with 410 litres of volume.

VEHICLE SHOWN: XE HSE IN YULONG WHITE WITH OPTIONAL FEATURES FITTED

DRIVE LIKE AN ECO WARRIOR

Eco Mode encourages you to drive in a more efficient, planet-friendly way. It also helps cut your fuel consumption by moderating the energy demands placed on the engine by other systems such as Climate Control. A display on the Touchscreen keeps you in the loop, as well as providing some helpful driving tips.

XE CARES ABOUT YOU

The wellbeing of you and your passengers is of the utmost importance to us. That's why XE comes equipped with the latest safety technologies to detect dangerous situations and then actively respond to help keep you out of harm's way.

Dynamic Stability Control detects the first signs of oversteer or understeer, helping to maintain a stable drive. It'll also keep your XE safely on course, even in low-grip conditions.

Engine drag torque control helps prevent wheel slip in adverse weather conditions by providing a gentle push to the wheels where needed.

When towing, Trailer Stability Assist works to detect and act against trailer sway, lowering engine power and gently applying the brakes individually on each side of the vehicle.

To help secure child seats into your XE and reduce the chances of your young passengers being hurt in an accident, ISOFIX points can be found on the two outboard rear seats. Plus, for extra peace of mind, we've placed six airbags at strategic points around the car.

Secure Tracker* is available as an option. If someone breaks into or steals your XE, you'll be alerted, and your car's movements tracked. The InControl Stolen Vehicle Tracking Centre then assists in recovering your car as quickly as possible.

DESIGNED TO SHINE

The Premium LED headlights with signature DRL (Daytime Running Lights) are standard on XE. They're an eye-catching aspect of the car's design.

As well as being powerful and providing great visibility, they include Auto High Beam Assist. The iconic chicane-shaped LED tail lights are sleek and elegant, wrapping themselves around from the side to the rear. Both front and rear lights feature dramatic Animated Directional Indicators.

For even greater visibility and safety at night, choose optional Matrix LED headlights with signature DRL. This system maintains continuous use of the high beam but automatically adjusts the shape of the beam to help avoid dazzling oncoming vehicles.

VEHICLE SHOWN: XE HSE IN YULONG WHITE WITH OPTIONAL FEATURES FITTED

YOUR XE

WHICH XE ARE YOU?

XE

From its elegant refinements and sculpted bonnet at the front, to its bold architectural lines and distinctive rear haunches, XE is exactly how an advanced, efficient and refined luxury sport saloon should be. It combines perfectly proportioned styling with 18" alloy wheels, Satin Chrome side vents, Polished Aluminum window surrounds, advanced driver dynamics, cutting-edge technology and driver-focused performance. The expertly crafted interior is both beautifully functional and pleasing to the touch – observe the soft grain leather steering wheel.

XE R-DYNAMIC

The R-Dynamic takes XE's sporting prowess to the next level – its highlights include sports suspension*, a dedicated R-Dynamic body kit and leather steering wheel, and unique treadplates. That's on top of sport leather seats with contrast stitching and Diamond Turned alloy wheels. Dynamic front and rear bumpers both feature Black grilles and the front grille also has a Satin Chrome surround. Whilst body-coloured sport side sills and a valance emphasise the car's handsome, muscular stance.

*Only available on Rear Wheel Drive.

2 | CHOOSE YOUR ENGINE

 Build your own at jaguar.co.uk

WHICH ENGINE IS RIGHT FOR YOU?

Petrol or diesel? There are pros and cons with both. But ultimately, the type of engine you choose hinges on how you intend to use your car.

Diesel engines offer better fuel economy over longer distances and more torque, which makes them ideal for longer journeys, motorway cruising or towing. Also, because our new diesels are technologically advanced, they're essentially as clean as petrol and give out around 20% less CO₂.

Petrol engines, on the other hand, tend to be more powerful and higher revving. This can result in a more engaging and sporting driving experience. In addition, they're more refined and better suited to shorter, stop-start journeys.

DIESEL

D180 REAR WHEEL DRIVE | AUTOMATIC ALL WHEEL DRIVE | AUTOMATIC

The Ingenium 2.0 litre 4-cylinder 180PS Turbocharged Diesel engine produces 430Nm of torque and is optimised to deliver improved drivability and refinement.

- The high-pressure common rail direct fuel injection, exhaust variable cam timing and a high-efficiency water-cooled intercooler work in combination for a clean, efficient combustion.
- 430Nm of torque is delivered over a wide engine speed range from 1,750-2,500 rpm, delivering accessible performance and strong acceleration.
- The engine features a variable geometry turbocharger that adapts to the changing flow of exhaust gases for high torque throughout the rev range and responsiveness that is uniform, progressive and reduces lag.

PETROL

P250 REAR WHEEL DRIVE | AUTOMATIC

The Ingenium 2.0 litre 4-cylinder 250PS Turbocharged Petrol engine produces 365Nm of torque and delivers outstanding fuel economy and drivability.

- The intelligent Continuously Variable Valve Lift (CVVL) system varies the extent to which inlet valves are opened, reducing engine pumping losses. This lets the engine 'breathe' with maximum efficiency, optimising power and torque.
- CVVL works in combination with dual independent variable cam timing for ultimate operating flexibility, resulting in excellent power and fuel economy across the rev range.
- For excellent acceleration and effortless overtaking, maximum torque is available between 1,300-4,500 rpm.
- The twin-scroll turbocharger is fed by an integrated exhaust manifold which increases the transfer of energy to the turbine – significantly reducing turbo lag and improving engine response.

P300 ALL WHEEL DRIVE | AUTOMATIC

The high-performance Ingenium 2.0 litre 4-cylinder 300PS Turbocharged Petrol engine features upgrades to the boosting system.

- Delivering a peak torque of 400Nm between 1,500-4,500 rpm.
- The uprated turbocharger features a high flow compressor wheel delivering 26 percent more air, enabling a peak power output of 300PS.
- The twin-scroll turbocharger features ceramic ball bearings which reduces friction and improves transient response.

6 | CHOOSE YOUR OPTIONS AND JAGUAR GEAR

 Build your own at jaguar.co.uk

EXTERIOR FEATURES

Heated door mirrors with memory¹

These heated door mirrors are equipped with a memory function. Once you set your ideal mirror positions, it automatically recalls your preferred settings.

Auto-dimming, power fold, heated door mirrors with approach lights^{2,3}

Improving visibility when manoeuvring, these heated door mirrors feature auto-dipping functionality when the reverse gear is selected. In addition, the door mirrors are power folding, to avoid damage during parking in confined spaces. Integrated approach lights to the underside of the mirrors illuminate the ground with an eye-catching Jaguar and cub design.

Auto-dimming, power fold, heated door mirrors with memory and approach lights^{1,4}

Improving visibility when manoeuvring, these heated door mirrors feature auto-dipping functionality when the reverse gear is selected. In addition, the door mirrors are power folding, to avoid damage during parking in confined spaces. Combined with memory seats, the mirrors are also equipped with a memory function. Once you set your ideal seating and mirror positions, it automatically recalls your preferred driving position settings. Integrated approach lights to the underside of the mirrors illuminate the ground.

Sliding panoramic roof

Designed to provide abundant light and space, plus high solar protection. An electric sunblind extends for extra shade or privacy.

Privacy glass⁵

Darkened privacy glass lets rear seat passengers enjoy greater privacy and helps reduce glare from the sun.

Matrix LED headlights with signature DRL

See page 44.

Headlight power wash

The headlight power wash operates automatically with the windscreen wash every fourth operation.

Solar attenuating windscreen

This windscreen filters sunlight to reduce heat, and prevent UV rays from entering the cabin.

No badges

You have the option to remove both the specification pack and engine badge from the rear of the vehicle.

Detachable tow bar

Bespoke towing system featuring a detachable tow bar. Offering towing capability between 1,600kg and 1,800kg (braked trailer, dependent upon powertrain) using 50mm ball system. When removed, there is no sign of tow bar to interrupt the lines of the rear of the vehicle. Also includes 13Pin towing electrics.

Electrically deployable tow bar

This optional system is deployed using a convenient button in the loadspace compartment, or via the Touchscreen.

Boot lid spoiler

Adds style to the rear of the vehicle. Rear luggage compartment lid spoiler in body colour.

Reduced section alloy spare wheel

Reduced section steel spare wheel with vehicle jack and wheel brace. Stored under loadspace floor.

Privacy glass

Matrix LED headlights with signature DRL

¹Requires memory front seats. ²Requires 12-way electric front seats without memory. ³Standard on SE specifications. ⁴Standard on HSE specifications.

⁵Not available with Digital TV. ⁶Not available with 17" wheels. ⁷Requires 350mm front brakes. ⁸Requires Configurable Dynamics. ⁹Requires Adaptive Dynamics.

Features and their availability may differ by vehicle specification. Please refer to Specification and Price Guide for details or contact your nearest Jaguar Retailer for more information. Options specified may affect vehicle efficiency and pricing due to local taxation policy.

SELECT YOUR FACTORY-FIT OPTIONS

Options must be specified at the point of ordering your new vehicle. For full feature and option availability, please refer to the accompanying Specification and Price Guide or visit your local Jaguar Retailer.

DYNAMICS

Red brake calipers⁶⁷

As displayed on this page.

350mm front brakes⁶

To give improved resistance to brake fade.

Adaptive Surface Response (AdSR)^{8,9}

Monitors XE's environment to adjust motor and brake settings for greater control in adverse driving conditions.

Adaptive Dynamics⁸

See page 19.

Configurable Dynamics

See page 58.

Red brake calipers

INTERIOR FEATURES

Illuminated metal treadplates with Jaguar script

Illuminated aluminium treadplates, featuring Jaguar script, on driver and front passenger sides.

Bright metal pedals

Stainless steel Bright finish sports pedal covers are easy to fit and feature hidden fixings for a clean finish.

Park Heat with remote control

This pre-heats the engine, channelling residual heat into the cabin, so the vehicle is warm and comfortable by the time you leave the house. It has an integrated 7-day timer, or can be used for a single event up to 16 days ahead.

Smoker's Pack

Add a lighter socket and ashtray to the centre console.

Cabin Air Ionisation

Nanoe™ technology enhances the well-being of both driver and passengers alike. It improves the air quality within the vehicle cabin by reducing allergens, viruses, airborne bacteria and associated odours. It does so by ionising particles in the air, making them attract to and reduce the air contaminants. It can be switched on or off.

Electrically adjustable steering column⁴

This feature allows electrical adjustment of the steering column's reach and rake. Adjustment memory is linked to seat positioning if memory seats are taken.

Air Quality Sensor

This extra climate control option monitors the air quality within the cabin and automatically recirculates it as necessary.

Configurable Ambient Interior Lighting

This feature allows you to vary the colour and shade, changing the ambience of the cabin to suit your mood. There are ten colours in total.

Electric rear window sunblind

This option provides an interior blind for the rear window that can be closed electrically for protection from the sun and increased privacy.

Cold Climate Pack

This offers heated windscreen, headlight power wash and heated steering wheel.

SEATING AND INTERIOR TRIM

Light Oyster Morzine headlining

See page 70.

Ebony Morzine headlining

See page 71.

Heated steering wheel

For the ultimate driver comfort in colder climates, a heated leather steering wheel is available.

40:20:40 folding rear seats with centre armrest

Interior space is given added practicality by the rear seats' 40:20:40 configuration. Rear seats can be folded completely, or folded individually, in a variety of combinations, to accommodate both passengers and awkward items such as skis.

40:20:40 folding, heated rear seats with centre armrest¹

You can choose the optional 40:20:40 heated rear seating configuration for increased volume, versatility and comfort.

Heated rear seat¹

The rear seat is heated and features a centre armrest for passenger comfort.

Light Oyster Morzine headlining

See page 29.

Meridian™ Surround Sound System – 825W

See page 29.

Digital TV⁵

Drivers and passengers can watch their favourite TV shows on the Touchscreen whenever the car is stationary.

Interactive Driver Display

¹Requires heated electric front seats. ²Standard on HSE specifications. ³Standard from SE specifications. ⁴Requires solar attenuating windscreen. ⁵Not available with privacy glass. ⁶Customers who wear varifocal or bifocal lenses may have issues adjusting to the mirror's digital mode. The normal mirror mode, however, can be used at any time. ⁷Requires auto-dimming, power fold, heated door mirrors with approach lights. ⁸Requires Keyless Entry.

All in-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

Features and their availability may differ by vehicle specification. Please refer to Specification and Price Guide for details or contact your nearest Jaguar Retailer for more information. Options specified may affect vehicle efficiency and pricing due to local taxation policy.

CONVENIENCE

Wireless device charging

See page 26.

Keyless Entry⁵

Allows you to lock and unlock XE without pressing a button. Simply approach the vehicle with the key fob in your pocket or bag, and unlock and disarm the vehicle using the door handle. When leaving the vehicle, you can lock XE by simply pressing the button on the door handle, or by using the key fob.

Powered boot lid

The powered boot lid with soft closing makes loading and unloading easier. The boot lid can be opened and closed via a button on the key fob.

Powered gesture boot lid⁸

With powered gesture boot lid you can access the boot when your hands are full. Simply present your foot under either rear corner and the boot opens or closes.

Garage Door Opener (HomeLink[®])

The HomeLink System is a universal transmitter fitted to the underside of the interior rear view mirror. This transmitter can be programmed to operate up to three home or office wireless controlled systems, such as garage doors, automatic gates, or security lighting.

Secure Tracker

See page 42.

Additional power sockets

Two additional USB charging points in the rear console.

Wireless device charging

SELECT YOUR JAGUAR GEAR

Jaguar Gear Accessories can be purchased through your Jaguar Retailer and added at any stage of the vehicle's life - not just when it's new. Jaguar Gear approved accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

For more information and to see the full list of accessories please visit gear.jaguar.com. You can also include accessories when you configure your XE at jaguar.co.uk

Options specified may affect vehicle efficiency and pricing due to local taxation policy. Please configure at jaguar.co.uk or check with your local Jaguar Retailer.

VEHICLE SHOWN: XE HSE IN CAESIUM BLUE WITH OPTIONAL FEATURES FITTED

EXTERIOR ACCESSORIES

Carbon Fibre side power vent

High-grade Carbon Fibre side power vents provide a performance-inspired styling upgrade.

Carbon Fibre mirror cover

High-grade Carbon Fibre mirror covers provide a performance-inspired styling upgrade.

Gloss Black side power vent

Gloss Black side power vents provide a dynamic exterior styling enhancement.

Gloss Black mirror cover

Gloss Black mirror covers accentuate the dynamic design of the exterior mirrors.

Gloss Black grille

Provides a High Gloss Black finish to the grille and grille surround accentuating the XE's dynamic appearance.

Chrome mirror cover

Chrome mirror covers accentuate the stylish design of the exterior mirrors.

Rear spoiler - body-coloured

Give XE an even more stylish look with this body coloured spoiler.

Front and rear splash guards

Jaguar branded, front and rear splash guards complement the lines of your vehicle and provide protection from dirt and stone chippings.

Carbon Fibre side power vent

Carbon Fibre mirror covers

INTERIOR ACCESSORIES

Central armrest cooler/warmer

Food and drinks chiller and warmer that acts as a rear centre armrest. With a leather-covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

Flexible luggage retainer

Provides a neat stowage solution to help secure luggage or other items within the luggage compartment area.

Carpet mat set

Durable tailored carpet mat set. Protects the interior carpets from general wear and tear.

Rubber mats

Hard wearing Jaguar branded rubber mats provide added protection for your vehicle's carpets.

Luggage compartment rubber liner

This premium liner tailored specifically for your vehicle will protect the luggage compartment floor with a raised lip around the edges to protect the side walls. Light and durable, it is easily removable for cleaning.

Pet Rear Seat Protection Pack*

Designed to provide protection and easy cleaning of both the rear seat and door linings from wet and muddy paws. Combines the protective second row seat cover and spill resistant water bowl. The perfect solution for owners who regularly carry dogs or other pets in their vehicle.

Spill resistant water bowl

Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the centre of the bowl when the water is disturbed, making it ideal for owners who regularly carry dogs or other pets in their vehicle. The bowl retains an open area allowing your pet to take a drink at all times, has an anti-slip rubber base and also a retention strap for securing it to the luggage compartment 'D' loop. The bowl has a spill resistant capacity of 350ml.

Carpet mat set

Central armrest cooler/warmer

CARRYING & TOWING ACCESSORIES

Roof cross bars

Jaguar branded cross bars required for fitting all roof carrying equipment. Engineered specifically for your vehicle.

Ski/snowboard holder

A safe and secure Jaguar branded system for transporting winter sports equipment. Incorporates slider rails for easy loading. For four pairs of skis or two snowboards.

Roof luggage box

Spacious 410 litre capacity lockable roof luggage box, measuring 175 x 82 x 45cm.

Wheel mounted cycle carrier

An easy to fit, roof mounted, lockable cycle carrier which carries one bike per holder. A maximum of three holders can be fitted. Maximum cycle weight 20kg per carrier.

Tow bar mounted cycle carrier

Premium tow ball mounted cycle carriers provide a convenient bike carrying solution with quick-release loading attachments and secure locking mechanism. Clever design allows carrier to be tilted away from vehicle when fitted allowing access into the rear tailgate.

Tow bar mounted cycle carrier

OTHER ACCESSORIES

Click and Go - base

The Click and Go range is a multi-purpose seat back system for second row passengers. The versatile Click and Go base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.

Click and Hang

The Click and Hang is part of the Click and Go range. This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Click and Hook

The Click and Hook is part of the Click and Go range. This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.

Sunshades - rear and side

Easy to install and remove, these clip-in sunblinds fold for convenient stowage. Supplied with Jaguar branded stowage bag.

iPhone® Connect and Charge Dock

The iPhone Connect and Charge Dock has been designed to allow visibility of the phone whilst charging, utilising the cupholder space in the central console. When connected, the iPhone's media is accessible and has the ability to be controlled via the integrated infotainment/audio system. The 'cut-out' design of the holder is such that the home button is also accessible for use when parked. The iPhone USB charger can be easily disconnected if the USB connection is required for other use.

Child seat - Group 2/3 (15kg - 36kg), cloth, Jaguar branded

For children 15kg - 36kg (approximately 4 - 12 years).

Jaguar branded. Forward facing on rear seat.

Padded machine washable cover. Height adjustable headrest and upper seat belt guides ensures correct seat belt position. Improved side protection from deep, padded side wings.

Can be installed with the vehicle's three-point seat belt or ISOFIX system. Approved to European test standard ECE R44-04.

Click and Hang

Child seats also available for other child ages.

All in-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

THE WORLD OF JAGUAR

Your Jaguar drives with an instinct for performance, refined through decades of innovative design and engineering. Power and agility are combined with elegance and grace to deliver a vehicle like no other. As a celebration of Jaguar, we've created a range of experiences, publications and the Jaguar Lifestyle Collection. To top it all, we've even returned to the track with Jaguar Racing. Welcome to a world where every aspect of performance is an art.

EXPERIENCE DRIVES

There's no better way of understanding the spirit of Jaguar than by getting behind the wheel. Jaguar Experience Drives are an opportunity to unleash the breathtaking performance of our incredible Jaguar range. Join us at one of our Experience Centres, or take part in the Art of Performance Tour. New sensations await.

jaguar.co.uk/experience

ICE ACADEMY

Take your driving to the next level with Ice Academy. Located on one of the many frozen lakes in Arjeplog, Sweden, your driving skills will be tested through tackling some of the harshest, most challenging tracks on the planet. It's a rare chance to dance on ice and glide around awe-inspiring corners, all under the expert guidance of our instructors. Encounter the true exhilarating potential of the latest Jaguar and Land Rover vehicles in extreme conditions.

jaguar.com/ice-academy

FUEL ECONOMY - WLTP**						
WLTP Consumption	Low	mpg (l/100km)	36.3 - 34.0 (7.8 - 8.3)	32.3 - 29.5 (8.7 - 9.6)	24.1 - 23.2 (11.7 - 12.2)	23.8 - 22.2 (11.9 - 12.8)
	Medium	mpg (l/100km)	49.4 - 44.3 (5.7 - 6.4)	44.4 - 39.8 (6.4 - 7.1)	35.3 - 32.5 (8.0 - 8.7)	33.0 - 30.5 (8.6 - 9.3)
	High	mpg (l/100km)	59.1 - 53.5 (4.8 - 5.3)	54.6 - 48.5 (5.2 - 5.8)	42.7 - 38.8 (6.6 - 7.3)	39.0 - 35.3 (7.2 - 8.0)
	Extra High	mpg (l/100km)	52.7 - 47.7 (5.4 - 5.9)	49.2 - 43.9 (5.7 - 6.4)	38.9 - 35.3 (7.3 - 8.0)	35.1 - 31.2 (8.0 - 9.0)
	Combined	mpg (l/100km)	50.7 - 46.0 (5.6 - 6.1)	46.4 - 41.6 (6.1 - 6.8)	36.2 - 33.3 (7.8 - 8.5)	33.6 - 30.5 (8.4 - 9.3)
WLTP CO ₂ Emissions	Combined	(g/km)	146 - 161	161 - 178	177 - 192	190 - 210
FUEL ECONOMY						
Fuel tank capacity - useable litres			56	56	63	63
Diesel Exhaust Fluid (DEF) - useable litres			16	16	—	—
Diesel/Gasoline Particulate Filter (DPF/GPF)			●	●	●	●

*180PS RWD engines will be certified to Real Driving Emissions Step 2 (RDE2), which removes the first year VED supplement (equivalent to reducing the first year charge by one VED band). Company Car drivers will benefit further by the removal of the 4% BIK diesel surcharge for the life of the vehicle. **WLTP is the new official EU test used to calculate standardised fuel consumption and CO₂ figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. Figures are shown as a range under WLTP testing measures. The most economical figures refer to the most efficient/lightest set of options. The least economical figures refer to the least efficient/heaviest set of options. WLTP legislation dictates that where there is <5g CO₂ variance between the lowest and highest figures, only the highest is declared.

TECHNICAL SPECIFICATION

PERFORMANCE	DIESEL		PETROL	
	D180 (RDE2)*	D180	P250	P300
Acceleration (secs) 0-60mph (0-100 km/h)	7.6 (8.1)	7.8 (8.4)	6.2 (6.5)	5.4 (5.7)
Maximum speed mph (km/h)	140 (225)	132 (212)	155 (250)	155 (250)
BRAKES				
Front type	Single Piston Sliding Caliper, Vented Disc			
Front diameter (mm)	325	325	325	350
Rear type	Single Piston Sliding Caliper, Vented Disc			
Rear diameter (mm)	325	325	325	325
Park Brake	iEPB, motor on caliper			
WEIGHTS (kg)†				
Unladen weight (EU)††	1,640	1,685	1,611	1,690
Unladen weight (DIN)‡	1,565	1,610	1,536	1,615
Gross Vehicle Weight (GVW)	2,190	2,250	2,150	2,210
TOWING (kg)				
Unbraked trailer	750	750	750	750
Maximum towing	1,800	1,800	1,800	1,800
Maximum coupling point (nose weight)	75	75	75	75
Maximum vehicle and trailer combination	3,990	4,050	3,950	4,010
ROOF CARRYING (kg)				
Maximum roof load (including cross bars)	75	75	75	75

● Standard — Not Available

†Weights reflect vehicles to standard specifications. Optional extras increase weight. ††Includes a 75kg driver, full fluids and 90% fuel. ‡Includes full fluids and 90% fuel.

DIMENSIONS

 Build your own at jaguar.co.uk

2,835mm

4,678mm

Vehicle Height

With roof antenna 1,416 - 1,425mm

Headroom

Maximum front/rear headroom with

Panoramic roof fitted 941/940mm

Front headroom 971mm

Rear headroom 948mm

Legroom

Maximum front legroom 1,055mm

Maximum rear legroom 889mm

Loadspace Capacity

Height 402mm, Width 1,123mm

Loadspace width between arches 795mm

Maximum loadspace volume behind

second row

Dry* 291 litres, Wet** 410 litres

Turning Circle

Kerb-to-kerb 11.22m

Wall-to-wall 11.3m

Turns lock-to-lock 2.58

Width (inc mirrors) 2,075mm

1,602mm

Width (mirrors folded) 1,967mm

1,416mm/1,425mm

125mm

1,583mm - 1,585mm

*Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

**Wet: Volume as measured by simulating the loadspace filled with liquid.

Dimensions were measured with vehicle at unladen weight.
