ABOVE & BEYOND

Ever since the first Land Rover vehicle was conceived in 1947, we have built vehicles that challenge what is possible. These in turn have challenged their owners to explore new territories and conquer difficult terrains. Our vehicles epitomise our brand. Vehicles with exemplary design credentials and engineering capabilities. Which is how we continue to break new ground, defy conventions and encourage each other to go further. Land Rover truly enables you to make more of your world, to go above and beyond.

EXTERIOR

Design refinements give Discovery a lower, wider stance with an updated front grille and new bumpers. Land Rover Discovery R-Dynamic presents a compelling combination of sporting character and versatility, with unique bumpers, wheels and rear light designs. Roof options include fixed and sliding panoramic roofs and the Narvik Black contrast roof.

UNMISTAKABLE DESIGN

Newly sculpted headlights with a distinctive signature graphic and Matrix LED headlight technology* maximise visibility, while body-coloured side ingots add to the seamless design of the vehicle. The enhanced visual harmony of the rear end also elevates the vehicle's contemporary appeal, with R-Dynamic featuring unique desaturated tail light designs.

*Standard on R-Dynamic HSE, optional on the rest of the range.

CHOOSE YOUR COLOUR AND WHEELS

With twelve paint colours available, including a range of new colours such as Lantau Bronze, Hakuba Silver and Charente Grey, adding your personal touch to Land Rover Discovery is easy. And thanks to a wide variety of wheels, ranging from 20" to 22" in various finishes, your options for personalisation don't end there. Use the configurator to build your perfect Land Rover Discovery.

INTERIOR

The redesigned, contemporary interior includes new second row seating, with deep seat cushions and ergonomic design providing enhanced comfort for you and your family. Touches such as the centre console's deep storage compartment allow for greater convenience and flexibility, while the hidden-until-lit switches of the updated steering wheel and the intuitively designed toggle shift keep everything you need right at your fingertips.

STEP INTO YOUR WORLD

Premium materials are used extensively throughout Discovery's luxurious cabin, including non-leather alternatives. Exclusive to R-Dynamic, Duo Tone seats with contrast stitching or piping* are also available in an Ebony/Light Oyster colourway. Now you can explore in enhanced style and comfort - no matter where your adventures take you.

VERSATILITY

UNCOMPROMISING SPACE AND PRACTICALITY

If you're planning trips with up to seven of you, Discovery's flexible seven-seat layout offers the perfect solution. Intelligent Seat Fold* allows you to easily configure the second and third row for an ample loadspace of up to 2,391 litres. Clever storage compartments throughout the interior allow you to carry items of all shapes and sizes with absolute ease.

*Optional feature. Only available with memory seats.

SAFETY

With up to five ISOFIX points, installing child seats in this family SUV is easy. They ensure a strong connection between the child seat and the vehicle. Discovery achieved the maximum five-star safety rating from Euro NCAP and features a comprehensive system of up to eight driver and passenger airbags to help keep your family safe.

Land Rover Discovery includes a range of driver assistance features as standard, including 3D Surround Camera, Emergency Braking, Cruise Control and Speed Limiter, and Lane Keep Assist. Blind Spot Assist Pack and Driver Assist Pack are available to help with everyday driving and more tricky manoeuvres, delivering even greater safety and convenience.

POWERED CONVENIENCE

Discovery offers ultimate convenience. Powered gesture tailgate¹ allows you to open and close the boot even when your hands are full, while the powered inner tailgate provides a platform for social events, or more everyday tasks like changing the kids' muddy boots. Plus, the all-new Activity Key² lets you enjoy your adventures without needing to take your conventional car key.

¹Standard on R-Dynamic HSE, optional on the rest of the range. ²Optional feature.

LAND ROVER

COMFORT WITHOUT COMPROMISE

Create the perfect cabin environment for you, your family and friends. Unique to Land Rover Discovery, three rows of heated full-size seats¹ mean each passenger can set their preferred level of warmth, while Four-zone Climate Control² lets you configure the temperature in the first two rows and improve ventilation to the third. Optional Cabin Air Ionisation enhances driver and passenger wellbeing with a specially designed filter that captures fine particles from the outside air, such as PM2.5 and airborne allergens like dust and pollen. Entry and exit to the vehicle is made easier with Automatic Access Height, using air suspension to lower the vehicle by up to 40mm.

¹Heated second and third row seats are an optional feature.

²Optional feature. Only available with fixed or sliding panoramic roof.

STAY CHARGED

Stay connected on all your adventures. Land Rover Discovery's multiple USB-C charging points and additional USB port incorporated into the integrated Click and Go dock mean every occupant can enjoy fast charging and entertainment wherever they're sat in the vehicle. Optional wireless device charging with phone signal booster also removes the need for wires or charging docks.

DRIVER ASSISTANCE PACKS

BLIND SPOT ASSIST PACK¹

Blind Spot Assist² - If another car is detected in your blind spot when you begin to change lanes, a warning light illuminates in the corresponding door mirror and steering torque encourages you to guide your vehicle away from potential collision.

Clear Exit Monitor - Warns passengers as they exit of approaching hazards, such as passing vehicles and cyclists.

Rear Traffic Monitor - Warns you of vehicles, pedestrians or other hazards approaching from either side. Particularly useful when reversing out of a parking bay.

¹Standard on R-Dynamic SE and HSE, optional on the rest of the range. ²Blind Spot Assist can help prevent collisions. If your vehicle detects another car in your blind spot when you begin to change lanes, a rotational force is automatically applied to the steering wheel - indicating a steering correction should be made. ³Standard on R-Dynamic HSE, optional on the rest of the range.

In-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

DRIVER ASSIST PACK³

Blind Spot Assist Pack - Contains the features of Blind Spot Assist Pack: Blind Spot Assist², Rear Traffic Monitor and Clear Exit Monitor.

Rear Collision Monitor - If a vehicle approaching from behind is not slowing down, Land Rover Discovery will attempt to alert the approaching driver to brake by automatically flashing the hazard lights.

Adaptive Cruise Control - Keeps your vehicle a safe distance from the vehicle in front, should it slow or stop when you're cruising or travelling in slow-moving traffic. If the vehicle in front stops, you will come to a smooth halt.

DESIGN

CAPABILITY

IN-CAR TECHNOLOGY

YOUR DISCOVERY

THE WORLD OF
LAND ROVER

CAPABILITY

From refinement and fuel economy to effortless power, Discovery offers a range of engines. For clean, efficient power, our Mild Hybrid engines utilise a battery to harvest, store and redeploy energy normally lost during deceleration*. Our petrol engines provide an engaging, direct driving experience well suited to shorter journeys like shopping trips and after-school activities.

Or, offering fantastic fuel economy over greater distance and producing higher levels of torque at lower engine speeds, diesel engines are ideal for longer journeys, motorway cruising, towing and off-roading.

*MHEV technology standard on D250, D300 and P360 powertrains.

ULTIMATE ADAPTABILITY

All Wheel Drive (AWD) ensures a confident drive, on or off road. On slippery surfaces, such as grass and snow, AWD and Terrain Response work together to automatically balance torque between the front and rear wheels, maximising traction. Plus, a towing capability of up to 3,500kg and Advanced Tow Assist* make transporting anything from trailers to horseboxes easier.

*Available on D250, D300 and P360 powertrains only.
Only available as part of Towing Pack or Advanced Off-Road Capability Pack.

DESIGN

LAND ROVER

EXPLORE IN CONFIDENCE

Achieve the best possible vehicle setup through Terrain Response 2¹, which automatically selects the optimum driving mode. Hill Descent Control takes the strain out of difficult slopes by maintaining a constant speed and applying braking separately to each wheel, while All Terrain Progress Control¹ helps to set and maintain a steady speed in challenging off-road conditions. A 900mm wading depth and Wade Sensing technology also help to confidently tackle water crossings, alerting you if water approaches the maximum wading depth².

¹Only available on D250, D300 and P360 powertrains. Only available with twin-speed transfer box. ²Always check route and exit before wading.

DESIGN

VERSATILITY

CAPABILITY

IN-CAR TECHNOLOGY

EFFORTLESS OFF ROAD

Making each journey easier, ClearSight Ground View¹ allows you to effectively see 'through' Land Rover Discovery's bonnet and display multiple exterior views as you drive. Adaptive Dynamics automatically optimises the suspension settings to provide the perfect balance of refinement and agility, while Configurable Terrain Response² allows you to individually personalise your off-road system preferences.

Combine this with Discovery's Twin-speed Transmission³ - which can prove invaluable in challenging conditions such as steep inclines or declines - and you'll find that no adventure is out of reach.

¹Image is not live. Check surroundings for safety. ²Only available on D300, P300 and P360 powertrains. Optional feature.

³Only available on D250, D300 and P360 powertrains. Optional feature.

SIMPLICITY AS STANDARD

Find what you're looking for quickly - without getting lost in menus, screens and hidden features. Land Rover Discovery's infotainment system, Pivi Pro, features an intuitive 11.4" Touchscreen interface for greater efficiency and enjoyment. Reach everyday tasks in two taps or less, right from the home screen. You'll be accompanied by the latest in-car artificial intelligence, providing features such as the self-learning navigation system, for a fully connected journey*.

android auto

*Connected Navigation will require further subscription after the initial term advised by your Land Rover Retailer.

Your vehicle is prepared for Apple CarPlay. The services offered by Apple CarPlay depend on feature availability in your country, please see apple.com/uk/ios/feature-availability/#apple-carplay for more information. Your vehicle is prepared for Android Auto. The services offered by Android Auto depends on feature availability in your country, please see android.com/intl/en_uk/auto/ for more information.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

Pivi and InControl features, options, third party services and their availability remain market dependent - check with your Land Rover Retailer for local market availability and full terms. Mobile network connectivity cannot be guaranteed in all locations. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected.

PREMIUM FUNCTIONALITY

With Pivi Pro you'll enjoy fast start-up and even greater connectivity. With the Remote App*, your Discovery is always in the palm of your hand. Preset your navigation, confirm your vehicle's location, check fuel levels and set the interior temperature - all before you've opened the car door. Along the way, intelligent re-routing can find you the best path to take, as well as updating parking availability, fuel price comparisons, café locations and traffic hotspots. Intelligent and intuitive, it also learns your regular and favourite routes, so that Smart Voice Guidance can make sure your song won't be interrupted with unnecessary instructions. Featuring a 12.3" Interactive Driver's Display, and an optional Head-up Display, which projects key information onto the windscreen in your line of sight, so you can focus on the road ahead.

*Remote contains subscription services that can be extended after the initial term advised by your Land Rover Retailer. The Remote App will need to be downloaded from the Apple App Store/Google Play Store. Pivi Pro will continue to be enhanced via SOTA updates.

In-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

ENTERTAINMENT FOR ALL

We know how important it is for you to stay connected. With Pivi Pro's Online Pack with Data Plan¹, you can enjoy your favourite music streamed from multiple services, including Spotify, Tunes and Deezer, right through your Discovery's speakers. As passengers, you can all take full advantage of the optional Wi-Fi Enabled with Data Plan², streaming entertainment with up to 20GB of data per month. Whether that's browsing your socials, playing online games, or immersing yourselves in a movie³.

¹Fair use policy may apply. Standard 1 year subscription, which can be extended after the initial term advised by your Land Rover Retailer.

²Fair use policy applies. After 20GB of data is used within a month, data speeds and functionality on vehicle may reduce for the rest of the month.

³Playback time is dependent on streaming provider and the definition of the video content.

For details of the Fair Usage Policy associated with this feature, please refer to the InControl Pivi Pro Terms at landrover.com/pivi-pro-terms.

HD video will significantly increase data usage.

WITH MERIDIAN™, YOU'LL FEEL MORE

Meridian's™ approach to in-car audio is all about managing the sound stage; intensifying the levels of depth, clarity and realism of the music, by using a combination of sophisticated acoustic technology and strategically positioned speakers.

Wherever you sit in the vehicle, you'll get the same concert quality sound. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It's intimate, dramatic and very atmospheric - whether you're off road or stuck in rush-hour traffic.

EXPLORE MERIDIAN™

Meridian is a registered trademark of Meridian Audio Ltd. Trifield and the three fields device is a trademark of Trifield Productions Ltd. Features and their availability may differ by vehicle specification and market.

Visuals aim to represent the perceived placement of the musicians based on an occupant seated on the right side of the vehicle.

8 SPEAKERS

1. SOUND SYSTEM

Gives new levels of realism to your favourite music with a combination of speakers, channel amplifier, Audio Equalisation and Dynamic Volume Control.

12 SPEAKERS 1 SUBWOOFER 400W AMPLIFIER POWER

2. MERIDIAN™ SOUND SYSTEM

Brings detail and clarity to everyone in the car with strategically arranged speakers and a dual-channel subwoofer to deliver a full, sophisticated sound.

14 SPEAKERS 1 SUBWOOFER 700W AMPLIFIER POWER

3. MERIDIAN™ SURROUND SOUND SYSTEM

Enjoy an engaging, authentic concert hall experience as you're enveloped in the fullness and clarity of side, front and rear speakers seamlessly integrated using Trifield™ technology.

THE LAND ROVER COLLECTION

Our exclusive collection of accessories is inspired by our vehicles and made with a quintessentially British sense of style.

Land Rover Chronograph Watch - This timepiece features a solar charging face with date aperture and instrument cluster chronograph. Orange accent to the sub-dials, outer dial and second hand.

Premium Golf Umbrella - Non-conductive fibreglass frame golf umbrella. Features vented canopy for additional wind resistance and Land Rover wordmark to the canopy edge.

Modern Driver's Jacket - Be ready for every kind of road. This contemporary driver's jacket offers incredible versatility. Features quilted shoulders, branded poppers to the cuffs and a brushed metal effect wordmark tag. Water-resistant zips and DWR® coating.

Land Rover Business Hard Case - Taking design cues from our Land Rover skid plate, this business case in Graphite Grey is ready for whatever the workday brings. A polycarbonate shell, an aluminium frame and TSA-approved locks mean important documents are always kept secure.

Weekender Bag - Packed with versatility. Made from highly supple oil-washed natural grained brown leather, this Weekender Bag is flexible in every sense. Ideal for day trips or extended excursions, it features sturdy handles, a detachable padded shoulder strap and a practical zip pocket. Includes protective dust bag.

Defender Multi-tool - Black steel credit card sized multi-tool crafted into a Defender silhouette. Features a range of practical tools including tyre tread gauge.

Unladen weight (DIN)†	2,209	2,342
Gross Vehicle Weight (GVW)	3,120	3,210
Seating	7	7
Unbraked trailer	750	750
Maximum towing	3,000	3,500
Maximum coupling point (nose weight)††	350	350
Maximum vehicle and trailer combination	6,120	6,710
Maximum roof load (including cross bars)	80	80

■ Standard - Not Available.

*Weights reflect vehicles to standard specifications. Optional extras increase weight.

**Includes a 75kg driver, full fluids and 90% fuel.

†Includes full fluids and 90% fuel.

††When fitted with Electrically Deployable Tow Bar. 195kg with Detachable Tow Bar.

DIMENSIONS AND CAPABILITIES

STANDARD RIDE HEIGHT

Maximum height 1,888mm
 Access height air suspension setting will reduce the above by 40mm

OFF-ROAD RIDE HEIGHT

Maximum height 1,964mm

HEADROOM

Maximum row 1/row 2 headroom with standard roof 1,001mm / 991mm
 Maximum row 1/row 2 headroom with panoramic roof 1,016mm / 991mm

LEGROOM

Maximum front legroom 993mm
 Maximum rear legroom second row 950mm
 Maximum rear legroom third row 850mm

LOADSPACE CAPACITY

Height 854mm, Width 1,411mm*
 Loadspace width between arches 1,200mm
 Maximum loadspace volume behind first row
 Dry 1,997 litres** Wet 2,391 litres†
 Maximum loadspace volume behind second row
 Dry 922 litres** Wet 1,137 litres†
 Maximum loadspace volume behind third row
 Dry 172 litres**, Wet 258 litres†

OBSTACLE CLEARANCE

Standard 207mm
 Off-road 283mm

TURNING CIRCLE

Kerb-to-kerb 12.41m
 Wall-to-wall 12.84m
 Turns lock-to-lock 2.7

WADING DEPTH†

Maximum wading depth 900mm

Width 2,073mm mirrors folded
 Width 2,220mm mirrors out

	A	B	C
Ride Height			
Approach Angle	26.0°	21.2°	24.8°
Ramp Angle		27.5°	
Departure Angle			30.0°
Off-road†	34.0°		

Wheelbase 2,923mm

*Loadspace width will be 1,273mm when 4-zone climate control is fitted. **Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm). †Wet: Volume as measured by simulating the loadspace filled with liquid. ††Wading depth (25 deg entry and exit) 750mm, deep fording depth (9 deg entry and exit) 900mm. †In off-road height and tow eye cover removed.
