

The new Arteon and new Arteon Shooting Brake

Price and specification guide

Effective from 4.2.2021

Are you ready to be captivated?

The new Arteon and new Arteon Shooting Brake make a bold statement, with their expressive design, flowing silhouettes and athletic sportiness. The stylish and dynamic exterior exudes confidence and charisma, while inside, the all-new cockpit tells a story of inner strength, with high functionality, up-to-the-minute technology and avant-garde design touches. Intuitive handling, wireless communications and the latest driver assistance systems transform your journey, delivering new levels of comfort, practicality and safety. Gran Turismo or Shooting Brake, the new Arteon can't help but impress. Step inside and be captivated.

Model shown is new Arteon Shooting Brake R-Line with optional 20" 'Nashville' alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, Park Assist and metallic paint.

Front cover models shown are new Arteon Elegance with optional 20" 'Rosario Dark Graphite' matt alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, sunroof, Assistance Pack Plus, rear tinted glass and metallic paint and new Arteon Shooting Brake R-Line with optional 20" 'Nashville' alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, Park Assist and metallic paint.

The new Arteon.

Refined and distinctive, the new Arteon demands to be noticed, with its long, low-slung body, gently curved contours and head-turning looks.

Roof and window contours sweep down in parallel from the B-pillars, combining with stylish alloys to create a sporty Gran Turismo.

Model shown is new Arteon Elegance with optional 20" 'Rosario Dark Graphite' matt alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, sunroof, Assistance Pack Plus, rear tinted glass and metallic paint.

01 There's no mistaking the **flowing silhouette** of the new Arteon, combining extravagance and purity of design to create real road presence.

02 The **elegant front design** is characterised by a long, wide bonnet and radiator grille featuring the Volkswagen roundel at the centre, with striking chrome louvres and new black air intakes. Specify the 'IQ. Light' LED headlights and a striking LED light strip extends across the radiator grille to create continuous illumination with the headlights. Optional on Elegance and R-Line models. 'IQ. Light' LED headlights on 1.4 ltr TSI eHybrid 218 PS models do not include illuminated radiator grille strip.

The new Arteon Shooting Brake.

Spacious, stylish and dynamic, the new Arteon Shooting Brake reinterprets the classic estate concept, combining exclusivity and practicality at a high level. With impressive luggage capacity, plenty of headroom in the front and rear, and new levels of functionality, it has the flexibility to meet all your needs.

01

Model shown is new Arteon Shooting Brake R-Line with optional 20" 'Nashville' alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, Park Assist and metallic paint.

02

02 New LED tinted tail light clusters with dynamic sequential indicator function and chrome-effect trapezoid dummy exhaust tailpipe surrounds emphasise the new Arteon's striking rear design. Standard on Elegance and R-Line models.

01 The imposing front design commands attention with its wide radiator grille and stylish chrome strips creating a low sporty stance, while roof and window lines extend towards the rear, culminating in the new designed tailgate. Windows run parallel to the roof, getting narrower towards the rear, creating a sleek and sporty rear profile, enhanced by eye-catching alloys.

¹ Figures for the Volkswagen Arteon and Arteon Shooting Brake range, including petrol, diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 4.2.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer. ² The recommended 'On the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020. For full details of 'First year rate' VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended 'On the road' retail price, [please click here](#). ³ P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. ⁴ The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. ⁵ The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

[‡] These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

[†] Please note these models are only available from stock and not available to factory order.

SCR (Selective Catalytic Reduction) requires AdBlue[®], [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 4 FEBRUARY 2021.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 4 FEBRUARY 2021.

Standard items of equipment: SE Nav†.

VOLKSWAGEN SERVICE
 3-year/60,000 miles warranty (whichever is soonest)
 3-year paintwork warranty
 12-year body protection warranty
 Volkswagen Roadside Assistance
 Exclusions and terms apply, [please click here](#) for more details

WHEELS AND SUSPENSION
 Alloy wheels, four 7½J x 17" 'Cardiff' with 225/55 R17 tyres and anti-theft wheel bolts
 Tyre mobility kit, in lieu of spare wheel

EXTERIOR
 Body-coloured bumpers, door handles and side skirts
 Body-coloured top and matt black lower door mirrors with integrated indicators
 Chrome trim headlight surrounds extending into radiator grille
 Chrome trim on side window surrounds
 Chrome trim on radiator grille louvres
 Frameless side windows with 'one-touch' and 'convenience' opening and closing functions
 Heat insulating windscreen, and front and rear windows

EXTERIOR (CONTINUED)
 LED rear number plate lights
 LED self-levelling headlights
 - Dynamic headlight range control
 - LED headlights with separate LED daytime running lights
 LED rear light clusters
 Part galvanised body
 Rear windscreen wash/wipe (Arteon Shooting Brake only)
 Stainless steel door sill protectors, front and rear
 Windscreen wiper with intermittent wipe and 4 position delay

INTERIOR
 Aluminium trim on upper and lower air vents extending across cockpit
 Brushed aluminium decorative inserts in dash and door panels
 Brushed aluminium interior door handles
 Carpet mats, front and rear
 Cup holders, front x 2
 Chrome trim on light switch and air vent surrounds
 Driver's and front passenger's sun visors with vanity mirror
 Front centre armrest, longitudinally and height adjustable with storage compartment, and two rear air vents
 Glovebox, cooled and lockable
 Height and reach adjustable steering wheel
 Leather trimmed three-spoke multifunction steering wheel and gear knob. Including paddle shift (auto DSG only)
 LED interior lighting: 2 reading lights front and rear with interior delay and dimming function
 LED luggage compartment lights

INTERIOR
 Luggage compartment cover
 Luggage compartment load lashing points x 4
 Mistral Grey rooflining
 'Piano Black' decorative inserts in centre console
 Rear centre armrest with two cup holders when folded down
 Seating
 - Upholstery - 'Sideways' cloth
 - Driver's seat with 6-way electric adjustment. Driver's ergoComfort seat with electrically adjustable backrest angle and 4-way electrically adjustable lumbar support. Manually adjustable seat height, seat length, seat cushion angle and seat cushion depth
 - Front passenger sports comfort seat with height and lumbar adjustment
 - Split folding rear seat backrests, 60:40 with centre armrest
 Storage compartment in driver's and front passenger's door
 Storage compartment in rear doors
 Storage compartment with soft-touch opening cover in centre console
 Storage compartment in luggage area, right
 Vanity mirrors, illuminated
 12V socket in centre console storage area
 12V socket on rear of front centre armrest

SAFETY AND SECURITY
 ABS (Anti-lock Braking System) - includes BAS (Brake Assist System) and EBD (Electronic Brake-pressure Distribution)
 Active bonnet - sensor controlled pedestrian protection system to raise bonnet away from engine compartment in the event of an impact

SAFETY AND SECURITY (CONTINUED)
 Airbags
 - Curtain airbag system for front and rear seat occupants
 - Driver's and front passenger's airbags with passenger's airbag deactivation switch
 - Driver's knee airbag
 - Front seat side impact airbags
 Alarm with interior protection with deactivation via infotainment system
 Automatic coming/leaving home lighting function
 Automatic hazard light activation under emergency braking

Disc brakes, front and rear, front ventilated
 Driver's and front passenger's safety-optimised head restraints
 Electrically heated, adjustable and foldable door mirrors, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side
 Electronic engine immobiliser
 Emergency release function in rear tailgate (Arteon Gran Turismo only)
 ESC (Electronic Stability Control) - includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function, with deactivation via infotainment system
 Height-adjustable front three-point seat belts with tensioners

Isofix child seat preparation, easy-fit (for 2 outer rear seats)
 LED high level 3rd brake light
 Misfuel prevention device for diesel engines
 PreCrash preventive occupant protection

SAFETY AND SECURITY (CONTINUED)
 Press and drive, keyless engine Start/Stop
 Proactive occupant protection - using sensors from the Front Assist monitoring system to detect critical situations with elevated accident potential from the front
 Remote central locking with 2 remote folding keys
 Rigid safety cell with front and rear crumple zones
 Two-tone horn
 Tyre pressure loss indicator
 Warning sound and light for front and rear seat belts if unfastened
 Warning triangle
 3 rear head restraints, height adjustable
 3 rear three-point seat belts with tensioners on outer seats

COMFORT AND CONVENIENCE
 Automatic dimming interior rear-view mirror
 Climate control - 'Air Care Climatronic' 3Zone electronic air conditioning with automatic air recirculation. Independent temperature control, air intensity and settings for driver, front passenger and rear seat passengers controlled via infotainment system
 Electric windows, front and rear
 Electrically-operated tailgate opening and closing function, operated via foot movement under rear tailgate, from driver's door or remotely via key fob (Arteon Shooting Brake only)
 Heated rear window
 Front footwell illumination
 Keyless entry using key fob including Start/Stop button on centre console (all Arteon Shooting Brake models)
 Rain sensor

† Please note these models are only available from stock and not available to factory order. The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Standard items of equipment: SE Nav† (continued).

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Discover Media Navigation infotainment system

- 8.0" colour touch-screen with touch sensitive functionality
- Bluetooth telephone and audio connection for compatible devices¹
- Branded points of interest
- Car information display
- DAB digital radio receiver
- Dynamic guidance via We Connect Plus online traffic information
- In-Car shop: Purchase additional services i.e. We Connect contract extensions or upgrade to navigation services after vehicle purchase
- Integrated SIM-card
- MDI (Multi Device Interface), via USB-C connection – compatible products only
- Music playback from MP3, WMA and AAC files
- Preloaded European navigation data
- Simultaneous pairing of 2 compatible mobile devices
- SMS functionality – read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)
- Speed Limit Display²
- Three route options (Fast, Short, Eco)
- Title and cover art display
- 1 x USB-C connection, USB charging socket (compatible products only)
- 2D/3D map view
- 4 x 20 watt output
- 8 speakers, front and rear

IN-CAR ENTERTAINMENT AND COMMUNICATIONS (CONTINUED)

'App-Connect'³

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'TM allowing 'mirroring' of smartphone display on the infotainment touch-screen

- Wireless connection for Apple 'CarPlay'

- USB connection for Google 'Android Auto' and 'MirrorLink'TM

Premium USB-C cable (choice of either Apple or Android smartphone compatibility)

WE CONNECT PLUS

We Connect Plus preparation^{4,5}

- Driver and vehicle integration via We Connect Portal or We Connect app

- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response

- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity

- Navigation based services for: Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations. Online map updates

- Streaming and internet based services⁶ for: Internet radio, Wi-Fi hotspot and Media streaming⁵

- Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position, Service schedule, Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Lock & unlock⁷

DRIVER'S ASSISTANCE

Adaptive Cruise Control (ACC) with Predictive Cruise Control⁸

- Adaptive Cruise Control, accelerates and brakes in order to maintain a predetermined set speed and distance to the vehicle in front

- Dynamic Road Sign Display uses the front camera in combination with navigation data to detect road signs

- Predictive Cruise Control, utilises Dynamic road sign recognition and navigation data to automatically adjust the speed of the vehicle for bends, roundabouts and junctions and automatically speeds up or slows down to the designated speed limit

- Speed limiter, restricts the vehicle to a predetermined set speed

- Traffic Jam Assist, Stop and Go, in conjunction with DSG gearbox it will automatically accelerate when the vehicle in front moves forward

Coasting function

Digital Cockpit Pro, 10.25" high resolution TFT dash display screen with customisable menus and information

Driver Alert system, fatigue detection

Dusk sensor, automatic driving lights

Electronic parking brake – with auto hold function

Front Assist with City Emergency Braking and Pedestrian Monitoring

- Front Assist, the front camera and radar monitor the traffic situation in front of your vehicle, warning you when you get too close and even applying the brakes, if necessary, to help avoid a collision

- City Emergency Braking, active in traffic at speeds up to 19mph, the system will boost brake pressure if required to help prevent a collision

- Pedestrian Monitoring, the radar monitors an area in front of your vehicle for pedestrians, warning you or applying the brakes if it determines the pedestrian may cross your path

DRIVER'S ASSISTANCE (CONTINUED)

High Beam Assist, automatic sensing for switching between dipped and main beam

- Lane Assist with Road Edge Recognition
- Lane Assist, camera controlled warning system that recognises road markings to correctively steer your vehicle should drift out of its lane

- Road Edge Recognition, detects kerbs, grass verges and lane markings

Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system

Progressive steering

Remote tailgate unlocking, via key fob

Speedo and rev counter, electronic odometer, trip, service interval display and fuel gauge

Warning light for low washer fluid

Warning 'lights on' sound

Warning notification for doors and tailgate, if open

EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)

Start/Stop function

- 1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 2 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 3 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.
- 4 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.
- 5 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.
- 6 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com
- 7 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.
- 8 The intelligent technology of Adaptive Cruise Control (ACC) with predictive cruise control cannot overcome the laws of physics and functions only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

† Please note these models are only available from stock and not available to factory order.

Additional items of standard equipment: Elegance (over SE Nav).

WHEELS AND SUSPENSION

Alloy wheels, four 8J x 18" 'Almere Adamantium Silver' with 245/45 R18 self-sealing 'AirStop' tyres and anti-theft wheel bolts

Dynamic Chassis Control (DCC) lowered by approx. 15mm, allows individual tuning of shock absorption and other driving mode characteristics. Choice of five preset modes: Eco, Comfort, Normal, and Sport, as well as an Individual mode that allows up to 43 selectable stages (Standard on Elegance and R-Line 1.4 ltr TSI eHybrid 218 PS and optional on all other models)

EXTERIOR

Body-coloured side skirts with chrome inserts

Chrome effect single trapezoid dummy exhaust tailpipe surrounds, left and right

Chrome trim on lower bumper, front and rear

Chrome trim on lower doors, front and rear

LED tinted rear light clusters with dynamic sequential indicators

Matt-chrome effect top and matt black lower door mirrors with integrated indicators

Unique 'Elegance' badging on front panels

INTERIOR

Leather trimmed three-spoke multifunction capacitive touch-sensitive steering wheel and gear knob. Including paddle shift (auto DSG only)

Seating

- Upholstery - 'Art Velours' with 'Vienna' leather side bolsters¹
- Heated front seats with 3 preset temperature settings

Stainless steel pedals - clutch, brake and accelerator (brake and accelerator pedals only on auto DSG models)

SAFETY AND SECURITY

PreCrash preventive occupant protection, rear (not R-Line models)

COMFORT AND CONVENIENCE

Electrically-operated boot opening and closing function, operated via foot movement under rear tailgate, from driver's door or remotely via key fob

Heated windscreen washer jets

Keyless entry using key fob including Start/Stop button on centre console (Arteon Gran Turismo models)

DRIVER'S ASSISTANCE

Driver profile selection - choice of three settings: Eco, Normal and Sport modes

Driver Personalisation profile - set up to 4 profiles to preset the radio stations, phone connectivity and contacts, default address in navigation system and We Connect Plus settings

Driving Profile Selection - choice of 4 preset modes: Eco, Normal, Sport or Individual modes. Individual mode allows manual settings for steering, drive, Adaptive Cruise Control (ACC), dynamic cornering lights and air conditioning settings

Emergency Assist, driver intervention should sensors detect the driver is incapable of driving or no contact with the capacitive touch-sensitive steering wheel for 10 seconds. Initially by visual and audible warnings and a braking jolt. If no response, the systems initiate automatic hazard light activation while slowing the vehicle down, steering the vehicle into the left hand lane and bringing it to a controlled stop - traffic behind permitting (DSG gearbox only)

Rear-view camera with Corner view and Trailer view (not R-Line models)

- Rear-view camera, displayed via the vehicle's infotainment system display
- Corner view, displaying a wider 170 degree view via the vehicle's infotainment system display
- Trailer view, displaying a bird's eye view of the towbar via the vehicle's infotainment system display to facilitate easier hitching

DRIVER'S ASSISTANCE (CONTINUED)

Side Assist with Rear traffic alert (not R-Line models)

- Side Assist, two radar systems at the rear monitor the areas behind the car and the blind spots at the sides to provide a warning for lane changing and blind spots from speeds of 6mph and above. The system sees fast approaching vehicles in adjacent lanes with visual warning via light in door mirror housing. The system can intervene and countersteer if a vehicle is detected as the driver attempts to overtake

- Rear traffic alert, radar sensor controlled rear warning system for vehicles approaching from the sides whilst reversing from driveways or parking spaces. Two radar sensors integrated in the rear bumper monitor traffic to intervene with emergency braking if the driver does not react

Travel Assist with Traffic Jam Assist and Roadwork Lane Assist

- Travel Assist, camera and radar sensor controlled lane guidance assistance system to allow partially assisted driving up to 130 mph (where the law permits), as long as the driver is in contact with the capacitive touch-sensitive steering wheel
- Roadwork Lane Assist, camera and radar sensor controlled lane guidance assistance system to allow partially assisted driving through roadworks and narrower lanes, as long as the driver is in contact with the capacitive touch-sensitive steering wheel
- Traffic Jam Assist, Stop and Go, will automatically accelerate when the vehicle in front moves forward (DSG gearbox only)

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Voice activation, for telephone and navigation functions

Model shown is new Arteon Elegance with optional 20" 'Rosario Dark Graphite' matt alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, sunroof, Assistance Pack Plus, rear tinted glass and metallic paint.

¹ Some parts of leather interior will contain artificial leather.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Additional items of standard equipment: R-Line (over Elegance).

Model shown is new Arteon Shooting Brake R-Line with optional 20" 'Nashville' alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, Park Assist and metallic paint.

WHEELS AND SUSPENSION
Alloy wheels, four 8J x 19" 'Montevideo Black' with 245/40 R19 self-sealing 'AirStop' tyres and anti-theft wheel bolts

4MOTION – 4 WHEEL DRIVE MODELS
4MOTION Active Control. Four driving modes: On road, Off-road, Off-road Individual and Snow. 4MOTION models only, [please click here](#) for more details

EXTERIOR
Body-coloured top and matt black lower door mirrors with integrated indicators
Chrome effect twin trapezoid dummy exhaust tailpipe surrounds, left and right
'Gloss Black' rear tailgate spoiler (Arteon Gran Turismo only)
Rear tinted glass from B-pillar backwards, approx. 65% tinted
'R-Line' styling pack – 'R-Line' design front bumper with unique 'C' signature
'Gloss Black' front air intakes
Unique 'R-Line' badging on front panels

INTERIOR

'Black' rooflining
Leather trimmed three-spoke multifunction capacitive touch-sensitive steering wheel with 'R-Line' logo. Including paddle shift (auto DSG only)
Seating
– Upholstery – 'Art Velours' with 'Vienna' leather side bolsters¹
– Front seats with 'R-Line' logo on seat backrest
'Silver Rise' decorative inserts in dash and door panels
Unique 'R-Line' door sill protectors

COMFORT AND CONVENIENCE

Ambient lighting in front footwell, light strips below trim in front and rear doors and dashboard. Choice of 30 colour options
Panoramic sunroof, electric, double glass panel, front sliding/tilting, rear fixed including integrated roller blind (Arteon Shooting Brake only)
Sunroof, electric, single glass panel, sliding/tilting including integrated roller blind (Arteon Gran Turismo only)

¹ Some parts of leather interior will contain artificial leather.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Spaciousness and practicality second to none.

All occupants in the new Arteon and new Arteon Shooting Brake benefit from the exceptional interior spaciousness. Maximum legroom in the rear is 1,016mm, setting a benchmark for comfort and, thanks to the unique design of its roof section, the Arteon Shooting Brake offers more headroom both front and rear.

01 The rear seat backrest can be **folded asymmetrically** in both models, providing a maximum load space length in the Arteon Shooting Brake of 2.09m, offering even greater stowage capacity.

02 The luggage compartment in the new Arteon Shooting Brake provides up to 1,632 litres when the rear seats are folded flat. It is easy to load thanks to the large rear tailgate and low loading sill. With the **electrically-operated tailgate opening and closing function** enabling you to open and close the tailgate via a foot movement under the rear tailgate, providing you have the key on you, or from the driver's door. Keyless entry with 'easy open' full electric tailgate operation is standard on all Arteon Shooting Brake models.

Model shown is new Arteon Shooting Brake R-Line with optional 20" 'Nashville' alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, Park Assist and metallic paint.

Elegance that **touches all senses.**

The spacious interior is unashamedly luxurious, providing such features as a leather trimmed three-spoke multifunction steering wheel, front sports comfort seats with lumbar support, Adaptive Cruise Control (ACC) and press and drive keyless engine Start/Stop, all fitted as standard, along with a choice of the finest materials and finishes.

01 Ambient lighting offers a choice of up to 30 colours, gently illuminating the front and rear door panels and Digital Cockpit Pro display, bathing the cabin in your favourite colour and creating a relaxing atmosphere. Standard on R-Line and optional on Elegance models.

[Configure now >](#)

01

Interior shown is new Arteon R-Line.

02

01 The leather trimmed three-spoke multifunction capacitive touch-sensitive steering wheel gives you instant access to many different functions, such as intelligent menu navigation displayed on the screen of the Digital Cockpit Pro. A gentle vibration on your fingertip confirms each input. Standard on Elegance and R-Line models.

02 Most of the classic function buttons have been replaced with user-friendly, touch-sensitive surfaces. **Touch sliders**, for example, easily and efficiently regulate the 3Zone electronic air conditioning.

Taking connectivity and acoustics to a new level.

The interior offers new levels of acoustics and connectivity, with the optional Harman/Kardon sound system and state-of-the-art communication and navigation functions, making every journey an exciting and pleasant experience.

Model shown is new Arteon Shooting Brake R-Line with optional 20" 'Nashville' alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, Park Assist and metallic paint.

01 The Discover Navigation Pro infotainment system including streaming and internet with We Connect Plus preparation^{1,2} has impressive features which enable you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 3D map view which can be easily followed on the 9.2 inch colour touch-screen with 'gesture control', three calculated route choices (Fast, Short and Eco) and dynamic guidance via We Connect Plus online traffic information. The system also offers branded points of interest and Speed Limit Display³. We Connect Plus preparation provides streaming and internet based services⁴ for Internet radio, Wi-Fi hotspot and Media streaming with navigation based services for Online voice control, Online traffic information, Online route calculations and Online destination import. It also includes vehicle based services for Area alert, Speed alert, Horn and indicators, Online anti-theft alarm and Lock & unlock⁵. The infotainment system also includes a DAB digital radio receiver, MDI (Multi Device Interface) via USB-C connection – compatible products only, music playback from MP3, WMA and AAC files and title and cover art display. Connection for Bluetooth telephone and audio compatible devices⁶ are available, along with simultaneous pairing of two compatible mobile devices and SMS functionality – allowing you to read, compose and send SMS messages using the touch-screen display when the vehicle is stationary (compatible Android smartphones only). Optional on Elegance and R-Line models.

02 The exclusive Harman/Kardon digital sound system features a sophisticated, elegant design, equipped with a subwoofer, 16 channel digital amplifier and surround sound, delivering seriously impressive acoustics via 10 speakers. One loudspeaker acts as the centre speaker, while another operates as a subwoofer in the luggage compartment, the remaining treble, mid-range and bass loudspeakers have been arranged in the doors. The infotainment system co-ordinates the individual sound control of the Harmon/Kardon sound system which also provides pre-configured settings such as Pure, Chill-out, Live and Energy. Optional on Elegance and R-Line models.

Depending on which smartphone you have, you can connect 'App-Connect'⁷ to one of three interfaces: Wireless connection for Apple 'CarPlay', and via USB-C connection for Google 'Android Auto' or 'MirrorLink'TM, allowing your smartphone display to be 'mirrored' on the infotainment touch-screen and giving access to your favourite smartphone functions, such as music, messages, phone and news. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on all models. Image shown features optional Discover Navigation Pro infotainment system.

Driver's assistance systems.

The latest state-of-the-art driver assistance systems make your driving experience as easy and stress-free as possible especially on long journeys, helping to keep you safe, whether you are driving or even parking by keeping a constant eye on the road and your surroundings.

01 Travel Assist keeps you in lane on motorways and well-maintained country roads, helping to regulate your speed and ensuring you travel at a safe distance from the vehicle in front whilst keeping you in your chosen lane. Working in conjunction with the DSG dual clutch gearbox, thanks to Traffic Jam Assist, it copes effortlessly with congestion and stop-start traffic. Standard on Elegance and R-Line models.

02 With Area View, front, rear and side cameras provide a 360-degree exterior view of the vehicle and surroundings, giving a bird's eye view, displayed on the infotainment system's screen and offering invaluable assistance whether parking or manoeuvring. Optional on Elegance and R-Line models. Image shown features optional Discover Navigation Pro infotainment system.

Model shown is new Arteon Elegance with optional 20" 'Rosario Dark Graphite' matt alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, sunroof, Assistance Pack Plus, rear tinted glass and metallic paint.

1 Not in conjunction with 1.4 ltr TSI eHybrid 218 PS models. 2 Standard on 1.4 ltr TSI eHybrid 218 PS models.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO₂ emissions, BIK % and VED Bands with optional wheels section](#).

● Standard equipment ○ Optional equipment - Not available. Factory-fitted options are subject to availability and extended delivery.

† Please note these models are only available from stock and not available to factory order.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

131-150	205.00	895.00
151-170	530.00	1,220.00
171-190	860.00	1,550.00
191-225	1,295.00	1,985.00
226-255	1,840.00	2,530.00
Over 255	2,165.00	2,855.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their 'First year rate' to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the 'First year rate' VED the majority of vehicles move to the 'Standard rate' of vehicle tax which is £150 a year.

The 'First year rate' will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £475 a year, after the first 'First year rate' vehicle tax, for a period of five years. This comprises the £150 'Standard rate' and £325 additional rate. After five years the vehicle tax will revert to the 'Standard rate' of £145 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £465 a year after the 'First year rate' vehicle tax for a period of five years. This comprises the £140 'Standard rate' and £325 additional rate which reverts to £140 'Standard rate' after five years.

Vehicles with a list price exceeding £40,000 (excluding vehicles with zero emissions) will pay the additional rate of £325 a year for a further five year period, after the 'First year rate' tax. After the five year period these vehicles will pay zero VED tax.

[†] Diesel cars that are tested to RDE2 standards. [‡] Diesel cars, including those tested to RDE standards.

'STANDARD RATE' VED

'Standard rate' VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	'Standard rate' 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	150.00
Alternative	1 - Over 255	140.00

After the 'First year rate', all vehicles with zero emissions will be exempt from the 'Standard rate' of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £150 a year, and alternative fuel vehicles will pay a standard rate of £140 a year.

'STANDARD RATE' – OVER £40,000 RRP

'Standard rate' VED for vehicles over £40,000 list price – five year annual rate

Fuel type	'Standard rate' 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	0.00	0.00
Petrol/Diesel	150.00	325.00	475.00
Alternative	140.00	325.00	465.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £475 a year after the 'First year rate' for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £465 a year after the 'First year rate' for a period of five years. After five years, vehicles will revert to their 'Standard rate' tax depending on fuel type. Electric or vehicles producing zero emissions over £40,000 at first registration are exempt from any charge after the 'First year rate'.

ADDITIONAL 'OTR' COSTS

Additional 'On the road' costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total 'On the road' costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable 'First year rate' VED charge plus the 'On the road' costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 4 FEBRUARY 2021.

AdBlue®

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Arteon and Arteon Shooting Brake	13 litres	Left-hand side of luggage compartment	5,000 to 6,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

EFFECTIVE FROM 4 FEBRUARY 2021.

CO₂ emissions, BIK % and VED Bands with optional wheels – Arteon.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

5-DOOR GRAN TURISMO RANGE. 1 Figures for the Volkswagen Arteon and Arteon Shooting Brake range, including petrol, diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 4.2.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please note: the increase in VED and BIK rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

† Please note these models are only available from stock and not available to factory order.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 4 FEBRUARY 2021.

CO₂ emissions, BIK % and VED Bands with optional wheels – Arteon Shooting Brake.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

Taxable percentage of P11D value (Diesel figures include the 4% diesel supplement)

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. From 6 April 2018 drivers must add 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%).

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

- 1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
- 2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)
- 3 Diesel cars that are tested to RDE2 standards.

Volkswagen service.

Configure now >

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule are as follows:

- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every 1 year or 20,000 miles (30,000km), whichever is soonest.

The Arteon and Arteon Shooting Brake eHybrid models are only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000⁴ and a maximum of 20,000⁴ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service schedule are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service³ – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN ENSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

Volkswagen service (continued).

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see www.volkswagen.co.uk/technology/engines/adblue for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

- Starter rate 19% over £11,850 - £13,850
- Basic rate of 20% over £13,850 - £24,000
- Intermediate rate 21% over £24,000 - £44,273
- Higher rate 41% over £44,273 - £150,000
- Top rate 46% above £150,000

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What's more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:

- 'Oil service' including oil filter change
- 'Oil service' including oil filter change and 'Inspection service' plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x 'Oil service' and 1x 'Oil and Inspection service'. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Model shown is new Arteon Shooting Brake R-Line with optional 20" 'Nashville' alloy wheels, Dynamic Chassis Control (DCC), 'IQ. Light' LED headlights, Park Assist and metallic paint.
