

PEUGEOT EXPERT

PRICES, EQUIPMENT AND TECHNICAL SPECIFICATIONS
EXPERT and e-EXPERT Effective from 1st March 2021
Model Year - 21.5

1. PEUGEOT EXPERT: Standard equipment by version

PROFESSIONAL

Comfort & Convenience

Air conditioning
Rear parking sensors
Laminated acoustic windscreen

Safety & Security

Full steel bulkhead with Moduwork® load-through flap under outer passenger seat
Alarm

Seating

Moduwork® dual passenger bench seat with fold-up outer seat, fold-down writing table in central seat back and storage under squab of central passenger seat

Technology & Entertainment

7" Capacitive colour touchscreen with DAB radio, Bluetooth® handsfree, USB socket, bi-tuner, Apple CarPlay™, Android Auto and coffee break alert (indicating 2 hours' continuous driving)

Lighting and Visibility

Automatic lights
Automatic windscreen wipers

ASPHALT

In addition to Professional

Comfort & Convenience

Leather gear lever with leather multi-function steering wheel
Electrically folding heated door mirrors
Park Assist 180°: Front and rear parking sensors with blindspot monitoring and Visio Park 180° rear parking camera

Lighting and Visibility

Front Fog Lights with cornering function
LED daytime running lights

Exterior Features

17" 'Phoenix' alloy wheels
Look Pack: body colour front and rear bumpers, side rubbing strips and exterior, door handles
Metallic Paint

Technology & Entertainment

PEUGEOT Connected 3D Navigation* with voice recognition
- Automatic connection via PEUGEOT Connect
- TomTom® Live updates (3 year subscription)^
- SpeedCam / Danger Zones (3 year subscription)^

Safety & Security:

Head-up display
Safety Pack: Lane Departure Warning System, Speed Limit Recognition and Recommendation, Driver Attention Assist and Smartbeam Headlights

Drive Assist Pack (Diesel versions):

Adaptive cruise control, Active Safety Brake and Distance Alert System

Security Pack (Electric versions):

Video Advanced Emergency Braking System, Collision Alert and Forward Collision Warning

S

Safety & Security

ESC with Hill Start Assist, ABS braking including EBA and EBFD
Remote central locking with deadlocking and separate locking for cab
Driver and passenger airbags
Automatic fuel cut-off
& door unlocking in event of accident
Full steel bulkhead
Daytime running lights

Electric Versions Only: Acoustic Vehicle Alerting System (audible outside vehicle)

Seating

Driver's seat with height, rake, reach and lumbar adjustment
Driver's seat armrest
Dual passenger bench seat with storage tray

Comfort & Convenience

Front electric windows with 'one-touch' operation and anti-pinch
Electrically adjustable heated door mirrors
12v socket in cabin and load area
Cruise control with variable speed limiter
Full size steel spare wheel
Electric Versions Only: Electronic Handbrake & Air Conditioning

Technology & Entertainment

DAB radio with Bluetooth® handsfree and USB socket
PEUGEOT Connect SOS & Assistance

Exterior Features

Side rubbing strips
16" steel wheels with black centre cap
Twin unglazed rear doors (opening to 180°)
Twin sliding side doors
Preparation for towbar

*Additional terms & conditions apply to connected services, including customer acceptance of location sharing prior to activation. ^ Subject to subscription - after you have taken delivery of your vehicle, please subscribe on: <https://services-store.peugeot.co.uk/>

1. PEUGEOT e-EXPERT: Introduction

Technical	Styling	Usage
-----------	---------	-------

Full Electric Vehicle

The PEUGEOT Expert is not only available with a range of diesel powertrains to choose from, but is now also available as the new e-Expert. A full electric van.

The new e-Expert offers two different battery sizes to suit a range of customer needs. Both a 50kWh & a 75kWh battery are available on Standard & Long vehicle lengths.

Powertrain
With the new e-Expert's full electric powertrain, you will benefit from immediate performance with 260Nm of torque (from 0mph) and maximum power of 100 kW.

Range
The new e-Expert provides a choice of battery packs.

50kWh Battery: Range capacity is up to 148 miles (WLTP certified).
75kWh Battery: Range capacity is up to 211 miles (WLTP certified).

The new PEUGEOT e-Expert comes with distinctive and exclusive touches:

The Lion logo features a specific dichroic treatment which changes colour depending upon the viewing angle and exterior lighting.

An 'e' monogram badging is included on the rear of the van as with the PEUGEOT electric car range.

The PEUGEOT e-Expert offers 3 different driving modes from the mode selector

Eco (60 kW, 180 Nm): For optimising range.
Normal (80 kW, 210 Nm): For everyday use.
Power (100 kW, 260 Nm): For optimal performance

Charging Flexibility

Two types of on-board chargers are available on new e-Expert, a 7.4 kW single-phase charger is included as standard. And an 11 kW three-phase charger is available as an option.

There are two main charging methods for the e-Expert.

Fast (AC): From a 7.4 kW wallbox a full charge is completed in 7.5 hours, and from a 11 kW wallbox a full charge is completed in 4 hours 45 mins.

Rapid (DC): 100kW public rapid charge terminals allow for an 80% charge in just 30 minutes.

EV Services

MyPeugeot App
The MyPeugeot App provides a number of useful EV features.

Charge management: Allows the user to control, plan, launch and check the vehicle's charge remotely.

Climate preset: Allows the user to remotely plan and control the heating or air conditioning in the interior of the Van.

e-Coaching: Allows the user to access consumption logs and usage statistics.

Charging Pass
PEUGEOT will also provide access to specific UK public charging points through a free subscription for an introductory period.

Technology

The head-up display functionality now includes additional EV specific information

A Powermetre & Battery Level Gauge: For displaying consumption.
A Consumption Gauge: For heating and air conditioning.
A Colour Matrix: To display energy flows, charge monitoring (current or delayed), on-board computer information and range.

The central touchscreen provides access to the additional Electric menu and usage data

"Flow": To view the live energy flow.
"Statistics": To display the consumption statistics.
"Charge": Which allows you to programme a deferred charge.

* Professional and Asphalt versions benefit from Moduwork* which provides an additional load length of 1162mm and increases the load volume by 0.5m³

** WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other vans tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

(1) The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1st September 2018. They may vary depending on actual conditions of use and on different factors such as: speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used. For further information visit our website at peugeot.co.uk or contact your local PEUGEOT Retailer.

2. New PEUGEOT e-Expert Pricing Breakdown

To make the pricing of our fantastic e-Expert vans as simple as possible, we have provided a basic breakdown below. Please note that the the Plug in Van Grant is applied to the Base Vehicle Price (incl. VAT) including any manufacturer discounts. We have not included any manufacturer discounts in the breakdown below, and so the prices are subject to change based upon any discounts being offered at the time. Please contact your local Retailer to find out about any manufacturer promotions which many impact the amount of PiVG that you can receive, and therefore the overall price of the vehicle.

Body Style & Trim Level	Length	Version	Maximum Indicative Payload (kg)	Load space (m3)*	Gross Vehicle Weight (kg)	WLTP CO2 g/km	Titre Code	Basic M.R.R.P.	V.A.T.	Total M.R.R.P.	Government Grant**	Basic Price after PiVG	Total Retail Price after PiVG	OTR Price after PiVG

Conversion interface box - Only for use for electrical connections for integral elements of a vehicle conversion	Not available on electric versions.	QC01	£90.00	£90.00	£90.00	£90.00

• Standard - Not available ALL PRICES ARE SUBJECT TO VAT

SpeedCam/Danger Zones package

The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed.

This option can be added to your PEUGEOT Connect Nav subscription at any time. For further information visit our website at peugeot.co.uk or contact your local PEUGEOT Retailer.

The Electric ranges shown in miles assume that the vehicle has been pre-conditioned prior to a journey. This function can be accessed via the MyPEUGEOT App or by using the 7" Capacitive Colour Touchscreen.

(1) The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as : speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used. For further information visit our website at peugeot.co.uk or contact your local PEUGEOT Retailer.

*CO2 figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO2 figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO2 emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO2 and pricing for vehicles with optional equipment, please visit www.peugeot.co.uk and configure your chosen vehicle with your preferred options. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO2 values of other cars tested to the same technical standard.

The fuel consumption achieved, and CO2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO2 figures.**'On the Road' MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance. All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

(1) Without driver. Kerb weight is calculated for a European base specification vehicle including oil, water, lubricants, tools, spare wheel and 90% full fuel tank. Weights may change with the addition of equipment.

(2) Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated.

An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits

(3) Within limits of GVW.

(4) Maximum recommended towing weight within limits of GTW.

PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK PEUGEOT Retailer benefit from a PEUGEOT 2 - Year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the PEUGEOT Retailer Network in the UK. This additional warranty carries a mileage limit of 100,000 miles from first registration and is dependent upon the manufacturer's recommended servicing being carried out at the specified time or distance intervals. For full terms and conditions, please consult your PEUGEOT Retailer in the UK. The battery for the new PEUGEOT e-Expert is guaranteed for 8 years or 100,000 miles for 70% of its charging capacity.

PEUGEOT ASSISTANCE

All new PEUGEOTs come with PEUGEOT Assistance, our breakdown assistance service. Available every minute of the day and night, 365 days of the year, and for you and anyone else driving your PEUGEOT with your permission. Please note that PEUGEOT Assistance provides assistance in relation to vehicle warranty based faults on your PEUGEOT. It does not provide cover for non-vehicle warranty faults such as:

- the use of incorrect fuel, or lack of fuel
- wheel changes, punctured tyres
- instances where keys have been locked inside the vehicle, lost or stolen.
- road traffic accidents

PEUGEOT Assistance is free for the first year and includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or hotel accommodation if required. PEUGEOT Assistance can be extended for a further 12 or 24 months, or to protect you against non-vehicle warranty fault incidents, at specially discounted rates for PEUGEOT owners by calling 0870 752 7050. Call charges to this number from landlines and mobile networks may vary. For more information please contact your phone provider.

PSA FINANCE UK LTD

PSA Finance UK Ltd have a number of financial products designed to help you afford the PEUGEOT of your choice. We can arrange a finance plan quickly and conveniently. What's more, it will be as suited to your needs as your new PEUGEOT. Our finance plans combine all the know how of a company that has an extensive knowledge of the car market with a financial service you can trust. Tell your PEUGEOT Retailer what you want and let us do the rest. Just ask for a free, no obligation quote. Written quotations are available on request from PSA Finance UK Ltd, 61 London Road, Redhill, Surrey, RH1 1QA. Finance is subject to status. Over 18's only, a guarantee may be required.

FREE2MOVE CONNECT FLEET

All PEUGEOT Expert versions are 'connected-ready' so that you can benefit from any of our connected services without the need for additional hardware. Free2Move Connect Fleet offer the following telematics packages to manage your fleet:

- Pack 1: Fleet Management £10 + VAT per vehicle per month
- Pack 2: Eco-driving £11 + VAT per vehicle per month
- Pack 3: Geolocation £12 + VAT per vehicle per month

Further details are available at www.free2move-lease.co.uk/our-services/connect-fleet

PEUGEOT SERVICE PLANS

PEUGEOT Service Plans offer complete assurance that all your servicing costs will be completely covered for the duration of the plan. We offer PEUGEOT Service Plans for up to five years with many mileage options and the choice of either a one-off up front payment or a convenient monthly direct debit. All packages are affordable and inflation proof, which means they will remain at a fixed cost for the duration of the plan. Monthly price examples based on an annual mileage of 10,000 miles:

36 Months / 30,000 miles
£10.07

48 Months / 40,000 miles
£13.16

60 Months / 50,000 miles
£12.58

A PEUGEOT Service Plan can be purchased up to 12 months after registration date. The prices quote above are indicative, for a bespoke quote please contact your local PEUGEOT Retailer. If the plan is taken out after the date of registration, an additional payment will be required to cover this starting period. Any normal wear and tear maintenance work such as replacement of tyres, brake discs, clutches, shock absorbers, wipers, batteries, bulbs, silencer, exhausts and windscreens are excluded. Servicing must be carried out by a PEUGEOT Authorised Repairer in the UK. PEUGEOT Motor Company reserve the right to change, amend or withdraw this product at any time.

PEUGEOT INSURANCE

PEUGEOT Insurance has been designed for PEUGEOT owners.
