

The T-Roc

Price and specification guide

Effective from 15.4.2021

Please note, the Volkswagen roundel depicted in the interior and exterior images featured in this publication does not represent the new Volkswagen brand identity so, therefore, will appear different.

[Configure now >](#)

Made to lead. Designed to inspire.

Do you appreciate good design and individuality? The self-confident T-Roc stands out from the crowd with its expressive design and numerous customisable options. Now available in seven trim levels: SE, ACTIVE, Black Edition, Design, SEL, R-Line or R, combined with a choice of exterior and interior colours and styling, you can choose a T-Roc that perfectly reflects your personality.

Please note, the Volkswagen roundel depicted in the interior and exterior images featured in this publication does not represent the new Volkswagen brand identity so, therefore, will appear different.

Models shown are T-Roc SEL with optional two-tone black roof and metallic paint and T-Roc Design with optional 18" 'Arlo' Sterling Silver alloy wheels and metallic paint. Front cover model shown is T-Roc R-Line with optional two-tone black roof and Pure White non-metallic paint.

Self-confidence comes from within.

Robust, modern and elegant, the interior of the T-Roc embraces the future, combining an all-new design with Volkswagen's characteristic build quality. Unprecedented levels of functionality and technology, enhanced by ergonomic attention to detail, places it in a league of its own. With plenty of space for occupants and luggage alike, the T-Roc offers all you could ask for in terms of comfort, style and convenience. Look within and discover the inside story.

01-02 The interior of the T-Roc SEL is luxurious and elegant, with ambient lighting in the front footwell and light strips below the trim in the front doors, enhanced with Shadow Grey decorative inserts in the dash and door panels. Front sport seats, beautifully finished in contemporary 'Gem' cloth upholstery, feature height adjustment, ensuring the optimum driving position, while front and rear reading lights incorporate LED technology for optimum illumination, furthermore the optional panoramic sunroof adds a new dimension of light and spaciousness above. Interior shown is T-Roc SEL with optional panoramic sunroof, Sport pack and metallic paint.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 15.4.2021. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer. 2 The recommended ‘On the road’ prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021. For full details of ‘First year rate’ VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended ‘On the road’ retail price, [please click here](#) 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd’s syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#).

† Please note these models are only available from stock and not available to factory order.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](#) for more details.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

- For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer's scheduled services:
- ‘Oil service’ including oil filter change
 - ‘Oil service’ including oil filter change and ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 15 APRIL 2021.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 15.4.2021. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer. 2 The recommended ‘On the road’ prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021. For full details of ‘First year rate’ VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended ‘On the road’ retail price, [please click here](#) 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd’s syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#).

† Please note these models are only available from stock and not available to factory order.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue](#) for more details.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen Service Plan – Retail sales only.

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:

– ‘Oil service’ including oil filter change

– ‘Oil service’ including oil filter change and ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Prices, specifications, features, technical and other information (including fuel consumption, CO₂ emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.

Volkswagen UK may change RRP’s at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 15 APRIL 2021.

VOLKSWAGEN SERVICE

3-year/60,000 miles warranty (whichever is soonest)

3-year paintwork warranty

12-year body protection warranty

Volkswagen Roadside Assistance

Exclusions and terms apply, [please click here](#) for more details

WHEELS AND SUSPENSION

Alloy wheels, four 6½J x 16" 'Chester' with 215/60 R16 95V low rolling resistance tyres and anti-theft wheel bolts

Tyre mobility kit and compressor

EXTERIOR

Black grained lower door protectors

Black grained wheel arches

Body-coloured bumpers and door handles

Body-coloured door mirrors with integrated indicators

Chrome trim on radiator grille, upper and lower

Electrically heated and adjustable door mirrors

Galvanised body

Halogen clear headlights, range adjustable via infotainment system with automatic headlight activation and separate LED daytime running lights

LED rear number plate lights

Rear wash/wipe with intermittent wipe

Windscreen wiper with intermittent wipe and 4 position delay

INTERIOR

Deep Matt Black decorative inserts in dash and centre console

Cup holders, front x 2

Glovebox

Height and reach adjustable steering wheel

Instrument lighting, white adjustable panel illumination

Interior light delay

Load lashing points x 4, in luggage compartment

Luggage compartment cover, removable

Luggage compartment light

Reading lights, front x 2

Seating

- Upholstery – 'Mercutio' cloth
- Front seats with height adjustment
- Split folding rear seat backrests

Storage compartment in driver's and front passenger's door (for 1.5 litre bottle)

Storage compartment in rear doors

Storage compartments in luggage area, left and right

Three-spoke steering wheel

Vanity Mirrors, illuminated

SAFETY AND SECURITY

Airbags

- Curtain airbag system
- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Front seat side impact airbags

Automatic hazard lights activation under emergency braking

Disc brakes, front and rear, front ventilated

Driver's and front passenger's safety-optimised head restraints

Electronic engine immobiliser

ESC (Electronic Stability Control) – includes EDL (Electronic Differential Lock) and ASR (Traction Control), EDTC (Engine Drag Torque Control) and trailer stabilisation function

SAFETY AND SECURITY (CONTINUED)

Height-adjustable front three-point seat belts with tensioners

High level 3rd brake light

Isofix child seat preparation, easy-fit (for 2 outer rear seats)

Manual coming/automatic leaving home lighting function

Misfuel prevention device for diesel engines

Remote central locking with 2 remote folding keys

Rigid safety cell with front and rear crumple zones

Tyre pressure loss indicator

Warning buzzer and light for front seat belts if unfastened, initiated when driver's door is opened with ignition on or off

3 rear head restraints

3 rear three-point seat belts

COMFORT AND CONVENIENCE

Automatic dimming interior rear-view mirror

Climate control – 2Zone electronic air conditioning with automatic air recirculation and allergy filter

Electric windows, front and rear

Heated rear window

Rain sensor

DRIVER'S ASSISTANCE

Dusk sensor

Electronic parking brake – with auto hold function

Front Assist, radar sensor controlled distance monitoring system, City emergency braking system and Predictive Pedestrian Protection

Lane Assist

Power-assisted steering, speed-sensitive

Remote tailgate unlocking, via key fob

Warning 'lights on' buzzer

Warning sound and light for doors and tailgate if open

IN-CAR ENTERTAINMENT AND COMMUNICATIONS

Ready 2 Discover infotainment system

- 8" colour touch-screen with natural, intuitive, touch-sensitive functionality
- Bluetooth telephone and audio connection for compatible devices¹
- Car information display
- DAB digital radio receiver
- In-Car shop: Purchase additional services i.e. We Connect contract extensions or upgrade to navigation services after vehicle purchase
- Integrated SIM-card
- MDI (Multi Device Interface), via USB-C connection – compatible products only
- Music playback from MP3, WMA and AAC files
- Simultaneous pairing of 2 compatible mobile devices
- Title and cover art display
- 1 x USB-C connection, USB charging socket (compatible products only)
- 6 speakers, front and rear

Premium USB-C cable (choice of either Apple or Android smartphone compatibility)

WE CONNECT

We Connect preparation²

- Driver and vehicle integration via We Connect Portal or We Connect app
- Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response
- Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
- Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position, Service schedule

EFFICIENCY

Battery regeneration (recuperation – energy recovery during braking)

Multifunction computer, includes visual gear change recommendation for improved fuel consumption

Start/Stop function

1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.

2 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.portal.volkswagen-we.com](#) or contact your Volkswagen retailer.

† Please note these models are only available from stock and not available to factory order.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Alloy wheels, four 7J x 17" 'Kulmbach'
with 215/55 R17 94V low rolling
resistance tyres and anti-theft
wheel bolts

Body-coloured bumpers with silver-metallic underbody fascia

Front centre armrest, with storage compartment, longitudinal and height adjustable and two rear air vents

Limestone Grey decorative inserts in dash and door panels

- Upholstery - 'Tracks 4' cloth
- Driver's under seat drawer
- Front comfort seats with manual height adjustment
- Front seat back storage pockets
- Split folding rear seat backrests, with centre armrest

Reading lights, front x 2

Electrically heated and foldable door mirrors, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's door mirror

Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system and City emergency braking system

Alarm with interior protection,
deactivation via infotainment system

- Combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™ allowing 'mirroring' of smartphone display on the infotainment touch-screen

2 x USB-C connection, USB charging socket (compatible products only) in centre console (not R models)

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. Discover Media Navigation infotainment system (in addition to Ready 2 Discover infotainment system)

- Branded points of interest

- Dynamic guidance via We Connect Plus online traffic information

- Preloaded European navigation data

- SMS functionality - read, compose and send SMS messages using touch-screen display (when stationary, compatible Android smartphones only)

- Speed Limit Display ¹

- Three route options (Fast, Short, Eco)

- 2D/3D map view

WE CONNECT PLUS®

We Connect Plus preparation ^{2,3}

- Navigation based services for: Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations. Online map updates

- Streaming and internet based services ⁴ for: Internet radio, Wi-Fi hotspot and Media streaming ²

- Vehicle based services for: Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Lock & unlock ⁵

Model shown is new T-Roc ACTIVE with optional Pure White non-metallic paint.

1 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.

2 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.

3 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.

4 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelcom.com

5 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Additional items of standard equipment: Black Edition (over SE)

The T-Roc R.

There's no mistaking the sports characteristics of the stylish T-Roc R. From the sporty body-coloured bumpers and distinctive radiator grille bearing the 'R' logo, to the rear 'Black' diffuser with twin chrome exhaust tailpipes left and right. Widened wheel arches surround the 19 inch 'Pretoria' alloy wheels and perfectly complement the 'Black' brake callipers complete with 'R' logo – it's all about performance. The interior exudes a motorsport feeling, with ambient lighting, 'Gloss Black' décor, and the 'R' motif synonymous with power, on the door sill protectors, front seat backrests and leather trimmed multifunction sports steering wheel.

Model shown is T-Roc R with optional two-tone black roof and Lapiz Blue metallic signature paint.

WHEELS AND SUSPENSION

-----------	--------------	---------------------------	-----------------------------	-------------------------------	------------------------	------------------	-------------	--------------	------------------------	------------	--------------	------------	--	---------------------------	---------	---	---	-------------------------------------

Driver's assistance systems.

01 Progressive steering in the T-Roc gives you better control when driving at higher speeds and additional comfort in everyday use. The progressive gear ratio reduces steering work, making it easier to park and increasing driving dynamics on winding roads. Standard on R-Line and R models and optional on SE, ACTIVE, Black Edition, Design and SEL models as part of the optional Dynamic Chassis Control (DCC) and Sports suspension.

02 PreCrash preventive occupant protection recognises dangerous driving situations and automatically takes measures to help protect vehicle occupants, tensioning the front seat belts, closing the electric windows, shutting the optional panoramic sunroof, if fitted, and deploying the brakes. Optional on S, SE, ACTIVE, Black Edition, Design, SEL, R-Line and R models

03 Lane Assist is a camera controlled warning system that alerts you if your vehicle drifts out of its lane, helping to reduce the chance of an accident and making long motorway journeys safer. Using a camera located in the rear-view mirror unit, it monitors the road markings and prevents unintentional lane deviations. The system only intervenes if the indicators are not used, so if you decide to change lanes and indicate, the intelligent system recognises this and switches off. Standard on all models.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

The T-Roc	Model prices	Standard equipment	Driver's assistance systems	Infotainment and connectivity	Factory-fitted options	The T-Roc Design	Accessories	Alloy wheels	Paint and roof options	Upholstery	Combinations	Dimensions	VED and additional 'On the road' costs	Environmental information	AdBlue®	CO ₂ emissions, BIK % and VED Bands with optional wheels	Company car taxation chart and comparison	Volkswagen service and service plan
-----------	--------------	--------------------	-----------------------------	-------------------------------	------------------------	------------------	-------------	--------------	------------------------	------------	--------------	------------	--	---------------------------	---------	---	---	-------------------------------------

01 The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City Emergency Braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

02 **Front and rear parking sensors** assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's infotainment system. Standard on SE models and above, and optional on S models.

03 All 4MOTION models feature **4MOTION Active Control** which allows you to adapt your T-Roc to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

04 The **electric tailgate** opens easily and conveniently, either from the driver's seat or using the remote control key. You can also adjust the opening height so it doesn't strike a low ceiling. Once everything is stowed, simply press a button in the tailgate and it closes automatically. Standard on ACTIVE models and optional on SE, Black Edition, Design, SEL, R-Line and R models.

05 The **Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake and keep a lookout, while the T-Roc steers itself into its chosen space. Optional on SE, ACTIVE, Black Edition, Design, SEL and R-Line models.

All-new interactive dashboard.

Enjoy all the benefits of an interactive, digital dashboard thanks to a host of standard and optional equipment. The Digital Cockpit Pro allows you to customise menus as you wish, while the Discover Media touch-screen infotainment system keeps you connected and informed, furthermore the powerful beats soundpack delivers exceptional acoustics.

01 The Ready 2 Discover infotainment system is equipped with an 8.0 inch colour touch-screen with intuitive, touch-sensitive functionality, an integrated SIM-card, Car information display, DAB digital radio receiver and Multi Device Interface (MDI). Connectivity is provided by 1 x USB-C connection with Premium USB-C cable (choice of either Apple or Android smartphone compatibility) with a USB charging socket (compatible products only). It also allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices and Bluetooth telephone and audio functionality¹. Six speakers, situated to the front and rear, make sure excellent acoustics are delivered on every journey. In addition, the 'In-Car' shop allows you to purchase additional services even after vehicle has been purchased, i.e. We Connect contract extensions or an upgrade to your Ready 2 Discover infotainment system to include navigation services. Standard on S, SE, UNITED, Black Edition and Design models.

02 The Discover Media Navigation infotainment system with We Connect Plus preparation^{2,3} builds upon the impressive Ready 2 Discover infotainment system, but with additional features enabling you to easily manage not only your music, but also navigation data and a broad range of vehicle information. The system offers preloaded European navigation data, 2D/3D map view which can be easily followed on the 8.0 inch colour touch-screen, three calculated route choices (Fast, Short and Eco) and dynamic guidance via We Connect Plus online traffic information. The system also offers branded points of interest and Speed Limit Display⁴. We Connect Plus preparation provides streaming and internet based services⁵ for Internet radio, Wi-Fi hotspot and Media streaming with navigation based services for Online voice control, Online traffic information, Online route calculations and Online destination import. It also includes vehicle based services for Area alert, Speed alert, Horn and indicators, Online anti-theft alarm and Lock & unlock⁶. Standard on ACTIVE, SEL, R-Line and R models and optional on S, SE, Black Edition and Design models.

03 The Digital Cockpit Pro provides a 10.3 inch high-resolution TFT dash display with customisable menus that can be configured as you wish, providing such information as detailed driving data, graphic displays of your driver assistance systems, and, when used in conjunction with the Discover Media system, large map display⁷. Standard on SEL models and above and optional on SE, ACTIVE, Black Edition and Design models.

04 The beats soundpack delivers just the right amount of bass. Inspired by Dr Dre, it includes six speakers, a subwoofer and an eight channel digital amplifier with Digital Signal Processor (DSP), delivering 400 watt output with Dolby Pro Logic surround sound. It's controlled via your infotainment or navigation system and displays a beats welcome screen when switching on. Optional on SE, ACTIVE, Black Edition, Design, SEL, R-Line and R models.

- 1 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 2 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.
- 3 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.
- 4 Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
- 5 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelcom.com
- 6 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.
- 7 Please note: When the navigation map is displayed in the Digital Cockpit Pro in conjunction with the Discover Media infotainment system, the navigation map cannot be displayed on the Discover Media's infotainment touch-screen.

Cutting-edge connectivity.

The T-Roc is a pioneer not only in terms of design, but technology too. Cutting-edge connectivity ensures it’s never been easier to integrate your mobile devices, whether you’re looking to charge your smartphone or stay connected, and there’s a wide range of online services and apps available via your smartphone and We Connect and We Connect Plus preparation.

01 We Connect preparation¹ acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen’s call centre or server. In the event of an accident, should the driver activate the ‘eCall’ button or the airbags are deployed triggering the ‘eCall’ service, Volkswagen’s Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the ‘Automatic accident notification’ can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of ‘Car breakdown’, ‘Vehicle health report’ and ‘Service schedule’ ensuring your vehicle’s information is always up to date. Image shown features optional panoramic sunroof.

The service also allows vehicle information to be accessed via the We Connect Portal or We Connect app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as ‘Driving data’, the status of ‘Doors and lights’ and ‘Parking position’ can be easily accessed and monitored. Information on the duration of We Connect services can be obtained once a user account has been registered on the We Connect web portal. Standard on all models.

02 We Connect Plus preparation² gives you online access to a wide range of useful information with vehicle based services for Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Online ventilation control and Lock & unlock³. It also includes navigation based services for Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations as well as streaming and internet based services⁴ for internet radio, Wi-Fi hotspot and Media streaming. Information on the duration of We Connect services can be obtained once a user account has been registered on the We Connect web portal. Standard on ACTIVE, SEL, R-Line and R models and optional on S, SE, Black Edition and Design models as part of the Discover Media infotainment system.

03 Depending on which smartphone you have, you can connect ‘**App-Connect**’⁵ via wireless connection for Apple ‘CarPlay’ or by USB-C connection for Google ‘Android Auto’ and ‘MirrorLink’™, allowing your smartphone display to be ‘mirrored’ on the infotainment touch-screen and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as ‘Think Blue. Trainer.’, ‘Shared Audio’, ‘Drive & Track’ or ‘My Guide’ can help to make your journey more pleasant and interesting by providing useful tips on driving your car, parking opportunities and even where to find the closest café. Volkswagen apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on SE models and above, and optional on S models. Image shown features optional Discover Media infotainment system.

- 1 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.portal.volkswagen-we.com or contact your Volkswagen retailer.
- 2 We Connect Plus services are accessed via a compatible mobile device. Please see www.portal.volkswagen-we.com for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the We Connect web portal.
- 3 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.
- 4 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelcom.com
- 5 Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO₂ emissions, BIK % and VED Bands with optional wheels section](#).

● Standard equipment O Optional equipment - Not available. Factory-fitted options are subject to availability and extended delivery.

Step out in style.

The T-Roc is designed to be noticed. Its sporty, modern exterior heralds a new era of Volkswagen style, combining the practicality of an SUV with the agility of a sports model. The elongated coupé silhouette is characterised by a striking chrome strip running the length of the side roofline, while a choice of contrasting colours for the roof, A-pillar and door mirror housings on Design models, allow you to create a look that's as individual as you are.

Model shown is T-Roc Design with optional 18" 'Arlo' Sterling Silver alloy wheels and metallic paint.

01 Eye-catching 17 inch 'Mayfield' alloy wheels give the T-Roc Design a distinctive look and can be personalised to your taste with a **choice of traditional silver-finish or Gloss Black**. Along with the two-tone customisable colour options for the bodywork and roof, what better way to express yourself? Image shown features 17 inch 'Mayfield' Gloss Black diamond-turned alloy wheels which are optional on SE and Design models.

An interior that’s all about you.

The interior of the T-Roc Design is the epitome of contemporary design and individuality. A choice of two exclusive interior colours gives you maximum opportunity to personalise the interior, creating a look that reflects your taste and style. It’s time to express yourself!

Limestone Grey dashpad

Ravenna Blue dashpad

Specify the T-Roc Design and you decide on the **dashpad colour**, with a choice of Limestone Grey or Ravenna Blue depending on your choice of exterior paint. The dashpad colour you select will also feature on the front interior door panels and centre console trim as well as the central stripe detail of the ‘Tracks 4’ seat upholstery, creating an interior that’s fun, stylish and totally personal. Interiors shown feature optional Discover Media infotainment system, Digital Cockpit Pro, beats soundpack, carpet mats and metallic paint.

Front comfort seats in the T-Roc Design feature **‘Tracks 4’ upholstery**, shown above in ‘Limestone Grey and ‘Ravenna Blue’ to match the dashboard, centre console and interior door panels. Thanks to the Composition Media infotainment system, you can make phone calls safely while you drive or play your favourite music via your smartphone, plus a host of other helpful features. The leather trimmed three-spoke multifunction steering wheel and gear lever knob provide excellent grip and add a sporty touch, while ambient lighting in the front footwell and lighting strips below the trim in the front doors, and front and rear LED reading lights create real atmosphere, especially at night.

Interiors shown are T-Roc Design DSG with optional Discover Media infotainment system, Digital Cockpit Pro, beats soundpack, carpet mats and metallic paint.

¹ Only for vehicles already fitted with door warning lights/entry lights.

Accessory prices are the manufacturer's Recommended Retail Prices (RRP), shown exclusive and inclusive of fitting where applicable, inclusive of appropriate VAT, and are charged in addition to recommended 'On the road' retail price paid for the vehicle. For full details, please contact your authorised Volkswagen retailer.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).

There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%,
EXCEPT RETAILER SUPPLIED CHILD SAFETY SEATS WHERE IT IS CALCULATED AT 5%.
EFFECTIVE FROM 15 APRIL 2021.

Please note, choosing optional alloy wheels does not affect CO₂ emissions on T-Roc models. Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance.

Images shown feature optional metallic paint.

VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2021. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

‘FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2021 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel† – ‘First year rate’ VED

CO ₂ emissions (g/km)	Petrol/Diesel† VED £	Petrol total ‘On the road’ costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	115.00	805.00
91-100	140.00	830.00
101-110	160.00	850.00
111-130	180.00	870.00
131-150	220.00	910.00
151-170	555.00	1,245.00
171-190	895.00	1,585.00
191-225	1,345.00	2,035.00
226-255	1,910.00	2,600.00
Over 255	2,245.00	2,935.00

Diesel‡ – ‘First year rate’ VED

CO ₂ emissions (g/km)	Diesel‡ VED £	Diesel total ‘On the road’ costs £
0	0.00	690.00
1-50	25.00	715.00
51-75	115.00	805.00
76-90	140.00	830.00
91-100	160.00	850.00
101-110	180.00	870.00
111-130	220.00	910.00
131-150	555.00	1,245.00
151-170	895.00	1,585.00
171-190	1,345.00	2,035.00
191-225	1,910.00	2,600.00
226-255	2,245.00	2,935.00
Over 255	2,245.00	2,935.00

Alternative fuel – ‘First year rate’ VED

CO ₂ emissions (g/km)	Alternative fuel VED £	Alternative fuel total ‘On the road’ costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	105.00	795.00
91-100	130.00	820.00
101-110	150.00	840.00
111-130	170.00	860.00
131-150	210.00	900.00
151-170	545.00	1,235.00
171-190	885.00	1,575.00
191-225	1,335.00	2,025.00
226-255	1,900.00	2,590.00
Over 255	2,235.00	2,925.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the ‘First year rate’ VED the majority of vehicles move to the ‘Standard rate’ of vehicle tax which is £155 a year.

The ‘First year rate’ will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £155 a year, and alternative fuel vehicles will pay a standard rate of £145 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £490 a year, after the first ‘First year rate’ vehicle tax, for a period of five years. This comprises the £155 ‘Standard rate’ and £335 additional rate. After five years the vehicle tax will revert to the ‘Standard rate’ of £155 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £480 a year after the ‘First year rate’ vehicle tax for a period of five years. This comprises the £145 ‘Standard rate’ and £335 additional rate which reverts to £145 ‘Standard rate’ after five years.

Vehicles with a list price exceeding £40,000 (excluding vehicles with zero emissions) will pay the additional rate of £335 a year for a further five year period, after the ‘First year rate’ tax. After the five year period these vehicles will pay zero VED tax.

‘STANDARD RATE’ VED

‘Standard rate’ VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	‘Standard rate’ 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	155.00
Alternative	1 - Over 255	145.00

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £155 a year, and alternative fuel vehicles will pay a standard rate of £145 a year.

‘STANDARD RATE’ – OVER £40,000 RRP

‘Standard rate’ VED for vehicles over £40,000 list price – five year annual rate

Fuel type	‘Standard rate’ 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	0.00	0.00
Petrol/Diesel	155.00	335.00	490.00
Alternative	145.00	335.00	480.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £490 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £480 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type. Electric or vehicles producing zero emissions over £40,000 at first registration are exempt from any charge after the ‘First year rate’.

ADDITIONAL ‘OTR’ COSTS

Additional ‘On the road’ costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total ‘On the road’ costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable ‘First year rate’ VED charge plus the ‘On the road’ costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 15 APRIL 2021.

SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit www.volkswagen.co.uk/technology/engines/adblue for more details.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 15 APRIL 2021.

AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
T-Roc	12 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

EFFECTIVE FROM 15 APRIL 2021.

CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

			RDE2 Compliant	Output, PS	Standard wheel size	CO ₂ emission, g/km ¹ , WLTP test cycle, standard wheels	First year VED £, standard wheels	BIK % with standard wheel size ²	Optional alloy wheel and size		CO ₂ emission, g/km ¹ , WLTP test cycle, optional alloy wheels	First year VED £, optional wheels	BIK % with optional wheel size ²

Company car taxation chart – tax year 2021/22.

[Configure now >](#)

How to calculate your company car income tax liability – effective 6.4.2021

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. In the 2017 Autumn Budget the Chancellor announced that there will be a new VED supplement on new diesel cars first registered from 1 April 2018 adding 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%), so that their First-Year Rate will be calculated as if they were in the VED band above. However, this will not apply on those diesel cars which meet Real Driving Emissions Step 2 (RDE2) standards.

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

1 P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

2 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 15.4.2021. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer.

2 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories.

3 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details.

4 From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#).

† Please note these models are only available from stock and not available to factory order.

All examples are for manual derivatives unless otherwise stated.

RDE2 refers to Real Driving Emissions Step 2.

Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).
There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 15 APRIL 2021.

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

VOLKSWAGEN INSURANCE²

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit www.insurewithvolkswagen.co.uk

SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 9,300 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule on 2021 MY onwards are as follows:

- Oil change service – After 1 year or 9,300 miles (15,000 km), whichever is soonest.
- Inspection service³ – First after 2 years or 18,600 miles (30,000 km), then every 2 years or 18,600 miles (30,000 km), whichever is soonest.

SERVICING AND MAINTENANCE (CONTINUED)

Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can drive up to 18,600 miles⁴ (30,000 km) or 2 years, whichever is soonest, between oil changes.

The service intervals for the Flexible Service schedule on 2021 MY onwards are as follows:

- Oil change service – According to flexible service interval display, 2 years or 18,600 miles (30,000 km), whichever is soonest.
- Inspection service³ – First after 2 years or 18,600 miles (30,000 km), then every 2 years or 18,600 miles (30,000 km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Flexible Servicing is not available on BEV, PHEV or GTE models. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

VOLKSWAGEN INSURANCE⁵

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit www.insurewithvolkswagen.co.uk/insurance

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting www.fca.org.uk. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 18,600 miles) and then every second year (or 18,600 miles).
- 4 The quoted mileage is based on a conversion from kilometers and is therefore unlikely to exceed circa 18,600 miles between oil changes.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at www.fca.org.uk. Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

ADBLUE®

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see www.volkswagen.co.uk/technology/engines/adblue for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

Scottish Income Tax rates and Bands 2018/19

Starter rate 19% over £11,850 - £13,850

Basic rate of 20% over £13,850 - £24,000

Intermediate rate 21% over £24,000 - £44,273

Higher rate 41% over £44,273 - £150,000

Top rate 46% above £150,000

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What’s more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:

- ‘Oil service’ including oil filter change
- ‘Oil service’ including oil filter change and ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)
