

NEW CITROËN C5 AIRCROSS SUV HYBRID PLUG-IN HYBRID

INSPIRED
BY YOU ALL

E-COMFORT
CLASS SUV

New Citroën C5 Aircross SUV Hybrid combines all the benefits of the Citroën Advanced Comfort® programme with the serenity of a plug-in hybrid.

It's the best of both worlds: the clear advantages of a 100% electric drive for shorter daily trips, along with the versatility and range of an internal combustion engine for longer journeys. With this versatility, New Citroën C5 Aircross SUV Hybrid is a modern solution that addresses environmental concerns, without limiting the possibilities of driving longer distances. CO₂ emissions are recorded as 33 g/km* (in the WLTP cycle), with combined fuel consumption of 188 mpg*. Charging is simple and quick too: the battery can be fully charged (at home or out and about) in less than two hours based on a 7kW charging point. Once it's charged, you can enjoy a

range of 31 miles* from the electric motor. You can also take advantage of off-peak electricity prices** too, using either the touchscreen in the car or the MyCitroën app to programme a specific time to begin charging. The charging port itself is on the left side of the vehicle and features an LED indicator which shows its current charging status. Citroën guarantees the battery of the motor for eight years.

* Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors: (including but not limited to) the accessories fitted (pre and post registration), variations in

weather, driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. These CO₂ figures are used to calculate the Vehicle Excise Duty (VED) for the first registration of the vehicle. The CO₂ figures reflect the value achieved on a vehicle of standard specification. The addition of optional extras to the standard specification vehicle could increase the certified CO₂ emission output. This in turn may affect the amount of Vehicle Excise Duty (VED) payable upon registration and, for company car drivers, the amount of benefit-in-kind (BIK) tax payable.

** Delayed charging in MyCitroën app requires subscription to e-Remote Control services (free of charge). Electricity pricing depends on the tariff with your energy provider.

1. The battery which supplies the electric motor is installed underneath the three independent rear seats, without reducing the interior space and benchmark modularity.

2. New Citroën C5 Aircross SUV Hybrid combines a PureTech 180 S&S petrol engine with an electric motor located between the internal combustion engine and the e-EAT8 gearbox.

Ë-COMFORT

NEW CITROËN C5 AIRCROSS SUV HYBRID INVITES YOU TO ENJOY A NEW, MORE COMFORTABLE AND SMOOTHER DRIVING EXPERIENCE. IT'S ALL COURTESY OF ITS ELECTRIC 8-SPEED Ë-EAT8 GEARBOX, THE INSTANT ACCELERATION OF ITS ELECTRIC MOTOR AND ITS QUIET AND COMPOSED CABIN.

New Citroën C5 Aircross SUV Hybrid combines all the benefits of the Citroën Advanced Comfort® programme with the serenity of a plug-in hybrid.

It's the best of both worlds: the clear advantages of a 100% electric drive for shorter daily trips, along with the versatility and range of an internal combustion engine for longer journeys. ELECTRIC POWER FOR MORE RELAXED DRIVING

DRIVER AND PASSENGERS CAN ENJOY NEW DRIVING SENSATIONS IN NEW CITROËN C5 AIRCROSS SUV HYBRID, THANKS TO ITS SILENT RUNNING WHILE IN 100% ELECTRIC MODE, AND THE FLUIDITY OF ITS GEAR CHANGES.

Everything works in harmony to create an unmatched experience. Selecting the driving mode (ZEV, Hybrid or Sport) is simple using the dial positioned

on the centre console. The e-EAT8 electric gearbox optimises every gear change to enhance the fluidity of the ride, whilst in Hybrid mode,

New Citroën C5 Aircross SUV Hybrid manages the balance of the electric motor and the internal combustion engine automatically.

ULTIMATE COMFORT

NEW CITROËN C5 AIRCROSS SUV HYBRID PROVIDES UNRIVALLED COMFORT FOR DRIVER AND PASSENGERS ALIKE, WITH SEATS DESIGNED AS PART OF THE CITROËN ADVANCED COMFORT® PROGRAMME, AND SUSPENSION WITH PROGRESSIVE HYDRAULIC CUSHIONS® FOR A RIDE THAT FEELS LIKE FLYING ABOVE THE SURFACE OF THE ROAD.

Sliding, reclining and folding, the three individual seats in the rear let you adapt the interior space and boot volume to suit your needs, varying from 460 to 600 litres.

The suspension with Progressive Hydraulic Cushions® succeeds in both filtering and absorbing the unevenness of the road, while ensuring remarkable dynamism.

A special feature of the hybrid version is a multi-arm rear suspension which guarantees balance and stability, regardless of the exterior conditions.

In ZEV mode, a clearly visible blue LED indicator lamp comes on which identifies the vehicle as running in 100% electric mode to other road users.

Some specifications are not available on UK models.

-  HYBRID MOTORISATION
-  RECHARGEABLE HYBRID
-  ENERGY RECOVERY

TOP SPEED OF UP TO 84 MPH
IN 100% ELECTRIC MODE

A RANGE OF 31 MILES*
IN 100% ELECTRIC MODE

COMBINED CONSUMPTION OF 188 MPG*

CO₂ EMISSIONS OF 33 G/KM*
(in WLTP cycle)

COMBINED POWER OF 225 HP
This is the result of the combination of a PureTech 180 S&S petrol engine and an electric motor with a power of 80 kW.

* Awaiting approval.

* LED headlights shown are not available on UK models.

CLEAR INFORMATION WITHIN EASY REACH

NEW CITROËN C5 AIRCROSS SUV HYBRID CONTINUOUSLY KEEPS YOU AWARE OF ITS HYBRID TECHNOLOGY AND PERFORMANCE USING A RANGE OF STATE-OF-THE-ART SYSTEMS AND INTERFACES.

ENHANCED REGENERATIVE BRAKING

New Citroën C5 Aircross SUV Hybrid is fitted with an enhanced regenerative braking system. This recovers the energy available during braking and when the accelerator pedal is released. This 'recovered' energy is used to partially recharge the battery, resulting in an increase in the range of the vehicle in electric driving mode.

A 12.3 inch customisable digital instrument panel shows specific hybrid information including: power meter, range in electric and petrol modes, charging time, charging speed or driving modes.

When the vehicle is charging, the screen displays relevant information including the remaining charging time, the amount of charge and the charging speed.

The 8 inch touch screen also displays specific information, such as energy flow, consumption statistics or your scheduled battery recharging.

SIMPLE AND PRACTICAL CHARGING METHODS

NEW CITROËN C5 AIRCROSS SUV HYBRID STANDS OUT DUE TO ITS SIMPLICITY OF USE. THERE ARE SEVERAL BATTERY CHARGING METHODS, AS WELL AS A COMPLETE ECOSYSTEM OF PRACTICAL SERVICES.

There are two options for recharging the battery: Using the included Type 2 cable, the battery can be charged in under 2 hours using a 7kW home or public charging point. Using the domestic charging cable accessory, the battery can be charged in around 6 hours from a 3-pin domestic socket at 10A or 2.3kW. We only recommend this for occasional use and that the electricity source has been professionally tested before charging.

You can programme charging for a particular time to take advantage of off-peak rates using the touch screen in the passenger compartment or on your smartphone via the MyCitroën app (free of charge subscription to e-Remote

Control services required). You can also use the app to preheat the interior of the car at any time, remotely lock or unlock the passenger compartment and also access essential information such as the capacity of the battery, the fuel level, and even the location of your vehicle.

The charging cables are stored in a dedicated space under the boot floor, easily accessible via the hinged cover. The charging port is on the left side of the vehicle and features an LED indicator that shows you the charging status of the vehicle.

31 MILE RANGE
In 100% electric mode.

LESS THAN 2 HOURS

On a home charging point (Wall Box) or a 7kW public charging point.

6 HOURS

Charging on a domestic socket (with accessory cable sold separately).

DEFERRED CHARGING

To charge overnight and benefit from the cheapest rate.

8 YEAR BATTERY WARRANTY

Or 100,000 miles covering 70% of its original capacity.

WITH HYBRID TECHNOLOGY, YOU BENEFIT FROM A LATEST-GENERATION INTERNAL COMBUSTION ENGINE, FUEL ECONOMY, A POWERFUL ELECTRIC MOTOR AND EFFICIENT ENERGY MANAGEMENT.

Some specifications are not available on UK models.

12.3 INCH DIGITAL INSTRUMENT PANEL

8 INCH TOUCH SCREEN

SHINE.

CITROËN C5 AIRCROSS SUV SHINE SPECIFICATION INCLUDES:

SAFETY AND SECURITY

- Blind-spot monitoring system
- ABS with Electronic Brakeforce Distribution (EBD)
- Adaptive driver and front passenger airbags (includes passenger airbag deactivation function)
- Driver and front passenger side airbags
- Alarm (perimetric, volumetric with lift and tilt sensor)
- Coffee Break Alert (Driver attention alert system)
- Isofix child seat fittings (x3) in the front passenger and outer rear seats
- Programmable cruise control and speed limiter
- Rear three-point retractable seatbelts (x3), with pre-tensioners and force limiters in the outer rear seats
- Speed limit recognition and recommendation
- Two-tone horn

COMFORT AND CONVENIENCE

- Rear view reversing camera
- Electric folding heated door mirrors
- Keyless Entry & Start
- Front and rear parking sensors
- Suspension with PROGRESSIVE HYDRAULIC CUSHIONS®
- Central front armrest with butterfly-wing opening storage compartment
- Electric parking brake (includes hill assist)
- Electric power steering with reach and rake-adjustable steering column
- Mechanically height-adjustable driver's seat
- One-touch electric front and rear windows with pinch protection
- Independent sliding rear seats (x3) with adjustable backrest and near-flat floor function

INTERIOR FEATURES

- 'Wild Grey' interior ambience with Advanced Comfort seats, finished in Stone Grey cloth and black leather-effect cloth
- Height adjustable driver and front passenger seat
- Driver's seat with manual lumbar adjustment
- Electrochrome rearview mirror
- Steering wheel with 2 control panels and Satin chrome inserts

EXTERIOR LIGHTING AND VISIBILITY

- 'Follow me home' lighting

IN CAR ENTERTAINMENT

- Citroën Connect Nav with Connect Box Emergency and Assistance system
- Includes 3 year subscription to Connected Navigation Pack services, including Real Time Traffic & Speedcam. Subject to subscription – Please visit <https://services-store.citroen.co.uk/> to subscribe
- Automatic data connection via Citroën Connect Box emergency and assistance system
- Voice recognition (radio, navigation and telephony features)
- Bluetooth® telephone facility
- DAB radio (Digital Audio Broadcasting)
- Mirror Screen with Apple CarPlay™ and Android Auto
- USB sockets (x2, 1x front, 1x rear)
- 6-speaker radio, MP3 compatible
- 8 inch capacitive touchscreen
- 12 V sockets (x2) (glovebox and load area)

EXTERIOR FEATURES

- Electric, heated and folding door mirrors with integrated LED turn signal indicators
- Extra tinted rear windows and rear windscreen
- Matt black rear bumper fascia with chrome exhaust effect trim
- 18 inch 'Swirl' alloy wheels
- Roof bars with anodised silver underside
- Body-colour exterior door handles
- Body coloured door mirror shells
- Satin chrome side window surround
- Body coloured roof
- Matt black side sill with Airbump® panels and anodised silver colour touch

EXTERIOR LIGHTING AND VISIBILITY

- LED headlights
- 3D rear lights with LED central rear stop light
- LED daytime running lights
- Automatic headlights
- Automatic windscreen wipers

HYBRID SPECIFIC FEATURES

- ĥ/ HYBRID badging to front wings and tailgate
- Storage compartment (with hinged cover) for charging cable under boot floor
- Mode 3 charging cable with Type 2 connectors (for charging points)
- Custom interface for instrument cluster and touchscreen
- Driving mode selector on central console Brake mode option on gear selector Programmable cabin pre-conditioning and deferred charging (requires e-Remote Control - free subscription; available in MyCitroën app)
- Acoustically insulated driver's and passenger's side windows
- Frameless auto-dimming electrochrome rear-view mirror with blue LED Electric driving mode indicator
- 7.4 kW onboard charger capable of accelerated charging < 2hrs with 32A wall box / public charging point
- Safety Plus Pack

THE RANGE

SHINE PLUS.

IN ADDITION TO SHINE SPECIFICATION, SHINE PLUS VERSIONS INCLUDE:

SAFETY AND SECURITY

- Driver attention alert
- Intelligent beam headlights (auto dipping main beams)

COMFORT AND CONVENIENCE

- Metropolitan Grey Ambience with Grey grained leather / Graphite cloth
- Electrically adjustable driver's seat
- Foot operated motorised rear tailgate
- Highway Driver Assist
- Wireless smartphone charging plate (for compatible devices)

INTERIOR FEATURES

- Aluminium pedals and foot rest
- Stainless steel front inner door sills with 'CITROËN' embossing

EXTERIOR FEATURES

- 19 inch 'Art' bi-tone diamond cut alloy wheels

Citroën and you

FINANCE AND INSURANCE SHOULD REFLECT YOU AND YOUR NEEDS, JUST AS YOUR CHOSEN CAR DOES. HERE ARE THE PRODUCTS THAT AIM TO DO JUST THAT.

CITROËN FINANCIAL SERVICES

- **PURCHASE PLAN**

Own your vehicle with this flexible package designed to fit your budget.

- **CITROËN PERSONAL CONTRACT PURCHASE**

A new Citroën car every two or three years with monthly payments structured to suit your budget.

- **CITROËN PERSONAL LEASE**

Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

All our vehicles are available on the Motability scheme which includes insurance cover. To find out more, please contact your local dealer to speak to a Motability specialist or visit citroen.co.uk/motability

TO FIND OUT MORE
visit citroen.co.uk

FOR BUSINESS USERS

FREE2MOVE

- **HIRE PURCHASE**

A tried and tested finance package that allows you to own your vehicle.

- **BUSINESS LEASE**

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

- **LEASE PURCHASE**

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

- **CONTRACT HIRE**

A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales please contact your local Citroën dealer or go to <http://business.citroen.co.uk>

CITROËN INSURANCE

- **INSTANT COVER**

To help you drive away your new car without delay, we offer instant cover insurance, providing you with 7 days' comprehensive car insurance, for free!

- **MOTOR INSURANCE**

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable. For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.
