# Fun for everyone

The new Caddy is more versatile than ever before. Ideal for everyday use. Also perfect for sport and leisure. For work and for holidays. For city shopping trips and countryside excursions. And for a thousand other occasions.

# Let the adventure begin

01

Open the two sliding doors and step inside for the adventure of a lifetime. The new Caddy is the perfect companion, adapting effortlessly to your daily life. The two-part bench seat in the second row can be easily folded down and double-folded, or even removed completely. In addition, the bench and the single seat can also be removed independently of each other. This leaves plenty of space for bulky loads or even small items of furniture. You can also add a towbar<sup>1</sup> to free up more space at the rear.

# Flexible as always. More innovative than ever

The most popular vehicle in its class – now completely revamped, with improvements in many areas.

### Perfect for everyday use

The new Caddy comes as a short wheelbase with five seats and optional seven seat version, as well as the Caddy Maxi with seven seats. Both feature easily removable folding seats and easy access sliding rear passenger doors.

### Premium driving comfort

Comfortable ergoComfort seats<sup>2</sup> with electric 4-way lumbar support combine with a spacious interior to make every journey a comfortable one.

### Ultra-digital and closely integrated

High-resolution Digital Cockpit<sup>2</sup>, new infotainment systems with touch-screens up to 10 inches<sup>2</sup>, shortcuts for main infotainment functions and Volkswagen We Connect preparation<sup>3</sup>.

### Partly automated driving

The latest generation of driver assistance systems, including Adaptive Cruise Control (ACC)<sup>2,4,5</sup>, Travel Assist with Emergency Assist<sup>2,4,5</sup>, Trailer Assist<sup>2,4</sup> and lane change system Side Assist with Rear Traffic Alert<sup>2,4</sup>.

### Modern design

A striking new front end design with honeycomb front air intake, dynamic, clear lines, and an array of improvements to help achieve better efficiency.

### Lower emissions

Two SCR catalytic converters, arranged in series, and multiple AdBlue<sup>®</sup> injection significantly reduce NOx emissions from the modern generation of engines to meet the latest emission standard<sup>6</sup>.

Experience digital progress first-hand in the new Caddy. The touch-sensitive displays recognise the same gestures as your smartphone. You can control navigation<sup>1</sup> and multimedia functions, the air conditioning and the mobile online services that are available from Volkswagen We Connect<sup>2</sup>.

Enjoy a wealth of extras by supplementing the 10 inch touch-screen infotainment display of the Discover Pro navigation system<sup>1</sup> with a Digital Cockpit<sup>1</sup>. The high-resolution 10.25 inch digital instrument cluster screen is perfect for displaying a 3D view of the navigation map, and also lets you view the current driving data or your smartphone media library. Use the buttons on the multifunction steering wheel to scroll conveniently through the playlist, select your next mobile call via contacts, or activate individual driver assistance systems.

If your hands are occupied, you can now talk to your new Caddy. The clever Voice control system allows you to use voice commands to answer phone calls, select a radio station or set a navigation destination. Even the 2-zone Climate control air conditioning system<sup>1</sup> listens to your commands.

# Helping you to be a better driver

## Trailer Assist.<sup>1,2</sup>

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with towbar preparation or removable and lockable towbar.

## Adaptive Cruise Control (ACC).<sup>1,2</sup>

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

## Front Assist with Pedestrian Monitoring and City Emergency Braking System.<sup>1</sup>

Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations.

## Parking sensors with Park Assist.<sup>1,2</sup>

As part of Park Assist, Parking sensors monitor the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

## Emergency Assist.<sup>1</sup>

Enhances safety when the driver is incapacitated. The system initially reacts to inactivity by emitting a warning tone, vibrating, and then performing a safe braking manoeuvre.

## Traffic Sign Recognition.<sup>1,2</sup>

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation system.

<sup>1</sup> Within system thresholds. <sup>2</sup> Optional at extra cost.

# Everyday power

**Engines.** **NEW** The new Caddy's have a choice of petrol and diesel engines, together with the option of manual or DSG automatic gearboxes, that allows you to choose the engine that best suits your needs.

**Dual-clutch gearbox (DSG).** The new Caddy can be fitted with an adaptive 7-speed dual-clutch gearbox. This enables fully automatic, smooth gear changes without interruption of tractive power, and it also adapts to the driver's driving style. You can also shift up and down using paddle switches on the multifunction steering wheel.

**Improved emission control.** **NEW** Innovative AdBlue® twin dosing significantly reduces the NO<sub>x</sub> emissions from TDI engines compared to the previous model. This is achieved through the selective double injection of AdBlue® upstream of the two SCR catalytic converters, which are arranged in series.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

# The new Caddy

Children rarely sit still. Doors open, doors closed, lights on, lights off, music up, music down: The new Caddy comes along for the ride! For example, the two single seats<sup>1</sup> in the third row can be removed, either together or separately, to make way for bulky items. Safety is and remains our priority. Which is why this hard-wearing all-rounder comes with curtain airbags for the outer seats in all rows as standard. Extra comfort comes courtesy of Front Assist with Pedestrian Monitoring and City Emergency Braking System<sup>2</sup> and Lane Assist<sup>2,3</sup>, which performs counter steering assistance to warn the driver if the vehicle is straying out of its chosen lane.

**01 Foldable, double-folding and removable seats**

**02 Electrically adjustable and heated exterior mirrors**

<sup>1</sup> Standard equipment in the new Maxi and the new Life Maxi. Optional at extra cost in the new Caddy and Caddy Life SWB models. <sup>2</sup> Within the system thresholds.  
<sup>3</sup> The driver must be prepared at all times to override the assist systems and is not released from their responsibility to drive with the utmost care.

# In tune with nature

## The new Caddy Life. Comfort in action

Recreation requires room. Outdoor enthusiasts are especially aware of this. It's pretty tricky to fit a dog carrier, paragliders and mountain bikes in small luggage compartments. And you can forget about collapsible boats! If you need some leftover space for comfort, then the new Life is the vehicle for you. It is the perfect way to explore the natural world at your leisure.

The Life has space for everything you might need to enjoy a day trip. Double-fold the rear seat bench forwards to create a practical loading bay. There's more than enough room for a collapsible canoe, two paddles and a large picnic basket. And after an action-packed day on the water you can enjoy a relaxed journey home. Travel Assist<sup>1, 2, 3</sup> combines the lane keeping system Lane Assist<sup>2, 4</sup> with Adaptive Cruise Control (ACC)<sup>1, 2, 3</sup>, helping to guide you home safely. Adaptive lane centring also helps to keep you on the right track.

- 01 Travel Assist with Adaptive Cruise Control (ACC), Lane Assist and Emergency Assist<sup>1, 2, 3</sup> **NEW**
- 02 Roof gallery

<sup>1</sup> These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO<sub>2</sub> emissions and driving performance values.

<sup>2</sup> Unladen weight includes approximately 90% fuel load and 75kg for driver.

<sup>3</sup> Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Please contact your local Volkswagen Van Centre for more details.

Roof load limit: 100kg. Trailer nose weight: 80kg.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.7.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

2 From 1 April 2021, the official CO<sub>2</sub> emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

# Finance, insurance, servicing and warranties

## Finance and insurance.<sup>1</sup>

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard.

## A choice of packages.<sup>2</sup>

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

## Volkswagen Commercial Vehicle Van Insurance.<sup>3</sup>

### Complimentary Drive Away Insurance

Every new and used Volkswagen Commercial Vehicle comes with five days' complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover, so you can enjoy the same peace-of-mind for a further twelve months. Please speak to your local Volkswagen Van Centre for further details.

*Subject to eligibility. Five days' Drive Away Insurance cannot be used in conjunction with any other insurance offer.*

### Annual Insurance

Comprehensive van insurance, designed specifically for Volkswagen Commercial Vehicles, to offer you maximum convenience with minimum hassle – just as you'd expect.

If you take out a new Volkswagen Commercial Vehicle Van Insurance policy you will receive the following benefits at no additional cost:

- All repairs are carried out by Volkswagen Commercial Vehicles' Trained Technicians in Volkswagen Commercial Vehicles' Authorised Repairers
- Genuine parts and accessories (excludes windscreen claims)
- Courtesy van while yours is being repaired
- Cover for the full cost of repairs to chips or other small damage to your windscreen
- Up to 90 days' foreign travel cover, when using your van abroad
- Up to £250 cover for personal belongings that are lost or damaged following an accident, fire or theft

For more information or to get a quote, call us on: **0345 877 6355**

We're available Monday to Friday 9am-6pm.

Alternatively, visit: [www.insurewithvwcv.co.uk](http://www.insurewithvwcv.co.uk)

## Volkswagen Commercial Vehicle GAP Insurance.<sup>4</sup>

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as 'Guaranteed Asset Protection') Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: [www.insurewithvwcv.co.uk/gap-insurance](http://www.insurewithvwcv.co.uk/gap-insurance)

## Servicing and support.

We're here to keep your business moving, with our range of three award-winning<sup>5</sup> servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit: [www.volkswagen-vans.co.uk/aftersales](http://www.volkswagen-vans.co.uk/aftersales)

### Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

### Fixed price servicing.<sup>6</sup>

If you can pay for more than one service upfront, we'll help by reducing your costs. Buy two upfront and you'll receive one interim and one full service at a discounted rate. Buy four and you'll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget<sup>7</sup>.

### Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

### Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

### Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

### Warranties.

You can count on us long after you purchase your Caddy, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caddy is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: [www.volkswagen-vans.co.uk/aftersales](http://www.volkswagen-vans.co.uk/aftersales).

## Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: [www.volkswagencvwarranty.co.uk](http://www.volkswagencvwarranty.co.uk) where you'll also be able to obtain a quote and purchase an extended warranty.

## Paint and body warranty.

Your Caddy's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

## The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.
