

# The Touran

## Price and specification guide

Effective from 1.7.2021

# The Touran. The family car that ticks all the boxes.

Versatile, spacious and packed with features, the Touran is the family MPV that ticks every box. The latest engine technology, driver assistance systems and over 50 innovations make driving easier and more enjoyable than ever. Large windows and a panoramic sunroof enhance the sense of spaciousness, and the sloping roofline gives a confident, dynamic look. Despite its compact, sporty appearance, it's a true seven-seater, with ample head and legroom in every row, while the fold-down seating arrangement provides all the space for your family's activities.

**LED premium headlights** provide optimum road illumination by producing a light that is brighter than conventional halogen headlights. Also featured with this option is projection technology, LED daytime running lights and rear tail lights, and dynamic cornering lighting. Optional on all models. Model shown features optional metallic paint.

Front cover model shown is Touran R-Line with optional LED premium headlights, panoramic sunroof and Pure White non-metallic paint.

Panoramic sunroof is standard on SE Family and optional on all other models.

Model shown is Touran SEL with optional LED premium headlights and metallic paint. Please note, alloy wheels shown are not UK specification.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.7.2021. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer. 2 The recommended ‘On the road’ prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021. For full details of ‘First year rate’ VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended ‘On the road’ retail price, [please click here](#) 3 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates). P11D value is based on standard specification model with no factory-fitted options or other accessories. 4 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details. 5 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd’s syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at [www.volkswagen.co.uk/need-help/wltp](#). SCR (Selective Catalytic Reduction) requires AdBlue®, [please click here](#) or visit [www.volkswagen.co.uk/technology/engines/adblue/technology/engines/adblue](#) for more details.

RDE2 refers to Real Driving Emissions Step 2.

# Volkswagen Service Plan – Retail sales only.

- For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:
- ‘Oil service’ including oil filter change
  - ‘Oil service’ including oil filter change and ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

*Prices, specifications, features, technical and other information (including fuel consumption, CO<sub>2</sub> emissions and range) are updated regularly and are subject to change without notice (this may include changes between order and delivery). There may be a delay in updates to our materials – always consult your authorised Volkswagen retailer for the latest information.*

*Volkswagen UK may change RRP’s at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.*

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 JULY 2021.

– Driver's knee airbag
– Front seat side impact airbags
Automatic Post-Collision Braking System

Disc brakes, front and rear
Driver's and front passenger's four way adjustable safety-optimised head restraints
Electronic engine immobiliser
ESC (Electronic Stability Control) including EDL (Electronic Differential Lock) and ASR (Traction Control)
Front three-point seat belts with height adjustment
High level 3rd brake light
Isofix child seat preparation, all rear seats 2nd and 3rd row <sup>1</sup>
Misfuel prevention device for diesel engines
Rain sensor
Remote central locking with 2 remote folding keys
Two-tone horn
Tyre pressure loss indicator
Warning buzzer and light for front and 2nd row seat belts if unfastened
Warning triangle and first aid kit
XDS electronic differential lock for improved traction and handling
3 three-point seat belts in the 2nd row, with height adjustment on outer seats
2 three-point seat belts in the 3rd row
5 rear head restraints

- 1 The integrated child seats cannot be used in conjunction with the Isofix child seats.
- 2 Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
- 3 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.volkswagen.co.uk/myvolkswagen](http://www.volkswagen.co.uk/myvolkswagen) or contact your Volkswagen retailer.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) or consult your authorised Volkswagen retailer.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

DRIVER'S ASSISTANCE
Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter
Battery regeneration (recuperation – energy recovery during braking)
Dusk sensor, automatic driving lights
Electronic parking brake – with auto hold function
Hill hold function
Multifunction computer with 3.5" TFT screen, includes visual gear change recommendation for improved fuel consumption
Parking sensors, front and rear – ultrasonic, audible with audio volume reduction when activated and optical parking display via vehicle's infotainment system
Power-assisted steering, speed-sensitive
Speedo and rev counter, electronic odometer, trip, service interval display, exterior temperature gauge and fuel gauge
Start/Stop function

IN-CAR ENTERTAINMENT AND COMMUNICATIONS
---

Ready 2 Discover infotainment system
– 8" colour touch-screen with natural, intuitive, touch sensitive functionality
– Bluetooth telephone and audio connection for compatible devices <sup>2</sup>
– Car information display
– DAB digital radio receiver
– In-Car shop: Purchase additional services i.e. We Connect contract extensions or upgrade to navigation services after vehicle purchase
– Integrated SIM-card
– MDI (Multi Device Interface), via USB-C connection – compatible products only
– Music playback from MP3, WMA and AAC files
– Simultaneous pairing of 2 compatible mobile devices
– Title and cover art display
– 1 x USB-C connection
– 6 speakers, front and rear
Premium USB-C cable (choice of either Apple or Android smartphone compatibility)

WE CONNECT
We Connect preparation <sup>3</sup>
– Driver and vehicle integration via We Connect Portal or We Connect app
– Provides continuous interaction between the driver, vehicle and Volkswagen, via integrated SIM-card connectivity
– Driver and vehicle integration with Volkswagen call centre or server for: 'eCall' – Emergency call service for SOS calls to emergency response
– Vehicle based services for: Car breakdown call, Vehicle status, Doors and lights, Automatic accident notification, Vehicle health report, Driving data, Parking position, Service schedule

# Taking the family on the road has never been easier.

Everything about the Touran is designed to try and help make family life easier, more enjoyable and more fun. Whether you’re taking a long trip, stuck in traffic or performing a tricky parking manoeuvre, a host of intelligent and innovative features provide high levels of comfort, convenience and occupant protection. For example, all five rear seats have Isofix child seat preparation, there are seven airbags and a range of assistance systems, depending on which trim level you choose, that include Adaptive Cruise Control (ACC), Front Assist with City emergency braking and Driver Alert system that help to provide peace of mind on every journey.

**01 Ambient lighting** in the front footwell and door trim inserts creates a warm welcome when getting in and out and can be adjusted to provide your preferred level of illumination. Standard on SEL and R-Line and optional on SE and SE Family models. Image shown is Touran SEL DSG with optional Discover Navigation Pro touch-screen infotainment system and metallic paint.

**02** Thanks to the flexible **folding seat arrangement**, the Touran can be as versatile as you wish. Simply flick the catch on the top of the rear seats and they fold down to create a completely flat floor, increasing your boot space as required. With all seats upright there’s a generous 137 litres of space. This increases to 1,857 litres when the second and third row seats are folded flat. If you need to carry longer items the load length is an impressive 1.89m, and with the front passenger seat folded flat, it offers even more load length of 2.7m. Model shown is Touran SEL DSG with optional Discover Navigation Pro touch-screen infotainment system and metallic paint. Front passenger’s seat folding backrest is standard on all models.

**03 The cargo management system** offers even greater flexibility in the boot space. The adjustable, elastic luggage net can be used to keep items secure whilst driving and there is also a convenient removable luggage compartment light. Optional on all models. Model shown features optional metallic paint.

**04 Hands free tailgate opening** opens the rear tailgate even when you don’t have a free hand. Sensors recognise your key and a simple foot movement below the rear bumper is all it takes to unlock and open the tailgate automatically. Optional on all models as part of the keyless entry option. Model shown features optional 17 inch ‘Vallelunga’ alloy wheels and metallic paint.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

# The sky's the limit on every trip.

The panoramic sunroof adds a new dimension of fresh air and light to every trip. At 1.4m<sup>2</sup>, it offers a stunning view of the skies above from every seat, enabling occupants to count clouds and stargaze to their heart's content. Electrically operated, the panoramic sunroof is fitted with an integrated roller blind and wind deflector. Day or night, driving's never been more fun.

Interior shown is Touran SEL with optional panoramic sunroof, luggage restraint/net partition and metallic paint.

**01-02 The climate control – 3Zone electronic air conditioning system** allows the driver, front passenger and those seated in the 2nd row to set their own desired temperature, independently of one another. This advanced air conditioning system also features a 'gentle' climate option, making steamed-up windows a thing of the past, while the biogenic filter keeps out pollens and allergens, ensuring consistent air quality throughout the passenger compartment. Standard on SEL and R-Line and optional on all other models.

Panoramic sunroof is standard on SE Family and optional on all other models.

[Configure now >](#)

**01 Side scan and Lane Assist** help you change lanes confidently. A radar sensor controlled system warns you via lights in the door mirror housing if it detects road users in your blind spot while a camera controlled warning system alerts you if your car drifts out of its chosen lane. Optional on all models, must be ordered in conjunction with Mirror pack on SE and SE Family models.

**02 The Front Assist** monitoring system combined with City emergency braking, alerts you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Also includes a multifunction computer with 3.5" TFT screen. Standard on all models.

**03 The Park Assist system** not only makes parallel parking easier, but also helps you reverse park into a space at 90 degrees to the kerb. Using ultrasonic parking sensors, Park Assist will detect a parking space large enough for either bay or parallel parking. Once the vehicle is in reverse, all the driver has to do is operate the accelerator and brake, and keep a lookout, while the Touran steers itself into its chosen space. Optional on all models.

**04 Tow a trailer or caravan effortlessly with Trailer Assist including Park Assist.** This system helps you reverse more easily and accurately with a trailer or caravan hitched. The optical display visualises actual and possible steering angles in the instrument cluster. Reverse steering is automatic, with direction controlled via the mirror adjustment switch which acts as a joystick, while the driver controls the pedals and keeps a good look out. Optional on all models. Only in conjunction with the optional swivelling towbar.

**05 The rear-view camera** displays the area behind your vehicle on the screen of the vehicle's infotainment system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on all models. Image shown features optional Discover Navigation Pro touch-screen infotainment system.

**06 The comprehensive airbag system** includes front seat side impact airbags, driver's and front passenger's airbags with passenger's airbag deactivation switch, curtain airbag system for front and 2nd row passengers, and a knee airbag for the driver. Standard on all models. Also available as an option for all models are side airbags for the 2nd row seats.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

# Cutting-edge connectivity on every trip.

Thanks to We Connect and We Connect Plus connectivity you can enjoy a whole range of online services while you travel, helping to make your journey easier, more comfortable and ultimately more informed. Cutting-edge connectivity ensures it's never been easier to integrate your mobile devices, whether you're looking to charge your smartphone or stay connected, and there's a wide range of online services and apps available via your smartphone and We Connect and We Connect Plus preparation.

**We Connect preparation**<sup>1</sup> acts as your personal assistant supporting you in every driving situation and providing you with all the key information you need regarding your mobility. An integrated SIM-card provides continuous connectivity and interaction between the driver, vehicle and Volkswagen's call centre or server. In the event of an accident, should the driver activate the 'eCall' button or the airbags are deployed triggering the 'eCall' service, Volkswagen's Emergency Centre will be contacted directly. Key information such as the condition and location of the vehicle will be sent to emergency response units. In the event of minor incidents, the 'Automatic accident notification' can send location and vehicle details to the Volkswagen Emergency Centre should the driver wish. Additional data is also shared including details of 'Car breakdown', 'Vehicle health report' and 'Service schedule' ensuring your vehicle's information is always up to date.

The service also allows vehicle information to be accessed via the We Connect Portal or We Connect app, via a laptop or smartphone, from the comfort of your home or even the office. Information such as 'Driving data', the status of 'Doors and lights' and 'Parking position' can be easily accessed and monitored. Information on the duration of We Connect services can be obtained once a user account has been registered on the myVolkswagen web portal. Standard on Ready 2 Discover infotainment system.

**We Connect Plus preparation**<sup>2</sup> gives you online access to a range of useful information with vehicle based services for Area alert, Speed alert, Horn and indicators, Online anti-theft alarm, Online ventilation control and Lock & unlock<sup>3</sup>. It also includes navigation based services for Online voice control, Online traffic information, Online route calculations and Online destination import. Petrol station, Charging point and Parking locations as well as streaming and internet based services<sup>4</sup> for internet radio, Wi-Fi hotspot and Media streaming. Information on the duration of We Connect services can be obtained once a user account has been registered on the myVolkswagen web portal. We Connect Plus preparation is standard on the Discover Media and Discover Navigation Pro infotainment systems.

- 1 To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to [www.volkswagen.co.uk/myvolkswagen](http://www.volkswagen.co.uk/myvolkswagen) or contact your Volkswagen retailer.
- 2 We Connect Plus services are accessed via a compatible mobile device. Please see [www.volkswagen.co.uk/myvolkswagen](http://www.volkswagen.co.uk/myvolkswagen) for more information. The use of We Connect Plus entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect Plus services can be obtained once a user account has been registered on the myVolkswagen web portal.
- 3 Lock & unlock service is a secure service and requires that your identity be verified via the Volkswagen Ident process. Your identity will be verified by a Volkswagen retailer or via video chat.
- 4 For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at [www.vw.cubictelecom.com](http://www.vw.cubictelecom.com)

01

**01 'App-Connect'**<sup>1,2</sup> combines the functionality of Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'™, allowing you to mirror apps from your smartphone onto the infotainment touch-screen. Via USB-C connection for Google 'Android Auto' or 'MirrorLink'™ and Wireless connection for Apple 'CarPlay', it cleverly allows display and operation of certified apps including audio and voice control, if supported by the app. Please note, usage of certified apps only while driving. Standard on SEL and R-Line and optional on all other models. Image shown features optional Discover Navigation Pro touch-screen infotainment system.

**02 The Volkswagen 'Cam-Connect'**<sup>2</sup> app literally gives you eyes in the back of your head. As an additional feature of 'App-Connect', simply download the free app from the Volkswagen website and connect your GoPro® camera<sup>3</sup> (not supplied). Using 'MirrorLink'™, one of the 'App-Connect', functions, it will cleverly transmit images from the rear of the vehicle onto the infotainment system's touch-screen. This will allow you to keep a close eye on the rear seat's precious contents without having to look over your shoulder — be it fragile gifts, the dog or the most precious cargo – your family. Image shown features optional Discover Navigation Pro touch-screen infotainment system. Car-Net 'Cam-Connect' functionality only operable in conjunction with a 'MirrorLink'™ compatible smartphone. Please note, image shown is for illustrative purpose only. Standard on SEL and R-Line and optional on all other models

**Electronic voice amplification** (not shown) allows the driver to speak to those in the second and third row rear seats easily and clearly, without raising their voice. Standard on SE Family and optional on all other models as part of the Family pack.

02

1 Only operable in conjunction with compatible smartphones including iPhone 5 and above. Display and operation of certified apps including audio and voice control (if supported by the app). Usage of certified apps only while driving. Please see [www.volkswagen.co.uk](http://www.volkswagen.co.uk) to check smartphone compatibility.

2 Included with optional Discover Navigation Pro touch-screen infotainment system.

3 The GoPro® camera is not included in the Touran and must be separately purchased by you. The described function is compatible with the following versions: GoPro® Hero camera (3, 3+ or 4). GoPro®, Hero, the GoPro® logo and the GoPro® Be a Hero logo are trademarks or registered trademarks of GoPro®.

# Factory-fitted options.

1 Mobility tyres in lieu of tyre mobility kit.   2 Only in conjunction with 16 inch 'Karlstad' alloy wheels.

Choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may increase as a result of the increased VED rate. Please refer to [CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels section](#).  
For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at [www.volkswagen.co.uk](#) or consult your authorised Volkswagen retailer.

# Accessories

Protection and car care.

## 01 Luxury carpet mats – front and 2nd row seats

The Volkswagen Genuine textile floor mats made from durable, high-quality velour with Touran branding are a visual highlight that also helps to protect the car interior. The easy attachment using the 2-point fastening system ensures that the premium floor mats do not slip or turn. Four-piece set.

Part number: 5QC 061 270 WGK

## 02 Rear bumper protection – transparent

Help protect your rear bumper from scratches and scuffs with this transparent film.

It's subtle, practical and protects your paintwork when loading and unloading.

Part number: 5QA 061 197

## 03 Front mudflaps – set of two

Prevent muck from messing up your vehicle's underbody, bumpers, sills and doors with Volkswagen mudflaps. They're long-lasting and durable, protecting your vehicle against excessive mud and reducing the chance of road chip damage.

Part number: 5TA 075 111

## 04 Rear mudflaps – set of two

Perfectly shaped to fit the rear, these durable, hard-wearing mudflaps offer protection against flying stones and other debris, with water spray being reduced quite substantially.

Part number: 5TA 075 101

Images shown are for illustration purposes only and may not necessarily reflect UK specification. Models shown features optional metallic paint.

03

## 01 Rear sill cover – transparent

Help protect your rear bumper from scratches and scuffs with this transparent film. It's subtle, practical and protects your paintwork when loading and unloading.  
Part number: 5QA 061 197

## 02 Boot liner – 5-seater

The luggage compartment liner is light, flexible and perfectly shaped to fit the contours of your vehicle. The edge provides adequate protection against moisture and dirt. Goods are effectively prevented from slipping. If the luggage compartment liner is not required, it can simply be rolled up so that it takes up less storage space.  
Part number: 5QA 061 160

## 03 Upper partition grille

Keep your best friend happily in the back with the partition grille, separating the luggage compartment from the rear passenger space. Made of a black powder-coated tubular frame with wire mesh, it's easily installed behind the rear seat.  
Part number: 5QA 017 221

04

## 04 Protective strip – chrome

A dazzling finish, the chrome-look strip for the lower edge of the rear tailgate gives the vehicle a refined and elegant look and also serves as a sill protector.  
Part number: 5QA 071 360

## 05 Rear sill cover – brushed stainless steel look

Perfect protection with an elegant look, the brushed stainless steel effect loading sill protection fits your vehicle perfectly and protects the bumper against scratches when loading and unloading the luggage compartment, while also enhancing the vehicle's appearance.  
Part number: 5QA 061 195

## 05 Door sill trims – aluminium

An eye-catcher when getting into your vehicle, the high-quality aluminium sill panel trims protect the entry areas of your vehicle and gives them an individual look. Each set consists of two sill panel trims with vehicle lettering for the front entry areas.  
Part number: 5QA 071 303

# Alloy wheels.

SE

SEL SE

RL

SE SEL

- 01 'Karlstad'** 6½J x 16" alloy wheels with 205/60 R16 tyres and anti-theft wheel bolts.
- 02 'Alexandria'** 6½J x 17" alloy wheels with 215/55 R17 mobility tyres and anti-theft wheel bolts.
- 03 'Marseille'** 7J x 18" alloy wheels with 225/45 R18 mobility tyres and anti-theft wheel bolts.
- 04 'Vallelunga'** 6½J x 17" alloy wheels with 215/55 R17 mobility tyres and anti-theft wheel bolts.
- Please note, mobility tyres in lieu of tyre mobility kit.

Please note, choosing larger alloy wheels than standard, as an option, may result in increased fuel consumption. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) or consult your authorised Volkswagen retailer.

# VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2021. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

## ‘FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2021 BASED ON CO<sub>2</sub> EMISSIONS AND FUEL TYPE

Petrol/Diesel<sup>†</sup> – ‘First year rate’ VED

CO <sub>2</sub> emissions (g/km)	Petrol/Diesel <sup>†</sup> VED £	Petrol total ‘On the road’ costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	115.00	805.00
91-100	140.00	830.00
101-110	160.00	850.00
111-130	180.00	870.00
131-150	220.00	910.00
151-170	555.00	1,245.00
171-190	895.00	1,585.00
191-225	1,345.00	2,035.00
226-255	1,910.00	2,600.00
Over 255	2,245.00	2,935.00

Diesel<sup>‡</sup> – ‘First year rate’ VED

CO <sub>2</sub> emissions (g/km)	Diesel <sup>‡</sup> VED £	Diesel total ‘On the road’ costs £
0	0.00	690.00
1-50	25.00	715.00
51-75	115.00	805.00
76-90	140.00	830.00
91-100	160.00	850.00
101-110	180.00	870.00
111-130	220.00	910.00
131-150	555.00	1,245.00
151-170	895.00	1,585.00
171-190	1,345.00	2,035.00
191-225	1,910.00	2,600.00
226-255	2,245.00	2,935.00
Over 255	2,245.00	2,935.00

Alternative fuel – ‘First year rate’ VED

CO <sub>2</sub> emissions (g/km)	Alternative fuel VED £	Alternative fuel total ‘On the road’ costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	105.00	795.00
91-100	130.00	820.00
101-110	150.00	840.00
111-130	170.00	860.00
131-150	210.00	900.00
151-170	545.00	1,235.00
171-190	885.00	1,575.00
191-225	1,335.00	2,025.00
226-255	1,900.00	2,590.00
Over 255	2,235.00	2,925.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the ‘First year rate’ VED the majority of vehicles move to the ‘Standard rate’ of vehicle tax which is £155 a year.

The ‘First year rate’ will be based on the CO<sub>2</sub> emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £155 a year, and alternative fuel vehicles will pay a standard rate of £145 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £490 a year, after the first ‘First year rate’ vehicle tax, for a period of five years. This comprises the £155 ‘Standard rate’ and £335 additional rate. After five years the vehicle tax will revert to the ‘Standard rate’ of £155 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £480 a year after the ‘First year rate’ vehicle tax for a period of five years. This comprises the £145 ‘Standard rate’ and £335 additional rate which reverts to £145 ‘Standard rate’ after five years.

Vehicles with a list price exceeding £40,000 (excluding vehicles with zero emissions) will pay the additional rate of £335 a year for a further five year period, after the ‘First year rate’ tax. After the five year period these vehicles will pay zero VED tax.

## ‘STANDARD RATE’ VED

‘Standard rate’ VED based on fuel type

Fuel type	CO <sub>2</sub> emissions (g/km)	‘Standard rate’ 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	155.00
Alternative	1 - Over 255	145.00

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £155 a year, and alternative fuel vehicles will pay a standard rate of £145 a year.

## ‘STANDARD RATE’ – OVER £40,000 RRP

‘Standard rate’ VED for vehicles over £40,000 list price – five year annual rate

Fuel type	‘Standard rate’ 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	0.00	0.00
Petrol/Diesel	155.00	335.00	490.00
Alternative	145.00	335.00	480.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £490 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £480 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type. Electric or vehicles producing zero emissions over £40,000 at first registration are exempt from any charge after the ‘First year rate’.

## ADDITIONAL ‘OTR’ COSTS

Additional ‘On the road’ costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total ‘On the road’ costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable ‘First year rate’ VED charge plus the ‘On the road’ costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 1 JULY 2021.

# AdBlue®.

Your Volkswagen car is fitted with an advanced emissions control system, which helps your vehicle meet EURO 6 exhaust gas regulations.

## How does the system work?

AdBlue®, a water/urea based additive, is stored in a tank (like diesel fuel), however, unlike fuel it is not injected into the engine, but directly into a specially modified part of the vehicle's exhaust. This begins a chemical reaction which removes the polluting oxides of nitrogen (NOx), converting them into harmless oxygen and nitrogen in a process known as Selective Catalytic Reduction, or SCR for short. SCR is only applicable to diesel engines and the more economically you drive, typically, the less AdBlue® you will use.

The size of the AdBlue® tank fitted to your car will vary depending on which Volkswagen model you have, therefore the interval between top-ups will vary. In addition, many factors such as mileage, journey type, driving style and environmental conditions can influence how much AdBlue® is consumed. A passenger car can consume approximately 1.5 litres of AdBlue® every 620 miles (1.0–1.5 litres for the Passat and Passat Estate). The chart below details the AdBlue® tank size and location.

Model (SCR derivatives only)	Tank size (Approximately)	AdBlue® tank filler location	Initial warning of low AdBlue® (2,400km/1,500 miles to go) can be expected to occur at:
Touran	11 litres	Next to fuel filler nozzle	3,000 to 4,000 miles or sooner*

\* Distances are approximate and the warning light may come on sooner depending on driving style, journey type, engine and vehicle load and environmental conditions.

## How will I know if the system needs topping-up?

A series of warnings will be given via the driver information system, accompanied by advice/messages.

The first message is displayed when the remaining range is approximately 1,500 miles, and is repeated every 62 miles until the range reaches 1,000 miles, at which point the warning turns amber. This warning is repeated every 31 miles and is accompanied by an audible tone. If these warnings are not acted upon, the warning turns red; once this happens the car will not restart once the ignition is turned off. This is not a fault, but a required feature of the system. If this stage is reached the system will need a full top-up before the car can be restarted. Further information is available in the vehicle handbook.

## Why should I use a Volkswagen Authorised repairer for top-ups?

- AdBlue® top-ups at authorised repairers are extremely competitive and charged by the litre, so you only pay for what you need
- Authorised repairer staff are trained to handle AdBlue®
- AdBlue® tanks need special adaptors on fillers to ensure there are no spillages
- Volkswagen do not recommend keeping top-up bottles in cars

The top-up bottles supplied by Volkswagen have a capacity of 1.89 litres, and come complete with the adaptor nozzles that fit the Volkswagen AdBlue® tank. These are available from all Volkswagen Authorised repairers.

AdBlue® warning lights.

## Important information

- AdBlue® is not a fuel additive. This is why there is a separate AdBlue® tank
- If you put AdBlue® in your fuel tank by mistake, please do not start the engine, but contact a retailer for help
- Put only AdBlue® in the AdBlue® tank; do not fill the AdBlue® tank with any other liquids
- Prevent anything from contaminating AdBlue®
- If small quantities of AdBlue® come into contact with the vehicle's paintwork, for example, wipe them off and if necessary rinse the area with water

EFFECTIVE FROM 1 JULY 2021.

# CO<sub>2</sub> emissions, BIK % and VED Bands with optional wheels.

## Effect of wheel size on CO<sub>2</sub> emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO<sub>2</sub> emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended 'On the road' retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO<sub>2</sub> emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

# Company car taxation chart – tax year 2021/22.

[Configure now >](#)

## How to calculate your company car income tax liability – effective 6.4.2021

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. In the 2017 Autumn Budget the Chancellor announced that there will be a new VED supplement on new diesel cars first registered from 1 April 2018 adding 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%), so that their First-Year Rate will be calculated as if they were in the VED band above. However, this will not apply on those diesel cars which meet Real Driving Emissions Step 2 (RDE2) standards.

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit [www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator](http://www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator). Full details can be found at [www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/815268/190617\\_-\\_WLTP\\_-\\_summary\\_of\\_responses\\_v2.2.pdf](http://www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf)

<sup>1</sup> P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.

<sup>2</sup> From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

## VOLKSWAGEN FINANCE<sup>1</sup>

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

### Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

### Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

### Contract Hire

Available for both personal and business customers. Ideal for customers simply wanting to pay a monthly rental for the vehicle, change it on a regular fixed period and have no disposal risk.

- Lease Purchase
- Finance Lease

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. Buy your service plan online or visit your local Volkswagen retailer for more information.

## VOLKSWAGEN INSURANCE<sup>2</sup>

We want you to start enjoying your new car from day one, and thanks to our complimentary five day Volkswagen Drive Away Insurance you can. Please visit [www.insurewithvolkswagen.co.uk/driveaway](http://www.insurewithvolkswagen.co.uk/driveaway) to activate your cover. If eligible, we will also give you a quotation for our annual insurance, designed specifically for Volkswagen drivers.

## ANNUAL CAR INSURANCE

Volkswagen car insurance helps give you peace of mind with the following benefits at no extra cost:

- Repairs carried out by Volkswagen trained technicians using Volkswagen Genuine Parts and paints when repaired by a Volkswagen approved repairer
- Guaranteed courtesy car
- Child seat replacement
- Uninsured driver promise
- Vandalism promise
- 24 hour accident recovery

For more information or to get a quote, visit [www.insurewithvolkswagen.co.uk](http://www.insurewithvolkswagen.co.uk)

## SERVICING AND MAINTENANCE

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

### Fixed Service

The Fixed Service is recommended for vehicles that will cover less than 9,300 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Fixed Service schedule on 2021 MY onwards are as follows:

- Oil change service – After 1 year or 9,300 miles (15,000 km), whichever is soonest.
- Inspection service<sup>3</sup> – First after 2 years or 18,600 miles (30,000 km), then every 2 years or 18,600 miles (30,000 km), whichever is soonest.

## SERVICING AND MAINTENANCE (CONTINUED)

### Flexible Service

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can drive up to 18,600 miles<sup>4</sup> (30,000 km) or 2 years, whichever is soonest, between oil changes.

The service intervals for the Flexible Service schedule on 2021 MY onwards are as follows:

- Oil change service – According to flexible service interval display, 2 years or 18,600 miles (30,000 km), whichever is soonest.
- Inspection service<sup>3</sup> – First after 2 years or 18,600 miles (30,000 km), then every 2 years or 18,600 miles (30,000 km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Flexible Servicing is not available on BEV, PHEV or GTE models. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

## VOLKSWAGEN ENSURANCE<sup>5</sup>

Get three years' Volkswagen Insurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only Genuine Volkswagen Parts? Insurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish, ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only Genuine Volkswagen Parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Insurance is free to all Volkswagen customers for three years and it only takes a minute to get cover.

To find out more and to activate your cover, visit [www.insurewithvolkswagen.co.uk/insurance](http://www.insurewithvolkswagen.co.uk/insurance)

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Registered Office: The Wharf, Neville Street, Leeds LS1 4AZ. Registered in England and Wales number: 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority (FCA) and the Prudential Regulation Authority. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230 (Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd. is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the FCA, registration number: 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting [www.fca.org.uk](http://www.fca.org.uk). VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 18,600 miles) and then every second year (or 18,600 miles).
- 4 The quoted mileage is based on a conversion from kilometers and is therefore unlikely to exceed circa 18,600 miles between oil changes.
- 5 Insurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ. Lawshield UK Limited is authorised and regulated by the Financial Conduct Authority (FCA). Authorisation details can be checked on the FCA's register at [www.fca.org.uk](http://www.fca.org.uk). Great Lakes Insurance SE, UK Branch, is authorised by Bundesanstalt für Finanzdienstleistungsaufsicht and subject to limited regulation by the Financial Conduct Authority and Prudential Regulation Authority. Details about the extent of their regulation by the Financial Conduct Authority and Prudential Regulation Authority are available on request.

**WARRANTY**

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

**THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY**

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty<sup>1</sup>. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

**BODY PROTECTION WARRANTY**

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

**THREE-YEAR PAINTWORK WARRANTY**

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

**APPROVED ACCESSORIES**

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

**VOLKSWAGEN ROADSIDE ASSISTANCE**

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit [www.volkswagen.co.uk](http://www.volkswagen.co.uk)

**ADBLUE®**

Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue® which must be kept topped up. Please see [www.volkswagen.co.uk/technology/engines/adblue](http://www.volkswagen.co.uk/technology/engines/adblue) for more details.

**PRICES AND SPECIFICATIONS**

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

*Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.*

**BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS**

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

**Scottish Income Tax rates and Bands 2018/19**

Starter rate 19% over £11,850 - £13,850

Basic rate of 20% over £13,850 - £24,000

Intermediate rate 21% over £24,000 - £44,273

Higher rate 41% over £44,273 - £150,000

Top rate 46% above £150,000

**FUEL CONSUMPTION AND CO<sub>2</sub> EMISSIONS**

Fuel consumption and CO<sub>2</sub> figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at [www.volkswagen.co.uk](http://www.volkswagen.co.uk) and at [www.dft.gov.uk/vca](http://www.dft.gov.uk/vca). The weight of a vehicle will influence the level of CO<sub>2</sub> emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO<sub>2</sub>. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO<sub>2</sub> emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

<sup>1</sup> All warranty work must be completed by an authorised Volkswagen retailer or repairer.

# Volkswagen service plan.

An additional way to keep your perfect car, perfect for longer.

Exclusions and terms apply, [please click here](#) for more details. For pricing and further details of the Volkswagen Service Plan, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

## Volkswagen Service Plan – retail sales only

We offer Volkswagen Service Plans to cover all new models for their first two consecutive services in line with the Fixed Service schedule required on the vehicle. Your car will be in the hands of Volkswagen trained technicians who use specialist Volkswagen tools, technology and Volkswagen original parts, and all parts and labour are guaranteed for two years. What’s more, the Volkswagen Service Plan will remain with the vehicle should you decide to sell your car.

## Volkswagen Service Plan – retail sales only

For vehicles under 1 year old set to the Fixed Service regime that has not had its first service, comprising first two manufacturer’s scheduled services:

- ‘Oil service’ including oil filter change
- ‘Oil service’ including oil filter change and ‘Inspection service’ plus a pollen filter replacement (if required)

Excludes electric vehicles. Service plan covers first two consecutive services, limited to 1x ‘Oil service’ and 1x ‘Oil and Inspection service’. T&Cs apply: All vehicles must be set to the Fixed Service regime by the retailer. Maximum age of car is 12 months (Service plan must be taken out before first service is due). Additional work, including wear and tear is excluded. Servicing must be carried out in line with the requirement of the Service Schedule. All work must be carried out by an Authorised Volkswagen Repairer. Offers may be varied or withdrawn at any time. Plan validity is dependent on required payments received. Administered by Volkswagen Financial Services. Retail sales only. For pricing and further details, please consult your authorised Volkswagen retailer or visit [www.volkswagen.co.uk](#)

Model shown is Touran R-Line with optional LED premium headlights and Pure White non-metallic paint.
