

The Caravelle 6.1

Brochure

Commercial
Vehicles

The icon, reinvented.

The Caravelle

6.1

Distinctive design.

The new, sharp front design features a larger grille, chrome detail and LED headlights¹, with new alloy wheels, new colour palette and a new LED tail light cluster providing a striking rear signature.

Proven quality.

As you'd expect, the Caravelle 6.1 is durable, versatile and built to last with a highly stable body, high quality materials and exceptional workmanship.

Impressive range of variants.

Choose from two equipment lines: Caravelle 6.1 SE and Caravelle 6.1 Executive, with two different engine power outputs and a great selection of optional equipment.

Optimum off-road mobility.

4MOTION all-wheel drive^{2,3}, double clutch gearbox DSG, Hill Descent Assist^{2,4,5,6}, Hill Hold Assist and mechanical differential lock drive^{2,4,5} provide impressive off-road mobility.

State-of-the-art driver assistants.

Fitted as standard are Adaptive Cruise control including Front Assist with City Emergency Braking⁵, Brake Assist and Crosswind Assist⁵. In addition Active Lane Assist^{2,5,6}, Rear Traffic Alert^{2,5} and Trailer Assist^{2,5} are optionally available.

¹ Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ² Optional at extra cost. ³ Not available for all engines. ⁴ Only available in conjunction with 4MOTION all-wheel drive. ⁵ Within the system's thresholds. ⁶ The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Exceptional driving comfort.

Ergonomic seats with hard-wearing, stylish upholstery, excellent noise insulation, exceptional all-round visibility and great interior space with plenty of head and legroom ensures a pleasant driving experience.

Perfectly networked.

Our range of technologically advanced systems will help you find your way quickly and easily, from the latest Digital Cockpit¹ with a high-resolution colour screen to the intuitive touch-screen radio and navigation systems¹. The integrated eSIM, We Connect² mobile online services and Bluetooth[®] ensure you stay connected while you travel.

Flexible seat configurations.

Swivel seats and a three-seater bench seat in the passenger compartment can be conveniently folded, adjusted and securely fixed at any point of the floor-mounted rail system, enabling seats to be easily removed or installed.

Impressive level of equipment.

Standard equipment across all models includes front and rear parking sensors, a leather multi-function steering wheel, Crosswind Assist³, LED interior lighting, electrically adjustable and heated exterior mirrors, Bluetooth[®] and electric child safety locks.

¹ Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ² To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

Van of the world.

When the first VW camper van came off the production line in 1950, nobody could have imagined that it would one day move the whole world. First there was the 'window bus', and then later also the 'Samba'. Little by little it became today's Caravelle. But one thing has remained the same since the beginning – its core, the Transporter DNA.

Closely integrated for the **future.**

Cars are getting smarter. The Caravelle 6.1 is already equipped with many digital technologies that make driving more comfortable. For example, the high-resolution Digital Cockpit¹ with map display. Or Volkswagen We Connect² featuring multiple services that turn your smartphone into a remote control for the car. And this is just the beginning.

¹ Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ² To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.

New Digital Cockpit.

You can now experience digital progress up close in the Caravelle 6.1. State-of-the-art infotainment systems and the Digital Cockpit¹ offer many new functions. The latter immediately impresses with its 10.25 inch display, its intense colours as well as its bright and extremely high-contrast imagery. The Digital Cockpit¹ is operated via the touch display of the infotainment system and via the leather trimmed multi-function steering wheel. Use the buttons to conveniently scroll through the playlist in your smartphone media library, select the next call via your contacts list or set the safety distance with Adaptive Cruise Control ACC³.

Even more possibilities arise when the Digital Cockpit¹ is combined with the Discover Media navigation² or Discover Pro navigation system². A large second navigation map can then be positioned on the Digital Cockpit¹. In addition, traffic jam information and available parking spaces can be imported via the Internet. An additional benefit: both maps can be zoomed in at different distances. For example, the Digital Cockpit¹ only shows the immediate environment, while you have a large overview on the navigation system.

1 Standard on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. 2 Optional at extra cost. 3 Within the system's thresholds. 4 Only available in conjunction with the Discover Media navigation or Discover Pro navigation system.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Audio and communications.

Composition Colour DAB+ radio system.

The system with a 6.5 inch colour touch-screen display, four x 20 watt output and six loudspeakers, SD card slot, two external USB (type-C) ports and Bluetooth®, supports We Connect¹ services and selected We Connect Plus^{1,2} services.

Discover Media DAB+ navigation system including 'Streaming & Internet'.³

The system with an 8 inch colour touch-screen display including proximity sensors, four x 20 watt output and six loudspeakers offers hybrid navigation, a choice of map options, free online map updates, 32GB of media storage, two external USB (type-C) ports and Bluetooth®, natural voice control and Internet radio. The system also supports wireless⁴ App-Connect, We Connect¹ and We Connect Plus^{1,2} services.

Discover Pro DAB+ navigation system including 'Streaming & Internet'.⁵

In addition to the functions of the Discover Media navigation system including 'Streaming & Internet', the system has a 9.2 inch colour touch-screen display including gesture control, 64GB of media storage and simultaneous display of the navigation map on the Digital Cockpit³ and navigation screen.

¹ To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. ² Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. Free of charge for three years when you order Discover Pro navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired. ³ Standard on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ⁴ Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems. ⁵ Optional at extra cost.

We Connect¹ and We Connect Plus^{1,2}

With Volkswagen We Connect¹ driving a vehicle will now be even more digital, closely integrated and comfortable. A wide range of services gives you quick access to the Caravelle 6.1 – conveniently via your smartphone. The heart of the system is the We Connect¹ App. It connects your smartphone to the vehicle with an integrated eSIM card. The standard We Connect¹ package includes various vehicle reports, useful tools for service planning and a breakdown call. Also included: the parking position finder, which guides you directly to the vehicle. You can add many other services with the We Connect Plus^{1,2} package. For example, using your smartphone, the online anti-theft warning system immediately sends a message to the mobile phone in the event of burglary attempts, and thanks to online map updates, the map material is always up to date. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

Intelligent driver assistants give you peace of mind.

Driving the Caravelle 6.1 offers high levels of safety and peace of mind, thanks to a host of standard and optional driver assistance systems. Whether you require assistance when parking, driving, changing lanes or towing a trailer, the latest assistants monitor the situation, taking preventative action in critical situations.

Park Assist.^{1,2}

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

Trailer Assist.^{1,3}

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with tow bar preparation or removable and lockable tow bar.

Side protection.^{1,2,4}

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Crosswind Assist.¹

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

1 Within the system's thresholds. 2 Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. 3 Optional at extra cost. 4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. 5 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. 6 Only available in conjunction with 4MOTION all-wheel drive. 7 Not available for all engines. 8 Not available for the Caravelle 6.1 SE long wheelbase.

The Caravelle 6.1	Infotainment and connectivity	Assistance systems	Caravelle 6.1 SE	Caravelle 6.1 Executive	Paint	Interior colour, trims & upholstery	Wheels	Equipment	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties
-------------------	-------------------------------	---------------------------	------------------	-------------------------	-------	-------------------------------------	--------	-----------	-----------------------	------------	-----------------	--

Traffic Sign Recognition.^{1,3}

Detects road signs and informs the driver. Optionally available in combination with the Discover Media navigation system including 'Streaming & Internet or Discover Pro navigation system including 'Streaming & Internet'.

Active Lane Assist.^{1,3,4}

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

Rear Traffic Alert.^{1,3}

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

Tyre pressure monitoring system.^{1,3}

Displays the current pressure for every tyre and warns of deviations from the set pressure.

Adaptive Cruise Control (ACC).¹

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18mph triggers emergency braking.

Hill Descent Assist.^{1,3,6}

Allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

Optimum performance, On any terrain

A vehicle is even more fun when it's tuned to your personal driving style. That's why the Caravelle 6.1 comes with a choice of front or 4MOTION all-wheel drive^{3,7}, dual clutch DSG gearbox and Dynamic Chassis Control (DCC)^{3,8}, with three different driving profiles, to meet your exact requirements.

Dual clutch gearbox DSG. The standard 7-speed dual clutch gearbox DSG delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency. Choose between normal and sport mode.

Dynamic Chassis Control (DCC).^{3,8} Dynamic Chassis Control (DCC) offers you a choice of three settings: Sport, Comfort or Normal. At the touch of a button, depending on your choice, the system adjusts the damping, enabling you to adapt your Caravelle 6.1 to suit the road and your driving style.

4MOTION all-wheel drive.^{3,7} 4MOTION all-wheel drive provides impressive traction, optimum handling and greater steering control, helping you master difficult conditions. The power transmission adjusts automatically to the driving situation via an electronically controlled clutch on the rear axle.

Mechanical differential lock.^{3,6} The mechanical differential lock is available on request for the rear axle, providing additional support to the 4MOTION all-wheel drive^{3,7} making it easier to pull away in difficult off-road conditions and making the Caravelle 6.1 one of the most effective all-terrain vehicles in its class.

1 Within the system's thresholds. 2 Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. 3 Optional at extra cost. 4 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. 5 The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution. 6 Only available in conjunction with 4MOTION all-wheel drive. 7 Not available for all engines. 8 Not available for the Caravelle 6.1 SE long wheelbase.

"If we see something beautiful, we just take it home with us."

The Caravelle 6.1 SE makes every city trip an absolute pleasure. On the way there, the Adaptive Cruise Control ACC¹ ensures a consistent distance to the vehicle in front. At the same time, Active Lane Assist^{1,2} detects the road markings via the multi-function camera. Small gusts of wind from the left or right are corrected by Crosswind Assist¹ immediately by means of gentle braking interventions. This helps to keep the Caravelle 6.1 in its lane. The passenger compartment is available for a coffee break every now and then. There you can open out the multi-function table and make yourself comfortable on the three-seater bench seat.

Upon arrival, the Caravelle 6.1 SE can be steered gently over cobblestones. The Dynamic Chassis Control (DCC)^{2,3}, comfortably cushions uneven surfaces. Even parking in underground garages is no problem. With a vehicle height of less than 2m⁴, the Caravelle 6.1 fits through almost any entry system. If you then stroll around the alleys and see a beautiful piece of furniture, there is no need to hesitate for long. Thanks to the rail system, the luggage compartment can be enlarged at will. Giving you the freedom you need.

Flexible luggage compartment up to 2,532 mm⁴ long

Crosswind Assist¹

“Others choose a sports car.

I need a car for sport.”

No other vehicle combines leisure and work as perfectly as the Caravelle 6.1 Executive. Carefully developed, the design still carries elements of its legendary predecessor. The numerous chrome parts and the multi-functionality are a homage to the very first Volkswagen T1. A total of six chrome-coloured trims adorn the front of the vehicle. One of them, the bottom one, completely frames the elegant all-rounder. The Caravelle 6.1 Executive is stylishly rounded off by its standard 17 inch 'Aracaju' alloy wheels in silver, the new LED headlights, LED tail lights and the dark privacy glass.

Its highly functional vehicle interior, however, shows that it is capable of much more than just a stunning appearance. From the simultaneous display of the navigation map on the Digital Cockpit and the screen of the Discover Pro navigation system¹ to the removable coolbox¹ for cool drinks and practical accessories such as sturdy bicycle attachments¹, the Caravelle 6.1 Executive impresses with many leisure details. A wonderful way to combine work and leisure.

¹ Optional at extra cost.
² Image shown features an optional Discover Pro navigation system including 'Streaming & Internet'.

Images shown area for illustrative purposes only. Vehicles shown are not UK specification.

Please click here for more details.

The spacious vehicle interior of the Caravelle 6.1 Executive can also be used in everyday working life. With its comfortable three-seater bench seat, its two individual swivel seats and the multi-functional table that can be moved and folded out freely, the passenger compartment is perfectly equipped for short meetings. Power for laptops and smartphones is supplied by two 12V sockets in the dashboard and the two USB (type-C) charging sockets in the side trim. And thanks to the Climatronic three-zone air conditioning system, you can keep a cool head even during longer negotiations.

Standard equipment of the Caravelle 6.1 Executive (in addition to SE).

Wheels

17 inch 'Aracaju' alloy wheels in Silver with 235/55 R17 tyres
Alloy spare wheel

Design

B-pillar in high-gloss black
Dynamic running gear (body lowered by approx. 20mm)¹
Electrically folding door mirrors
LED headlights
Radiator grille with five chrome trims, chrome detail in lower air intake, on the vehicle sides and rear

Cockpit

'ArtVelours' microfleece seat upholstery, two-tone in Palladium/Titanium Black
Carpeted floor mats
Decorative trims in Pewter Wave Grey
Digital Cockpit
Heated front seats

Infotainment and connectivity

Discover Media navigation system including 'Streaming & Internet' with 8 inch touch-screen and six loudspeakers
Volkswagen Wired and Wireless³ App-Connect

Passenger compartment

Electric sliding doors, left and right side
Privacy glass in passenger compartment

Luggage compartment

Electric tailgate
Loading edge protection in stainless steel

Air conditioning

Climatronic three-zone air conditioning system including allergen filter

Driver assistance and safety systems

Heated washer nozzles and washer fluid level indicator
Heated laminated windscreen
Park Assist including front and rear parking sensors
Rear-view camera

¹ Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances. ² Within the system's thresholds. ³ Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems.

My Caravelle. My life.

The decision for a Caravelle 6.1 is always a decision for more freedom. For the freedom to follow one's heart alone and to consistently go one's own way. This also applies to the equipment. The extensive standard equipment can be tailored precisely to your individual needs with many other extras.

The Caravelle 6.1	Infotainment and connectivity	Assistance systems	Caravelle 6.1 SE	Caravelle 6.1 Executive	Paint	Interior colour, trims & upholstery	Wheels	Equipment	Technical information	Price list	Finance options	Finance, insurance, servicing & warranties
-----------------------------------	---	------------------------------------	----------------------------------	---	-----------------------	---	------------------------	---------------------------	---------------------------------------	----------------------------	---------------------------------	--

Addicted to freedom.

More sensitive.

Everyone is familiar with the problem of the sweltering sun shining on one side of the car. Climatic air conditioning¹ provides a remedy for the front passengers. Special sensors automatically adjust the cooling output of the air conditioning system to the sun's rays.

Top dog.

Maximum interior space. Outside as compact as possible. The Caravelle 6.1 is consistently designed for everyday life. On the one hand, it offers the vehicle occupants plenty of head and legroom. On the other hand, thanks to its vehicle height of less than 2m², it fits in most underground garages. The short wheelbase also allows a small turning circle of only 11.9m².

Door stopper.

The electric sliding doors³ have multiple little small guards that make sure that nothing gets trapped – no matter whether the doors are opened and closed from the cockpit, using the remote control key from a distance or directly using the door handle. The built-in sensors respond immediately to the slightest touch.

Rollerblader.

Nothing gets caught in the Caravelle 6.1. Seats, multi-functional table and coolbox⁴ run quietly back and forth on the aluminium rail system thanks to the hard rubber rollers – from front to back in the passenger compartment. There are no defined seating areas. So it does not matter where on the rail the seats are engaged: in any case, they are always well secured.

With attention to detail.

Cuddly bear.

Do you work in your vehicle on a regular basis or do you want to spend the night in the vehicle? Then the power auxiliary air heater⁴ with up to 3,000 watts will keep the vehicle interior pleasantly warm for up to 48 hours.

Quiet machine.

It's quiet in the Caravelle 6.1. There are several reasons for this. The balance shaft on the engine is one of them. It swallows engine vibrations before they occur. The result: the engine runs much more quietly. The rest is largely absorbed by the assembly carrier, which is decoupled from the running gear. Even quieter with the insulating glass package⁴. It significantly reduces external noise.

Neck protector.

In the Caravelle 6.1, it is no coincidence that the air vents are located in the middle of the passenger compartment in the recirculating air canopy. Not only are they easily accessible for everyone, they also do not blow cold air from the side or from behind into the neck if the seats are positioned accordingly.

Quick loader.

Long objects, such as skis, do not necessarily have to be attached to the roof. They can also be easily pushed under the three-seater bench seat and safely transported in the passenger compartment.

¹ Climatic air conditioning is standard on the Caravelle 6.1 SE. Climatronic three-zone is standard on the Caravelle 6.1 Executive. ² Please note that these are approximate values and dimensions may vary due to manufacturing tolerances.

³ Standard on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. ⁴ Optional at extra cost.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

¹ Unladen weight includes approximately 90% fuel load and 75kg for driver.

² Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification.

Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories.

Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). Trailer nose weight: 100kg.

RDE2 refers to Real Driving Emissions Step 2

* Please [click here](#) for more details on manufacturer's on the road (OTR) package.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

¹ Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 8.6.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

² From 1 April 2021, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

Cost of your vehicle

Deposit
As little as one monthly repayment

Monthly repayments
Spread across 18 to 49 months

Optional final payment
You have three choices at the end of your agreement

Own
Hire

Solutions Personal Contract Plan

Not sure if you want to own or hire? Make the decision later. Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

Cost of your vehicle

Deposit
As little as one monthly repayment

Repayments
Spread across 12 to 60 months

Own

Hire Purchase

Make all the regular monthly payments. At the end the vehicles is yours.

Cost of your vehicle

Deposit
As little as one monthly repayment

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment

Own

Lease Purchase

Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Cost of your vehicle

Initial rental
As little as one rental repayment

Rental repayments
Spread across 12 to 60 months

Hire

Contract Hire

Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 60 months

Hire

Finance Lease (full pay out)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 48 months

Final 'balloon' repayment
You have two options at the end of your agreement

Hire

Finance Lease (balloon repayment)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Finance, insurance, servicing and warranties

Finance and insurance.¹

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard, including our 3 Year Fixed Price commitment.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Car Insurance.³

Complimentary Drive Away Insurance

Every new and used Volkswagen comes with five days' complimentary Drive Away Insurance, so you can enjoy your new vehicle from day one. We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase.

Subject to eligibility. Five days' Drive Away Insurance cannot be used in conjunction with any other insurance offer.

Annual insurance with a 3 Year Fixed Price commitment

Comprehensive insurance to offer you maximum convenience with minimum hassle – just as you'd expect.

Because we value your loyalty, you can benefit from the Volkswagen 3 Year Fixed Price commitment, so you can relax, knowing the cost of your car insurance won't increase each year. The price will only change if your circumstances do.

Cover runs for twelve months at a time and you'll receive a renewal notice confirming your fixed price for the following year. With Volkswagen Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews.

Enjoy peace-of-mind and complete convenience and relax in the knowledge you have a policy tailored specifically for your Volkswagen.

With Volkswagen Car Insurance, you can enjoy the following benefits as standard:

- 3 Year Fixed Price commitment
- Volkswagen Approved Repairs carried out by Volkswagen Approved Technicians using only Volkswagen Genuine Parts[®] and paints (excludes windscreen claims)
- Guaranteed courtesy car whilst yours is in for repair
- Windscreen cover
- Uninsured driver promise (providing we have the car registration, make, model and driver details)
- Personal accident cover
- Personal belongings cover (excludes loss of money)
- Child seat replacement

How Volkswagen 3 Year Fixed Price Car Insurance works

When you take out Volkswagen Car Insurance, your premium will be fixed for two consecutive renewals, providing you choose to renew cover annually.

The price will only change if one or more of the following happens:

- if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims) after your policy has started
- if you make an amendment to your policy, such as changing your car or address, the revised premium will be fixed for the remaining renewal periods
- if the price of optional additional products and/or Insurance Premium Tax changes.

For more information or to get a quote, call us on: **0345 877 6464**

We're available Monday to Friday 8am-8pm and Saturday 9am-5pm.

Alternatively, visit: www.insurewithvolkswagen.co.uk

Volkswagen Commercial Vehicle GAP Insurance.⁴

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually settle your claim based on the current market value of your vehicle. This could be substantially less than the original value of your vehicle.

Volkswagen Commercial Vehicle GAP (also known as 'Guaranteed Asset Protection') Insurance helps to bridge the payment gap to get you back in a new Volkswagen Commercial Vehicle. Whether you purchase, finance, lease or hire your vehicle, Volkswagen Commercial Vehicle GAP Insurance is available and can be arranged up to 60 days after you have collected your new or used vehicle.

For more information about Volkswagen Commercial Vehicle GAP Insurance, visit: www.insurewithvvcv.co.uk/gap-insurance

Servicing and support.

We're here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales

Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Fixed price servicing.⁶

If you can pay for more than one service upfront, we'll help by reducing your costs. Buy two upfront and you'll receive one interim and one full service at a discounted rate. Buy four and you'll receive two interim and two full services, with your next MOT also included. You can also spread the cost with monthly payments, helping you budget⁷.

Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Caravelle, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caravelle is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: www.volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your Caravelle's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.

1 Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales number: 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

2 An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Volkswagen Commercial Vehicle Financial Services.

3 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'), registered in England and Wales number: 2835230.
