

Hyundai Motability Range

October – December 2021

Freedom to explore.

Happiness is more than just a smile. It's enjoying freedom in a car that takes care of your needs. That's why the Hyundai range on Motability offers comfort, accessibility, fuel efficiency and spacious interiors as standard.

Why choose Hyundai Motability?

Dedicated specialists.

It doesn't get much more exciting than choosing a new car and we're here to help every step of the way. Specially trained experts are on hand at every Motability-accredited Hyundai dealer, to help you choose the model that is right for your mobility requirements. Plus, every dealer showroom has wheelchair access and disabled parking bays.

Effortless flexibility.

We know that interior space is important. That's why we cleverly design all our cars – from the smallest to the biggest – to make the most out of their size. Whether you prefer the surprisingly spacious i10 city car or the bold and practical TUCSON, there's a Hyundai with the headroom, legroom and storage space you need.

Impressive efficiency.

More journeys in your car can mean higher running costs. So, as well as efficient space, you'll find our cars have efficient engines too. We now offer a wider range of powertrains than ever before, including mild hybrid, hybrid and electric options – so a new Hyundai will put a smile on your face and could save you money at the same time.

Enhanced comfort.

Sit inside any Hyundai and you'll feel the quality of the materials, with each interior designed to offer optimum comfort and refinement. We've carefully engineered every last detail to make your journeys effortless, from ease of access, to multi-adjustable driving positions for improved road visibility.

All-new TUCSON

i10

A small car that makes a big impression.

The Hyundai i10 may be a small car, but it makes a big impression. Featuring a fresh and expressive design, it's full of cutting-edge technology and safety equipment.

Big on space, style, technology, efficiency and safety.

Inside the stylish cabin, fresh patterns, textures and the latest multi-media technology welcome you with a clean and modern look. An eye-catching new 3D honeycomb pattern is featured on Premium models for a sporty edge.

The i10's versatile boot space is among the best in its class. The lift-in height is 29mm lower than the previous model, making it easier to load luggage into the boot. The capacity expands from 252 litres to 1,046 with seats down.

Whatever the length of your journey, you'll appreciate the attention to detail that's inside the i10, including Bluetooth® Connectivity and a wireless charging pad.

When it comes to safety, the i10 comes with advanced safety technology to keep you and your passengers safe.

Standard features across the range

- Air Conditioning
- Autonomous Emergency Braking (AEB)
- Bluetooth®
- Cruise Control with Speed Limiter
- Electric and Heated Mirrors

The i10 is available on the Motability scheme from Nil Advance Payment.

If you're looking to make a statement, you'll love the N Line's exclusive alloy wheels, body kit, red-highlighted interior and the 1.0 T-GDi 100 PS engine – the most powerful in the i10 range.

Model pictured: i10 Premium. To qualify for the Motability Scheme you must be in receipt of the Higher Rate Mobility Component of Disability Living Allowance (DLA), the Enhanced Rate Mobility Component of Personal Independence Payment (PIP), the War Pensioners' Mobility Supplement (WPMS) or the Armed Forces Independence Payment (AFIP). Valid for applications made to Motability between 1st October and 31st December 2021. The Motability Scheme is administered by Motability Operations Limited (Registered Company No. 1373876), City Gate House, 22 Southwark Bridge Road, London, SE1 9HB. Full written details, including terms and conditions, of the Motability Scheme are available on request from Motability. All prices are in Great British Pounds and are correct at time of publication. For full specifications and features, please check with your local dealer or visit www.Hyundai.co.uk

All-new i20

The small family hatchback designed to deliver.

The i20 hatchback offers a remarkably calm and refined driving experience. It's also playful when you want it to be and is loaded with kit.

Compact in size, big on performance.

The 48-volt Mild Hybrid system is available with both manual and DCT automatic transmission options. It's able to run on electric when decelerating or whilst stopped, conserving fuel at regular intervals on your daily drive. It's an enhancement over traditional start & stop technology, as it is able to switch to electric before the car comes to a complete stop.

Spacious, comfortable and tranquil.

Simple in its layout, with everything you need in easy reach, the clean and modern interior design offers sensory well-being. Inside the i20, each surface has been crafted to look and feel exceptional. Materials have been carefully selected with special attention given to their quality and durability.

Standard features across the range

- 10.25" Digital Cluster
- Alloy Wheels
- Cruise Control with Speed Limiter
- Rear View Camera and Rear Parking Sensors
- Touchscreen display with Apple CarPlay™ & Android Auto™

The all-new i20 is available on the Motability scheme from Nil Advance Payment.

All-new BAYON

NEW

Stylish urban crossover.

Designed to rise above the crowd, this compact and easy-to-handle crossover SUV is packed with smart safety technologies and advanced connectivity features. Adding to the appeal, all-new BAYON delivers intelligent efficiency with a 48V mild hybrid system.

Refreshingly roomy with great visibility, comfort, connectivity and safety.

Delivering the comfort and storage space of an SUV, the all-new BAYON's compact exterior size and its family-friendly interior give you the best of both worlds. Giving you confidence and enhanced visibility, the higher seating position also provides a real sense of spaciousness. This feeling is further enhanced by the generous, leg and headroom, no matter where you sit.

With a choice of configurations at the rear, and an impressive 401 litres of boot space with intelligent boot cover, the all-new BAYON has plenty of room to suit all your needs.

The all-new BAYON offers you the latest technologies including Apple CarPlay™ and Android Auto™ as well as our Bluelink® Connected Car Services.

When it comes to safety, the all-new BAYON comes with Hyundai's Smart Sense advanced safety features giving you all-round protection and peace of mind.

Standard features across the range

New KONA

Energetic, smart and efficient.

Sleeker and more sophisticated, the new KONA 48V Mild Hybrid and Hybrid feature an updated design and the very latest smart technology, like cutting-edge connectivity and safety features. Both powertrains deliver enhanced power and impressive performance.

The new KONA seamlessly connects you to your lifestyle with advanced technology at your fingertips.

KONA fits around the ebb and flow of your life with a spacious 374-litre load area which expands to 1,156 litres when the rear 60:40 split seats are folded down.

The KONA provides you with all the technology and connectivity that modern life demands – and then some. Selected trims also offer wireless smartphone charging, a head-up display and a high-mounted 10.25" floating touchscreen.

Bluelink® Connected Car Services bring seamless connectivity directly into the new KONA, with online voice recognition and a wide range of features to make your drive more convenient and enjoyable. On top of the many clever features you can control with the Bluelink® app, a free five-year subscription to Hyundai's LIVE Services is also included with the navigation system.

The new KONA features an enhanced range of safety and driving-assist features for added peace of mind. Leading Vehicle Departure Alert (LVDA) warns the driver when the vehicle in front departs from an idle state, like at a red light or in a traffic jam. Rear Seat Alert (RSA) and Safe Exit Warning (SEW) have also been added.

Standard features across the range

- Choice of Mild Hybrid or Hybrid
- 10.25" Digital Cluster
- Alloy Wheels
- Cruise Control with Speed Limiter
- Touchscreen display with Apple CarPlay™ & Android Auto™

New KONA Electric

Up to 300 miles on a single charge¹.

With its dynamic design, impressive battery range and a host of technology innovations, the new KONA Electric ticks all the boxes for those looking to take advantage of the benefits offered by the new generation of electric vehicles.

No shortage of space, flexibility, connectivity, safety and convenience.

Charging the new KONA Electric is easy and convenient. Recharging can be done through the night at home or during the day while you're at work, fitting effortlessly into your daily routine. With a home charging station, you can recharge the 64kWh battery variant from 10% to 100% capacity in 9 hours 15 minutes and the 39.2kWh battery variant to the same level in 6 hours.

If you need to recharge your new KONA Electric when you're out and about, rapid charging² will have you back on the road in a little over three-quarters of an hour.

The new KONA Electric offers you a bountiful selection of desirable features. With Apple CarPlay™ and Android Auto™ your smartphone is seamlessly synced, while wireless charging is another neat addition. Remain fully connected with all your favourite things through wireless phone mirroring. Hyundai's Bluelink® Connected Car Services offers many clever features you can control with your smartphone from inside the car or out. Helping you make the most of every journey.

Hyundai's Smart Sense collection of advanced safety features gives you all-round protection.

Standard features across the range

- 17" Alloy Wheels
- KRELL Premium Audio
- Parking Sensors, Rear Camera and Guidance System
- Regenerative Brake Shift Paddles
- Smart Key with Keyless Entry

IONIQ Hybrid

Efficient self-charging family car.

IONIQ Hybrid delivers everything you expect from a conventional car, but with all the environmental and economic benefits that come with electrified driving. The compact electric motor works with the petrol engine to improve fuel economy and lower CO₂ emissions. They also combine to maximise acceleration, when required.

Comfort, space and driver-focused design with seamless connectivity and advanced safety.

Ergonomics and technology meet in the interior of the IONIQ. Key features are designed to stand out and controls are refined to blend in as the ongoing evolution of driving continues. Designed for control, the simple layout keeps the driver front and centre. The IONIQ Hybrid provides optimum comfort for the driver and passengers in all conditions and any length of journey.

A contemporary car in every way, the IONIQ has connectivity at its heart. With Hyundai LIVE Services, interconnected music and a surround-sound speaker system, an abundance of technology takes the journey to the next level.

The IONIQ comes complete with a range of advanced innovative driver-assist technologies. Seven airbags bring peace of mind and advanced sensors give the IONIQ unrivalled road presence.

Standard features across the range

- Aerodynamic Alloy Wheels
- Cruise Control
- Dual Zone Climate Control
- Electric Driver's Lumbar Support
- Rear Camera and Parking Sensors

The IONIQ Hybrid is available on the Motability scheme from Nil

Advance Payment.

IONIQ Electric

The coupé style all-electric family car.

The sleek, attractive silhouette of the IONIQ is designed with aesthetics and efficiency in mind. The IONIQ Electric offers anxiety free true zero-emission electric driving, with virtually no compromise. The large-capacity battery offers a range up to 193 miles¹ and can be recharged to 80% in as little as 57 minutes².

Get engaged with a driver-focused design and more safety equipment, for total peace of mind.

Ergonomics and technology meet in the interior of the IONIQ Electric. Key features are designed to stand out and controls are refined to blend in as the ongoing evolution of driving continues. Designed for control, the simple layout keeps the driver front and centre.

IONIQ Electric can be charged in a variety of ways, at home or on the go. So, you can take every opportunity to enjoy electric driving. You can also schedule your charging based on desired departure time and also take advantage of lower-cost night-time electricity rates.

Bluelink[®] Connected Car Services bring seamless connectivity directly into the IONIQ Electric, via the Bluelink[®] smartphone app. The IONIQ Electric comes with everything you need to make driving less stressful – and to get you there faster, a free 5-year subscription to Hyundai's LIVE Services is included. Access real-time information on charging locations, traffic, weather and places of interest, as well as parking options.

The IONIQ comes complete with a range of advanced innovative driver-assist technologies. Seven airbags bring peace of mind and advanced sensors give IONIQ unrivalled road presence.

Standard features across the range

- 10.25" Widescreen Navigation – Including Traffic Messaging Channel, Mapcare, Live Services and Bluelink[®]
- Smart Key – Keyless Entry with Engine Start/Stop Button
- Wireless Phone Charging Pad
- Cruise Control – Smart Adaptive Speed Control with Stop and Go Function
- Charging Cable – Emergency 3-pin Connector (ICCB)

All-new TUCSON

A bold and fully equipped SUV.

Leading the way in progressive design, the all-new TUCSON offers state-of-the-art smart technology and a variety of powertrains for both power and efficiency. Choose from three powertrains: the latest standard petrol engine, the electrified 48V Mild Hybrid, or even the Plug-in Hybrid. Each one delivers efficiency with agility for an all-round driving experience.

Elegance, comfort and style to put you in the right space for driving.

You know when something's just right and with the all-new TUCSON we've designed the interior so you can have it just how you want it. Climate-control air conditioning with Multi Air Mode means you're never too hot or too cold, ambient mood lighting sets the tone for comfort and awareness, and flexible seating gives you adaptable space for big loads or small packages. It also has one of the biggest boots in its class.

With fine finishing and close attention to detail, the all-new TUCSON is designed to deliver the perfect drive.

The all-new TUCSON offers connectivity that is second to none. Front and centre, the 10.25" Supervision Cluster and 10.25" touchscreen Audio Visual Navigation units give all round visibility to on-board systems at your fingertips and mobile connectivity allows multiple handsets to be connected via Bluetooth® – taking your online lifestyle onto the road.

With advanced driver-assistance systems and a comprehensive active safety package, the all-new TUCSON delivers even more safety and peace of mind for you and the people you love.

Standard features across the range

- 10.25" Touchscreen Satellite Navigation
- Dual-zone Climate Control
- Electric Driver's Lumbar Support
- Rear Camera and Rear Parking Sensors
- Roof Rails

The all-new TUCSON is available on the Motability scheme from £749

Advance Payment.

Available with £4,499 Advance Payment for Premium trim, the TUCSON Plug-in Hybrid offers added efficiency and flexibility, as you can choose to use petrol or electric power to suit each journey.

Models pictured: TUCSON Ultimate and TUCSON Plug-in Hybrid Ultimate. To qualify for the Motability Scheme you must be in receipt of the Higher Rate Mobility Component of Disability Living Allowance (DLA), the Enhanced Rate Mobility Component of Personal Independence Payment (PIP), the War Pensioners' Mobility Supplement (WPMS) or the Armed Forces Independence Payment (AFIP). Valid for applications made to Motability between 1st October and 31st December 2021. The Motability Scheme is administered by Motability Operations Limited (Registered Company No. 1373876), City Gate House, 22 Southwark Bridge Road, London, SE1 9HB. Full written details, including terms and conditions, of the Motability Scheme are available on request from Motability. All prices are in Great British Pounds and are correct at time of publication. For full specifications and features, please check with your local dealer or visit www.Hyundai.co.uk

Specifications shown in this brochure are based upon European left-hand drive models and the latest available information at the time of formatting. Imagery shown is for illustrative purposes only and does not necessarily relate directly to stated pricing. The colours reproduced in this brochure are subject to the variations of screen resolutions and may vary from the actual colour and paint finish. References to achievable mileage ranges are based on WLTP test data. Real-life results may vary, based on factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

In line with our policy of continual product improvement, Hyundai Motor UK Ltd reserves the right to make changes at any time, without notice, to prices, colours, material, design, shape, specifications and models, and to discontinue items.

For the latest details or to find out more about Hyundai Motability please contact your local dealer.
