

TRUCKLIVE

Your free*
connectivity solution.

CONNECTED FROM THE FIRST SECOND

In just a few clicks, your vehicle is connected to TruckLive. The contract is also concluded digitally, making it quick and easy.

GET TO YOUR DESTINATION FASTER WITH LIVE TRAFFIC

Your truck's navigation system receives traffic data in real time. This means shorter journey times and more reliable planning for you.

EFFICIENT MAINTENANCE PLANNING

Improved maintenance planning with currently predicted maintenance intervals: through status data and event notifications, you are well informed about the condition of your vehicles and can quickly respond to necessary maintenance and repair measures.

SERVICE24H CONNECTED**

Transmission of geographical location and diagnostic data for fast and professional breakdown assistance.

OVER-THE-AIR UPDATES

Remote updates effortlessly keep your vehicle software up to date – regardless of time and place.

Digital Service World.

Mercedes-Benz

Trucks you can trust

* After the complimentary period of 36 months, you can purchase TruckLive as a fee-based service. As long as you are a customer of our Fleetboard paid services or Mercedes-Benz Trucks service contracts, TruckLive remains free of charge for you even after 36 months. You can find further information at www.mercedes-benz-trucks.com/digital-services-trucklive

** The service will be made fully available during the course of 2024.
