| The ultimate comfort experience

New Citroën C5 Aircross stands out for its powerful and bold design, with class leading flexible space.

At its core, electrification meets innovative technology designed to simplify life and enhance wellbeing. The new Citroën C5 Aircross embodies the very best of Citroën's model range.

NEW CITROËN C5 AIRCROSS & Ë-C5 AIRCROSS

Model trims

YOU!

YOU! models include:

Exterior style

- 18" "CARBON" alloy wheels (Hybrid versions)
- 19" "MOONDUST" diamond-cut alloy wheels (Electric versions)
- Pure Black colour clips on front bumper/front doors
- Metallic paint

Lighting and visibility

- Automatic LED headlights with High Beam Assist
- 'Citroën Light Wings' rear LED lights
- LED interior lighting (on sunvisors and ceiling)
- Automatic rain-sensitive wipers
- Electric heated side mirrors

In-car entertainment & technology

- 10" digital instrument cluster with customisable zones and colour schemes
- 4 backlit USB Type-C sockets (two for front passengers and two for rear passengers) and 3 x 12v sockets (Front, rear passengers and boot)
- 10 year 'Connect One' subscription featuring Over-The-Air updates, Geolocation, Emergency Call & Citroën Assistance, Remote Maintenance & Digital Handbook

13" 'Waterfall' touchscreen user interface with Wireless Apple CarPlay™ and Android Auto®, 3D Navigation, voice commands, Bluetooth handsfree & audio for up to 2 phones simultaneously, DAB radio, 6 speakers. 3D Nav includes 1 year trial subscription to Connect PLUS, offering Real Time Traffic, Over-The-Air map updates and Speedcam alerts, as well as ChatGPT Artificial Intelligence and Remote Services via the MyCitroën app: Remote Control, Find My Car, My Trip Report

e-Remote Control (electric versions): enables remote charging and remote temperature pre-conditioning via your Smartphone

Wireless Smartphone charger

Interior features

'Urban Grey' ambience with Advanced Comfort Seats in Black and Grey Fabric: Features 6-way manual driver and passenger adjustment: Horizontal, height, and backrest tilt

Front central armrest with closed and chilled storage

Rear Bench with 40-20-40 split folding backrest: Includes 2 x ISOFIX fittings

Two-position boot floor

Safety and security

Standard Safety Pack, featuring: Active Safety Brake with video and radar assistance Driver Attention Alert Camera, Active Lane Departure Warning System, Extended Traffic Sign and Speed Limit Information

Electronic parking brake

Adaptive Cruise Control with Stop & Go function

Anti-theft alarm with perimetric and volumetric protection, plus tilt sensor

6 x Airbags

Comfort and convenience

Automatic bi-zone air conditioning with central air vents for rear passengers

Advanced Comfort Suspension

Keyless Start

Drive Mode Selector

Multifunction leather-effect steering wheel with height and reach adjustment

Rear Parking Sensors

Front & rear one-touch electric windows

* Equivalent All Electric Range (EAER)

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable.

For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather, driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

** 'On the Road' MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën Retailer for the most up-to-date prices and specification details for all models.

Hybrid

New Citroën C5 Aircross offers you the choice of two Hybrid options: New C5 Aircross Hybrid and New C5 Aircross Plug-In Hybrid.

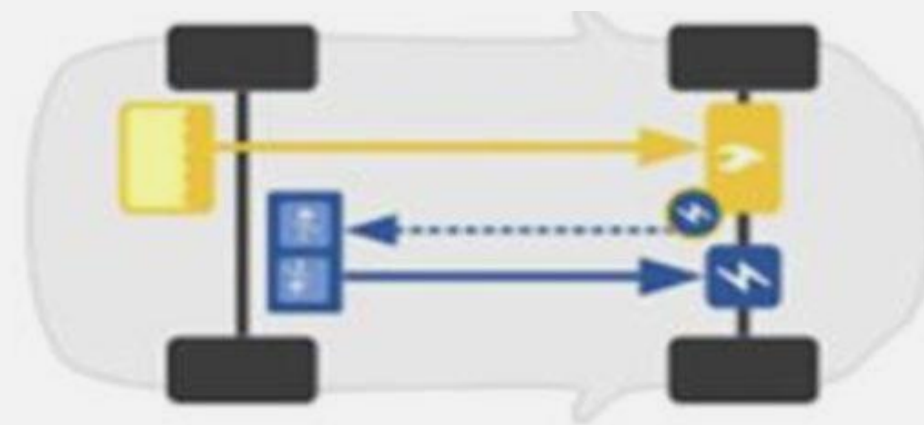

Both of these Hybrid powertrains offer significant benefits in terms of efficiency; this guide helps you understand which suits your requirements best.

New C5 Aircross Hybrid

New C5 Aircross Hybrid combines a Petrol 136hp Automatic engine (optimised for this powertrain) with a 28hp electric motor and 48V hybrid system to offer a significant improvement in efficiency versus a petrol-only powertrain of similar power.

The Hybrid system enables the car to drive solely on electric propulsion for up to 0.6 miles - while this might not sound much, in urban driving it's possible to **experience electric propulsion for up to 50% of the time**, reducing emissions considerably around town. In fact, there's a substantial reduction in CO2 emissions whilst driving, typically about 20 g/km versus a Petrol 130hp Automatic.

Unlike the Plug-In Hybrid, you won't be able to do full journeys on 100% electric power, but it doesn't need to be plugged in to make the most of its potential.

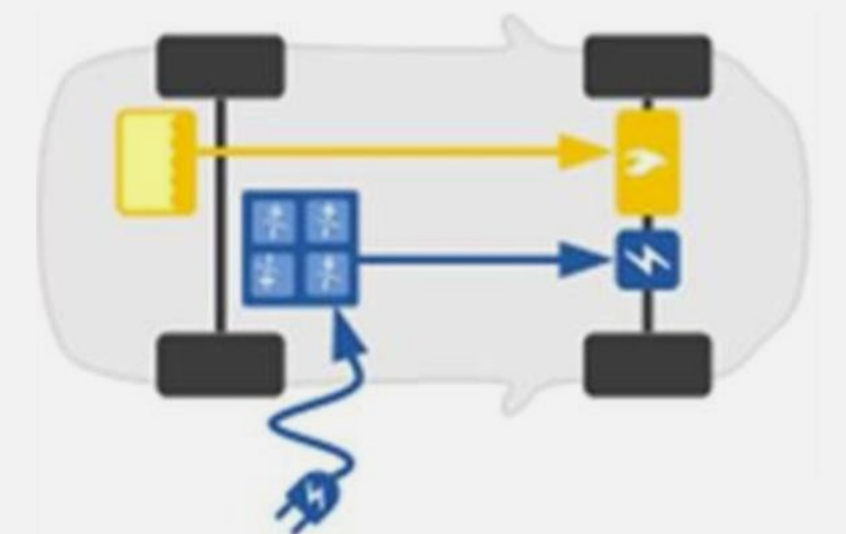

New C5 Aircross Plug-in Hybrid

New C5 Aircross Plug-In Hybrid combines a Petrol 150hp Automatic engine with a 125hp electric motor and 21 kWh traction battery to offer significantly reduced emissions and dynamic driving performance, with a combined power output equivalent to 225 hp.

The Plug-In Hybrid system enables the car to **drive solely on electric propulsion for up to 50 miles** (WLTP combined cycle) - bearing in mind over 90% of journeys in the UK are under 25 miles, depending on your journeys you could use New C5 Aircross Plug-In Hybrid in 100% electric mode most of the time.

To make the most of New C5 Aircross Plug-In Hybrid, you need to plug it in! Charging at home or work will unlock the full potential of the car's electric powertrain - using a 7.4 kW wallbox, it can reach full charge from empty in around three hours.

NEW CITROËN C5 AIRCROSS & Ě-C5 AIRCROSS

Equipment

	YOU!	PLUS	MAX
Specification unique to New C5 Aircross Plug-In Hybrid			
7,4 kW monophasе onboard charger (allows charging from a 7,4 kW charging point in 2h 55mins)			•
Type 2 Mode 3 charging cable (length 6m) for use with a charging point			•

Specification unique to New ě-C5 Aircross			
11 kW tri-phase bi-directional onboard charger (allows 20-80% charging from an 11 kW charging point in 4h 30 mins for Comfort Range and 6h 30 mins for Long Range versions (compatible with vehicle to load charging, which requires an accessory adapter - not supplied))	•	•	•
160 kW DC rapid charge capability via CCS connection (allows charging 20-80% from a 160 kW charging point in 30 mins for Comfort Range and 27 mins for Long Range versions)	•	•	•
Type 2 Mode 3 charging cable (length 6m) for use with a charging point	•	•	•
Heat Pump (heats cabin 4-6 times more efficiently and therefore preserves battery range)			•

Safety and security			
Single-tone horn	•	•	•
ESP and ABS with Electronic Brakeforce Distribution (including traction control and hill start assist)	•	•	•
Electronic parking brake	•	•	•
Driver & front passenger front and side airbags	•	•	•
Head curtain airbags covering rows 1 and 2 (left and right)	•	•	•
Seatbelt unfastened audible alert (rows 1 and 2)	•	•	•
Front seat belts with double pretensioning and force limiters (driver and passenger)	•	•	•
3 rear 3-point seatbelts (outer seats featuring force limiters)	•	•	•
3-point ISOFIX mountings on rear outer seats	•	•	•
Adaptive Cruise control with Stop & Go function and speed limiter (automatically maintains the vehicle's selected speed and adjusts it to maintain a safe distance from the vehicle in front)	•	•	•
Post-Collision Emergency Braking	•	•	•
Safety Pack, featuring: Active Safety Brake with video and radar assistance (includes detection of pedestrians, cyclists, and intersections) with Forward Collision Warning, Driver Attention Alert Camera: The infrared camera located above the steering wheel analyses the driver's attention and automatically triggers an audible signal and an alert on the instrument panel to notify the driver of inattention and thus prevent any risk of an accident. Active Lane Departure Warning System (uses camera mounted in windscreen; detects lane departure and applies gentle steering correction if indicators not used), Extended Traffic Sign and Speed Limit Information with Speed Recommendation (uses camera mounted in windscreen; recognises speed limit signs and suggests them for the cruise control / speed limiter; detects other road signs such as No Entry or Stop)	•	•	•

Drive Assist Pack 2.0, featuring: Lane Positioning Assist: using the camera located at the top of the windscreen, the system identifies road markings and positions the vehicle in its lane. Semi-automatic Lane Change Assistance: by activating a turn signal, and if the environment permits, the vehicle will automatically change lanes, Long-Distance Blind Spot Detection: detects vehicles up to 75 meters behind you. Anticipatory Speed Limit Recommendation: thanks to connected navigation, the vehicle will anticipate and suggest to the driver the next speed limit to set within the cruise control. Rear Cross Traffic Alert: When reversing, this feature warns of approaching obstacles (pedestrians, cyclists, vehicles) in the vehicle's blind spot.			•
Rear Parking Sensors	•	•	•
Front parking sensors and 180° Rear Camera		•	
Front parking sensors and VisioPark 360° (includes 4 high-definition cameras as well as 8 sensors located around the car, offering a 360° view of the environment on the central screen)			•
Keyless Start (to start the vehicle, simply press the STOP/START button)	•		
Proximity Keyless Entry and Start (as you approach and move away, the vehicle detects the key you have on you and unlocks / locks automatically)		•	•
Child locks	•	•	•
Anti-theft alarm with perimetric and volumetric protection, plus tilt sensor. Brings deadlocks	•	•	•
Tyre underinflation detection	•	•	•
Puncture repair kit with compressor	•	•	•

Lighting and visibility			
Automatic headlights with welcome and goodbye lighting	•	•	•
LED headlights with LED daytime running lights and High Beam Assist (automatically alternates between low beam and high beam depending on traffic conditions)	•	•	
Matrix LED headlights with LED daytime running lights and Adaptive High Beam Assist (allows you to drive permanently in "full beam" mode without dazzling other road users)			•
Citroën Light Wings rear LED lights	•	•	•

Style – Exterior			
18" 'CARBON' alloy wheels - Hybrid versions	•		
19" 'MOONDUST' diamond-cut alloy wheels - Electric/Plug-In Hybrid versions	•	•	
19" 'ZIRCON' alloy wheels - Hybrid versions		•	
20" 'OBSIDIAN' alloy wheels - Electric/Plug-In Hybrid versions			•
Anti-theft locking wheel nuts	•	•	•
Body colour bumpers with Pure Black Colour Clips on front bumper/front doors	•	•	
Body colour bumpers with Gold Colour Clips on front bumper/front doors			•
Satin Chrome insert on front bumper with gloss black décor on front/rear bumpers		•	•

Body door handles	•	•	•
Orbital black door mirrors	•	•	•
Glossy black B-pillar	•	•	•
Electric, heated door mirrors	•		
Electric, heated, folding door mirrors with LED approach lighting		•	
Electric, heated, folding door mirrors with LED approach lighting and automatic adjustment when in reverse gear			•

Comfort and convenience			
Citroën Advanced Comfort® Suspension; this innovative, patented design uses 'Progressive Hydraulic Cushions' to maximise comfort for occupants	•	•	•
4-way adjustable steering column	•	•	•
Magic Wash (automatic windscreen wipers with flat blades, variable speed depending on vehicle speed, and windscreen washers integrated into the wipers)	•	•	•
Rear window wiper with intermittent facility; linked to reverse gear	•	•	•
Multifunction leather-effect steering wheel (with shift paddles on Hybrid versions)	•		
Multifunction leather-effect steering wheel with gloss black décor (with shift paddles on Hybrid/Plug-In Hybrid versions)		•	•
Heated steering wheel			•
Polyphonic sounds	•	•	•
Automatic dual zone air conditioning with central air vents for rear passengers and anti-allergy filter	•	•	•
Clean Cabin with Air Quality System (using two pollution sensors (interior and exterior), the system detects fine particles (e.g. pollution, cigarette smoke, bacteria, etc.) and automatically activates the recycling of ambient air, thus providing a purified cabin in just a few minutes thanks to the passage of air through the high-performance cabin filter)			•
Adjustable headrests (2 in front, 3 in rear)	•	•	•
Manual driver and front passenger seat adjustment (height, slide, backrest angle)	•	•	
Driver's seat lumbar adjustment		•	•
Electric driver's seat and manual front passenger seat adjustment (height, slide, backrest angle)			•
Heated front seats			•
Map pockets in rear of front seats	•	•	•

NEW CITROËN C5 AIRCROSS & Ë-C5 AIRCROSS

Equipment

	YOU!	PLUS	MAX
Phone pockets in rear of front seats		•	•
Rear Bench with 40-20-40 split folding backrest	•	•	•
Rear Bench with reclining backrest and rear central armrest		•	•
Two-position boot floor	•	•	•
Hands free motorised tailgate (operated via your key or by a 'kick' movement under the rear bumper)			•
Drive Mode Selector (adapts steering, gearbox and engine characteristics)	•	•	•
Sequential electric front and rear side windows with anti-pinch function	•	•	•

Interior features			
‘Urban Grey’ ambience with Advanced Comfort Seats in Black and Grey Fabric. Dashboard and door panels covered in Grey Sofa fabric	•		
‘Metropolitan Blue’ ambience with Advanced Comfort Seats in blue fabric & leather-effect. Dashboard and door panels covered in blue sofa fabric		•	
‘Hype Blue’ ambience with Advanced Comfort Seats in blue premium leather-effect and fabric. Dashboard and door panels covered in blue sofa fabric			•
Chilled central storage box with opening central armrest	•	•	•
LED interior lighting - 3 x front lights, 3 x rear lights, sunvisor courtesy lighting	•	•	•
LED boot light	•	•	•
LED footwell lighting			•
8-colour extended ambient lighting (along the dashboard, tweeters, front door panels and under the Waterfall screen, customisable in 8 colours)		•	•
Tinted windows and dark tinted rear quarter windows	•	•	•
Dark-tinted rear side and tailgate windows		•	•
Acoustic laminated windscreen	•	•	•
Electrochrome auto-dimming interior rear view mirror		•	•
e-Toggle automatic gearbox selector	•	•	•
Two open cupholders in central console	•	•	•
Storage: Glovebox and central console storage with LED lighting; clothes hooks on B pillar trims; parcel shelf; storage area under boot floor; 4 x tie-down hooks in boot; storage area for warning triangle in boot (warning triangle not supplied); front and rear door pockets	•	•	•
Wireless smartphone charging	•	•	•
Aluminium pedals and footrest			•
4 x dampened grab handles	•	•	•

In-car entertainment	YOU!	PLUS	MAX
10" digital instrument cluster with customisable zones and colour schemes	•	•	•
3 x 12V power outlet (front, rear and boot) and 4 x backlit USB Type-C sockets (two for front passengers and two for rear passagers)	•	•	•
Waterfall Screen with 3D Navigation System: 3D Navigation on 13" vertical touch screen, Wireless Apple CarPlay™ and Android Auto®, Bluetooth - up to 2 phones simultaneously, Digital radio (DAB+), 6 speakers, Natural voice recognition	•	•	•
Connect One (10-year subscription included) featuring Over-the-air updates, Geolocation; Emergency call and Citroën Assistance; Remote maintenance and digital user guide, E-Remote Control (Electric/Plug-In Hybrid versions - allows you to check your vehicle's range from your smartphone and start charging whenever you want. You can also heat or cool the vehicle to an optimal temperature before starting your journey from the app)	•	•	•
Connect PLUS (1 year subscription included) featuring Remote services with MyCitroën app: Remote Control (for remote control of locking/unlocking, horn and lights via Smartphone app), Find My Car, My Trip Report; Connected 3D navigation: Over-the-air map updates, Geofencing, Real-time traffic, parking availability and pricing; Speedcam alerts; Trip Planner with live charge point availability (Electric/Plug-In Hybrid versions); ChatGPT artificial intelligence	•	•	•
Extended Head Up Display (key information projected directly on the windscreen)			•

Waterfall Screen

With its spectacular vertical design, it floats in front of the dashboard, then cascades down to connect with the centre console.

Extended Head Up Display

NEW CITROËN C5 AIRCROSS & Ë-C5 AIRCROSS

Performance with care for the environment

With its sophisticated and technologically advanced range of engines, Citroën is well placed to reconcile performance with low taxation levels and reduced environmental impact.

Today more than ever, this means that when choosing a Citroën vehicle you are guaranteed access to superb value for money motoring.

For example, the Citroen C4 PLUS, when specified with the Hybrid 145hp automatic drivetrain, produces 107 g/km of CO₂ white driving, and therefore qualifies for F band of Vehicle Excise Duty.

Company Car Benefit-In-Kind Taxation Charges

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO₂ emissions, measured in grams per kilometre (g/km). The table below shows the percentage of the car's list price to be taxed (P11d value†).

For example a Citroen Berlingo Collection M Petrol 110hp manual has a CO₂ emissions figure of 143 g/km and a P11D value of £24,690 (as of April 2026).

The BIK calculation would therefore be 34% x £24,690 = £8,394.60

Click here for more information about the Company Car Benefit-In-Kind Taxation Charges, or contact Citroën Fleet Connect on 0800 023 4000.

2026-2027 Tax Year:

CO ₂ (g/km)	Electric Range (miles)	Appropriate % for 2026 to 2027†
0	N/A	4
1 to 50	130+	4
1 to 50	70 – 129	7
1 to 50	40 – 69	10
1 to 50	30 – 39	14
1 to 50	<30	16
51 to 54		17
55 to 59		18
60 to 64		19
65 to 69		20
70 to 74		21
75 to 79		21
80 to 84		22
85 to 89		23
90 to 94		24
95 to 99		25
100 to 104		26
105 to 109		27
110 to 114		28
115 to 119		29
120 to 124		30
125 to 129		31
130 to 134		32
135 to 139		33
140 to 144		34
145 to 149		35
150 to 154		36
155 to 159		37
160 to 164		37
165 to 169		37
170+		37

Graduated Vehicle Excise Duty (Road Fund Licence)

The Graduated V.E.D. bands classify all new cars into one of thirteen Vehicle Excise Duty bands, depending on their type of fuel and carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). There are two V.E.D. rates, a rate for the first year and a rate for subsequent years.

First license rates for cars registered on or after 01/04/26 based on CO₂ emissions and fuel type:

Band	CO ₂ (g/km)	First year rate
12 months		
A	0	£10.00
B	1-50	£115.00
C	51-75	£135.00
D	76-90	£280.00
E	91-100	£365.00
F	101-110	£405.00
G	111-130	£455.00
H	131-150	£560.00
I	151-170	£1,410.00
J	171-190	£2,270.00
K	191-225	£3,420.00
L	226-255	£4,850.00
M	Over 255	£5,690.00

† The new Car's price to be taxed includes:

- Manufacturer's Recommended Retail Price (inc V.A.T.)
- Delivery to Retailer and Number Plates (inc V.A.T.)
- The list price of an option or an accessory (inc V.A.T. plus delivery and fitting charges if relevant). Some exceptions apply but excludes:
- Graduated Vehicle Excise Duty
- Government First Registration Fee

* Diesel cars tested to RDE2 standards.

NEW CITROËN C5 AIRCROSS & Ë-C5 AIRCROSS

Citroën & You

A network of Citroën New Car Retailers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today’s Citroën customer.

Retailers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Citroën Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

UP TO

8

YEARS

CITROËN,

WE CARE
COVERAGE

Citroën Personal Lease

Personal Lease is an alternative way to enjoy a new Citroën without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local retailer where you can exchange it for a brand new one.

You set your preferred contract terms and anticipated annual mileage. With leasing which can be arranged for a period up to 4 years, Personal Lease offers you an alternative method of funding your new Citroën. One initial bulk advance rental will be required. This is between 14%-16% of the ‘On the Road Recommended Retail Price’ plus any advance rental contribution from Citroën UK.

Excess mileage charges may apply if the agreed annual mileage is exceeded. Citroën contribution on selected models only. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month’s rental. All based on a 36 month contract with an annual mileage set at 6,000 miles on C1, C3, C3 Aircross, Berlingo and 8,000 miles on all other models. All rentals inclusive of VAT. Finance subject to status. Over 18s only. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority.

Comprehensive Warranty

Every new Citroën car offers the benefit of a three year* warranty package, plus a 12 year anti-perforation** warranty and a three year paint warranty.

Modern car batteries themselves are largely free of maintenance as they’re designed to last the lifetime of the car, or even longer. For added peace of mind, Citroën electric cars come with a warranty that guarantees 70% battery capacity for 100,000 miles or eight years.

* Two years’ unlimited mileage manufacturer’s warranty. No-fee customer option of one year’s Retailer provided warranty, only on vehicles sourced from Citroën UK Limited. Note: Retailer provided warranty is limited to 60,000 miles for all passenger vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Retailer every two years from its fourth anniversary.

‘Citroën, We Care’

‘Citroën, We Care’ reflects Citroën’s commitment to quality and reliability and consists of an additional 5 years of coverage (after the manufacturer’s warranty has expired) activated when you choose to service your new Citroën at our participating Citroën authorised service partners according to our recommended maintenance schedule. It is valid until the next maintenance appointment for up to 8 years and/or 100,000 miles, whichever happens first.

‘Citroën, We Care’ applies to the following passenger cars registered from 1st June 2025 in the United Kingdom:

• Citroën petrol, diesel, mild hybrids and plug-in hybrids: C3, C3 Aircross, C4 X, C4, C5 X, C5 Aircross, Berlingo, and Holidays

• Citroën Battery Electric Vehicles: ë-C3, ë-C3 Aircross, ë-C4 X, ë-C4, ë-C5 Aircross, ë-Berlingo, and ë-Spacetourer

Citroën Fleet and Business Sales

All Citroën New Car Retailers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aim to provide a ‘total transport solution’ for all your fleet or business vehicle needs.

If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 0800 023 4000.

Or [click here](#)

Full details available on request. Credit subject to status and to over 18s only. A guarantee may be required. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority. Telephone calls may be recorded or monitored for training or quality purposes.

Leasys

Leasys is the proud Business Contract Hire partner of Citroën and consequently, can provide quick vehicle delivery to keep your business mobile.

Specialised in Medium to Long-Term Leasing options and Fleet Management solutions for businesses of all sizes, Leasys lead mobility by offering sustainable and innovative solutions designed around customers, for a best-in-class experience. Their team of experts can personally support you and provide dedicated consultation.

Leasys is equally owned by Stellantis and Crédit Agricole Consumer Finance and is a member of the British Vehicle Rental and Leasing Association (BVRLA).

For further information, please contact your local Citroën Retailer or [Click here](#).

Citroën Assistance

In response to a free telephone call, Citroën Assistance brings rapid roadside support to you in the event of a breakdown.

For new vehicles, cover comes free of charge for a full year, from the date of your vehicle’s registration. Cover is operational 24 hours a day in all parts of the UK and Europe. Within the first twelve months, the following services are in force: Citroën Roadside Assistance, Citroën Recovery, Citroën Assistance From Home, Citroën Onward Travel, Citroën European Cover. Services include nationwide recovery for both the vehicle and passengers, a home call service, replacement vehicle and hotel accommodation. Cover includes manufacturing defects only. Citroën Assistance is available to be purchased for vehicles in their 2nd and 3rd years, for a one-off up-front payment and includes European cover. For new fully electric vehicles, Citroën Assistance cover comes free of charge for three years from the date of your vehicle’s registration.

Full details are available on request from Citroën UK, [click here](#).

Servicing

When your vehicle is due for a service you need just the right mix of unique expertise, surprising value and real convenience. With the Citroën Care Plan that’s exactly what you get.

• Scheduled Servicing†

• Brake Fluid Replacement†

Better still, you get the unique reassurance of our Citroën Price Promise that guarantees all work is carried out by trained technicians using only Citroën Approved Parts. You will also benefit from a FREE 22 point vehicle health check and FREE technical updates.

† As outlined in your vehicle’s Maintenance & Guarantee Guide. Less than 12,000 miles per annum usage profile, terms and conditions apply. Contact your local Citroën Retailer for details

Maintenance

For a single fee or low monthly payments, you can put yourself in control of your maintenance costs. Depending on your needs, you can choose from a package that covers you between 12 and 48 months and between 10,000 and 150,000 miles and provides you with:

• Scheduled Servicing†

• Periodic Maintenance†

• Wear and Tear Cover – The replacement of friction materials such as brake pads, discs, wiper blades, clutch and other such items needed to keep you and your vehicle on the move

• Citroën Assistance, provided by the AA, includes: Roadside & At Home Assistance, Recovery, Onward Travel and European Cover

• MOT test fees

Why not add the following option to your chosen package:

• Replacement of worn tyres, including wheel balancing (includes puncture repairs)

• Replacement vehicle whilst yours is being serviced or MOT’d

Rest assured that all Maintenance and Servicing work will be carried out by qualified Citroën Technicians at any Citroën Authorised Repairer within the UK, using only Citroën Original Equipment and Approved Parts.

For further information, please contact your Citroën Retailer.

Citroën Motor Insurance

Citroën Insurance has been designed specifically for our vehicles. You don’t just get repairs you get Citroën expertise, service, quality and parts. You see, where other insurers see a vehicle, we see a Citroën.

So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725. (Lines open 8am-8pm weekdays, 9am-5pm Saturdays)

Alternatively, [click here](#) for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Or [click here](#) to contact Citroën directly. Alternatively, for further information, please contact your Citroën Retailer.

Citroën Connected Services

Vehicles equipped with the Citroën Connect box have an embedded SIM card.

This means that as well as safety features, Citroën drivers can subscribe to a range of connected services:

• Real Time Traffic and Speedcam alerts: with live data to enhance the Citroën Connect Nav system

• Remote access to lock or unlock the vehicle’s doors from a smartphone

• E-remote Control: remote management of electric vehicle charging and temperature

• And much more!

Service availability depends on the hardware fitted on each vehicle. For more information [click here](#).
