DACIA

SANDERO

JUST ESSENTIALS

Dacia Sandero Stepway reaffirms its crossover style: take escapism to the next level thanks to the new extreme finish, which gives the vehicle an even stronger off-road look. Rise to the challenge of real life: thanks to its large extendible boot, switch from city life to adventure in a flash.

FREE OF ADVENTURE

Dacia Sandero Stepway boosts its adventurous character with its sculpted bonnet, assertive front end, raised ground clearance and modular roof bars.

Its protective elements made from Starkle® – a material that is 25% recycled – reveal its dynamic and robust style as an authentic crossover, while protecting the lower bodywork, wheel arches and exposed side parts.

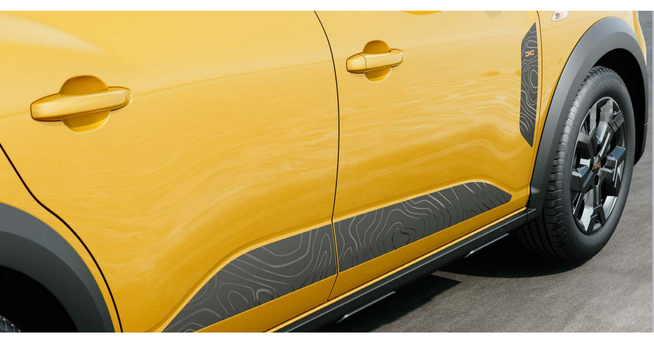

The aesthetics of the new “pixelated” grille and the inverted T-shaped brand light express its modernity. The incorporation of new headlights reinforces the Dacia brand identity.
New 16” alloy wheels, black shark-fin aerial, new body colours. Perfect adventurer, perfect urban elegance.

Dacia Sandero Stepway goes further by adopting a distinctive look from every angle: with its new bumper and decal on the boot tailgate, the rear end emphasises its personality.

New front brand light

Starkle® wheel protectors

A RANGE OF HIGH-PERFORMANCE ENGINES

Dacia Sandero Stepway unveils a new generation of engines with the hybrid 155, which combines performance, responsiveness and driving pleasure. Thanks to its hybrid technology, it offers a dynamic and smooth driving experience, with up to 80% of driving time in electric mode in town. Combined with an automatic gearbox, it recharges during braking phases.

Finally, the latest-generation TCe 110 3-cylinder turbocharged petrol engine with direct injection completes the range. It offers excellent driving dynamics and one of the best performance-to-fuel-efficiency ratios in its class, making it ideal for versatile everyday use.

COMFORT WELL-THOUGHT-OUT

Sandero Stepway moves forward with unprecedented comfort and a completely redesigned interior across all versions: new air vents that visually echo the exterior design and a flat-bottomed steering wheel. New technological features have been integrated such as the 7" digital driver display and the 10" multimedia display with connected navigation.

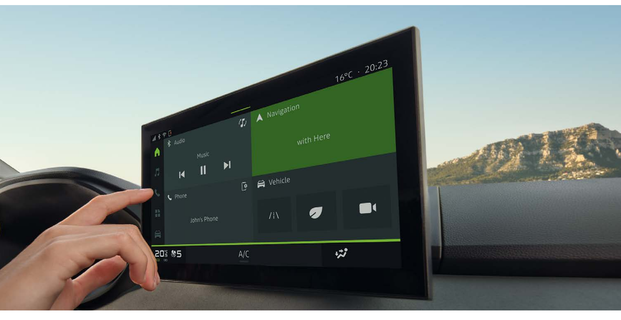

The hybrid 155 auto engine are equipped with the e-shifter, a next-generation electronic gear lever that reinvents design and functionality for gear changes.

New automatic e-shifter(1)

7" digital driver display

10" screen with connected navigation(2)

(1) Hybrid 155 engine onlys. (2) Standard on Extreme only.

CHOOSE YOUR MULTIMEDIA PREFERENCES

Dacia Sandero Stepway includes a new multimedia offering. You can choose your level of equipment: Media Control, controlled from your smartphone and integrated into the dashboard design, allows you to control radio, music, Bluetooth® connection, USB and telephony.

The new 10" Media Display, featuring an easy-to-use customisable interface, allows you to easily access GPS navigation via your smartphone, manage calls and music, and use voice commands.

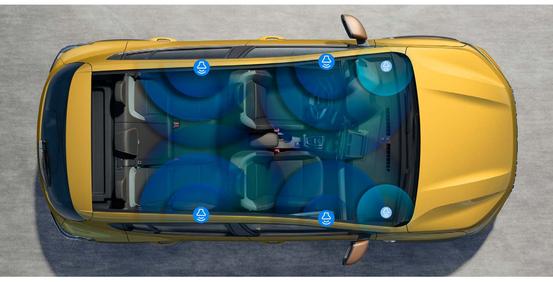

10" Media Display(1)

The new Media Nav Live transforms your dashboard into a truly smart control centre. From the 10" touchscreen: navigation and connected services in real time, integrated app store and 3D Arkamys® audio system for high-quality sound immersion. These last two systems are compatible with wired and Wi-Fi connections with Android Auto™ and Apple CarPlay® smartphone mirroring.

New Media Nav Live(2)

3D audio system developed by Arkamys®

Android Auto™ is a Google Inc. brand.
Apple CarPlay® is an Apple Inc. brand.
(1) Standard on Expression. (2) Standard on Extreme.

SAFETY ALL THE TIME

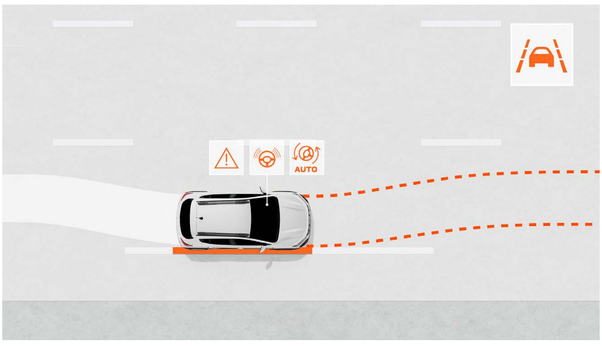

At Dacia, safety has always been at the heart of our concerns. Built on the latest platform designed for our vehicles, Dacia Sandero Stepway has a reinforced body structure and new-generation assistance systems. Thanks to the My Safety button, you can deactivate some of these aids at each start-up as well as when the vehicle is running. With Dacia, drive with peace of mind.

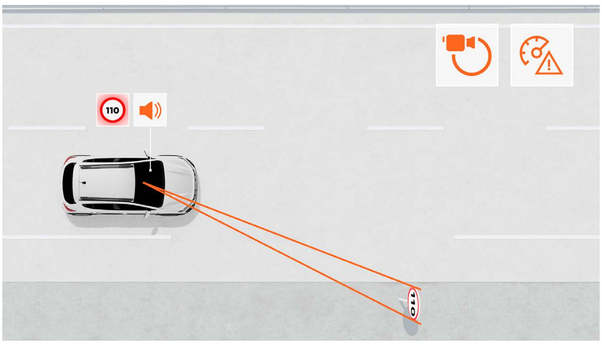

DRIVER DROWSINESS AND ATTENTION WARNING SYSTEM
This assistance system warns the driver if fatigue is detected and prompts them to take a break.

AUTOMATIC EMERGENCY BRAKING (AEBS) WITH PEDESTRIAN/ CYCLIST DETECTION
This system prevents the risk of frontal collisions involving other vehicles, pedestrians or cyclists straight ahead and at junctions. It alerts the driver and can automatically brake the vehicle if necessary.

LANE KEEPING ASSIST
Monitors the vehicle's path in its lane and corrects it if necessary by automatically steering it.

TRAFFIC SIGN RECOGNITION WITH SPEED ALERT
Provides a reliable real-time indication of the maximum speed on the road and warns the driver if they exceed the speed limit with visual and audible alerts (which can be disabled).

MAIN EQUIPMENT

EXTERNAL APPEARANCE
- "Pixelated" front grille with Dacia logo
  Brand light in the shape of an inverted "T" and automatic LED daytime running lights
- Front and rear and side skid plates made from Starkle® recycled materials
- Black exterior door handles
- Black door mirrors
- Black modular longitudinal roof bars
- 16" Erelia steel wheels

INTERIOR APPEARANCE
- Copper-coloured air-vent centres
- Black inside door opening handles
- Split folding rear bench 1/3-2/3
- Prefitted to accept YouClips
- New steering wheel
- New special fabrics for upholstery

ACTIVE AND PASSIVE SAFETY
- My Safety button to manage driver assistance systems
- Anti-locking braking system (ABS) + Emergency Brake Assist (EBA)
- Automatic emergency braking (AEBS) with pedestrian/cyclist detection
- Electronic Stability Control (ESC) with Hill Start Assist (HSA)
- Emergency call (subject to available compatible network; 2G/3G or 4G/5G depending on the vehicle)
- Event (accident) data logger
- Vehicle pre-configuration for alcolock immobiliser
- Road sign recognition and speeding alert
- Lane change warning
- Lane keeping assist
- Driver attention alert system
- Front / rear "Rescue Code®" QR Code
- Driver's front airbag / passenger's side airbag, can be disabled
- Shoulder and curtain side airbags
- Rear parking sensors
- Tyre pressure detection
- Tyre inflation kit
- Isofix child seat mounting system on rear side seats

DRIVING AND CONTROLS
- Electric power steering
- Stop & Start, ECO mode
- On-board computer: distance travelled, average speed, range, average consumption
- Rain and light sensors
- Cruise control and speed limiter with audible warning

VISIBILITY
- Door mirrors with interior manual adjustment

COMFORT
- Manual air conditioning system
- Electric and automatic door locking while driving and folding key
- Automatic locking of doors when in motion
- Electric front windows
- Height- and reach-adjustable steering wheel
- 1 x 12V socket in the front

MULTIMEDIA AND AUDIO
- New Media Control: DAB radio with steering wheel controls, 1 USB-C socket, 4 speakers, Bluetooth® telephone system with satellite controls on the steering wheel, fixed smartphone holder on the dashboard, new Dacia Media Control smartphone app

OPTION
- Spare wheel + jack (except hybrid 155)

expression

MAIN EQUIPMENT
expression = essential +

EXTERNAL APPEARANCE
- Body-tone outside door handles
- Body-tone external mirrors
- Modular longitudinal roof bars
- 16" Atara flexwheel wheels
- 3D PIP side protectors
- Shark fin aerial

	TCe 110
ENGINES	
Fuel	Petrol unleaded
Max. power kW CEE (hp) at an engine speed of (rpm)	81 from 5,000 to 5,250
Max. torque Nm CEE (m.kg) at an engine speed of (rpm)	200 from 2,900 and 3,500
Gearbox type	Manual 6-speed
Injection type	Turbo direct injection
Capacity (cm^3)	999
Number of cylinders/valves	3/12
Emission control standard	Euro 6e bis
CHASSIS AND STEERING	
Tyre dimensions	205/60 R16 92H
Steering - Turning circle, kerb to kerb (m)	10.64
Front suspension	Pseudo McPherson with lower wishbone, spiral spring suspension with telescopic hydraulic shock absorbers and anti-roll bar
Rear suspension	Semi-rigid axle with anti-roll bar spring suspension and telescopic hydraulic shock absorbers
PERFORMANCE	
Maximum speed (mph)	111
0-62 mph/s	10
FUEL CONSUMPTION AND EMISSIONS(1)	
Approval protocol	WLTP(2)
Fuel tank capacity (l)	50
CO_2 emissions (g/km)	128-129
Mixed cycle consumption (mpg)	49.6-50.4
VOLUMES AND WEIGHTS (KG)	
Minimum curb weight in running order	1,095
Maximum kerb weight in running order	1,149
Gross train weight (GTW)	2,685
Gross vehicle weight (GVW)	1,585
Max. braked towing weight	1,100

(1) Official consumption and emissions according to applicable regulations. (2) WLTP (Worldwide Harmonised Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared with the NEDC protocol. CO_2 emissions are certified using a standard, regulatory method. This method is identical for all manufacturers and enables vehicles to be compared with one another.
