# NEW SUPERB – PERFECTION, REIMAGINED.

The challenge was to take an award-winning model and completely revolutionise it in terms of technical sophistication and design, enhance the functionality and refine its beauty, whilst retaining its signature styling and luxurious interior.

Introducing the NEW ŠKODA SUPERB.

Reimagined and re-energised, it remains our most spacious, prestigious and technically advanced model.

It also remains award-winning, having picked up 'Best Executive Car less than £25,000' and 'Best Estate Car' at *What Car?* Car of the Year 2020 Awards.

# ALLOY WHEELS

When it comes to checking the quality of our alloy wheels, we unapologetically put them through their paces. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.
