

KAROQ

GENUINE ACCESSORIES

ŠKODA

Effective February 2021

MAKE EVERYDAY LIFE REMARKABLE

With its inventive design touches, intuitive technology and 4x4 capability, the KAROQ challenges convention at every turn. And with the addition of Genuine Accessories, discovering new grounds also becomes unmistakably more stylish and practical too.

Every accessory has been designed to enhance your drive. Connected systems point you to adventure, safety enhancements bring peace of mind, while thoughtful touches throughout the car add an innovative helping hand.

Whichever additions you choose, it goes without saying that every accessory has been rigorously tested and is fully compatible with the KAROQ.

ALLOY WHEELS

CHOICES, CHOICES.

Some decisions are rewardingly difficult. Do you make a statement with matt black? Stand out with platinum metallic? Or keep it strictly professional? Whatever your style, there will be an alloy wheel to match.

Prices shown are per wheel fitted. Tyres sold at additional cost.

ALLOY WHEELS

When it comes to checking the quality of our alloy wheels, we unapologetically put them through their paces. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

Prices shown are per wheel fitted. Tyres sold at additional cost.

ŠKODA Genuine Accessories

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
