

DIGITAL SERVICE WORLD

Efficiency and transparency
for your business.

MY TRUCKPOINT

for Mercedes-Benz Trucks

Your digital customer portal from Mercedes-Benz Trucks. Manage your vehicles and associated services, contracts and information. Enables you to manage your whole fleet, from activating services to storing of documents linked to your vehicles.

TRUCKLIVE

Connected from the first second with the easy and free* connectivity solution. Connect your truck and benefit from efficient maintenance management, over-the-air updates, advanced breakdown service and dynamic route guidance.

Mercedes-Benz Trucks

UPTIME

Real-time monitoring and intelligent networking of vehicle systems help you to avoid predictable downtimes and reduce downtimes: if critical conditions are recognised, you are automatically informed with specific recommendations for action.

FLEETBOARD

Our premium telematics services allow you to achieve intelligent connectivity for your drivers and vehicles, providing an overview in near real time of the relevant data of your fleet and charging infrastructure.
