

DACIA SANDERO

THE PERFECT PARTNER FOR YOUR CITY LIFE

Dacia Sandero fits better than ever into your lifestyle and desires. Its lines combine robustness with dynamism in a sleek and distinctive design. Stylish, practical and modern, it offers the essential features and standards of comfort to make every journey pleasurable.

A WELL-THOUGHT-OUT STYLE

Admire the striking style of Dacia Sandero with its new, redesigned front end. The aesthetics of the new "pixelated" grille and the inverted T-shaped brand light express its modernity. The incorporation of new headlights reinforces the impression of character and the Dacia brand identity.

Sandero has renewed its attention to detail by adopting new 16" alloy wheels, a shark-fin aerial and new body colours.

New LED front brand light

CONFIGURE AND ORDER

02. DRIVING PLEASURE

ONE SIMPLE ENGINE

Also available with the 100 TCe engine, this latest-generation 3-cylinder direct injection turbo engine gives you the best driving pleasure and possible performance/fuel consumption ratio.

EVEN MORE COMFORTABLE AND CONNECTED

Sandero's interior has been revamped with a new, stylish and ergonomic dashboard. The interior design has also been completely revamped for all versions, with new comfortable seats and special blue upholstery in the journey version.

The new air vents visually harmonise with the exterior design. Their modern design reflects the new technology you'll find on board: an adjustable steering wheel with digital controls, a 7" digital driver display⁽¹⁾ and a 10" multimedia screen with connected navigation⁽¹⁾ enhance your driving experience and comfort.

On the central 10" screen⁽²⁾, access new features such as smartphone mirroring, which allows you to find your favourite apps on the screen or the integrated Media Nav Live connected navigation⁽¹⁾ to get you on the road. Thanks to the wireless smartphone charger⁽¹⁾, your smartphone stays synchronised without interruption.

The technology also supports you to make driving easier and safer, such as the latest advanced driver attention monitoring system.

7" digital driver display with driving information

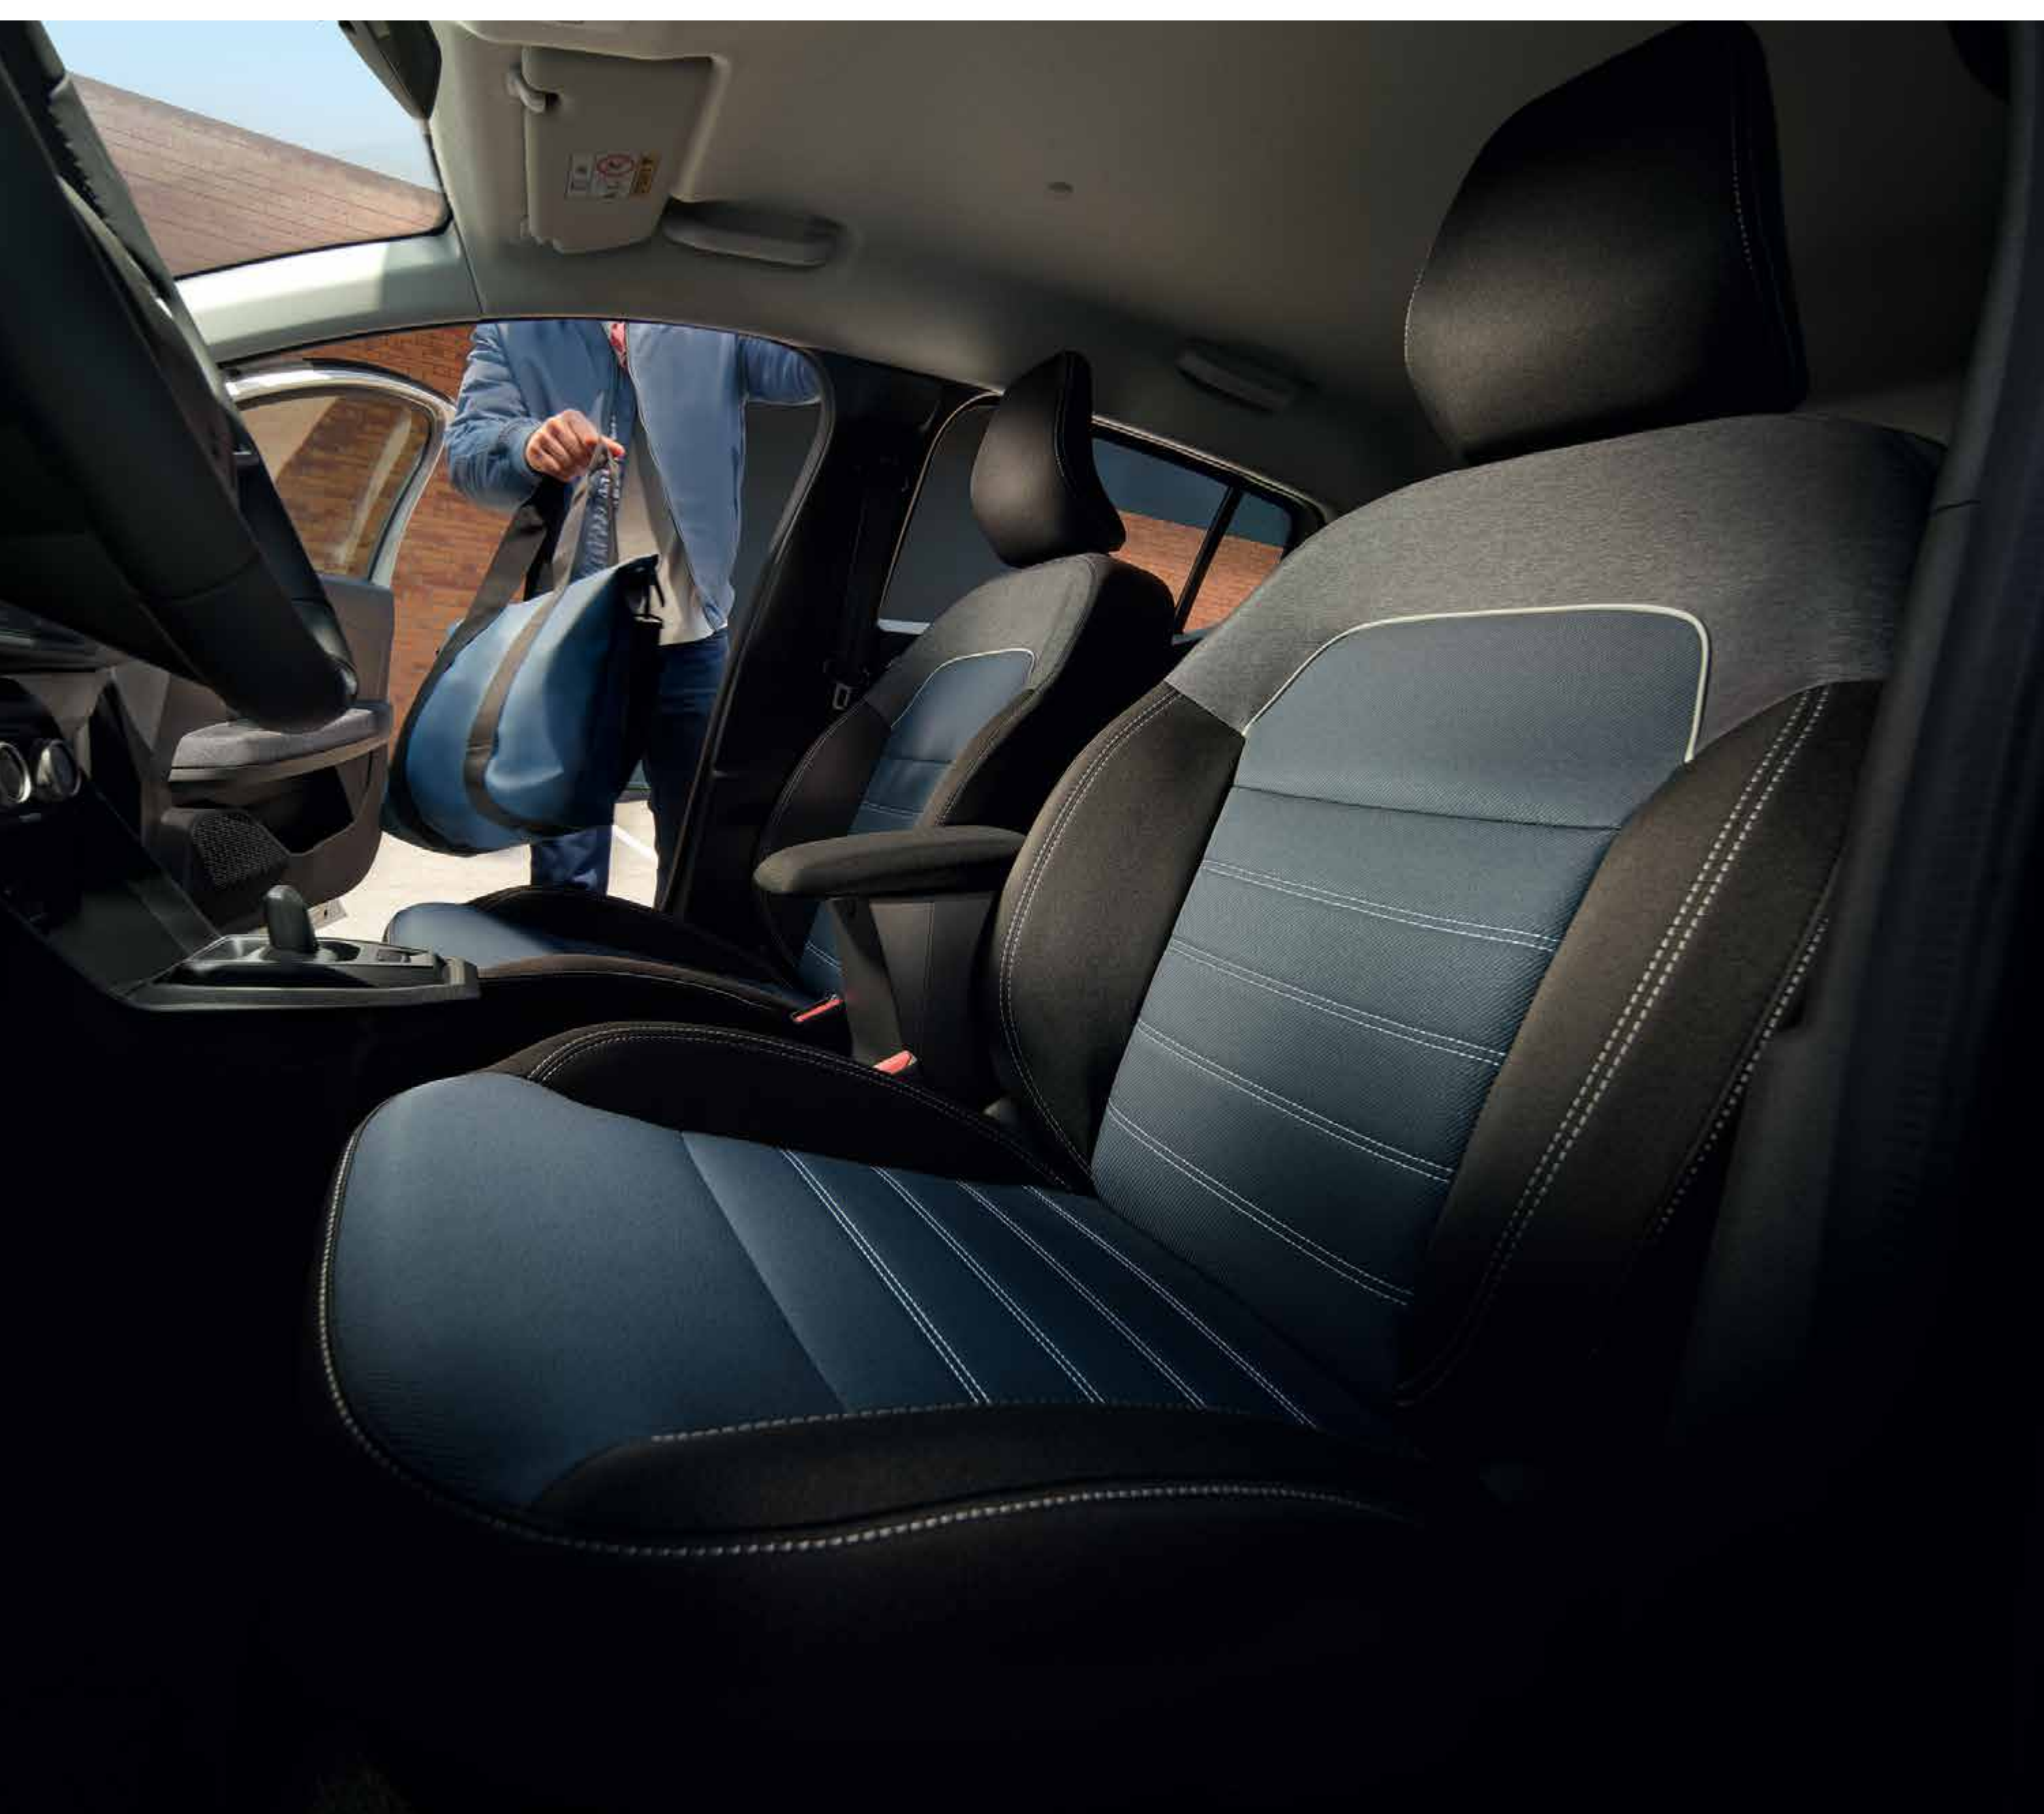

Wireless smartphone charger⁽¹⁾

(1) Standard on Journey. (2) Available from Expression.

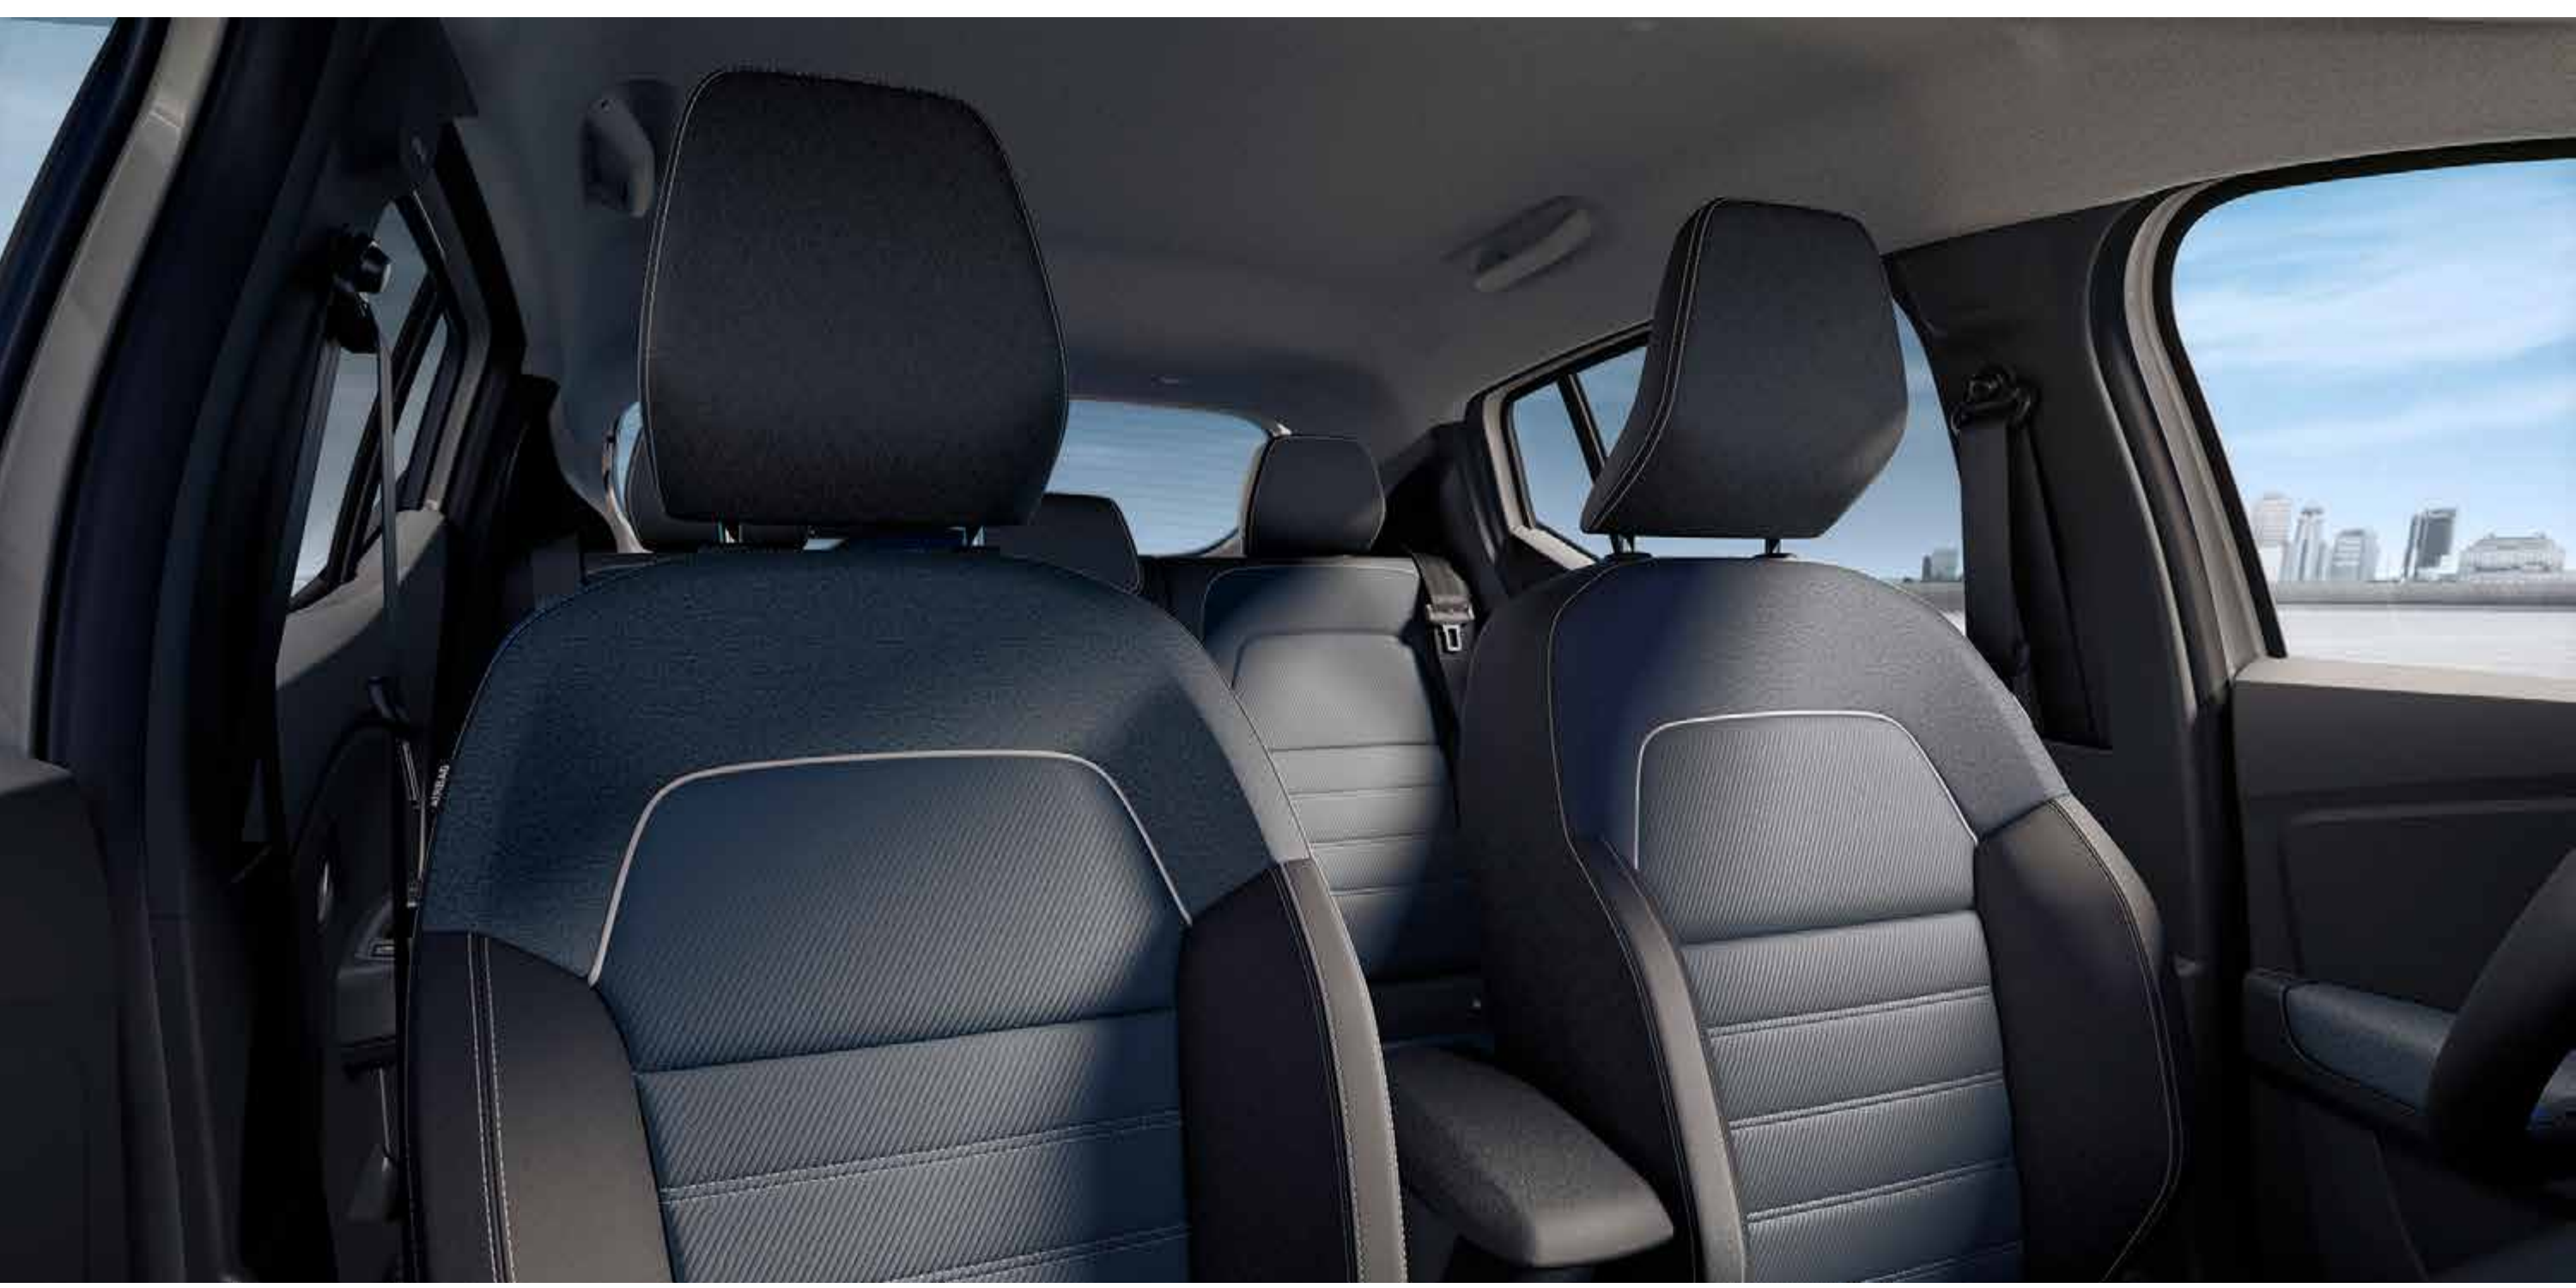

TAKE CONTROL OF THE SPACE

Dacia Sandero adapts perfectly to your life. And it has the resources, with its large boot and rear folding bench seat, to adapt the space to your requirements. It also comes with a lot of storage space: cup holders, door bin, closed glovebox and storage console that perfectly meet your organisational requirements.

With the new YouClip system, you will also be able to hang your belongings thanks to fixing points and accessories that put your passenger compartment in order.

The generous width at the shoulders for the driver and the leg room for passengers in the rear provide optimum comfort. Sandero offers a decidedly warm welcome.

5 real seats

Boot space: 328 dm³ / 410 litres

YOUCLIP FASTENING SYSTEM: MORE SPACE FOR YOU

YouClip makes your life even more comfortable and organised with its clever multi-purpose fastening system for hanging a wide range of accessories available in the range. These can be clipped to the fasteners distributed throughout the passenger compartment and boot: up to 3 fasteners as standard.

2 additional attachment points behind the headrests are available as an accessory to extend your possibilities up to 5 YouClip points.

5 real seats

3-in-1 YouClip (cup holder + lamp + hook)

CHOOSE YOUR MULTIMEDIA PREFERENCES

Dacia Sandero has three new comprehensive multimedia offerings, so it's up to you to choose your equipment level: Media Control⁽¹⁾, controlled from your smartphone and integrated into the dashboard design, allows you to control radio, music, Bluetooth® connection, USB and telephony.

The new 10" Media Display, featuring an easy-to-use customisable interface, allows you to easily access GPS navigation via your smartphone, manage calls and music, and use voice commands.

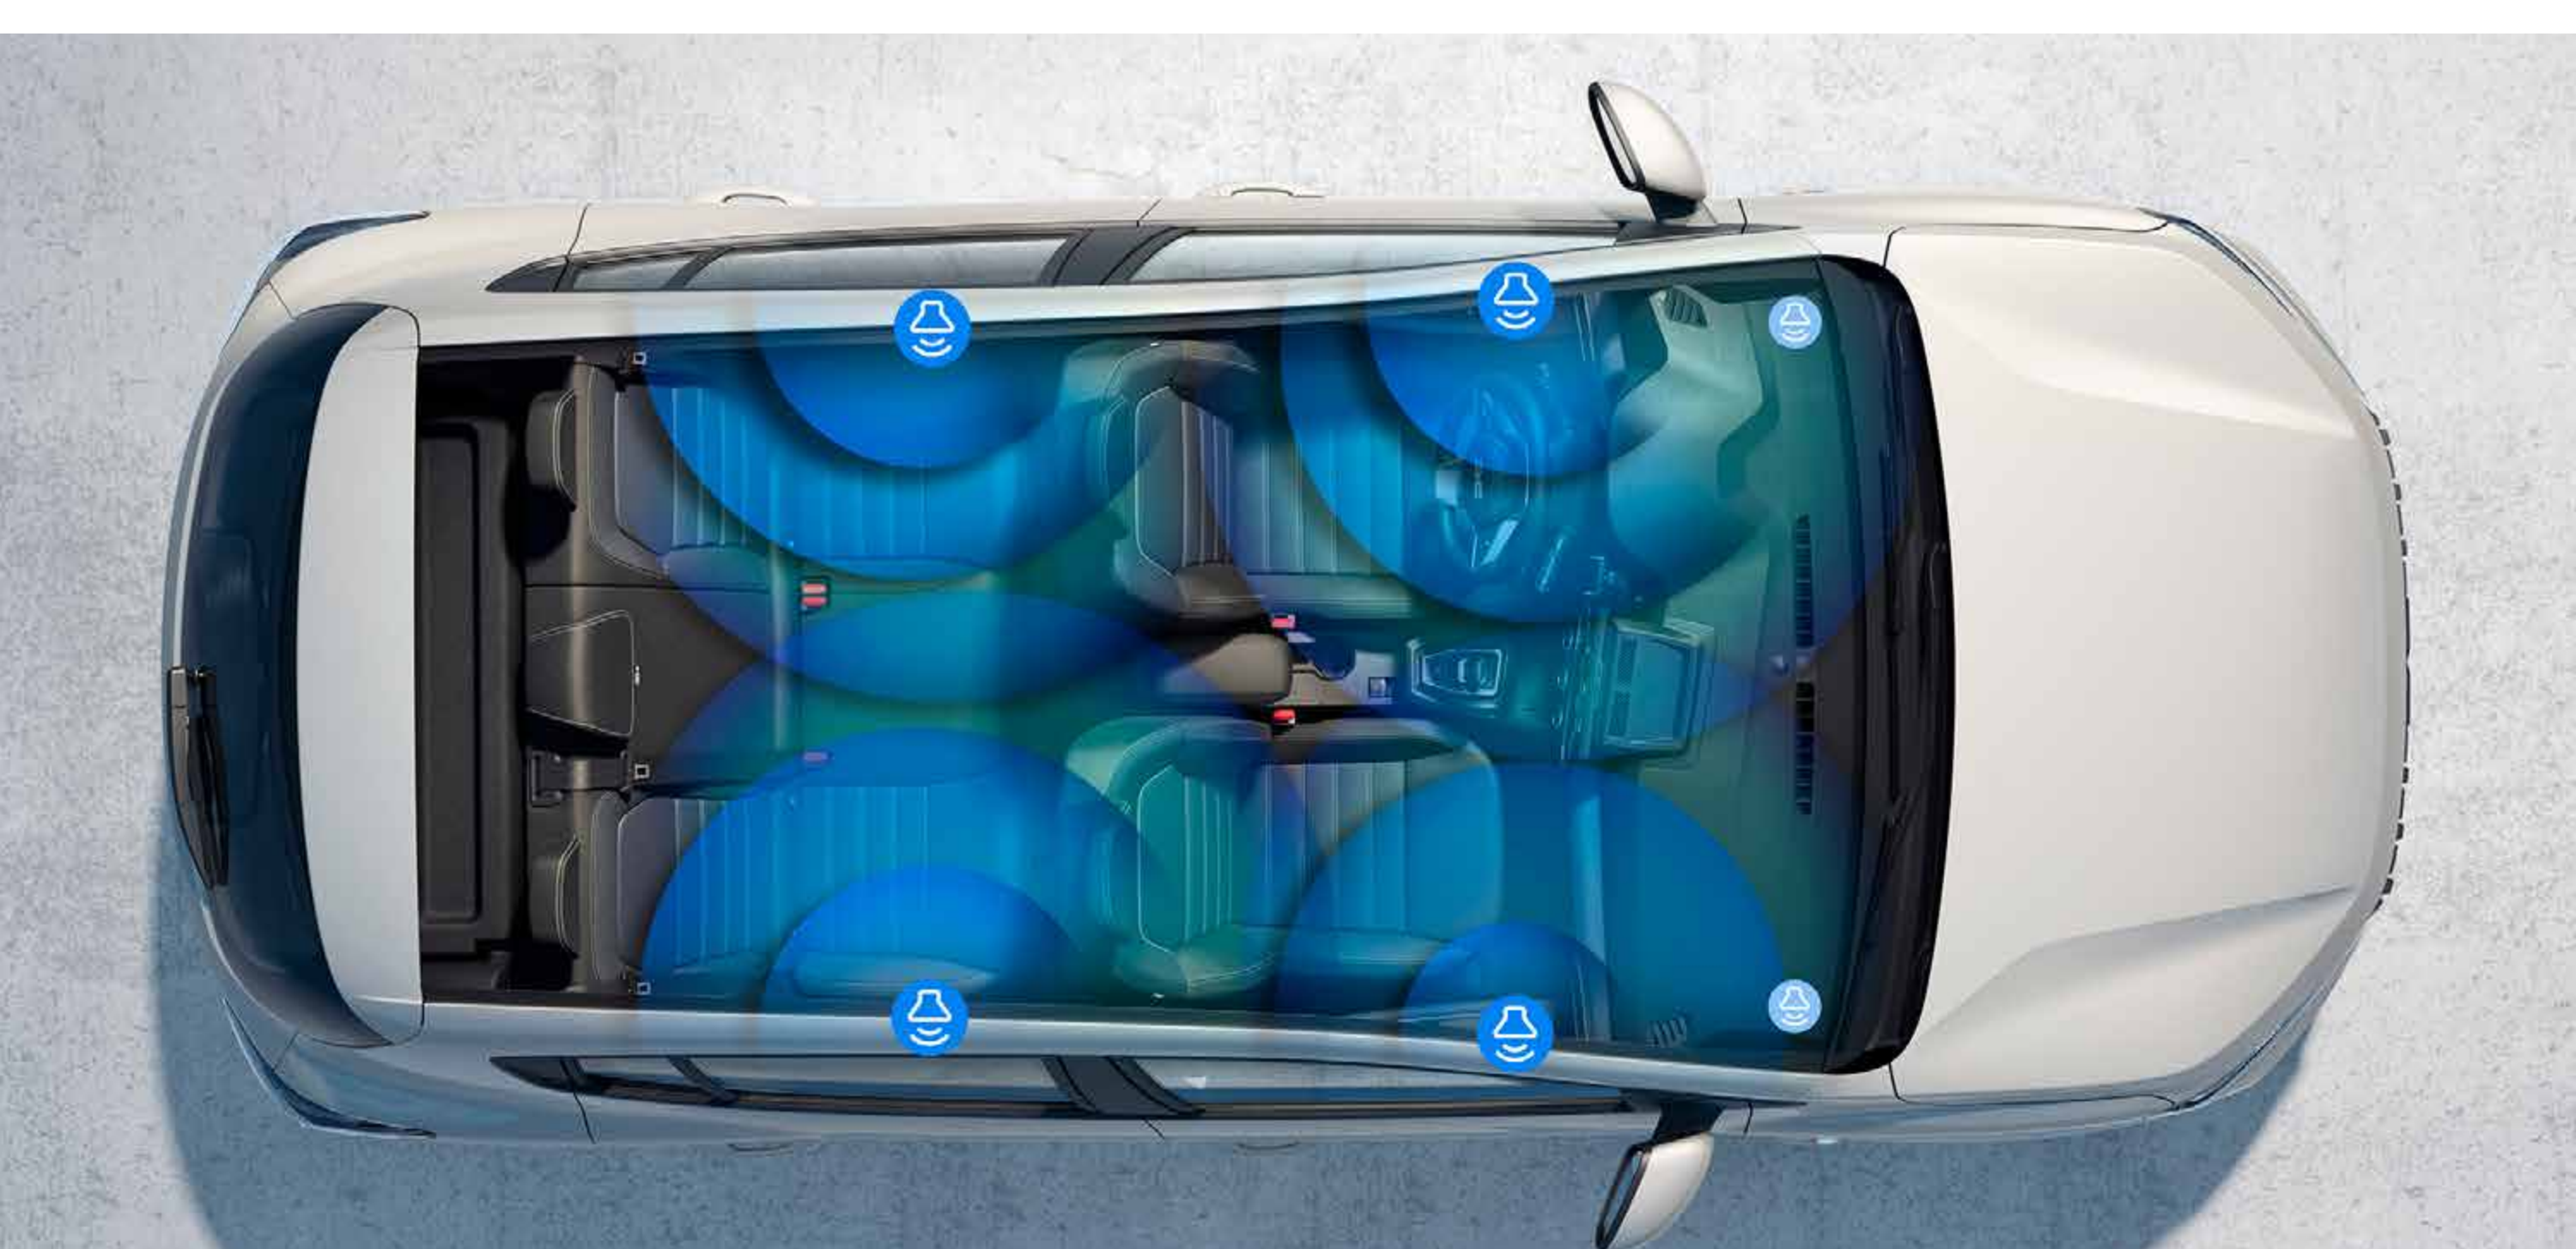

Media Display⁽²⁾

The new Media Nav Live transforms your dashboard into a truly smart control centre. From the 10" touchscreen: navigation and connected services in real time, integrated app store and 3D Arkamys® audio system for high-quality sound immersion. These last two systems are compatible with wired and Wi-Fi connections with Android Auto™ and Apple CarPlay® smartphone mirroring.

New Media Nav Live⁽³⁾

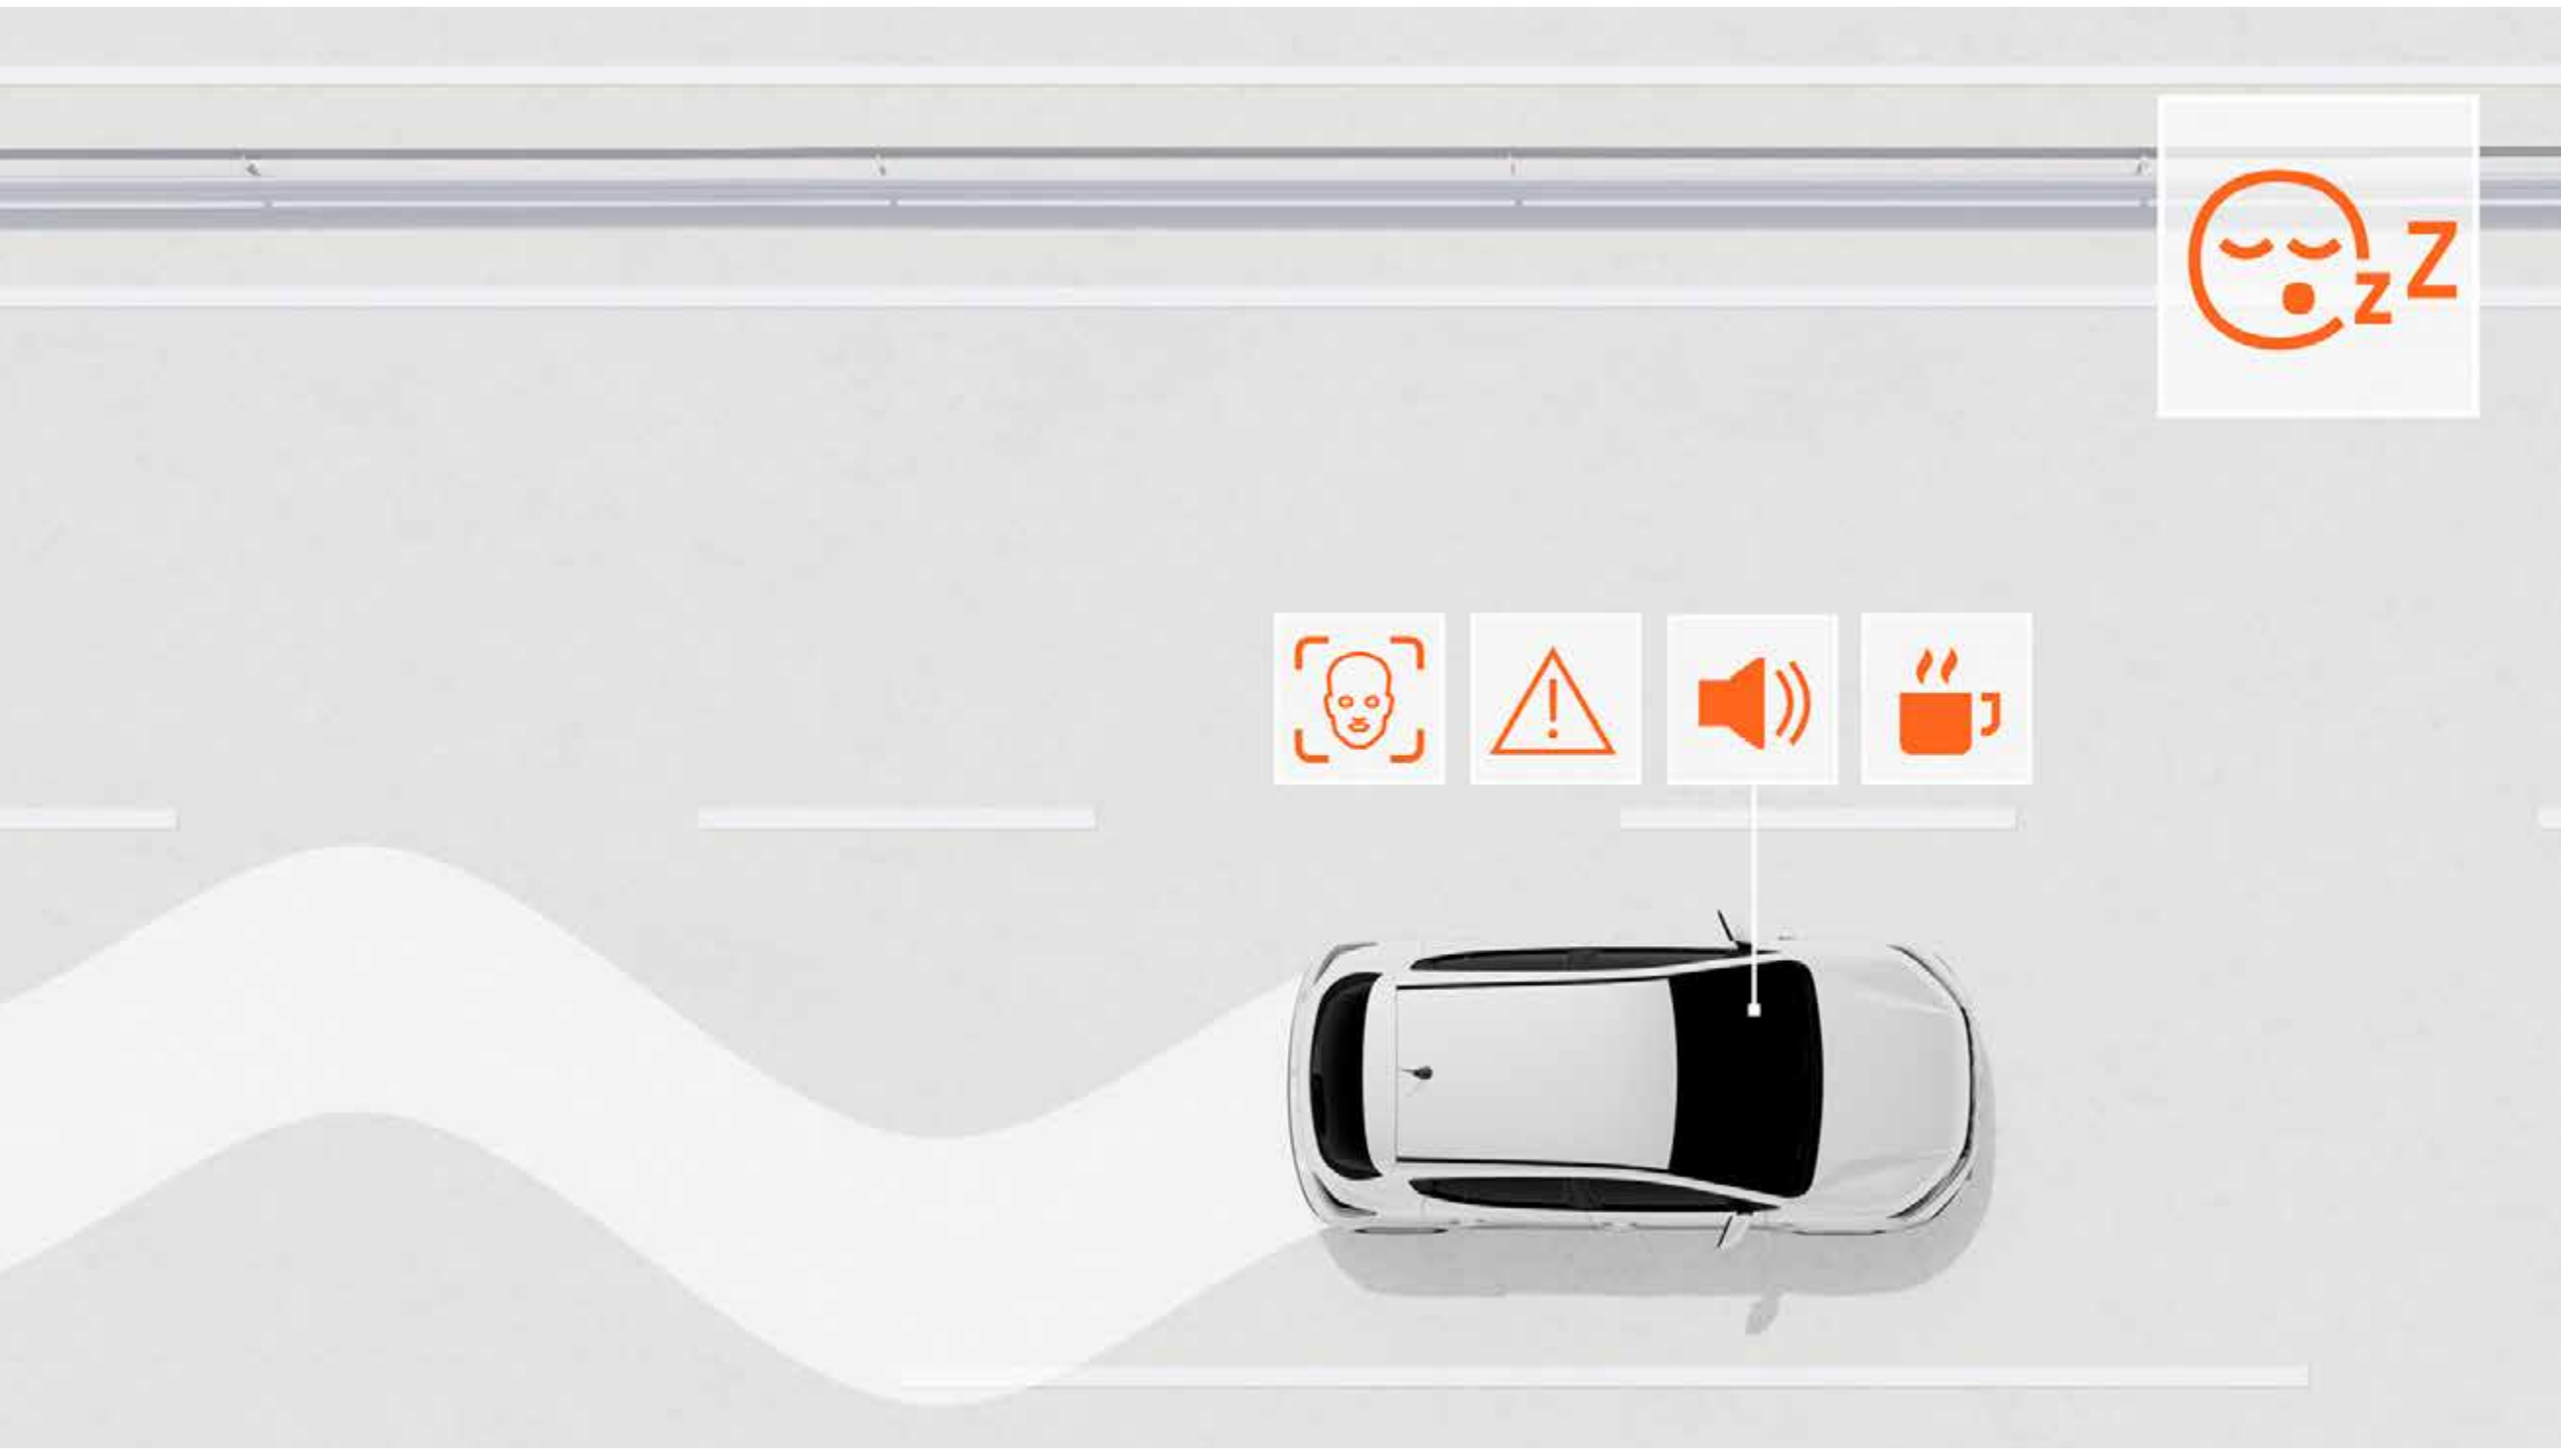

3D audio system developed by Arkamys®

(1) Standard on Essential. (2) Standard on Expression. (3) Standard on Journey. Android Auto™ is a Google Inc. brand. Apple CarPlay® is an Apple Inc. brand.

SAFETY ALL THE TIME

At Dacia, safety has always been at the heart of our concerns. Built on the latest platform designed for our vehicles, Dacia Sandero has a reinforced body structure and new-generation assistance systems. Thanks to the My Safety button, you can disable some of these assistance systems at each start-up as well as when the vehicle is running. With Dacia, drive with peace of mind.

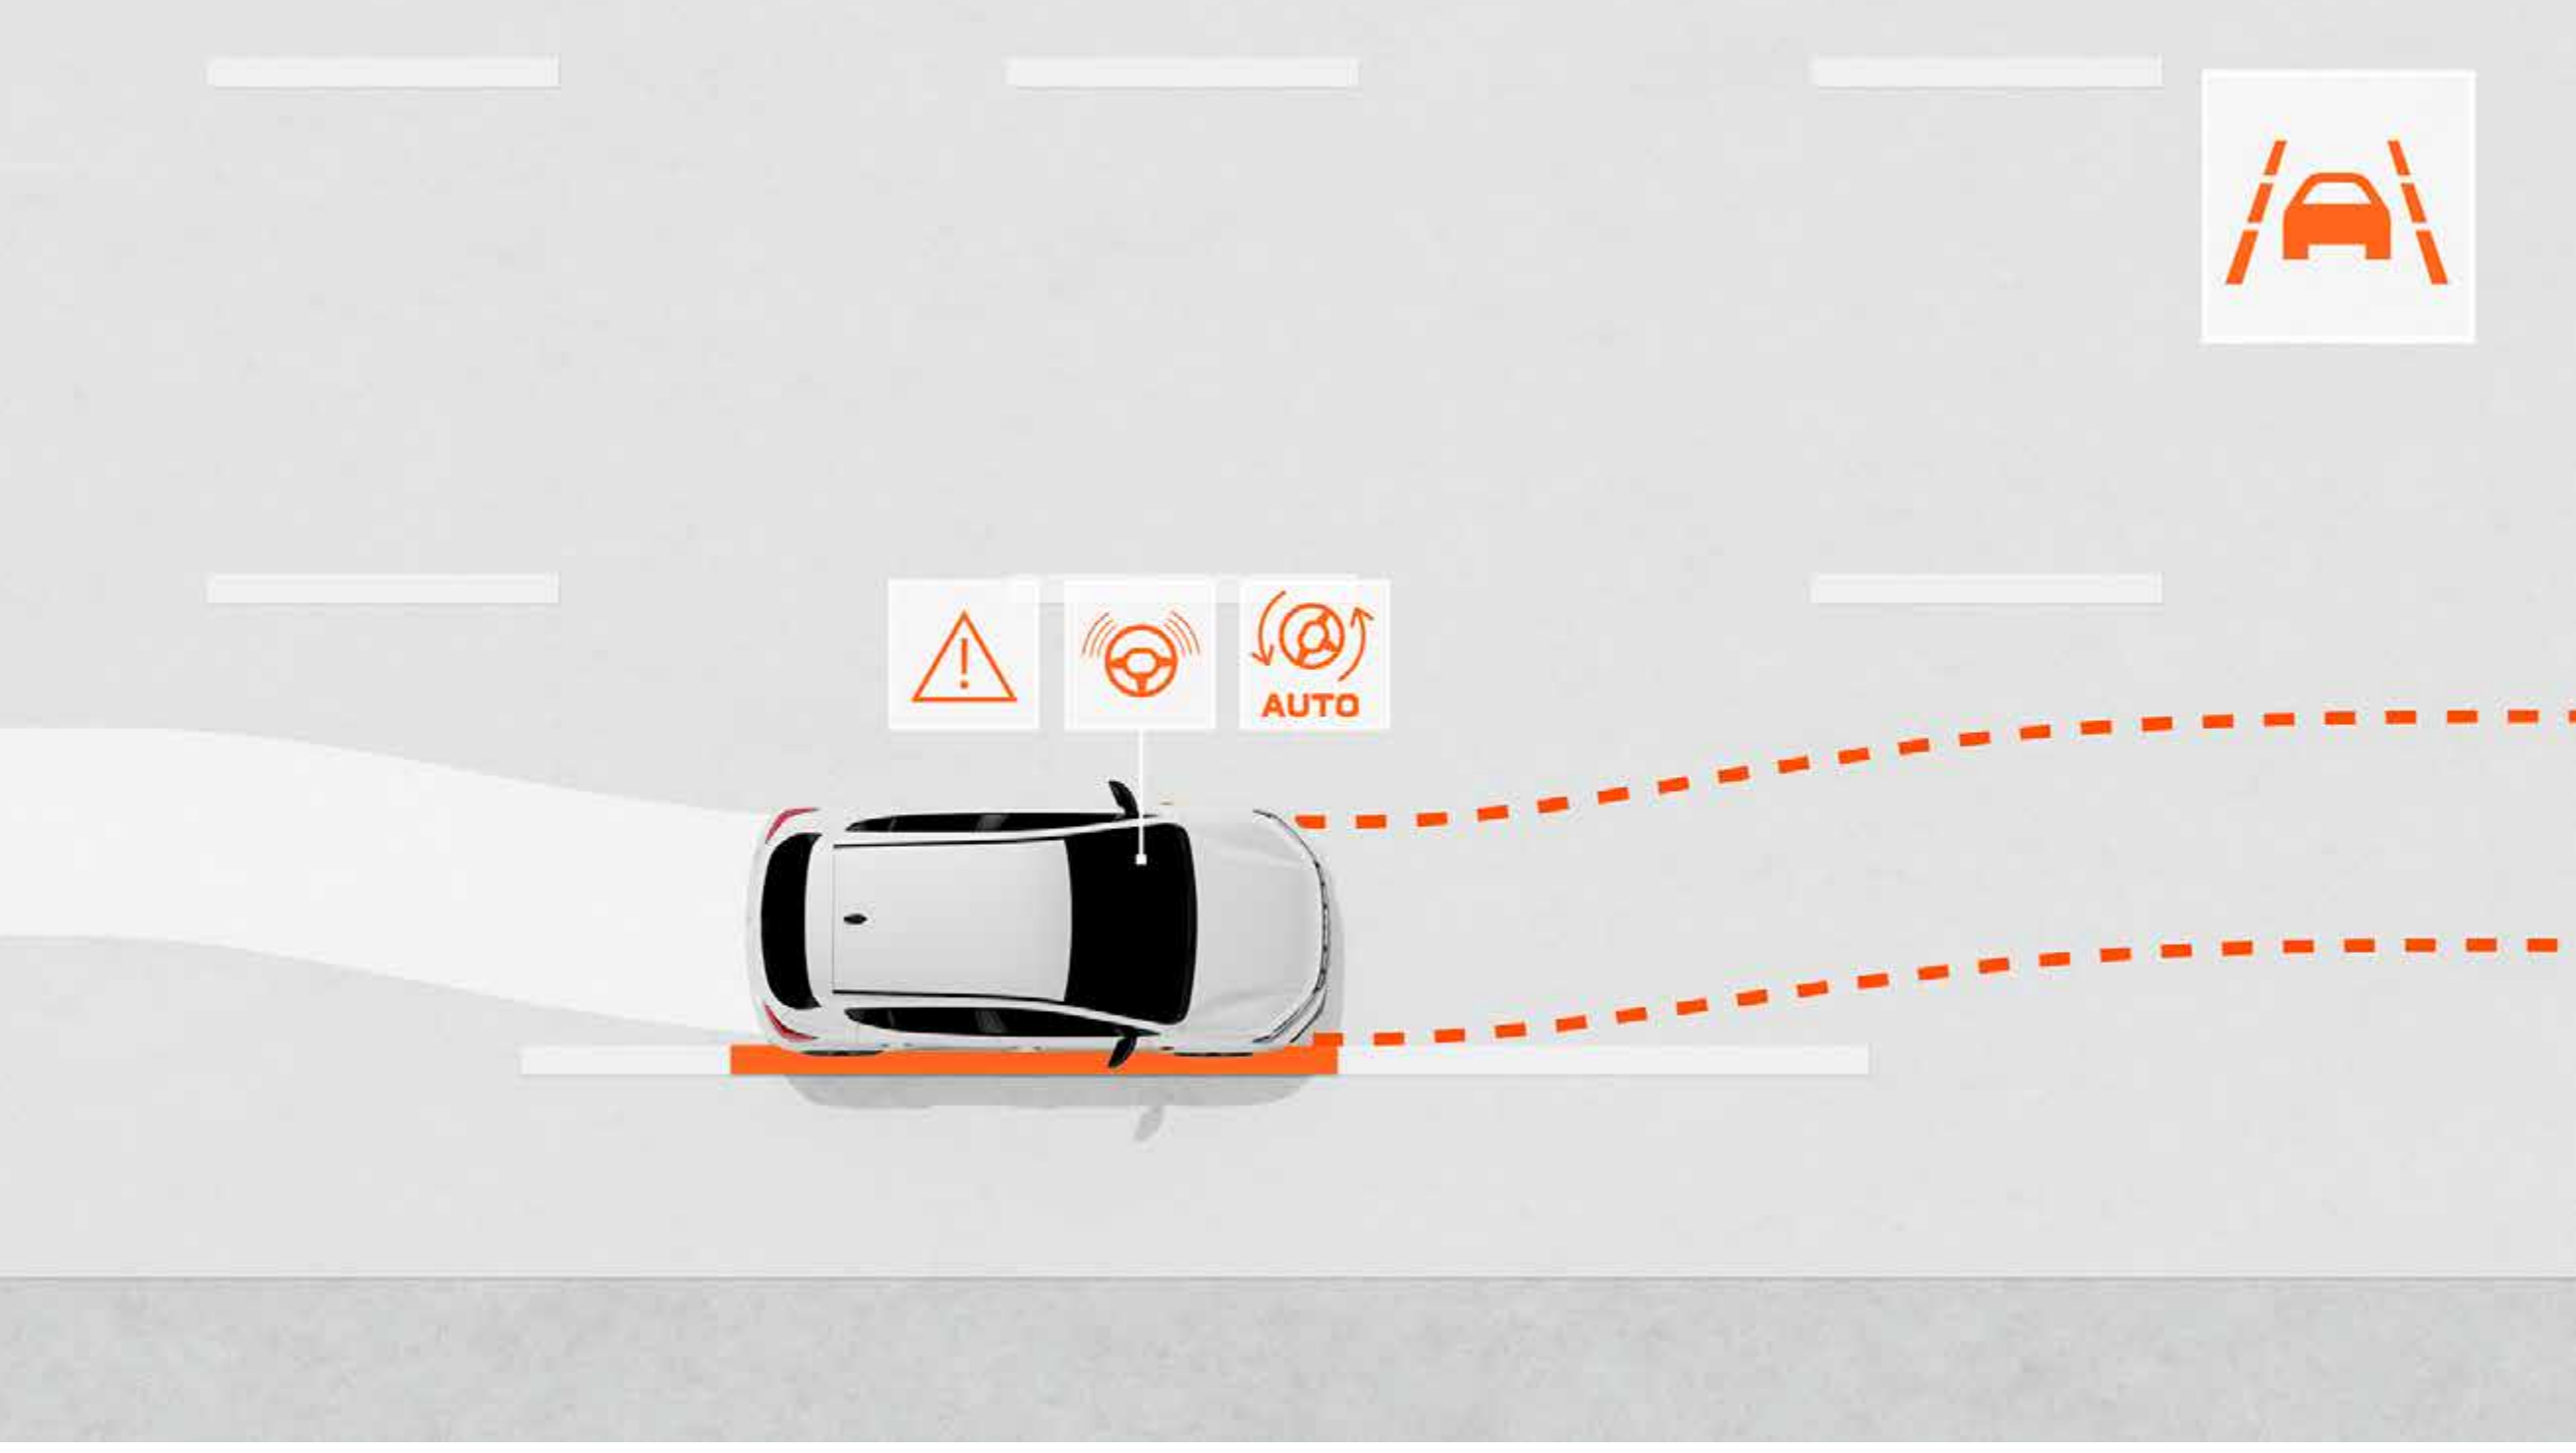

DRIVER DROWSINESS AND ATTENTION WARNING SYSTEM

This assistance system warns the driver if fatigue is detected and prompts them to take a break.

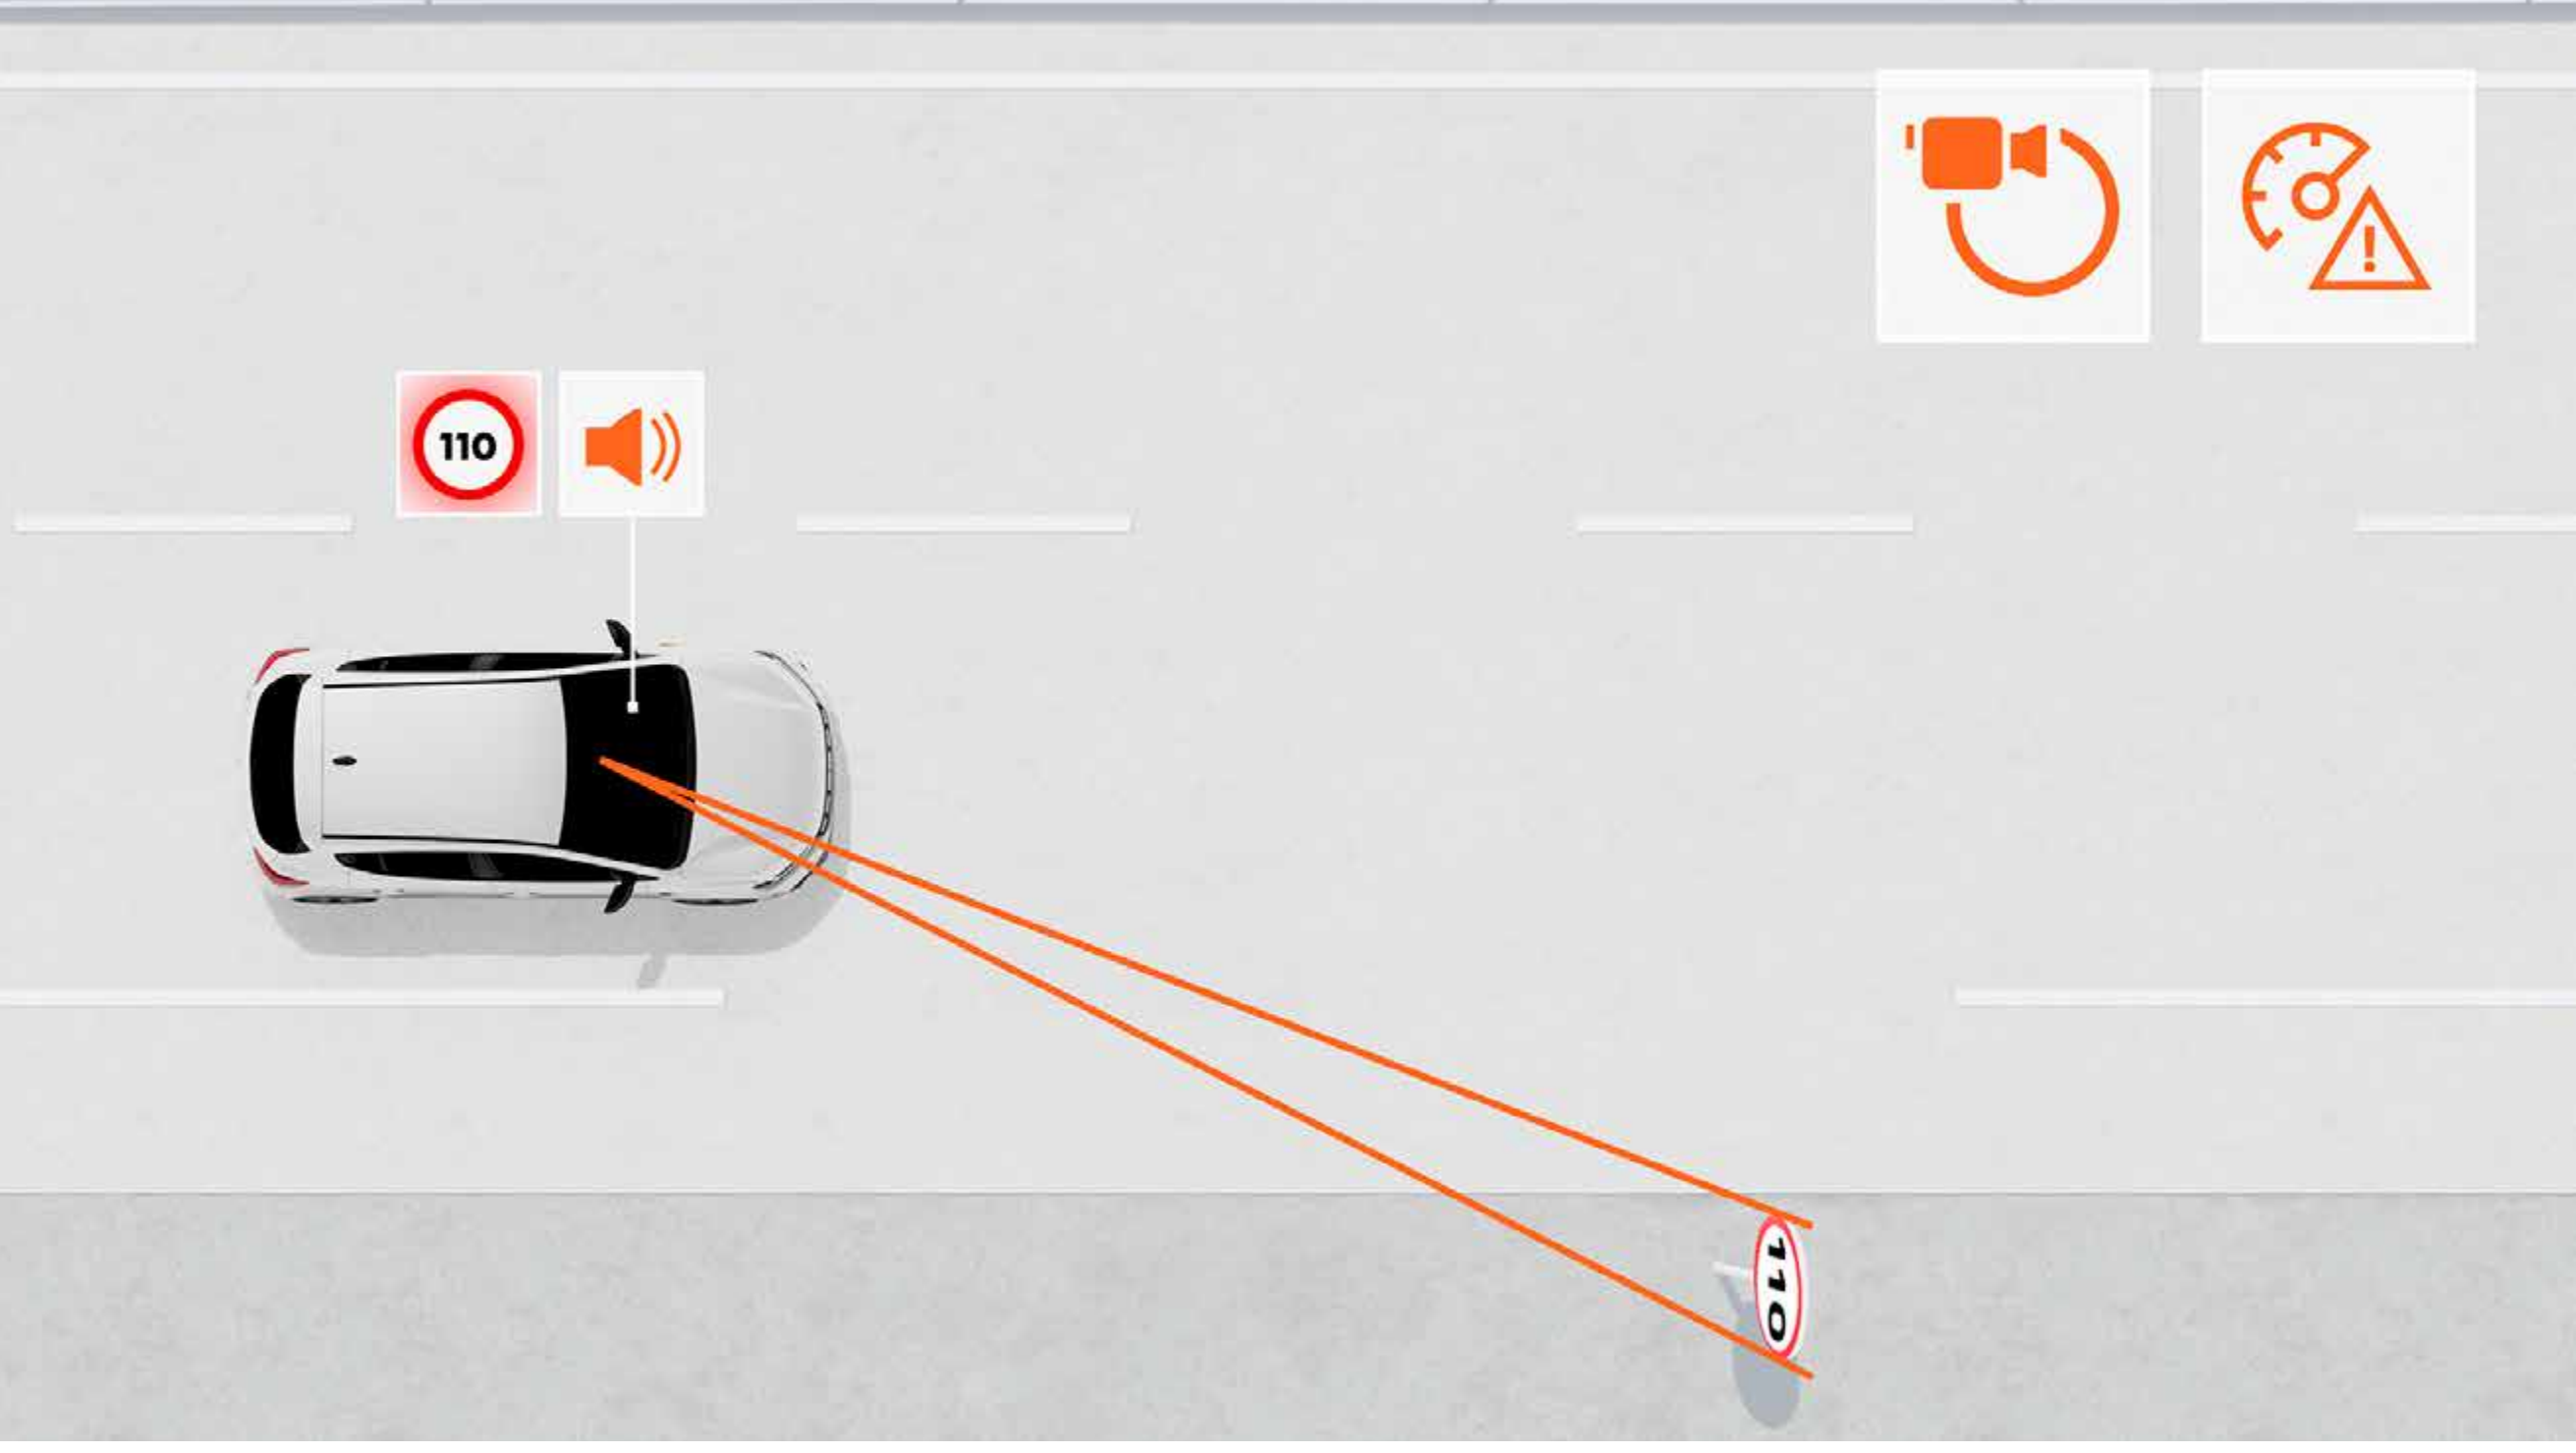

AUTOMATIC EMERGENCY BRAKING (AEBS) WITH PEDESTRIAN/CYCLIST DETECTION

This system prevents the risk of frontal collisions involving other vehicles, pedestrians or cyclists straight ahead and at junctions. It alerts the driver and can automatically brake the vehicle if necessary.

LANE KEEPING ASSIST

Monitors the vehicle's path in its lane and corrects it if necessary by automatically steering it.

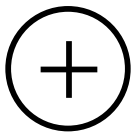

TRAFFIC SIGN RECOGNITION WITH SPEED ALERT

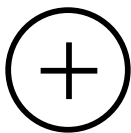

This system provides a reliable real-time indication of the maximum speed on the road and warns the driver if they exceed the speed limit with visual and audible alerts (which can be disabled).

06. ENGINES

100 TCe	
ENGINES	
Fiscal rating (hp) (France)	5
Fuel	Unleaded fuel (E10)
Max. power kW EEC (hp) at engine speed of (rpm)	74 (120 hp) from 5,000 to 5,250
Max. torque Nm CEE (m.kg) at an engine speed of (rpm)	200 from 2,900 to 3,500
Gearbox type	Manual 6-speed
Injection type	Turbo direct injection
Capacity (cm3)	999
Number of cylinders/valves	3/12
Emission control standard	Euro 6e bis

CHASSIS AND STEERING	
Tyre dimensions	185/65 R15 88H - 195/55 R16 87H
Steering - Turning circle between kerbs	10.64
Front suspension	Pseudo McPherson with lower wishbone, spiral spring suspension with telescopic hydraulic shock absorbers and anti-roll bar
Rear suspension	Semi-rigid axle with anti-roll bar spring suspension and telescopic hydraulic shock absorbers

PERFORMANCE	
Maximum speed (mph)	111
0-62 mph (s)	9.7

FUEL CONSUMPTION AND EMISSIONS(1)	
Approval protocol	WLTP(2)
Fuel tank capacity (l)	50
CO2 emissions (g/km)	121-122

VOLUMES AND WEIGHTS	
Minimum curb weight in running order	1,059
Maximum kerb weight in running order	1,132
Gross vehicle weight (GVW)	1,570
Gross train weight (GTW)	2,550
Max. braked towing weight	980

(1) Official consumption and emissions according to applicable regulations. (2) WLTP (Worldwide Harmonised Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared with the NEDC protocol. CO₂ emissions are certified using a standard, regulatory method. This method is identical for all manufacturers and enables vehicles to be compared with one another.
