

TORRES EVX

TORRES EVX

THE BEST OF BOTH WORLDS

‘Powered by Toughness’ – KGM’s design vision and philosophy for its cars. With its confident character lines and strong detailing such as the horizontal LED daytime running lights, The Torres EVX exudes a hip and distinctive look.

COLOUR AND TRIM

Driving the Torres EVX says something about you. Your choice of colour says something more. There's a range of sophisticated colours to match your personality.

Space Black

Platinum Grey

Dandy Blue

Iron Silver

Forest Green

Grand White

DIMENSIONS

Every angle and detail designed with the best driving experience in mind. Whether parked kerbside, on the driveway or in the garage, our size guide will help you plan for work, rest, and play.

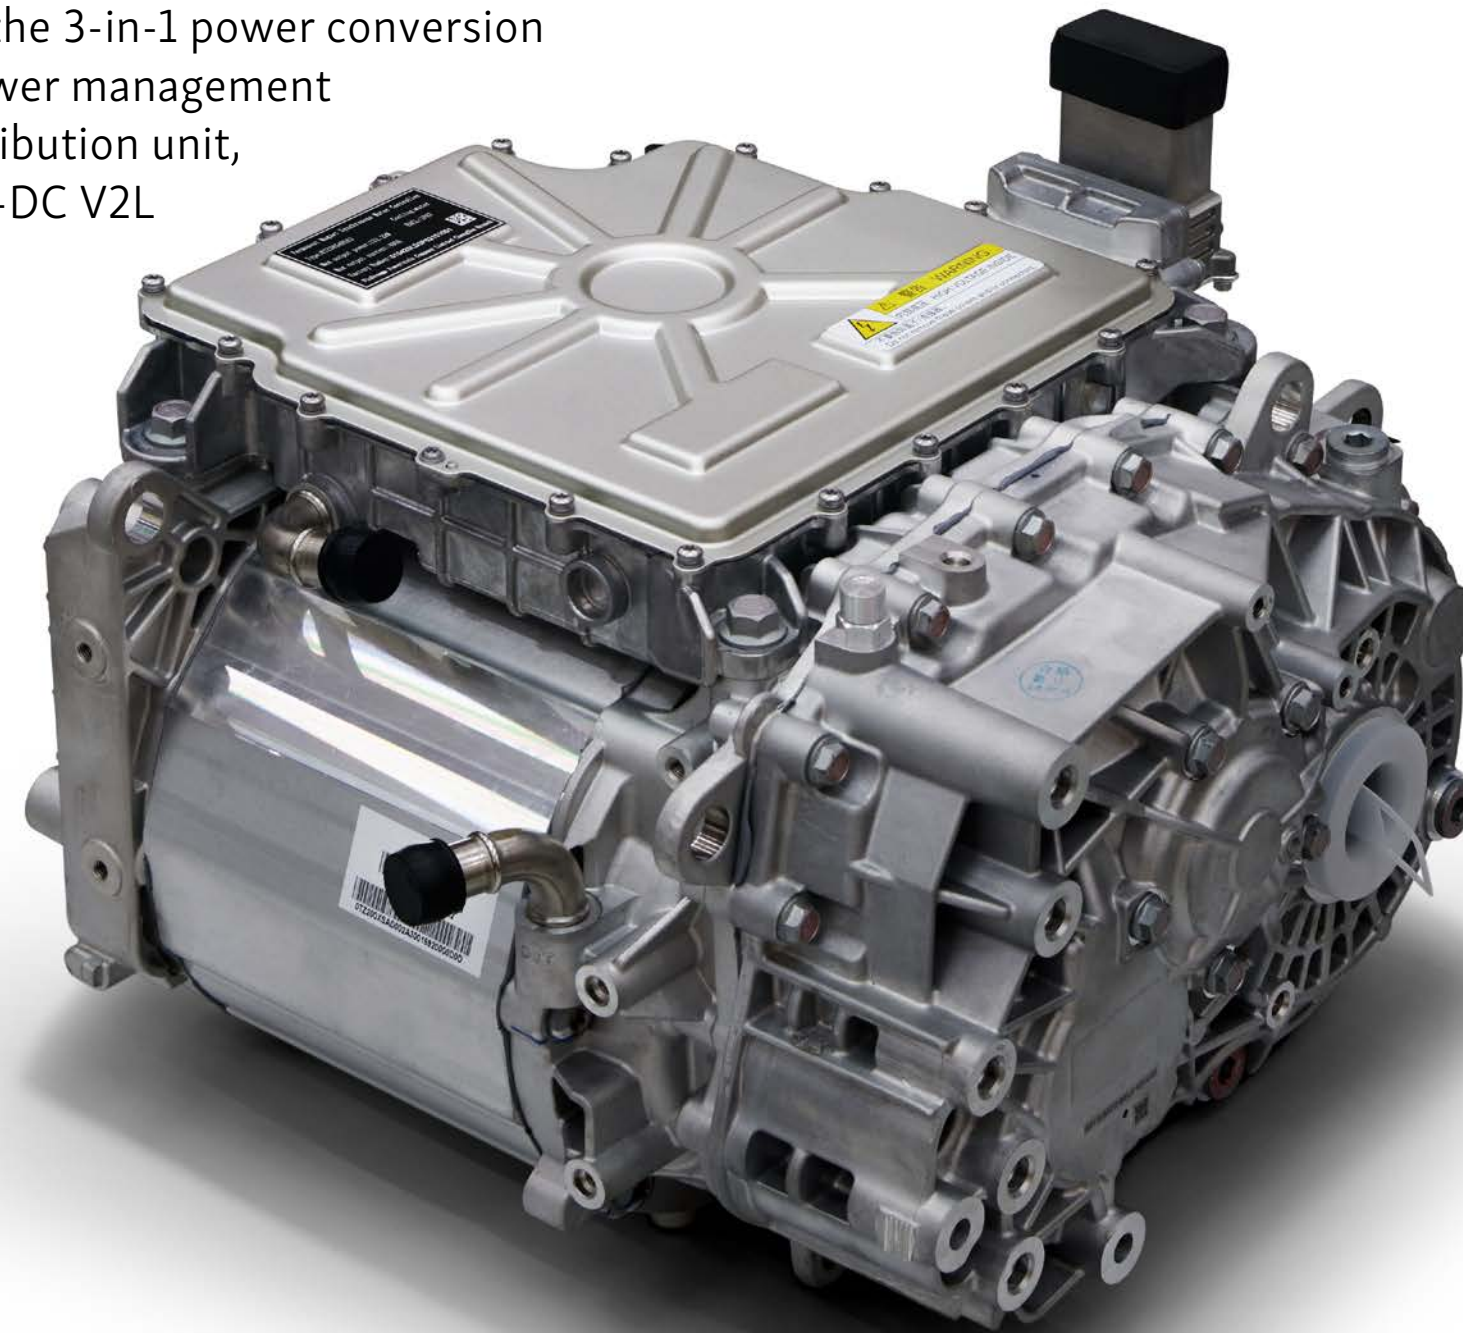

ELECTRIC POWER WITH PERFORMANCE TO MATCH

Equipped with a high-output 3-in-1 EV drivetrain, Torres EVX features a 339Nm torque and a 52.2 kW power motor, delivering efficient and stable driving. Furthermore, the 3-in-1 power conversion module optimises vehicle power management by combining the power distribution unit, onboard charger, and low DC-DC V2L (vehicle-to-load) connector.

Max Power
152.2kw

Max Torque
339Nm

Regenerative braking

The regenerative brakes harness the energy used by the motor when decelerating and converts it into latent power to recharge the batteries. Paddle shift levers behind the steering wheel offer 3 stages of control over the level of regenerative braking.

Towing capacity

The Torres EVX is well suited for leisure and travel duties, boasting a towing capacity of up to 1.5 tonnes.

FOR THE ROAD AHEAD

Torres EVX is equipped with a BYD lithium iron phosphate battery for safety and durability, utilising innovative 'cell to pack' technology for higher energy efficiency and enhanced safety. With a driving range of 287 miles (WLTP) on a single charge, it excels at both daily commuting and long-distance trips.

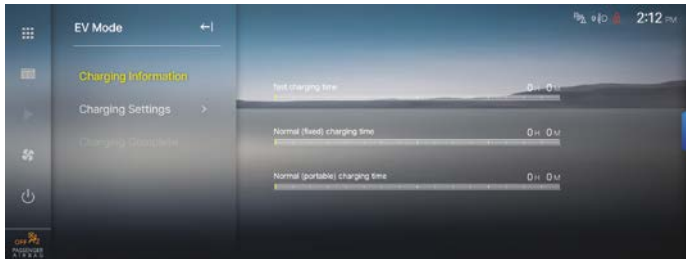

We are so confident in this technology that we offer a class leading battery warranty of

10-YEARS OR 1,000,000 KM

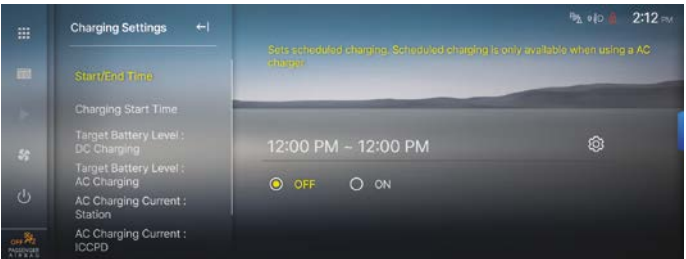

YOU'RE IN CHARGE

The Torres EVX offers you a faster and more convenient charging system to suit your pre-set charging parameters.

Charging information

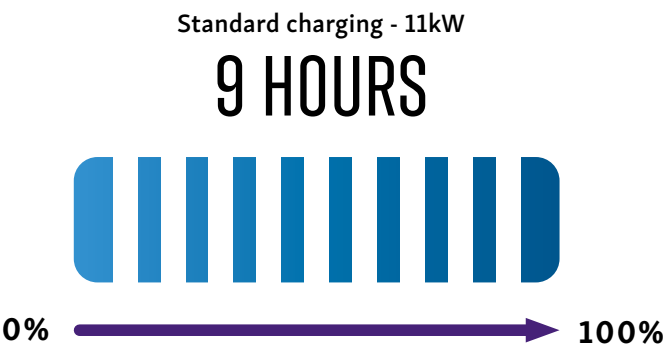

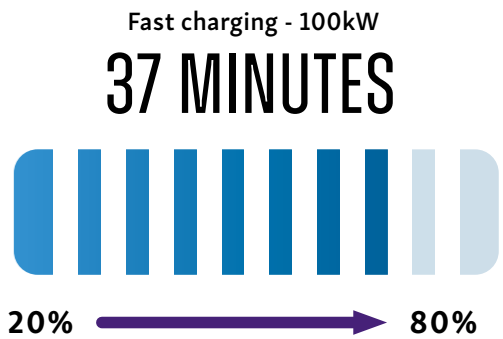

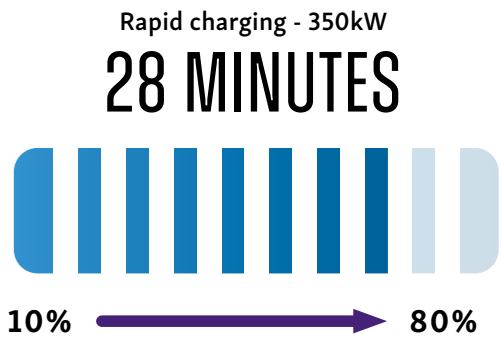

All the charging information is displayed on the screen to show charging time, speed and range.

Charging management

The easy-to-use menu lets you choose the charging start and end times as well as the days of the week to take advantage of discounted electric utility rates.

Charging times are based on ambient temperature, but charge time may vary according to temperature, battery condition and charger specification.

Portable charger

The contemporary equivalent of a petrol can. In the event of an emergency you can charge the battery from an ordinary household outlet (220V) using the portable charger.

Charging door and ports

A neat door on the front passenger side wing hides Type 2 and CCS charging ports.

EXTERIOR DESIGN

DISTINCTIVE DESIGN

With strong design details such as the hexagonal trim resembling the boot-mounted spare wheel cover of a traditional SUV, the design of the car's rear view perfectly complements the front.

Body-coloured hexagonal rear trim & tailgate handle

Flag style exterior door mirrors

The energetic, purposeful side silhouette is enhanced by the sleek door mirrors. The multi-function door mirrors can fold in when you step out and have downward facing puddle lights which let you see what you're stepping into.

Combination LED rear lights

Alloy wheels

The K30 Torres EVX comes with 18" diamond-cut finished alloy wheels while the K40 comes with 20" diamond-cut finished alloy wheels.

EXTERIOR DESIGN

FEATURES

Straight, bold and flowing character lines create a strong, dynamic look to drive the brand's heritage forward.

Dot-shape LED daytime running lights

LED headlights

Front bumper with new aero shutter

TAKE A SECOND LOOK

INTERIOR & CONNECTIVITY

SMART, DIGITAL AND INTUITIVE

Integrated seamlessly into the harmonious and ergonomic interior design, Torres EVX minimises the use of physical controls while ensuring clear communication, ease of operation and convenience by presenting information on two separate 12.3-inch displays that are intuitive and easy to use.

Apple CarPlay and Google Android Auto

Navigation

Automatic dual-zone air conditioning

12.3" digital instrument cluster

ERGONOMIC

INTERIOR & CONNECTIVITY

SMARTER, EASIER AND MORE COMFORTABLE.

Torres EVX has advanced driver interfaces which use faster, easier, smarter technology to evolve the way you drive. These new systems will allow you to begin your adventure in maximum comfort.

Overhead console with touch-controlled LED cabin lamps

Door map pockets

Heated steering wheel

12V power socket in the front, USB charger and USB slot in the rear

Wireless charger

Manual roller blind

Ambient lighting

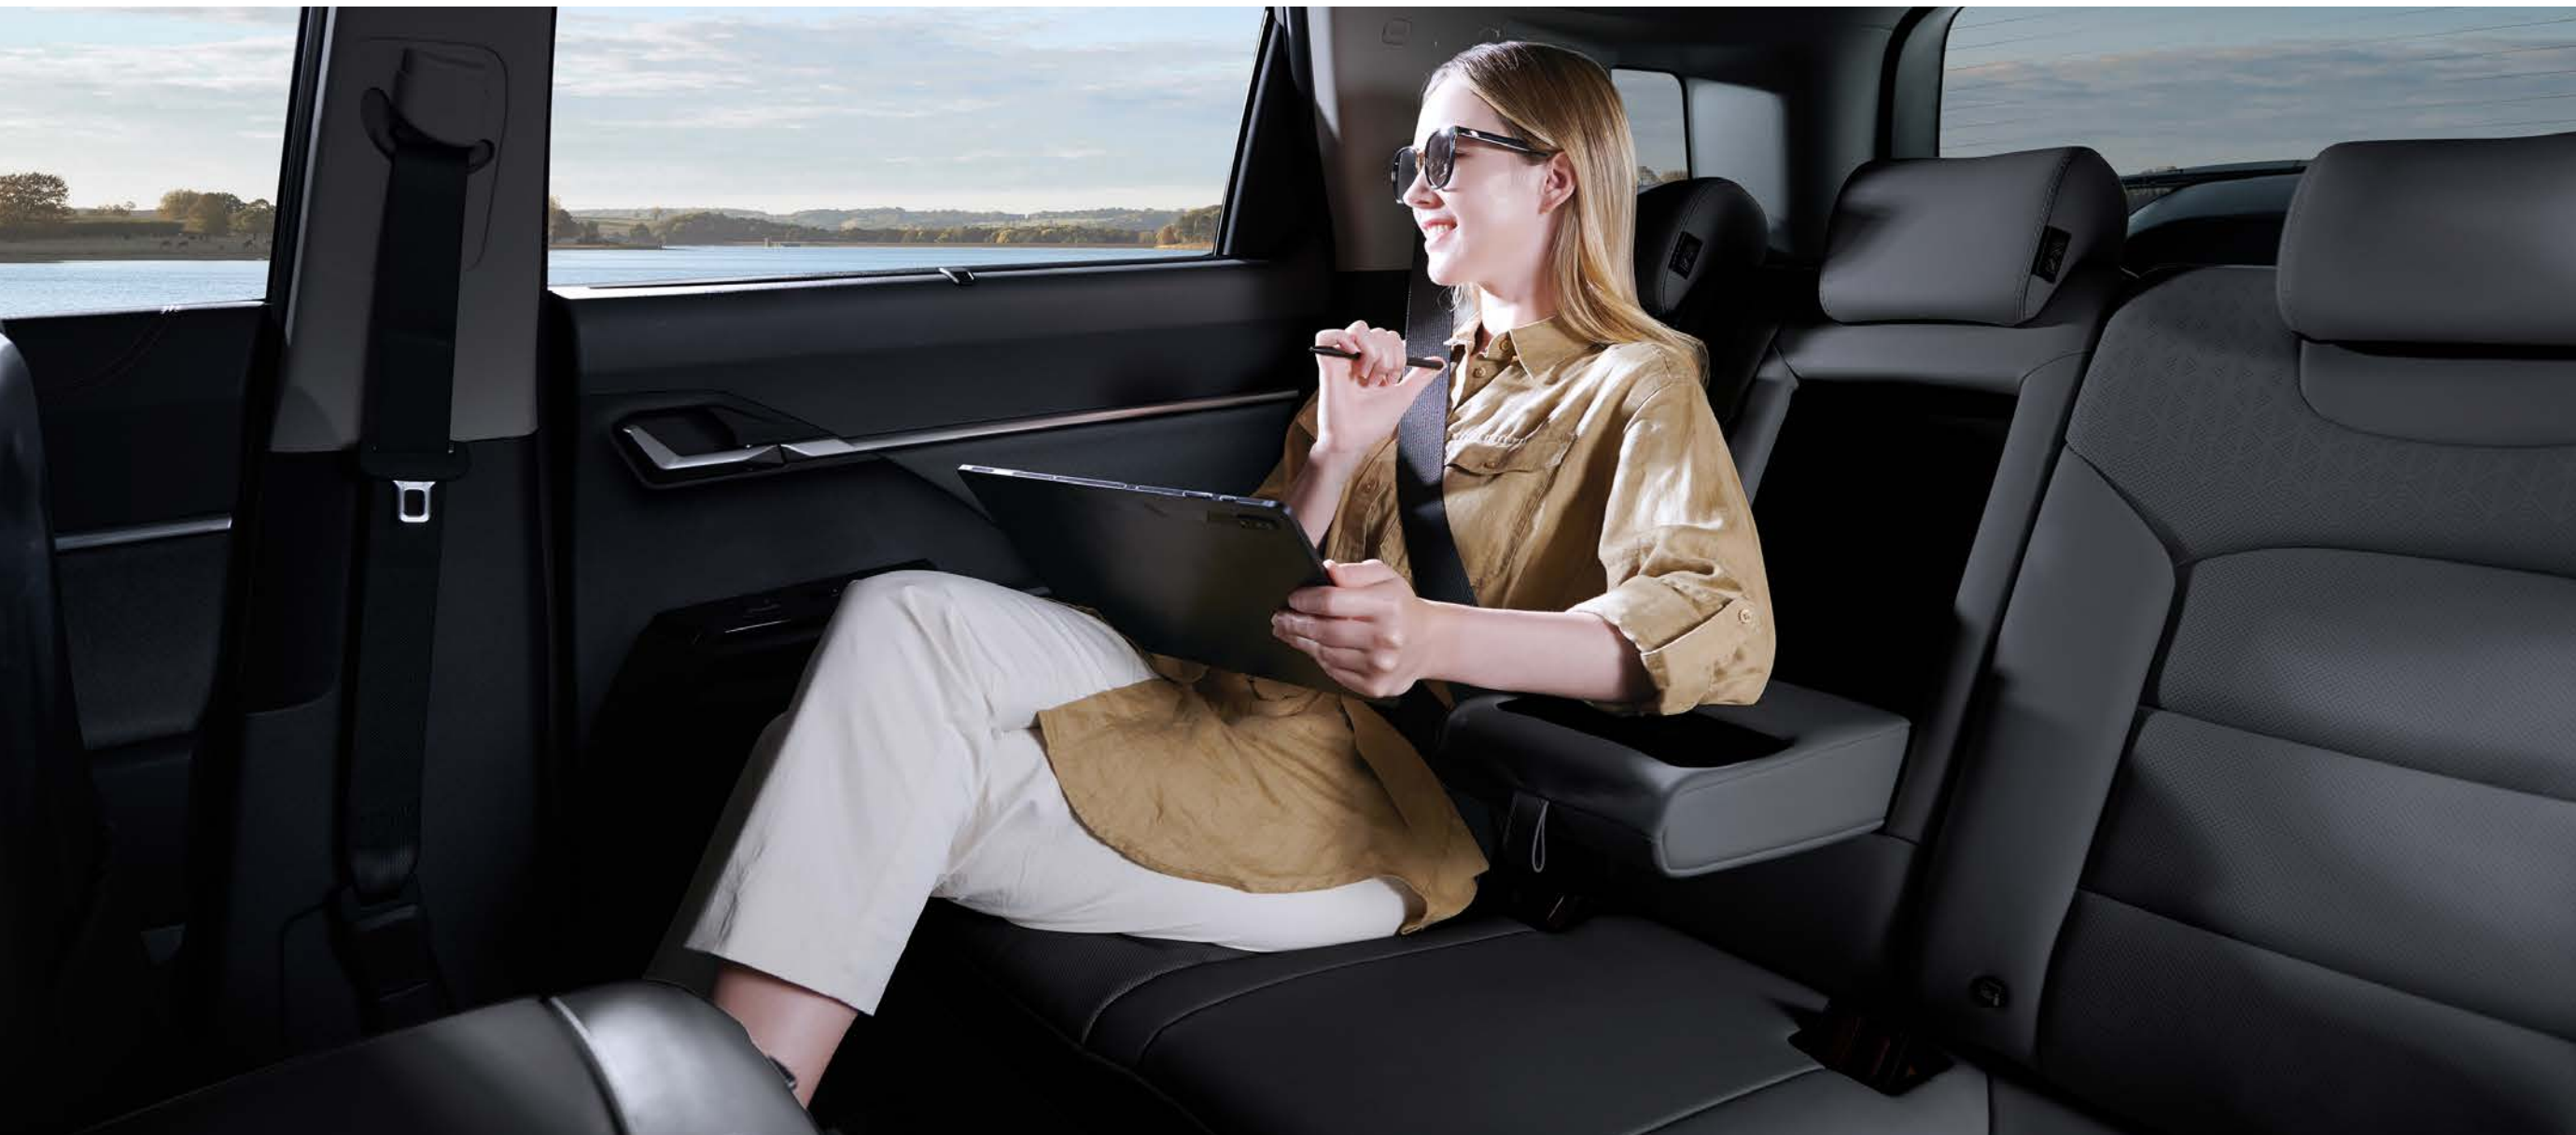

STYLE YOUR WAY

For a cohesive aesthetic, the black interior colourway is standard across all trims and exterior colour options, maintaining a sense of refinement throughout the Torres EVX lineup.

FEEL SAFE, SECURE, AND COMFORTED

STRETCH YOUR LEGS

While the exterior of Torres EVX imbues a rough, tough vibe, the interior is intended to portray a more delicate, comfortable and contemporary space.

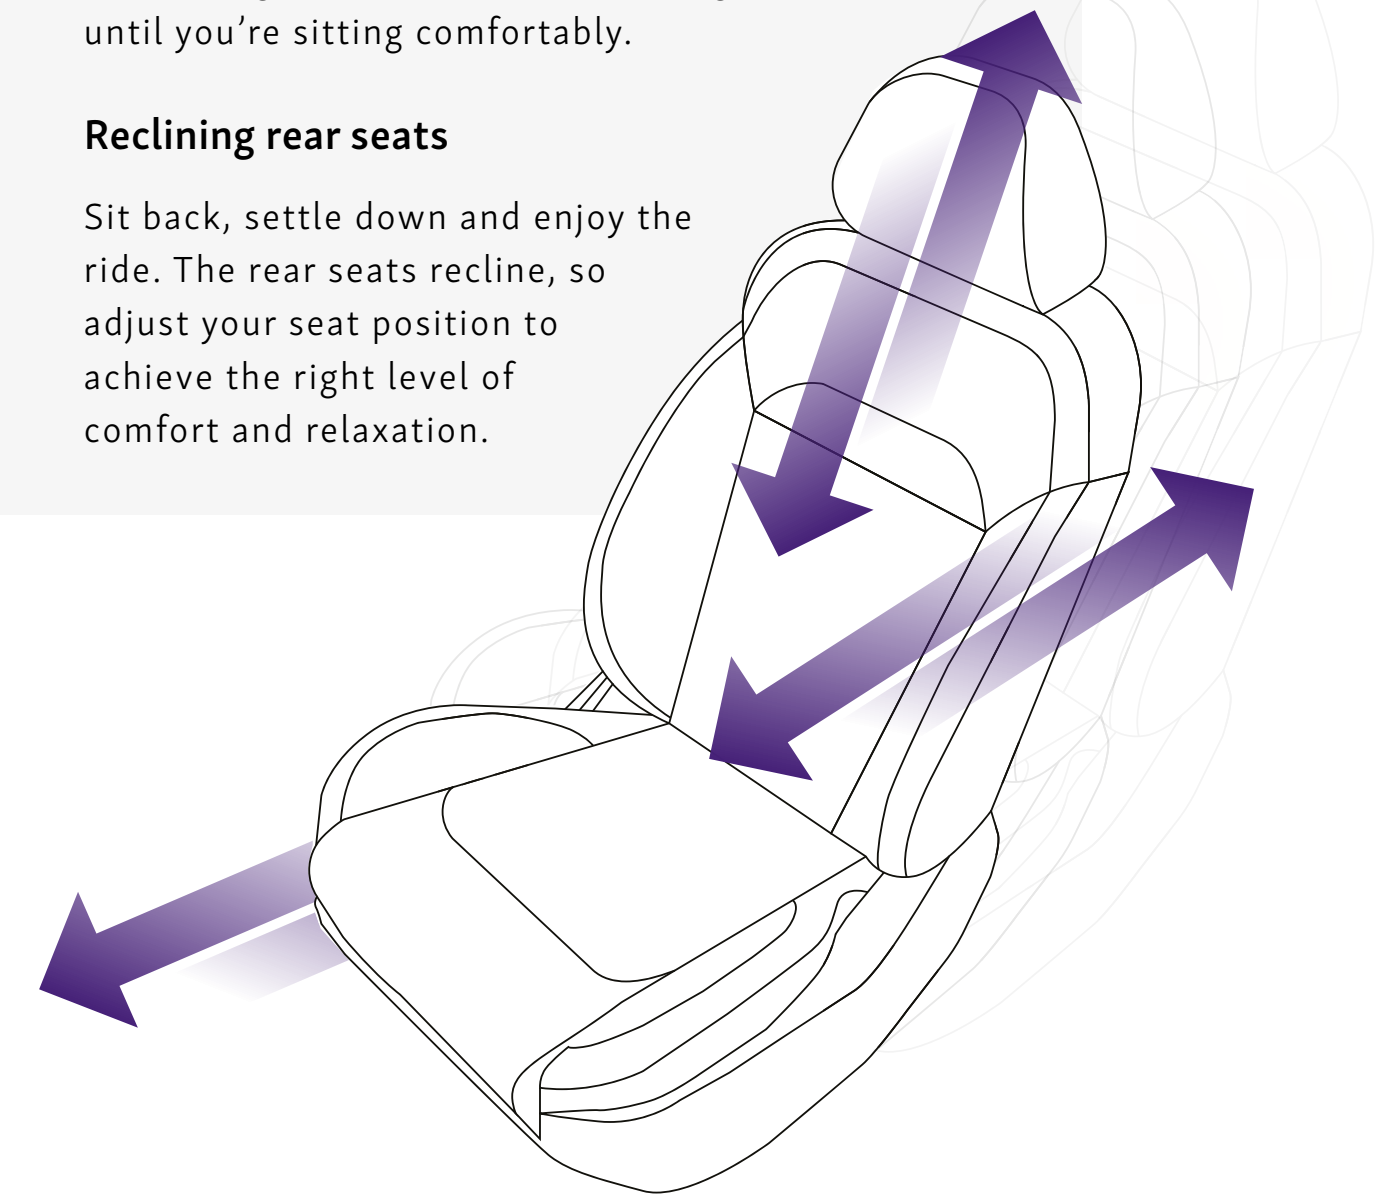

Power seats with lumbar support

Find your perfect position. Electrically adjust height, and lumbar positioning until you're sitting comfortably.

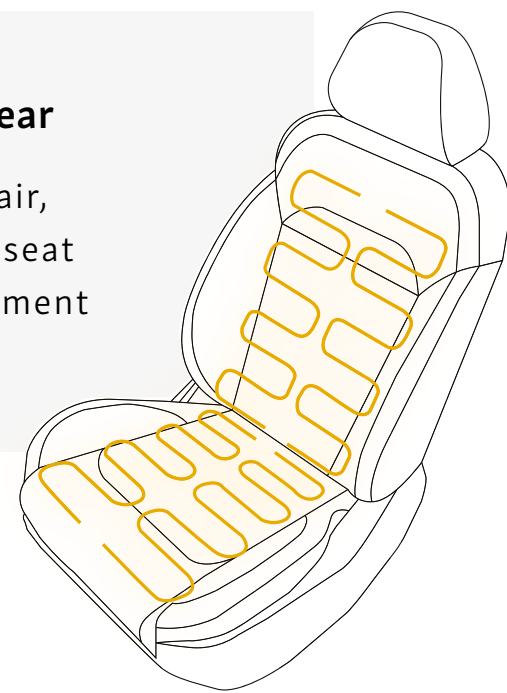

Reclining rear seats

Sit back, settle down and enjoy the ride. The rear seats recline, so adjust your seat position to achieve the right level of comfort and relaxation.

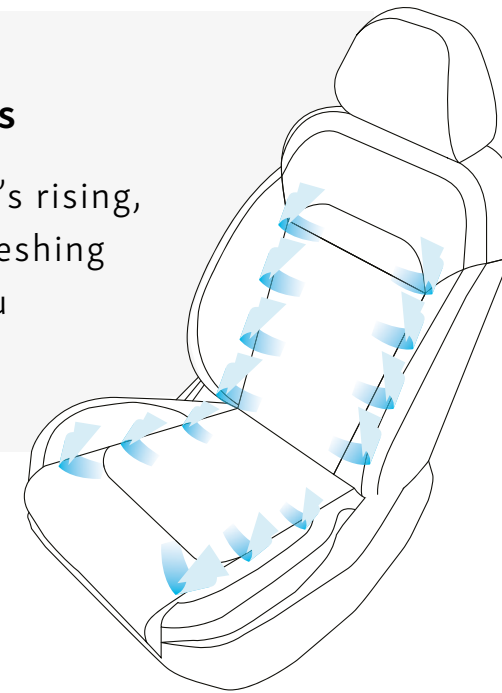

Heated seats, front and rear

When there's a chill in the air, a warm, welcoming heated seat creates the perfect environment for you to enjoy the ride.

Ventilated front seats

When the temperature's rising, a gentle stream of refreshing chilled air will help you keep your cool.

STACKS OF SPACE

The fully flexible load area offers complete practicality and is so large and comfortable you could even camp in it!

Setting a new benchmark for cargo capacity, Torres EVX boasts best-in-class load space ranging from 703 to 1,662 litres, accommodating all luggage needs with ease. The flexibility of folding the second row extends its practicality, ensuring ample space for cargo or passengers as required.

2nd row fully folded

2nd row unfolded

2nd row 60% folded

2nd row 40% folded

SAFETY

SAFETY IN NUMBERS

Torres EVX delivers best-in-class safety – no compromise. With a best-in-class 8 airbags and the highest utilisation of high-tensile steel plate, the safety of driver and passengers is assured.

And there is a seatbelt reminder alert for all five seating positions to ensure every journey is safe from the moment the car starts.

81%

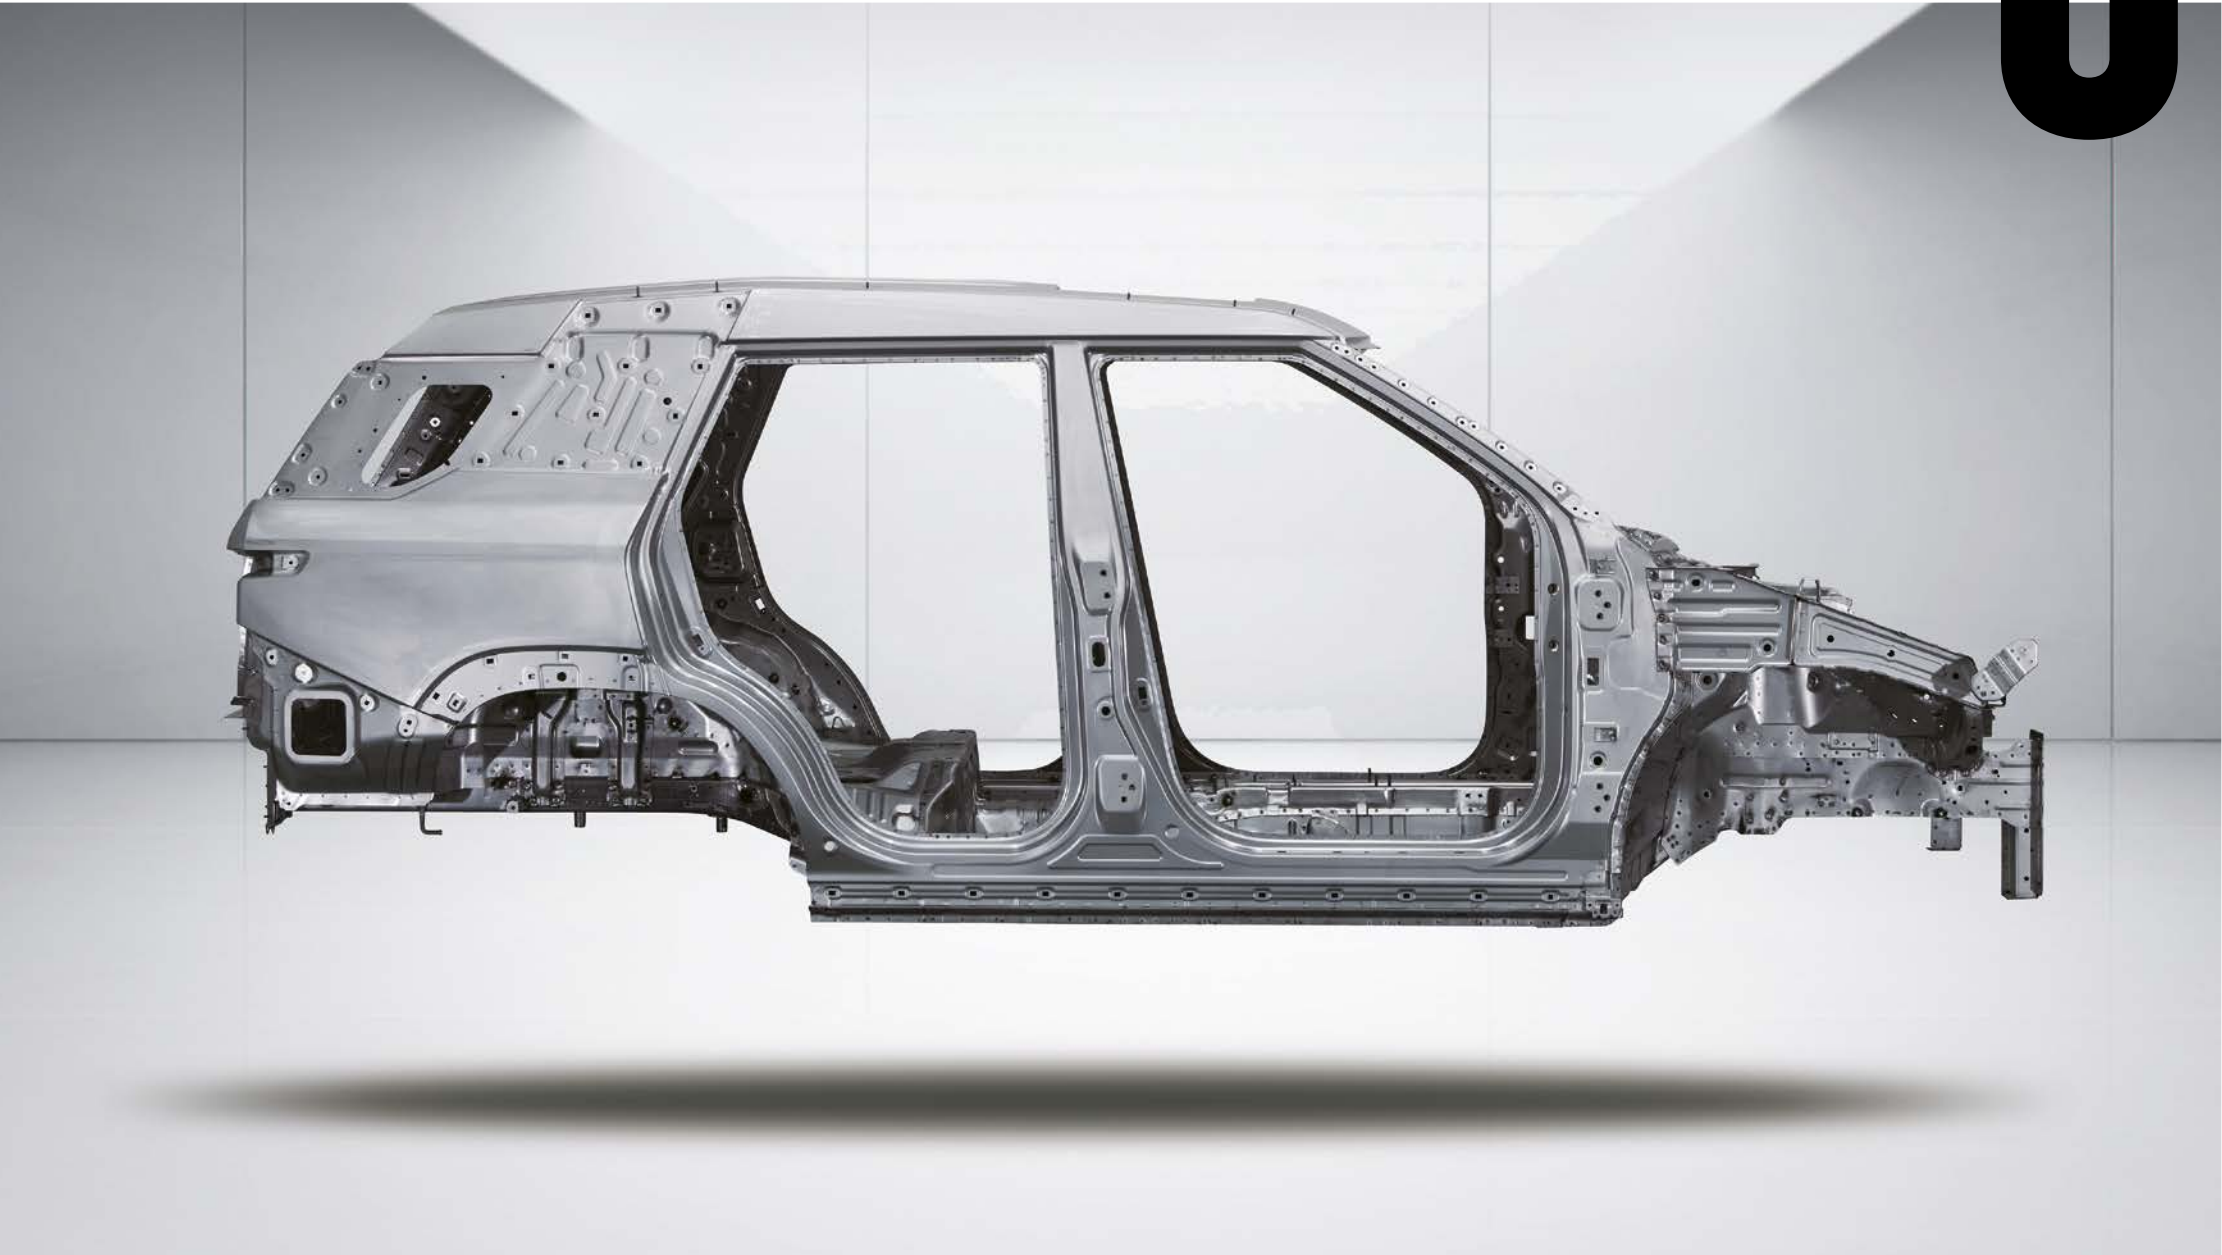

High-Tensile Steel

Active safety equipment includes a best-in-class eight airbags as well as 81% utilisation of high-tensile steel within the chassis construction to achieve the highest level of structural safety amongst its competitors.

8 AIRBAGS

Torres EVX has 8-airbags for the greatest possible protection in the event of a sudden stop.

- 1 Driver’s airbag
- 2 Driver’s knee airbag
- 3 Passenger’s airbag
- 4/5 Driver’s & passenger’s side airbags
- 6/7 Curtain airbags
- 8 Seat centre airbag

SMART SAFETY

AEB (Autonomous Emergency Braking)

Helps avoid or minimise the risk of collision by detecting slower moving or stalled vehicles and warning the driver in advance.

LDW (Lane Departure Warning)

Notifies the driver when the forward camera module detects an unintended lane departure.

Smart High Beam

Automatically lowers the high beams when an approaching vehicle is detected, making night-driving easier.

Safety Distance Alert

Detects the distance to the vehicle ahead and warns the driver when a safe distance is not properly maintained.

FVSA (Front Vehicle Start Alert)

Attracts driver's attention with a visual pop-up alert and audible sound when the vehicle directly in front is pulling away.

Blind Spot-Detection*

Detects vehicles rapidly approaching from behind and flashes a warning light on the outside mirror, to alert the driver.

*K40 only

LKA (Lane Keeping Assist)

LKA uses a front camera to monitor the painted lane markers. On detecting an attempt to change lane without prior signalling, it automatically corrects the electric power steering to keep the vehicle within the intended lane.

Rear Cross Traffic Assist*

When reversing and an approaching vehicle is detected in its path, RCTA sounds an alarm and automatically applies the brakes to stop the vehicle and minimise the risk of collision.

*K40 only

SEW (Safety Exit Warning)*

Warns of the risk of collision with vehicles in the blind spot when an occupant opens a door to get out of the vehicle once stationary.

*K40 only

DAA (Driver Attention Alert)

If the DAA system senses the driver's attention level has been significantly reduced, it will give an audible warning and display a graphic on instrument cluster.

FEATURES

FEATURES

FEATURES

Be ready for anything – and do it in style.

V2L connector

Helpfully, the Torres EVX features a vehicle-to-load (V2L) connector which means you can power-up outdoor domestic appliances straight from the car's battery when you are off-grid and want to enjoy your leisure activities in the wild to the full.

Electrically operated tailgate

Black roof rails

Shark-fin antenna

3-YEAR SERVICE PLANS

A KGM service plan will help maintain the warranty, prolong vehicle life, sustain vehicle performance and aid trouble-free motoring - giving peace of mind at a manageable monthly cost.

A KGM service plan covers new vehicles from registration**

and covers the following;

- ✓ The vehicle's first 3-services
- ✓ The vehicle's first M.O.T
- ✓ 2-years extended RAC roadside recovery

£17.99*
PER MONTH

* Service plan payments for a term of 34-months.

** Service plans are also available on used vehicles however pricing will vary, please contact your local dealer for a quote.

CUSTOMER SERVICES

We care passionately about delivering outstanding customer service. Attention to detail is important, so any question you ask, we'll do our very best to answer it.

0333 444 1954

customerservices@kgm-motors.co.uk

KGM ASSISTANCE

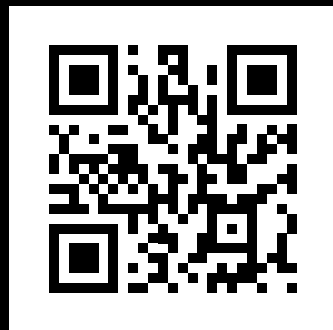

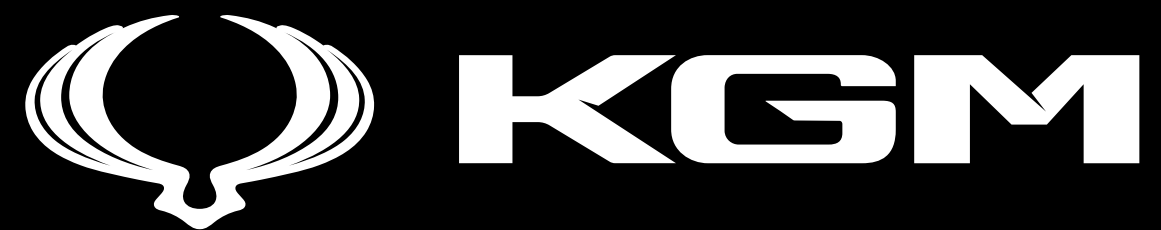

All KGM new vehicles come with 12-months Roadside Assistance, providing you with the best level of customer care both in the UK and on Mainland Europe.

7-YEAR WARRANTY

It's reassuring to know that the Torres EVX comes with a 7-year / 90,000 mile warranty as well as a 1 million km battery warranty. It's a Korean thing. When we promise something, we stick to it. If something goes wrong and it's definitely our fault, we fix it. Our customers like it, and they tell other people about it. So everybody's happy.
