# ISUZU D-MAX UTAH V-CROSS

The special edition Isuzu D-Max Utah V-Cross boasts enhanced exterior styling and upgraded technology, making this a V-Comfortable and V-Capable pick-up.

Retaining all the specification of the multi award-winning Isuzu D-Max Utah, the Utah V-Cross features a striking front skirt that comprises a grey lower section and gloss black upper section with red stripe detail. A brand new 18" alloy wheel with 12 V-spoke design and black diamond cut finish complements the aggressive and sporty look.

Utah V-Cross contains all the comfort, convenience and technology a professional could need. The wireless phone charger removes the hassle of forgetting your cable and means compatible phones can be recharged without a physical connection to a power supply. A front and rear camera make parking V-Practical as images that would normally be in the driver's blind spot are displayed on the 7" Multifunction Colour Touchscreen.

Available in either manual or automatic transmission, the Isuzu D-Max Utah V-Cross benefits from a 164PS engine, superior 3.5 tonne towing capacity\*, outstanding 125,000 mile/5 year warranty\*\* and 5 year roadside assistance in the UK and across Europe. Delivering the reliability and capability you'd expect from the Isuzu D-Max.
