

The Caddy and Caddy Life Brochure

Commercial
Vehicles

The Caddy.

For whatever comes next

Love life – drive the Caddy. Welcome to the fifth generation of this versatile vehicle – with more digital functions and greater comfort and flexibility than ever before.

Image shown is for illustrative purposes only and may include options at extra cost. Vehicle shown is not UK specification.

Design	Infotainment and connectivity	Assistance systems	Engines	The Caddy	The Caddy Life	The Caddy Maxi	Paint	Upholstery and wheels	Technical information	Price list	Finance, insurance, servicing and warranties
---------------	-------------------------------	--------------------	---------	-----------	----------------	----------------	-------	-----------------------	-----------------------	------------	--

Fun for everyone

The Caddy is more versatile than ever before. Ideal for everyday use. Also perfect for sport and leisure. For work and for holidays. For city shopping trips and countryside excursions. And for a thousand other occasions.

Image shown is for illustrative purposes only and may include options at extra cost. Vehicle shown is not UK specification.

Let the adventure begin

Open the two sliding doors and step inside for the adventure of a lifetime. The new Caddy is the perfect companion, adapting effortlessly to your daily life. The two-part bench seat in the second row can be easily folded down and double-folded, or even removed completely. In addition, the bench and the single seat can also be removed independently of each other. This leaves plenty of space for bulky loads or even small items of furniture. You can also add a towbar¹ to free up more space at the rear.

01 Foldable, double-folding and removable seats
02 Two sliding doors

¹ Optional at extra cost.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

Flexible as always. More innovative than ever

The most popular vehicle in its class – now completely revamped, with improvements in many areas.

Perfect for everyday use
The Caddy comes as a short wheelbase with five seats and optional seven seat version, as well as the Caddy Maxi with seven seats. Both feature easily removable folding seats and easy access sliding rear passenger doors.

Premium driving comfort
Comfortable ergoComfort seats² with electric 4-way lumbar support combine with a spacious interior to make every journey a comfortable one.

Ultra-digital and closely integrated
High-resolution Digital Cockpit², new infotainment systems with touch-screens up to 10 inches², shortcuts for main infotainment functions and Volkswagen We Connect preparation³.

Partly automated driving
The latest generation of driver assistance systems, including Adaptive Cruise Control (ACC)^{2,4,5}, Travel Assist with Emergency Assist^{2,4,5}, Trailer Assist^{2,4} and lane change system Side Assist with Rear Traffic Alert^{2,4}.

Modern design
A striking new front end design with honeycomb front air intake, dynamic, clear lines, and an array of improvements to help achieve better efficiency.

Lower emissions
Two SCR catalytic converters, arranged in series, and multiple AdBlue[®] injection significantly reduce NOx emissions from the modern generation of engines to meet the latest emission standard⁶.

¹ Standard equipment in the new Maxi and the new Life Maxi. Optional at extra cost in the Caddy and Caddy Life SWB models. ² Optional at extra cost. ³ To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from vehicle handover to register the vehicle on the portal.volkswagen-we.com in order to use the services for the full duration of the agreed complementary period. Only available in conjunction with a compatible infotainment system. ⁴ Within system thresholds. ⁵ Only available in conjunction with the dual-clutch gearbox (DSG). ⁶ Only available for TDI engines. Image shown is for illustrative purposes only and may include options at extra cost. Vehicle shown is not UK specification.

Everything in view

The Caddy shows exactly what it can do – on a wide digital screen. The optional high-resolution Digital Cockpit¹ features two large displays which provide the driver with all the essential information they will need. Volkswagen We Connect² brings a wealth of extras, and the free app turns your smartphone into a remote control.

¹ Optional at extra cost.
² To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from vehicle handover to register the vehicle at portal.volkswagen-we.com in order to use the services for the full duration of the agreed complementary period. Only available in conjunction with a compatible infotainment system.

Image shown is for illustrative purposes only and may include options at extra cost. Vehicle shown is not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

Easy functionality

01

Experience digital progress first-hand in the Caddy. The touch-sensitive displays recognise the same gestures as your smartphone. You can control navigation¹ and multimedia functions, the air conditioning and the mobile online services that are available from Volkswagen We Connect².

Enjoy a wealth of extras by supplementing the 10 inch touch-screen infotainment display of the Discover Pro navigation system¹ with a Digital Cockpit¹. The high-resolution 10.25 inch digital instrument cluster screen is perfect for displaying a 3D view of the navigation map, and also lets you view the current driving data or your smartphone media library. Use the buttons on the multifunction steering wheel to scroll conveniently through the playlist, select your next mobile call via contacts, or activate individual driver assistance systems.

If your hands are occupied, you can now talk to your Caddy. The clever Voice control system allows you to use voice commands to answer phone calls, select a radio station or set a navigation destination. Even the 2-zone Climate control air conditioning system¹ listens to your commands.

- 01 Gesture control
- 02 Navigation systems with 10-inch display¹
- 03 Voice control¹
- 04 Inductive charging function¹

¹ Optional at extra cost.
² To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

With Volkswagen We Connect¹ driving a van will now be even more digital. The We Connect¹ App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect¹ Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect¹

BREAKDOWN CALL

In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.

PARKING POSITION

The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.

SERVICE SCHEDULING

You drive – Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.

EMERGENCY CALL SERVICE

In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

We Connect Plus^{1, 2}

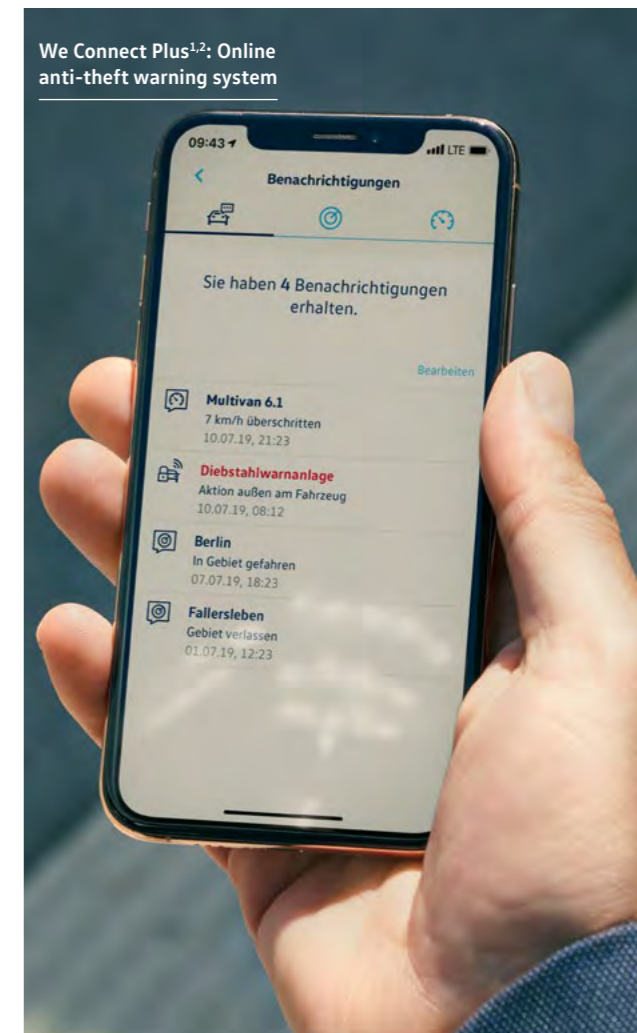

LOCK & UNLOCK

'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.

ONLINE ANTI-THEFT ALARM*

Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.

1 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system. There is an extra charge in the event of renewal once the free period has expired. For the use of the Streaming and Internet based services and for the Wi-Fi hotspot, data packages can be purchased from Cubic Telecom, our mobile communications partner and used in the network coverage area within many European countries. You can find information on prices and supported countries at www.vw.cubictelecom.com. Images shown are for illustrative purposes only.

Helping you to be a better driver

Trailer Assist.^{1,2}

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with towbar preparation or removable and lockable towbar.

Adaptive Cruise Control (ACC).^{1,2}

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

Front Assist with Pedestrian Monitoring and City Emergency Braking System.¹

Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations.

Parking sensors with Park Assist.^{1,2}

As part of Park Assist, Parking sensors monitor the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Emergency Assist.¹

Enhances safety when the driver is incapacitated. The system initially reacts to inactivity by emitting a warning tone, vibrating, and then performing a safe braking manoeuvre.

Traffic Sign Recognition.^{1,2}

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation system.

¹ Within system thresholds. ² Optional at extra cost.

Everyday power

Engines. The Caddy's have a choice of petrol and diesel engines, together with the option of manual or DSG automatic gearboxes, that allows you to choose the engine that best suits your needs.

Dual-clutch gearbox (DSG). The Caddy can be fitted with an adaptive 7-speed dual-clutch gearbox. This enables fully automatic, smooth gear changes without interruption of tractive power, and it also adapts to the driver's driving style. You can also shift up and down using paddle switches on the multifunction steering wheel.

Improved emission control. Innovative AdBlue® twin dosing significantly reduces the NO_x emissions from TDI engines compared to the previous model. This is achieved through the selective double injection of AdBlue® upstream of the two SCR catalytic converters, which are arranged in series.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

The Caddy

Children rarely sit still. Doors open, doors closed, lights on, lights off, music up, music down: The Caddy comes along for the ride! For example, the two single seats¹ in the third row can be removed, either together or separately, to make way for bulky items. Safety is and remains our priority. Which is why this hard-wearing all-rounder comes with curtain airbags for the outer seats in all rows as standard. Extra comfort comes courtesy of Front Assist with Pedestrian Monitoring and City Emergency Braking System² and Lane Assist^{2,3}, which performs counter steering assistance to warn the driver if the vehicle is straying out of its chosen lane.

01 Foldable, double-folding and removable seats
02 Electrically adjustable and heated exterior mirrors

¹ Standard equipment in the new Maxi and the new Life Maxi. Optional at extra cost in the Caddy and Caddy Life SWB models. ² Within the system thresholds. ³ The driver must be prepared at all times to override the assist systems and is not released from their responsibility to drive with the utmost care.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

WHEELS AND TYRES

- 15 inch Black steel wheels with 205/65 R15 low rolling resistance tyres (SWB – 2.0TDI 102PS)
- 16 inch Black steel wheels with 205/60 R16 low rolling resistance tyres (SWB – 2.0TDI 122PS and 1.5TSI 114PS) (Maxi 1.5TSI 114PS)
- 17 inch steel wheels with 215/55 R17 low rolling resistance tyres (Maxi – 2.0TDI 102PS and 2.0TDI 122PS)
- Full size wheel trims
- Tyre mobility kit in lieu of spare wheel: 12-volt compressor and tyre sealant

EXTERIOR

- Black door mirrors
- Body-coloured door handles
- Body-coloured front and rear bumpers
- Electronic parking brake – with auto hold function
- Exterior mirrors, power-adjustable and heated
- H7 twin halogen headlights
- Rear tailgate with window
- Roof rails preparation
- Separate daytime running light with automatic headlight range control
- Silver coloured sliding door rail
- Twin rear sliding doors
- Rear window wiper and washer system with intermittent control

HEATING AND SUN PROTECTION

- Climatic air conditioning system, manual
- Heat-insulating windscreen
- Heated rear window
- Sun visors with vanity mirrors
- Multi-function display
- We Connect¹ preparation

INFOTAINMENT AND CONNECTIVITY

Composition Audio DAB+ radio system with 6.5 inch colour touch-screen and four loudspeakers, SD card slot, Bluetooth® hands-free and two USB interfaces (type-C) in dashboard

INTERIOR – CAB AREA

- Carpet floor covering in cab
- Center console with two cup holders
- Decorative inserts, 'Birch Vein'
- Electric front windows
- Electronic parking brake – with auto hold function
- Glovebox compartment, lockable – with illumination
- Interior light in headliner incorporating LED technology
- Manual height adjustment for front seats
- Multi-function steering wheel
- Multi-function leather trimmed steering wheel, DSG models only
- Overhead storage compartment
- Reach and rake adjustable steering column
- Rear-view mirror with anti-dazzle function
- Seat trim covers in 'Double Grid' fabric upholstery
- Servotronic speed-related power-assisted steering

PASSENGER COMPARTMENT

- Carpet floor covering
- Interior lights, five in passenger compartment
- Fixed side windows in passenger/load compartment
- Retractable luggage compartment cover
- Three-seat bench in second row – split/folding and removable with ISOFIX mountings to outer seats
- Two single seats in third row – split/folding and removable, Maxi models only
- 12V socket in passenger compartment

DRIVER ASSISTANCE AND SAFETY SYSTEMS

- Anti-lock Braking System (ABS)
- Anti-theft alarm system with interior monitoring in cab, back up horn and towing protection
- Automatic hazard light activation under emergency braking
- Automatic Post-Collision Braking System
- Brake Assist system
- Cruise control including speed limiter
- Curtain airbags for rear outer passenger seats
- Driver Alert system
- Driver and front passenger airbags with front passenger's airbag deactivation
- Electronic Brakeforce Distribution (EBD)
- Electronic engine immobiliser
- Electronic Differential Lock (EDL)
- Electronic Stabilisation Programme (ESP)
- Electrically-operated child safety lock
- eCall emergency system
- Engine Drag Torque Control (MSR)
- First aid kit with warning triangle and safety vest
- Front Assist with Pedestrian Monitoring and City Emergency Braking System
- Lane Assist
- Remote central locking and two remote keys
- Seat belt warning if unfastened, front and rear
- Side and curtain airbags for driver and front passenger
- Traction Control System (TCS)
- Tyre pressure loss indicator
- Windscreen wiper with variable intermittent delay and wash-wipe system
- 3-point seat belts in front, with pretensioner and height adjustment

EFFICIENCY TECHNOLOGY

- Regenerative braking
- Start/Stop

In tune with nature

The Caddy Life. Comfort in action

Recreation requires room. Outdoor enthusiasts are especially aware of this. It's pretty tricky to fit a dog carrier, paragliders and mountain bikes in small luggage compartments. And you can forget about collapsible boats! If you need some leftover space for comfort, then the new Life is the vehicle for you. It is the perfect way to explore the natural world at your leisure.

The Life has space for everything you might need to enjoy a day trip. Double-fold the rear seat bench forwards to create a practical loading bay. There's more than enough room for a collapsible canoe, two paddles and a large picnic basket. And after an action-packed day on the water you can enjoy a relaxed journey home. Travel Assist^{1, 2, 3} combines the lane keeping system Lane Assist^{2, 4} with Adaptive Cruise Control (ACC)^{1, 2, 3}, helping to guide you home safely. Adaptive lane centring also helps to keep you on the right track.

- 01 Travel Assist with Adaptive Cruise Control (ACC), Lane Assist and Emergency Assist^{1, 2, 3}
- 02 Roof gallery
- 03 Luggage compartment
- 04 H7 halogen headlights
- 05 Drawers under the front seats⁵

1 Optional at extra cost. 2 Within the system's thresholds. 3 Only available in conjunction with the dual-clutch gearbox (DSG).
 4 The driver must be prepared at all times to override the assist systems and is not released from their responsibility to drive with the utmost care.
 5 Drawers under the front seats are standard on Caddy Life and optional on Caddy models.

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country.

Looking for a stretch limo? The Caddy Maxi

Starting from **£26,735†**

Please click here for more details.

Time to stretch out. If you need more space the Caddy Maxi's long wheelbase gives you an extra 353 mm of length with a larger luggage area. So there's plenty more space for you, your passengers and luggage on long journeys. When getting in and out, the new 844 mm sliding doors on the new Maxi are 143 mm wider than on the short wheelbase version. A luxury you and your family shouldn't go without.

01

02

03

- 01 Maxi with seven seats – second row, split 2/3 to 1/3, third row of seats with two single seats
- 02 Extra-wide Maxi sliding doors
- 03 Maxi with large luggage compartment – second and third row seats removed

Images shown are for illustrative purposes only and may include options at extra cost. Vehicles shown are not UK specification. Please contact your local Volkswagen dealer for details of the standard equipment and optional extras available in your country. † Total RRP including OTR and VAT.

¹ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

² Unladen weight includes approximately 90% fuel load and 75kg for driver.

³ Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Please contact your local Volkswagen Van Centre for more details.

Roof load limit: 100kg. Trailer nose weight: 80kg.

* Please [click here](#) for more details on manufacturer's on the road (OTR) package.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

1 Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1.12.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

2 From 1 April 2021, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the Recommended 'On The Road' (ROTR) price you pay (in most circumstances, prices will increase). The Recommended 'On The Road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2021. Choice of wheels and other options may affect fuel consumption, BIK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2021.

RDE2 refers to Real Driving Emissions Step 2

Finance, insurance, servicing and warranties

Finance and insurance.¹

When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance with lots of features and benefits as standard.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Car Insurance.³

Complimentary Volkswagen Drive Away Insurance

Every new and Approved Used Volkswagen comes with five days' complimentary insurance cover, getting you on the road quickly and easily. Volkswagen Drive Away Insurance is designed specifically for your Volkswagen and guarantees that your vehicle will be repaired in a Volkswagen Approved Repairer. Speak to your Volkswagen Van Centre for more details. *Subject to eligibility.*

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Volkswagen Car Insurance offers. Read on for more details.

Volkswagen Car Insurance

Volkswagen Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Volkswagen. Just as you'd expect from Volkswagen, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost. Insure your car with Volkswagen and relax knowing we only use Volkswagen trained technicians, who know your car inside out, and Volkswagen genuine parts*, giving you the peace of mind that your Volkswagen will be repaired to the same high standards as before and to original manufacturer specifications.

**Excludes windscreen claims.*

To get a quote or find out more, visit www.insurewithvolkswagen.co.uk/car-insurance

Alternatively, call us on **0345 877 6464**.

We're available Monday to Friday 8am-8pm, and Saturday 9am-5pm.

Volkswagen Commercial Vehicle Gap Insurance.⁴

What is Volkswagen Commercial Vehicle Gap Insurance?

If your Volkswagen Commercial Vehicle is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Volkswagen Commercial Vehicle, or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Volkswagen Commercial Vehicle Gap Insurance

This pays the difference between the write-off settlement from your motor insurer and the price you paid for your Volkswagen Commercial Vehicle, or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Volkswagen Commercial Vehicle Gap Insurance will cover the difference between the write-off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Volkswagen Commercial Vehicle Gap Insurance Plus

In addition to all the benefits of Volkswagen Commercial Vehicle Gap Insurance, the Volkswagen Commercial Vehicle Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written-off during the additional 12-month fixed benefit period of insurance, Volkswagen Commercial Vehicle Gap Insurance will pay a fixed sum of £2,500.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Volkswagen Commercial Vehicle Gap Insurance, please speak to your nearest participating Volkswagen Van Centre or visit www.insurewithvwc.co.uk/gap-insurance.

Servicing and support.

We're here to keep your business moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales

Fixed cost maintenance.

This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Service Plans.⁶

Designed to keep you on the road, you can plan ahead and cover your next two services with a Service Plan. With the same pricing across all eligible models, we've made paying for your first two services as easy as possible with the option to pay upfront or spread the cost over 24 months.

Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your Caddy, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your Caddy is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: www.volkswagen-vans.co.uk/aftersales.

Factory extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: www.volkswagencvwarranty.co.uk where you'll also be able to obtain a quote and purchase a Factory extended warranty.

Paint and body warranty.

Your Caddy's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.

¹ Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA).
